

“He shall enter also into the glorious land, and many countries shall be overthrown... he shall have power over the treasures of gold and of silver... But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many. And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.”

Hope: In the end of the world, who are wolves in wolves' clothing? Are they the heads of nations? Are they the heads of hospitals? Are they the heads of corporations? Are they the heads of churches? And what will be happening?

Pastor Jan: The prophet of God said, "In the last scenes of this earth's history war will rage." LDE 24.

Charity: What kinds of war?

Pastor Jan: In this letter, you'll get a hint.

The latest lazer guns are being prepared to knock down airplanes, satellites, ships, etc.

The January edition of the police magazine, **American Police Beat**, says, "Homicides hit record highs." From Los Angeles to New York; from Atlanta to Minneapolis, murders have risen as much as 317% from the year before. It says, "The numbers are staggering. It defies all human decency."

Pastor Jan: That's because in the end of the world, the supernatural powers that control the wolves in wolves' clothing are not human.

Dear SDA friends around the world,

Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: The above Bible quote says, "Tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy." Daniel 11:44. What are those "tidings" that trouble the great wolf in wolves' clothing? What makes him go hog wild "to destroy?" And how will it affect us?

Pastor Jan: Are you ready? Here we go -

It was a life or death pursuit. The monster, Churchill said, “must be destroyed at all costs.” England must marshal her forces with one great purpose in mind - “SINK THE BISMARCK!”

“The Lord is removing His restrictions from the earth... Those who are without God’s protection will find no safety in any place... Human agents are being trained and are using their inventive power to put in operation the most powerful machinery to wound and to kill.” LDE 24.

A torpedo that can swim 5 miles and be guided to the target with a GPS.

A cannon that can shoot 42 miles and go through many steel plates at 2 miles per second.

in the shipping lanes - to sink hundreds of their ships - bringing food, fuel, and supplies to the allies.

England had to throw everything into the effort of destroying the Bismark. But it seemed like they needed a miracle. They must somehow break the German’s secret “enigma” code - **the hardest code ever devised.** But how?

“Thousands of ships will be hurled into the depths of the sea. Navies will go down, and human lives will be sacrificed by millions. Fires will break out unexpectedly and no human effort will be able to quench them... Confusion, collision, and death without a moment's warning will occur on the great lines of travel... Probation is closing. Oh, let us seek God while He may be found, call upon Him while He is near!” LDE 24.

It was Hitler’s pride and joy. It weighed over 50,000 tons - the largest warship in the world. She was 1/6 of a mile long and 120 feet wide. Her three giant engines, producing 150,000 horsepower, could blast the colossus through the sea at 35 mph. Her sides were armored [like Goliath] with 13 inches of steel, and inside her hull was a honeycomb of watertight compartments.

The giant carried sixty-eight guns. The inside diameter of eight of these guns was 15 inches. These devil guns could hurl 1,800 pound shells -

{the weight of a car} - through the air for more than 22 miles!

It became the highest priority of the British to monitor her every movement.

They could not allow such a killer to be loose

The chances of breaking that code were one in 159 million million million. What hope did they have? Without a miracle, it seemed that they were doomed. Churchill said

to President Roosevelt, “If England goes down, Hitler has a very good chance of conquering the world.”

In this awful crisis, our kind Father raised up a young man by the name of Gordon Welchman. Praise God!

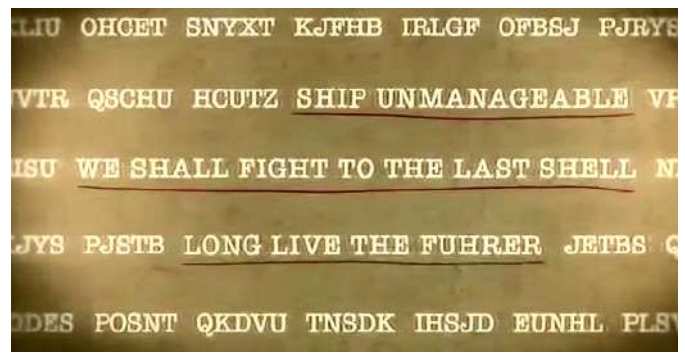

He went about studying the secret code in a similar way as the prophet revealed that we should study the Bible. That means that instead of crying about what he could not understand, he focused on what he could understand. Using that method, he first observed that the beginning letters of each new code were similar, and that they revealed who the code was coming from and who it was going to. Then what happened?

This is Bletchley Park in England where they deciphered the German “Enigma” code - to help locate and track Nazi troops, to help win World War 2.

