The article in Inside the Vatican entitled, “A Catholic Perspective on Health Care Reform,” shows that the Vatican will not be behind in health care. After all, God’s word in Rev. 18:23,24 describes Rome’s pharmacies thus – {The Greek word for “sorceries” is “farmakeia = pharmacy, magic, sorcery.”}. The text says - “for by thy sorceries [pharmacies] were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.” Rev. 18:23,24. You’ve already learned that the papacy controls the pharmaceutical companies by owning more than 50% of their stocks.

Dear SDA friends around the world,
Greetings in the holy name of Jesus.

Faith: The Bible quote says, “I Jesus have sent mine angel to testify unto you these things in the churches.” “These things” have been testified to around the world from God’s dear people. And here in the end of the world, how will it affect us?

Pastor Jan: Are you ready? Here we go -

The TIME article on page one, gives some of the latest information on a number of health subjects.

1) **“Bio-electronics are sparking new hope.”** It says that they not only have wireless pacemakers, but they are “able to rewire nerves to thwart inflammation and turn down pain [like you can turn the volume down on a radio.]”

2) **“The Promise of Precision Medicine.”** It says, “The first step is collecting the DNA of more than a million people to map their genomes.” Would you like to be one of the million whose genomes are mapped?

3) **“The Alzheimer’s Grind.”** While there are new drugs in the pipeline, some of the most exciting research in the fight against this brain disease, may be in areas like sleep and diet. {This type of information is found in the Spirit of Prophecy.}

4) **“A Perfect Storm.”** “The mental health of the nation is struggling, but teletherapy and the new suicide hotline are bright spots in treatments. Plus, the promise of Psychedelics.”

They are giving mentally ill and depressed people psychedelic mushrooms to eat so that after their brains are spaced out, the poor people hopefully feel better because they forgot what their problems were. ☺ And when the high is gone, the poor souls can come back in for another dose of the psychedelic mushrooms. Not only does it make them feel better, but it also makes the doctors and the medical establishments feel better because they can charge the insurance companies lots of money.

Dear Sir,

My faith has found a resting place - not in the pope with his number 666, but in the King of Kings. After carefully studying the book “National Sunday Law” I was electrically moved and shocked. I have now come to trust and obey King Jesus. Thanks be to Almighty God for the plain message you are carrying in your book. And bravo to the brother who put this book into my hands. God bless both of you. Paul

5) Fresh air - including enough fresh air when you are sleeping. {Stale bedroom air leads to disease.} 6) The right amount of Sunshine; 7) Staying away from things that hurt your health; and 8) Trust in the power of God.

Then what will happen?

“I saw angels hurrying to and fro in heaven, descending to the earth, and again ascending to heaven, preparing for the fulfillment of some important event. Then I saw another mighty angel commissioned to descend to the earth, to unite his voice with the third angel, and give power and force to his message. Great

Dear Pastor Jan,

I had studied the Bible and I didn’t want to accept the Sabbath. The book “National Sunday Law” was the single most convincing factor that led me back to the Bible for more study, and eventually to my conversion to be a Seventh-day Adventist. Praise God! E.N.

Three happy men in New York City

The same three men - breathing dust - are glad to get out of New York City after thousands perished, and the fire-proof buildings burned like pitch. They are among those who escaped death, but their dust-covered bodies and disheveled hair tell us that something horrific has happened.

5) **“Lifestyles of the Healthy and Wise.”** “The power of making some simple changes to diet, exercise and sleep {among others} to thwart chronic diseases is paving the way for a new medical specialty.” {The “new medical specialty” was revealed for the world over 100 years ago in the Spirit of Prophecy. They are called the “Eight Natural Remedies.” The are, 1) Plant based diet, free from grease and hot spices; 2) Proper exercise; 3) Enough sleep {with regularity in the times for sleep each night.} 4) Pure water inside and out. This includes the powerful healing effect of the use of hot and cold water treatments;

Dear Pastor Marcussen,

I want to write and tell you that I was a Roman Catholic, but it was the book “National Sunday Law” which brought me into God’s truth to make me a Seventh-day Adventist! After my husband got your book, I picked it up and I couldn’t stop until I had finished it! I was shocked when I read it. I had known that Bibles were burned by the priests and popes but I was SHOCKED when I read that they had tried to change the law of God. I wanted that moment to be faithful to God. Rome wants to keep people in darkness, but I thank God for your book which opens the eyes of the people. C.C.

power and glory were imparted to the angel, and as he descended, the earth was lightened with his glory. The light which attended this angel penetrated everywhere, as he cried mightily, with a strong voice, ‘Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird...’ The work of this angel comes in at the right time to join in the

“God’s message must be given in Greater New York. The people must be shown how it is possible for God, by a touch of His hand, to destroy the property they have gathered together against the last great day.

