

Since Adam and Eve, "Climate change" has been some degrees up, and some degrees down. Pope Francis' encyclical on climate - Laudate Deum - serves as a follow-up to his encyclical, Laudato Si. It nicely hints at the "Earth Sabbath" peeking around the corner - leading to God's people being sentenced to death. [Rev. 13:15-18]. What will the Earth Sabbath save us from - "Climate change?"

“Behold I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth. Behold, I come quickly: hold that fast which thou hast, that no man take thy crown.”

Dear SDA friends around the world,
Greetings in the holy name of Jesus.

Faith: The above verse says, “that no man take thy crown.” Why doesn't it say, “hold fast so you won't lose your crown?” How can anyone “take” it from you? Who could do it? And what about “the hour of temptation?” What's the world tempted to do? - receive the mark of the beast? Is it the “hour” {Rev. 13:15-18} when the dragon, the beast, and the false prophet sentence God's people to death?

Pastor Jan: Are you ready? Here we go -

In this letter you'll see the gentle push for the Earth [Sunday] Sabbath as the answer to the unsolvable problems that are closing in around us. You'll see the strong encouragements for everyone to get involved in the Earth Sabbath marches, just like they have in Catholicism. You'll see the shocking dream God's prophet had, who saw a Catholic procession, which surrounded the prophet's house! And guess who's marching in this Catholic procession. Get ready for a shock!

The article says, "Pope Francis has introduced the concept of a weekly 'Earth Sabbath' to promote environmental care and sustainability. This Earthly Sabbath is being promoted as a way to combat climate change. The weekly Earth Sabbath is rooted in the Pope's encyclical 'Laudato Si.'"

<https://www.youtube.com/watch?v=D9DA7dtOAcU>

"The Earth Sabbath movement is a growing initiative that encourages people worldwide to give the planet a rest one day per week to protect the environment.

"By observing a weekly Earth Sabbath we can significantly reduce carbon emissions, and conserve natural resources..."

"The Earth Sabbath movement is open to people from diverse backgrounds and cultures, allowing them to participate in Earth Sabbath activities. Together, we can create a **global impact** by encouraging worldwide participation in this cause.

"A global Earth Sabbath **march** is to awaken awareness, and demand action, toward establishing a weekly Earth Sabbath day. **We urge you to participate in Earth Sabbath marches** in your community to amplify this message. [As the Sunday law gets closer, you'll see more of these Roman Catholic style marches.]

"By joining the earth Sabbath movement, and committing to observe a weekly seventh day [Sunday] you can make a significant impact."

<https://texasimpact.org/pope-francis-releases-new-encyclical-on-climate-laudate-deum/>

"The weekly Earth Sabbath aligns with Pope Francis' efforts to promote a more holistic understanding of the relationship between human beings and the natural world.

"Pope Francis cautions that our human power, through technology, has grown so great that we are **at risk of destroying ourselves.**"

Faith: Will the **loud cry** of the Earth Sabbath movement counterfeit God's "Loud cry" of the Third Angel's message? Will it lead to the persecution of the 144,000? Can Earth Sabbath marches lead to Catholic processions to persecute God's people, and confiscate their stuff? Did the shivering and shaking Catholic procession that God's prophet saw, really happen?

Pastor Jan: Watch closely -

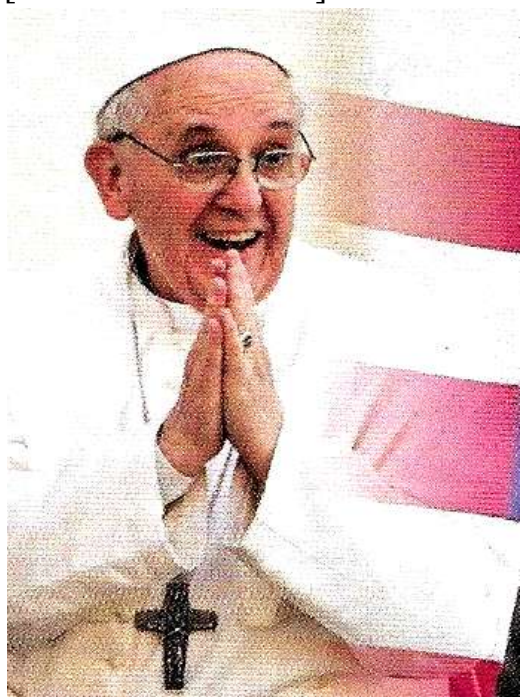

"In this state of things it was decided that we would return to Battle Creek [where God's people were.] That night I dreamed that I was in Battle Creek looking out from the side glass at the door and saw a company marching up to the house, two and two. They looked stern and determined. **I knew them well** [they were her good friends] and turned to open the parlor door to receive them, but thought I would look again. The scene was changed. The company now presented the appearance of a Catholic procession. One bore in his hand a cross, another a reed. And as they approached, the one carrying a reed made a circle around the house, saying three times: 'This house is proscribed. The goods must be confiscated. They have spoken against our holy order.' [Who could that be?] Terror seized me, and I ran through the house, out of the north door, and

found myself in the midst of a company... I dared not speak a word to them for fear of being betrayed. I tried to seek a retired spot where I might weep and pray without meeting eager, inquisitive eyes wherever I turned. I repeated frequently: 'If I could only understand this! If they will tell me what I have said or what I have done!'

