In this letter, you're going to see Bible prophecy being fulfilled in such a shocking way that only the prophet of God could reveal it.

Wise and crafty agents are making millions of souls to get all riled up because the climate has changed every day since Adam and Eve. Their poor brains aren't able to comprehend what would happen if everyone followed their teaching - which they've been given to help the world be reduced to chaos until the mother church is able to "regain control of the world" {GC 565}. God's prophet saw it.

What would happen? With not much gas or oil, lights would go out. Billions of vehicles wouldn't run. You couldn't get all the parts for worn out windmills as they try to keep up with the demands of the world. Factories would conk out. There'd be not enough toilet paper for the world. Without enough supplies, hospitals couldn't function. No street lights? No refrigerators? No water pressure? No washing machines? No stoves? No heaters? No food? People would rob each other and kill each other. And you'd see this - "A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. Only with thine eyes shalt thou behold and see the reward of the wicked." Ps. 91:7,8. Will Rome really strike? God's prophet saw it. When? "When the time shall come for her to strike." GC 581.

Glaciers melting. Oceans rising. Forests burning. Deserts growing, Hurricanes puffing. Tornadoes screeching. People dying - and it's all our fault. More precisely, it's the fault of Americans who use oil and gas. So says the poor global elites as they swoop over to the big COP28 meeting of the United Nations in their private jets. They pretend that the meeting is to help save the planet [while they're trying to live forever with AI, or by freezing their heads with liquid nitrogen until the pope comes to wake them from the dead.

The January 29 issue of The New American says - "The solution? Give the elites more power and more of our money." They know what's best for us and they'll tell us what to believe and do

to make the world a better place. "If they can convince people that there's a problem, they can offer a solution that increases their wealth and power. Then they can feel proud that they got away with the worst form of extortion.

Can you read their signs? It's not hard for crafty agents to trick the poor souls into doing and yelling whatever they're told. Their pressing together in this one place; their signs and shouting, are not an accident. It's all been planned for them ahead of time.

Hope: By whom?

Pastor Jan: It's a secret.

Religion & Faith Take Center Stage

The new world religion championed by the Earth worshippers is antithetical to true Christianity and Judaism.

For Gaia: Starting at the "faith pavilion," the interfaith "faith walk" around COP28 brought together pagans of all varieties along with supposed Christians and Jews to ask various deities for "climate justice."

The article reveals that these things are part of the big United Nations (COP28) meeting. With the pope's blessing, how long will it take before religion and faith take center stage?

In the picture above, the small print says that this activity is "For Gaia [the Greek god of the earth.] Starting at the "Faith Pavilion" the "Faith walk" around the COP28 brought together pagans of all varieties along with supposed Christians and Jews to ask the various gods for "climate justice."

"There is no scientific evidence that the world is warming outside of normal climatic variation. Nor is there evidence that reducing (or eliminating) human industrial activity will somehow stop the climate from changing. In other words, the entire worldwide, papal controlled **United Nations** environmental agenda - including the COP summit meetings, are one gigantic farce. It's the greatest hoax ever carried out in the history of the world. [You and I know of one that's even greater.]

"This scam would be something to laugh at if it were relegated to people standing up at UN conferences and making crazy claims about boiling oceans. But it's much more than that. Under the guidance of various UN organizations [being run according to prophecy by the Holy See]

nations are implementing laws, regulations, and ordinances to effect a massive shift in the lifestyles of people all around the world." [Notice the words, "implementing laws."]

Shouts of glee will erupt as the pope appears to aide them in the ultimate "change." Rome, according to prophecy, is doing what it takes to prepare for the law that will enforce the mark of the beast, oppress God's people, and send the cheering masses to hell.

The prophet of God cries out, "God's judgments will be visited upon those who are seeking to oppress and destroy His people... The plagues upon Egypt when God was about to deliver Israel were similar in character to those more terrible and extensive judgments which are to fall upon the world just before the final deliverance of God's people. Says the revelator, in describing those terrific scourges: 'There fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshiped his image.' The sea 'became as the

blood of a dead man: and every living soul died in the sea.’ And ‘the rivers and fountains of waters... became blood.’ Terrible as these inflictions are, God’s justice stands fully vindicated. The angel of God declares: ‘Thou art righteous, O Lord... because Thou hast judged thus. For they have shed the blood of saints and prophets, and Thou hast given them blood to drink; for they are worthy.’ Rev. 16:2-6.