The “Enigma” decoding machine.

The German Bismark was the greatest and most feared warship in the world. Before British decoding experts could decode the “enigma” message revealing where the Bismark was located, it sank England’s greatest ship - the Hood. But after learning where the monster was, British warships surrounded her like bees, and, after being hit about 400 times, the behemoth sank 3 miles down - to the bottom of the sea.

Here’s the decoded “enigma” message from Bismark’s Captain to Adolf Hitler after the rudder of the great ship was broken by a British torpedo. He said, “SHIP UNMANAGEABLE. WE SHALL FIGHT TO THE LAST SHELL. LONG LIVE THE FUHRER.” Shortly thereafter, he was dead.

Hitler and the Nazi’s had might and darkness. By the grace of God, little England had light and intelligence. Today, “the children of the evil one” have Satan’s might and darkness. The children of light have the lovely Jesus; “the light of life;” the light of God’s word; and the light of prophecy - to know what is coming, and to know what to do about it. Praise God!

As England declared war on Nazi Germany, a strange, ragtag army was being assembled at Bletchley Park to fight a secret war. The best and the brightest were being recruited from Briton's top universities. They had the impossible task of decoding "enigma."

Gordon Welchman: As I began to study that first collection of codes, I began to see that we were dealing with the entire communication system of the German forces.

Pastor Jan: The technique Welchman was using was called traffic analysis. As he and his co-workers learned more, they began to see the entire network of the enemy. Now he knew the strength and exact position of thousands of Nazi troops, and hundreds of German aircraft. He saw that Bletchley Park could be as vital a part of Briton's defenses as the army, navy, and air force. Their weapon would be "intelligence."

"Intelligence" played a vital part in the sinking of the Bismark, and in the victorious battle of Briton.

Faith: How will "Intelligence" play a part in the battle of Armageddon?

Gordon Welchman

Pastor Jan: Dear Jesus took His prophet right into the secret haunts of the great wolf in wolves' clothing. Watch closely - "I was shown Satan as he once was, a happy, exalted angel. Then I was shown him as he now is. He still bears a kingly form. His features

are still noble, for he is an angel fallen. But the expression of his countenance is full of anxiety, care, unhappiness, malice, hate, mischief, deceit, and every evil. That brow which was once so noble, I particularly noticed. His forehead commenced from his

eyes to recede [like the forehead of a dog. He has lost his frontal lobe where our conscience is. Satan has shown the world what his forehead looks like in the Star Wars movie series.] I saw that he had so long bent himself to evil that every good quality was debased, and every evil trait was developed. His eyes were cunning, sly, and showed great penetration. His frame was large, but the flesh hung loosely about his hands and face. As I beheld him, his chin was resting upon his left hand. He appeared to be in deep thought. A smile was upon his countenance, which made me tremble, it was so full of evil and satanic slyness. This smile is the one he wears just before he makes sure of his victim, and as he fastens the victim in his snare, this smile grows horrible." EW 152,153.

"A train of cars was shown me, going with the speed of lightning. The angel bade me look carefully. I fixed my eyes upon the train. It seemed that the whole world was on board. Then he showed me the conductor, a fair, stately person, whom all the passengers looked up to and revered. I was perplexed and asked my attending angel who it was. He said, 'It is Satan. He is the conductor, in the form of an angel of light. He has taken the world captive. They are given over to strong delusions, to believe a lie that they may be damned. His agent, the highest in order next to him, is the engineer, and others of his agents [like the Nazi generals] are employed in different offices as he may need them, and they are all going with lightning speed to perdition.'

"I asked the angel if there were none left. He bade me look in the opposite direction, and I saw a little company traveling a narrow pathway. All seemed to be firmly united by the truth..."

"Satan told his angels that the churches were asleep. He would increase his power and lying wonders, and he could hold them. 'But,' he said, 'the sect of Sabbathkeepers we hate; they are continually working against us, and taking from us our subjects to keep the hated law of God. Go, make the possessors of lands and money drunk with cares. If you can make them place their affections upon these things, we shall have them yet. They may profess what they please, only make them care more for money than for the success of Christ's kingdom or the spread of the truths we hate. We must keep in our ranks all the means of which we can gain control.

[This is in harmony with what I read the other day - that one man won the lottery 6 times. Are lotteries, Hollywood, sleeping churches, secret societies, labor unions - controlled by Satan?]

Hope: Is this a conglomeration?
Pastor Jan: No, it's Sweet Vennita washing the dishes. She's so pretty. Hi Sweetheart! We love to see you!