“I know that one day the great buildings there [New York City, and cities around the world] will be thrown down by the turning and overturning of God’s power... Death will come in all places. This is why I am so anxious for our cities to be warned.” LDE 112-113.

“On one occasion, when in New York City, I was in the night season called upon to behold buildings rising story after story toward heaven. These buildings were warranted to be fireproof, and they were erected to glorify their owners and builders.

“The scene that next passed before me was an alarm of fire... These buildings were consumed as if made of pitch. The fire engines could do nothing to stay the destruction. The firemen were unable to operate the engines.” 9T 12,13.

last great work of the third angel's message as it swells to a loud cry. And the people of God are thus prepared to stand in the hour of temptation, which they are soon to meet. I saw a great light resting upon them, and they united to fearlessly proclaim the third angel's message.

"The light that was shed upon the waiting ones penetrated everywhere, and those in the churches who had any light, who had not heard and rejected the three messages, obeyed the call and left the fallen churches... Mighty miracles were wrought, the sick were healed, and signs and wonders followed the believers. God was in the work, and every saint, fearless of consequences, followed the convictions of his own conscience and united with those who were keeping all the commandments of God and they united to fearlessly proclaim the third angel's message. I saw that this message will close with power and strength far exceeding the midnight cry.

Dear Sir,

I could never understand Revelation. I do now! I wanted to write because I'm captivated with your book, "National Sunday Law." I used to serve God on Sundays until a friend of mine gave me your book. Since then, I've been worshipping God on His seventh-day Sabbath, and attending the Seventh-day Adventist church. I can tell that you really know the book of Revelation. I want to serve God, and not man from now on. Thank you so much! Shawn CA

"Souls that were scattered all through the religious bodies answered to the call, and the precious were hurried out of the doomed churches, as Lot was hurried out of Sodom before her destruction.

"The last great warning had sounded everywhere, and it had stirred up and enraged the inhabitants of the earth who would not receive the message...

"Then I saw Jesus, who had been ministering before the ark containing the ten commandments, throw down the censer. He raised His hands, and with a loud voice said, *'It is done...'* Every case had been decided for life or death...

"Then I saw Jesus lay off His priestly attire and clothe Himself with His most kingly robes. Upon His head were

many crowns, a crown within a crown. Surrounded by the angelic host, He left heaven. The plagues were falling upon the inhabitants of the earth. Some were denouncing God and cursing Him. Others rushed to the people of God and begged to be taught how they might escape His judgments. But the saints had nothing for them... As mercy's sweet voice died away, fear and horror seized the wicked. With terrible distinctness they heard the words, 'Too late! too late!'

"Those who had not prized God's Word were hurrying to and fro, wandering from sea to sea, and from the north to the east, to seek the Word of the Lord. Said the angel, 'They shall not find it.'

"Many of the wicked were greatly enraged as they suffered the effects of the plagues. It was a scene of fearful agony. Parents were bitterly reproaching their children, and children their parents... Loud, wailing cries were heard in every direction, 'It was

you who kept me from receiving the truth which would have saved me from this awful hour.' The people turned upon their ministers with bitter hate and reproached them, saying, 'You have not warned us. You told us that all the world was to be converted, and cried, Peace, peace, to quiet every fear that was aroused. You have not told us of this hour; and those who warned us of it you declared to be fanatics and evil men, who would ruin us.' But I saw that the ministers did not escape the wrath of God. Their suffering was tenfold greater than that of their people.

"I saw the saints leaving the cities and villages, and associating together in companies, and living in the most solitary places. Angels provided them food and water, while the wicked were suffering from hunger and thirst. Then I saw the leading men of the earth consulting together, and Satan and his angels busy around them. I saw a writing, copies of which were scattered in different parts of the land, giving orders that unless the saints should yield their peculiar faith, give up the Sabbath, and observe the first day of the week, the people were at liberty after a certain time to put them to death. But in this hour of trial the saints were calm and composed, trusting in God and leaning upon His promise that a way of escape would be made for them...