“In the plague that follows, power is given to the sun ‘to scorch men with fire. And men were scorched with great heat.’ Verses 8,9. The prophets thus describe the condition of the earth at this fearful time... The rivers of water are dried up, and the fire hath devoured the pastures of the wilderness.’ ‘The songs of the temple shall be howlings in that day,

saith the Lord God: there shall be many dead bodies in every place; they shall cast them forth with silence.’ Joel 1:10-12,17-20; Amos 8:3...

“Could men see with heavenly vision, they would behold companies of angels that excel in strength stationed about those who have kept the word of Christ’s patience. With sympathizing tenderness, angels have witnessed their distress and have heard their prayers. They are waiting the word of their Commander to snatch them from their peril. But they must wait yet a little longer.” GC 630.

“When the protection of human laws shall be withdrawn from those who honor the law of God, there will be, in different lands, a simultaneous movement for their destruction. As the time appointed in the decree draws near, the people will conspire to root out the hated sect. It will be determined to strike in one night a decisive blow, which shall utterly silence the voice of dissent and reproof.

“The people of God—some in prison cells, some hidden in solitary retreats in the forests and the mountains—still plead for divine protection, while in every quarter companies of armed men, urged on by hosts of evil angels, are preparing for the work of death. It is now, in the hour of utmost extremity, that the God of Israel will interpose for the deliverance of His chosen. Saith the Lord; ‘Ye shall have a song, as in the

night when a holy solemnity is kept; and gladness of heart, as when one goeth to come into the mountain of the Lord, to the Mighty One of Israel. And the Lord shall cause His glorious voice to be heard, and shall show the lighting down of His arm, with the indignation of His anger, and with the flame of a devouring fire, with scattering, and tempest, and hailstones.’ Isa 30:29,30...

Dear Sir;

I have a book I picked up at a garage sale. It’s called “National Sunday Law.” Whhhaaaa-WOW! I couldn’t put it down, even to go to bed! It was captivating and I just didn’t want to stop reading it! Now I’m reading it out loud to my husband. I’ve got to get this message out to others! It’s astounding! It’s just astounding! I’ve got to get this out! I have a friend who is a Catholic. I’m going to give her one. I tell you, this book threw me for a loop! Now I know for a fact that Saturday, the seventh day of the week, is the Sabbath of God, right in the ten commandments! This book has verified things for me! God bless you! Sincerely, E.C.

“It is at midnight that God manifests His power for the deliverance of His people. The sun appears, shining in its strength. Signs and wonders follow in quick succession. The wicked look with terror and amazement upon the scene, while the righteous behold with solemn joy the tokens of their deliverance. Everything in nature seems turned out of its course. The streams cease to flow. Dark, heavy clouds come up and clash against each other. In the midst of the angry heavens is one clear space of indescribable glory, whence comes the voice of God like the sound of many waters, saying: ‘It is done.’ Rev 16:17.

“That voice shakes the heavens and the earth. There is a mighty earthquake, ‘such as was not since men were upon the earth, so mighty an earthquake, and so great.’ Verses 17,18. The firmament appears to open and shut. The glory from the throne of God seems flashing through. The mountains shake like a reed in the wind, and ragged rocks are scattered on every

Here he is! At the great COP28 meeting of the UN, the attendees pin their prayers on an image of the Pope. With all the horrors going on, are the masses being prepared for something religious? Will they all be happy to unite under one head to save the planet? Charity: Who is the one head? Pastor Jan: You can guess.

Dear Pastor Jan, I had studied the Bible and I didn’t want to accept the Sabbath. The book “National Sunday Law” was the single most convincing factor that led me back to the Bible for more study and eventually my conversion to be a Seventh-day Adventist. Praise God! A.L.

side. There is a roar as of a coming tempest. The sea is lashed into fury. There is heard the shriek of a

hurricane like the voice of demons upon a mission of destruction. The whole earth heaves and swells like the waves of the sea. Its surface is breaking up.

Its very foundations seem to be giving way.

Mountain chains are sinking. Inhabited islands disappear. The seaports that have become like Sodom for wickedness are swallowed up by the angry waters. Babylon the great has come in remembrance before God, 'to give unto her the cup of the wine of the fierceness of His wrath.' Great hailstones, every one 'about the weight of a talent,' are doing their work of destruction. The proudest cities of the earth are laid low. The lordly palaces, upon which the world's great men have lavished their wealth in order to glorify themselves, are crumbling

to ruin before their eyes. Prison walls are rent asunder, and God's people, who have been held in bondage for their faith, are set free...

"Fierce lightnings leap from the heavens, enveloping the earth in a sheet of flame. Above the terrific roar of thunder, voices, mysterious and awful, declare the doom of the wicked... Demons acknowledge the deity of Christ and tremble before His power, while men are supplicating for mercy and groveling in abject terror...