The billboard on the wall full of Nazi locations and info from the deciphered enigma codes. You could see the entire German communication system.

A wolf in wolves' clothing

Dear Pastor Jan,
A stranger walked up to my husband and me and said, "Do you go to church?" I said "Yes." Then he gave us a copy of "National Sunday Law." After we read the book we never went back to the Sunday keeping church again. We started attending the Seventh-day Adventist Church and were baptized. Now we hand out the NSL books by the thousands. May God bless you! G.P.

“Battle every inch of ground. Make covetousness and love of earthly treasures the ruling traits of their character.” [That’s what the devil said.]

“Those who want heaven must, with all the energy which they possess, be encouraging the principles of heaven... Every opportunity should be improved in doing good to one

another...

Jesus was presented to me as the perfect pattern. His life was ever marked with benevolence.

“I saw some, with strong faith and agonizing cries, pleading with God [for victory over all sin]. Their countenances were pale and marked with deep anxiety, expressive of their internal struggle... Now and then their faces would light up with the marks of God’s approbation, and again the same earnest, anxious look would settle upon them... Their only safety was in keeping their eyes directed upward...

Heavenly angels were continually wafting their wings over them to scatter the thick

darkness.

“Some, I saw, did not participate in this work of agonizing and pleading. They seemed indifferent and careless. They were not resisting the darkness around them, and it shut them in like a thick cloud. The angels of God left these... and I lost sight of them...

“Said the angel, ‘List ye!’ Soon I heard a voice like many musical instruments all sounding in perfect

strains, sweet and

harmonious. It surpassed any music I had ever heard, seeming

to be full of mercy, compassion, and holy joy. It thrilled through my whole being. Said the angel, ‘**Look ye!**’ My attention was then turned to the company I had seen, who were mightily shaken... The company of guardian angels around them had been **doubled**, and they were clothed with an armor from their head to their feet. [Praise God!] They moved in exact order... **They had obtained the victory**, and it called forth from them the deepest gratitude and holy, sacred joy.

“I heard those clothed with the armor speak forth the truth with great power. It had effect. Many had been bound; some wives by their husbands, and some children by their parents. The honest who had been prevented from hearing the truth now eagerly laid hold upon it. All fear of their relatives was gone, and the truth alone was exalted to

them. They had been hungering and thirsting for truth... I asked what had made this great change.

An angel answered, ‘**It is the latter rain**, the refreshing from the presence of the Lord, the loud cry of the third angel.’ [Pray for the latter rain! And don’t forget to also give “the loud cry of the third angel.” I thought to myself that many of us are too bashful to give it. And we don’t know how.

Charity: Is that why the little NSL preachers were born?

Pastor Jan: Yes.]

Dear A. Jan Marcussen,

I feel it a miracle that I have the book “National Sunday Law.” I found it in a rest area. I’m an ordained minister and after praying much for more truth, I found your book. I have read it four times, and I know that it is true! I have looked up all the Scriptures on God’s Sabbath, and from now on, I will be observing His true Sabbath. I also know that I have a great responsibility to share this truth with others. I have found in this little book, a great treasure. I marvel at God’s ways. Sincerely, M.J.

Dear Jan Marcussen,

I don’t know if you’re a man or a woman, but I’m writing to just say thank you for such a clear understanding of the word of God! I’m thanking you for the book “National Sunday Law.” I have rededicated my life to Jesus and am so glad to have come across your book which just captivated my interest and showed me how I should be worshiping God on His holy Sabbath day. I would love for others to be able to read this book as well. Thank you for such great knowledge! God bless you.

Jeff W.

Dear Pastor Marcussen,

Through your book “National Sunday Law,” I have come to know the real truth of God! I have been a member of the Pentecostal church, but through your book I have been led to see that I have been paying homage to the popery of the Catholic Church. Now, by the grace of God, I am a Seventh-day Adventist! I thank the Almighty, Who has made the light of His salvation to shine upon you, and upon us all. Yours in Christ, S.M.