"To outward appearance, there was no possibility of their escape. The wicked had already begun to triumph, crying out, 'Why doesn't your God deliver you out of our hands? Why don't you go up and save your lives?' But the saints heeded them not, Like Jacob, they were wrestling with God...

Dear Jan Marcussen,

Hello, I'm 11 years old. I had some doubts about God, but your book really makes sense. It's called "National Sunday Law." Oh yeah, my name is Jonathan Hall. I'm more confident about God now. I also learned in the book that Satan can make miracles too. Maybe time is coming to an end. I also look at the positive things like Jesus is coming soon! And I learned that we must follow our Creator's law and not the laws of a man who claims to be god on earth. I feel like laffing at myself for being scared of God. God never failed us, why should we fail him? If I said anything bad, please forgive me. Please pray for me and others around the world that in the midst of persecution we'll stand strong for God's word, and remember that our race is almost done. Bless you. Jonathan

Dear A. Jan Marcussen,

I read your book "National Sunday Law" about a week ago and I've thought of it continuously. It completely blew me away and made me examine God's word in a new light. It's so refreshing for someone to come out with the complete truth. I think that your work is going to make a difference in the world! But shouldn't we all be doing more to reach the people with God's message? T.M.

“As the saints left the cities and villages, they were pursued by the wicked, who sought to slay them. But the swords that were raised to kill God’s people broke and fell as powerless as a straw. Angels of God shielded the saints. As they cried day and night for deliverance, their cry came up before the Lord.

“It was at midnight that God chose to deliver His people. As the wicked were mocking around them, suddenly the sun appeared, shining in his strength, and the moon stood still. The wicked looked upon the scene with amazement, while the saints beheld with solemn joy the tokens of their deliverance... The sky opened and shut and was in commotion. The mountains shook like a reed in the wind and cast out ragged rocks all around...

We were sitting in church and a man walked up to the front. He held up a “National Sunday Law” book and said that it was because of this book that he is a Seventh-day Adventist. The congregation was amazed. May God be praised. T.C.**

Greetings from CA!

The book “National Sunday Law” is opening the eyes of many many people. Many who were blind, deaf, and dumb have had a beam of light come into their minds. In my area, this book has caused Roman Catholics to leave all that Catholic stuff and keep God’s seventh-day Sabbath holy. Some of them, as well as Sunday worshipping Protestants have now become Seventh-day Adventists! I was raised as a Roman Catholic myself. Now I too observe God’s true Sabbath – Saturday, as it is in Jesus. Your brother and friend, Johnny

and death came up in immortal health and vigor. The living saints are changed in a moment, in the twinkling of an eye, and caught up with the risen ones, and together they meet their Lord in the air. Oh, what a glorious meeting!... Then Jesus looked upon His redeemed saints; their countenances were radiant with glory; and as He fixed His loving eyes upon them, He said, with His rich, musical voice, ‘I behold the travail of My soul, and am satisfied. This rich glory is yours to enjoy eternally. Your sorrows are ended...

“My attention was again directed to the earth. The wicked had been destroyed, and their dead bodies [by the billions] were lying upon its surface. The wrath of God in the seven last plagues had been visited upon the inhabitants of the earth, causing them to gnaw their tongues from pain and to curse God. The false shepherds had been the signal objects of Jehovah’s wrath. Their eyes had consumed away in their holes, and their tongues in their mouths, while they stood upon their feet. [It takes an atomic blast to burn out their eyes and tongues before they hit the ground.] Dead bodies were from one end of it to the other.

“The earth looked like a desolate wilderness. Cities and villages, shaken down by the earthquake, lay in heaps. Mountains had been moved out of their places, leaving large caverns. Ragged rocks, thrown out by the sea, or torn out of the earth itself, were scattered all over its surface. Large trees had been uprooted and were strewn over the land. Here is to be the home of Satan with his evil angels for a thousand years...

“I heard shouts of triumph from the angels and from the redeemed saints, which sounded like ten thousand musical instruments, because they were to be no more annoyed and tempted by Satan and because the inhabitants of other worlds were delivered from his presence and his temptations.

A retinue of holy angels, with bright, glittering crowns upon their heads, escorted Him on His way. No language can describe the glory of the scene. The living cloud of majesty and unsurpassed glory came still nearer, and we could clearly behold the lovely person of Jesus... The earth trembled before Him,

Dear Amazing Truth,

I asked God to lead me and use me. He guided me to get “National Sunday Law” books to distribute. Then I started receiving Pastor Marcussen’s monthly letter. It was then that I learned of the worldwide scope of his work! I realized that this book contains the issues for the last days, and that the people of the whole world need this book! They need it to make them aware of these life and death issues! I want to help many people to know which side to be on when the mark of the beast is enforced! I have come to realize that the work which God wants me to do is to help distribute the “National Sunday Law” books to many people! Thank you so much, and may God bless you! Sincerely, A.C.