"It is impossible to describe the horror and despair of those who have trampled upon God's holy requirements... They have endeavored to compel God's people to profane His Sabbath. Now they are condemned by that law which they have despised. With awful distinctness they see that they are without excuse. They chose whom they would serve and worship...

"The enemies of God's law, from the ministers down to the least among them, have a new conception of truth and duty. Too late they see that the Sabbath of the fourth commandment is the seal of the living God. Too late they see the true nature of their spurious sabbath and the sandy foundation upon which they have been building. They find that they have been fighting against God. Religious teachers have led souls to perdition while professing to guide them to the gates of Paradise...

"The voice of God is heard from heaven, delivering the everlasting covenant to His people. Like peals of loudest thunder His words roll through the earth. The Israel of God stand listening, with their eyes fixed upward. Their countenances are lighted up with His glory, and

Dear A. Jan Marcussen,

I read your book "National Sunday Law," and WOW! - I must say that I was amazed! Thank you for giving me such an impact on the reality of truth! I will start this very day to remember God's Sabbath day on Saturday, the 7th day - to "keep it holy." And I will also share with my family this wonderful truth of keeping all of God's commandments - by His grace. I thank God for using you to save my life and open my eyes. I am a new babe in Christ, like a baby needing milk from its mother. God bless you and your family!

Dear A. Jan Marcussen,

I've grown up in the Presbyterian church for 36 years without comprehending the prophecies explained in your book. I am very grateful to get "National Sunday Law." What makes me the most surprised is to learn about God's holy Sabbath day being on Saturday, the seventh-day of the week. Now that I know the truth, my wife, my four children, and myself have all become Seventh-day Adventists! Now I desire to share this truth with everyone I can! I plan to get more of these books for others! Yours in the service of the Lord, Daniel

Dear Pastor Marcussen,

I found your book "National Sunday Law" in my mail box. I was a Roman Catholic. Now, I am a Catholic no more! I have become a Seventh-day Adventist! Praise God! I am passing the NSL book out to the people. Thank you! Irene

Dear Sir,

For nearly 20 years, I’ve been the senior pastor of the Holiness Tabernacle. Our tradition has been Sunday worship. However, having been in an in-depth research concerning the man of sin, I was seeking one other piece of information that I needed to convince me that church tradition (no matter how precious) was not in harmony with God’s word. Having received a copy of the book “National Sunday Law,” I saw that this was the one thing I lacked. This was it! This book showed me the proof, not only of the man of sin, but also that he changed the true Sabbath worship to Sunday. My eyes have seen the light. And thanks to the book “National Sunday Law,” our congregation now worships on God’s true Sabbath day. We will accept nothing but the whole truth. Thank you. Elder Curtis Williams

distance to be shrouded in darkness. The people of God know this to be the sign of the Son of man. In solemn silence they gaze upon it as it draws nearer the earth, becoming lighter and more glorious, until it is a great white cloud, its base a glory like consuming fire, and above it the rainbow of the covenant. Jesus rides forth as a mighty conqueror. Not now a ‘Man of Sorrows,’ to drink the bitter cup of shame and woe, He comes, victor in heaven and earth, to judge the living and the dead...

The firmament seems filled with radiant forms... No human pen can portray the scene; no mortal mind is adequate to conceive its splendor. ‘And He

Dear A. Jan Marcussen,

I have just finished reading your amazing book “National Sunday Law.” I am stunned! This little book was mailed to me, and in just one day you have given me an extraordinary challenge. I am Roman Catholic and attend mass on Sunday, yet, your book resonates in the deeper part of my heart. I’m going to get more copies to send to my family, friends, and fellow parishioners at the Catholic church. I believe that only God could have revealed the information in your book. It certainly cannot be taken lightly. Thank you for having the love of God in your heart to search for the truth, and for having the courage to share these revelations. Sincerely, A.C.

Dear Pastor Jan,

Someone handed me your book “National Sunday Law.” Just imagine! I had gone to church most of my life but did not know this truth of God. Man! I read that book and I thought to myself that I’ve got to get it out to the people NOW! I had been keeping all of the commandments except God’s seventh day Sabbath – Saturday, so I switched. I got 100 “National Sunday Law” books to give out to people in the business that I own. I also read your book entitled “Two Months to Live” on how people have been cured of cancer, and that book is great too! I have not had a bad day since accepting God’s Sabbath! Not one! From the prison house of death they come, clothed with immortal glory, crying: 'O death, where is thy sting? O grave, where is thy victory?' 1Cor. 15:55.