Dear Jan Marcussen,

I asked God to please guide me and show me the truth. When I arrived home, there on my door-step was this amazing book “National Sunday Law!” I couldn’t put the book down until I had finished the whole thing! I plan to get more to give to others. I want them to know the truth about our King of Kings, and to respect His holy day. I just want to say “Thank you” to those who put the book on my door-step to open my eyes! “National Sunday Law” will open the eyes of many! Daisy

A glorious light shone upon them. **How beautiful they then looked!** All marks of care and weariness were gone, and health and beauty were seen in every countenance. Their enemies, the heathen around them, **fell like dead men.** They could not endure the light that shone upon the delivered, holy ones. This light and glory remained upon them until Jesus was seen in the clouds of heaven, and the faithful, tried company were

changed in a moment, in the

twinkling of an eye, from glory to

glory. And the graves were opened, and the saints came forth, clothed with immortality, crying, 'Victory over death and the grave;' and together with the living saints they were caught up to meet their Lord in the air, while rich, musical shouts of glory and victory were upon every

immortal tongue." EW 266-272. **Praise God!**

Dear Pastor Jan,

I believe everyone in the world should read "National Sunday Law!" Surely God has blessed you greatly with this knowledge. After reading it I became a Seventh-day Adventist. May God bless you for enlightening the people with the truth of God! Your brother in Christ,

"Hope thou in God, for on Calvary's cross a complete sacrifice was offered **for you...** Eternal joy - a life of undimmed happiness - awaits the one who surrenders **all** to Christ." HP 262.

"When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with **fulness of joy**; for his sins are **pardoned.**" SD 222. Praise God friend! **Praise God!**

Dear Pastor Jan,

I was born to a family where both of my parents were preachers. I felt that I could not worship or serve a God who could burn someone forever without end. Mom NEVER got out from behind the pulpit. I determined that if I was going to Hell to burn without end, then I was going to deserve it. I remember receiving the NSL book for the first time. I am reading it again now. I can "see" this time around, especially after reading your newsletters which have gotten my head out of the sand! Through the years I have had my membership in many different churches and none of them gave "down to earth" messages to wake us up and give us real spiritual meat and truth. God forgive them. I am truly convinced they are so totally afraid to "offend" someone, that most of them cower to the rich and famous. Thank you for staying true to the Lord. It means everything to be fed with the word of God. In Christ's service. Carole N.

Hope: How did dear Jesus beat the devil to be able to take His people to the paradise of God instead of the fire of hell? He was so exhausted and tortured in His fight with the devil that, how did He do it?

Pastor Jan: After dear Jesus had gone without food in the wilderness to the brink of death, "Satan had questioned whether He was the Son of God. In his summary dismissal he had proof that he could not gainsay.

Divinity **flashed** through **suffering** humanity. Satan had no power to resist the command. [**Praise God!**] Writhing with humiliation and rage, he was forced to withdraw from the presence of the world's

Redeemer. Christ's victory was as complete as had been the failure of Adam." DA 130.

With "It is written," we may also resist temptation, and force Satan to depart from us. Praise God!

To Whom it May Concern,

I don't like to read, but once I started reading "National Sunday Law" I couldn't put it down! I read the whole thing. It's an amazing book and I immediately decided that I have to share this wonderful truth with others. I'm planning to get hundreds of these books to give out. Yours truly, M. Hall

Dear Jan Marcussen,

I was brought up as a Roman Catholic, but I left the Catholic church. I knew that it was wrong to pray to statues of dead saints because the 10 commandments said not to worship false gods. I have just finished reading your book "National Sunday Law" and I was totally shocked and amazed! I couldn't put it down! I want to get more of these books to give to my family and friends. May God bless you always, and keep you in His care. L.C.

“The name of the Lord is a strong tower: the righteous runneth into it, and is safe.” Prov. 18:10.

Satan trembles and flees before the weakest soul who finds refuge in **that mighty name.**

“After the foe had departed, Jesus fell exhausted to the earth, with the pallor of death upon His face. The angels of heaven had watched the conflict, beholding their loved Commander as He passed through inexpressible

suffering to make a way of escape for us. He had endured the test, **greater** than we shall **ever** be called to endure. The **angels** now ministered to the Son of God as He lay like one dying. He was strengthened with food, comforted with the message of His Father’s love and the assurance that all heaven triumphed in His victory. Warming to life again, His great heart goes out in sympathy for man, and He goes forth to complete the work He has begun; to rest not until the foe is vanquished, and our fallen race redeemed. [Praise God!]

“Never can the cost of our redemption be realized until the redeemed shall stand with the Redeemer before the throne of God. Then as the glories of the eternal home burst upon our enraptured senses we shall remember that Jesus left all this for us, that He not only became an

exile from the heavenly courts, but for us took the **risk** of failure and **eternal loss.** Then we shall cast **our crowns** at His feet, and raise the song,

‘**Worthy** is the **Lamb** that was **slain** to receive **power,** and **riches,** and **wisdom,** and **strength,** and **honor,** and **glory,** and **blessing.**’ Rev. 5:12.” DA 130,131. **Praise God friend! Praise God!**