“In terrible, fearful majesty, Jesus called forth the wicked dead; and they came up with the same feeble, sickly bodies that went into the grave. What a spectacle! what a scene!... At the first resurrection all came forth in immortal bloom; but at the second the marks of the curse are visible on all...

All are seeking to hide in the rocks, to shield themselves from the terrible glory of Him whom they once despised. And, overwhelmed and pained with His majesty and exceeding glory, they with one accord raise their voices, and with terrible distinctness exclaim, ‘Blessed is He that

Dear Pastor Jan:

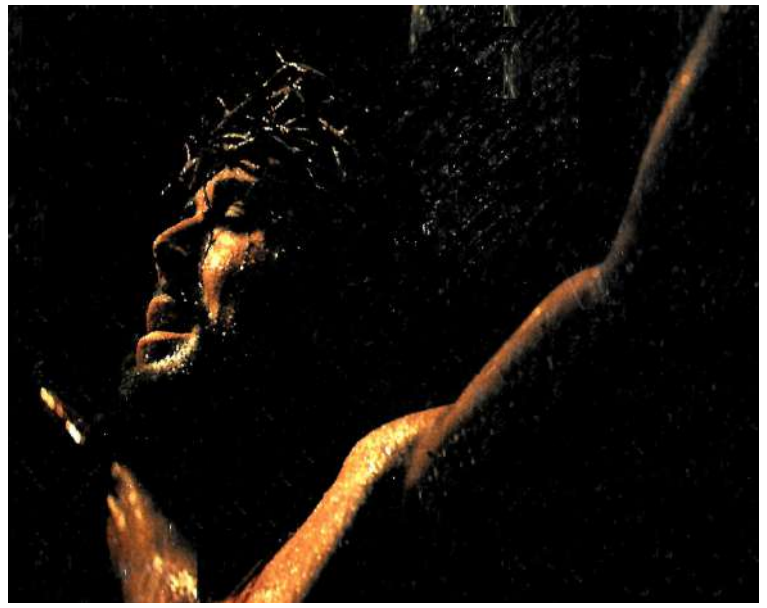

In 1993 I became a Seventh-day Adventist. Later, someone gave me the book *National Sunday Law*. I read it and I was amazed! I ordered a box of 100 and started handing them out. Later I got married and three years after that we opened a health food store. Then we met an SDA man who had received a 1000 NSL books, and he gave us some of his to give out in our store. An SDA lady also gave us many boxes of hers. We handed them out as people came into the store, and we gave many Bible studies. We now have a small SDA church where everyone in the church is handing out *National Sunday Law* books! The members came out of the world and out of Sunday churches. They are working to get God’s truth out to the people! They are putting them in prisons and sending them across the country. I just thought you might like to know this. Not everyone is sleeping! Thank you for printing the NSL books! Sincerely, Calvin B.

Dear A. Jan Marcussen,

I found the book “National Sunday Law” in the Laundromat. Since I read it my life has changed completely. I have been a very fervent Catholic, hearing the mass every day. Since I read your book, I’ve stopped that practice. I threw all my statues and pictures of the saints into the dumpster. I renounce the Catholic church and the Catholic faith. This has hurt me terribly, but I prefer to please God. Today I told God that I am going to be His worker. I plan to get many “National Sunday Law” books to give out. Cordially, Ruth R.

Dear Jan Marcussen,

I have read the exemplary book "National Sunday Law." I loaned it out to someone, and upon receiving it back, I am reading it again. I must say that I will obey God's Sabbath, which has been so clearly promulgated in this book. I refuse to be a hypocrite like the preacher who talks about the 10 Commandments yet honors Sunday - the 1st day of the week instead of the 7th. I thank you from the depths of my heart. Blessed love and grace to you, Michael King

Dear Jan Marcussen,

As your book "National Sunday Law" says, it was no accident that I picked up your book! As I was walking out the door - there it was - lying on the floor. Reading this book lifts you up to heaven! Praise the Lord! Now I've started to keep God's Sabbath day holy. God pulled me out of the fire, and I was born again. May God bless you. Jay