"I wept and prayed much as I saw our goods confiscated. I tried to read sympathy or pity for me in the looks of those around me, and I marked the countenances of several whom I thought would speak to me and comfort me... I made one attempt to escape from the crowd, but seeing that I was watched, I concealed my intentions. [When they arrived at Battle Creek, such a persecution did actually come to them. Will this type of thing happen to us? This dream was to strengthen both her and us - when Catholic inspired persecution comes - and **"the majority forsake us."** LDE 180.] I commenced weeping aloud, and saying: 'If they would only tell me what I have done or what I have said!' My husband, who was sleeping in a bed in the same room, heard me weeping aloud and awoke me. My pillow was wet with tears." 1 T 578.

You've seen this Catholic Church sign before. I show it again because of things that are happening. Notice the words, "Our Lady of Martyrs." Why would they link the words Sunday Law and Martyrs? The sign says, "This week's sermon, 'National Sunday Law' - Is it time?"

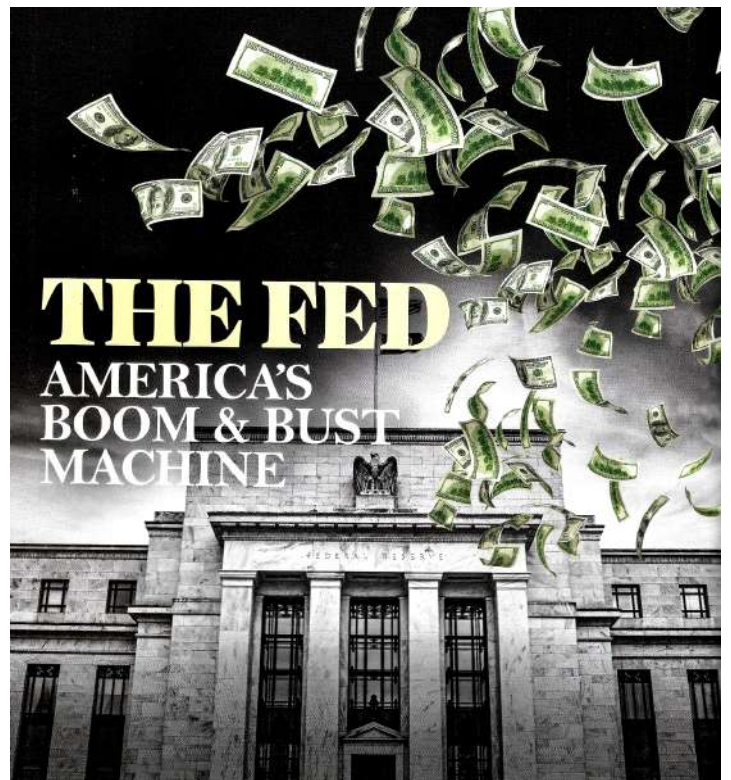

Meanwhile, the devil is working on the brains of the poor people who are gung ho for uniting church and state. They see wonderful results in it. But they don't know that this sweet fellowship is controlled by "the Prince of this world" and "the man of sin." They don't know that this unity will lead to the devil's law - the mark of the beast - the seven last plagues, and the fire of hell.

Not only that, but the mad dive for money is being promoted in every aspect of society as being "good for what ails ya."

Some might say, "If I could only get a million dollars, then my bills would be paid, and I could give something to the cause of God. They don't realize that what got them into debt was the neglect of a great principle. The prophet of God reveals it in these words -

"We should shun debt as we should shun the leprosy." 6T 217. If everyone had obeyed that by not using the easy payment plan, they would be saved from "the root of all evil." Even now, if people will "shun debt" like leprosy, God will help them to get out of debt and, by His grace, to "Be content with such things as ye have: for he hath said, I will never leave thee, nor forsake thee." Heb. 13:5. Praise God! Our kind Father will help them. He will bless and help them - "for His mercy endureth forever."

Here's John Jacob Astor IV. He was the richest man on the Titanic. According to Alberto Rivera, Astor, along with millionaires Benjamin Guggenheim, and Isidor Strauss - were against the idea of a central bank [the Federal Reserve] because of the evils it would bring. The Jesuits were in favor of a central bank because of the ruin it would bring to the U.S. and the power it would give them to take over the nation as we see in GC 565,566. The three rich men died on the Titanic that fearful night. Then they were out of the way, and the U.S. Congress could pass the Federal Reserve Act the very next year {1913} with the cooperation of President Woodrow Wilson.

John Jacob Astor didn't need to worry about money anymore. It's reported that as the great ship was sinking, Mr. Astor comforted his pregnant wife and said, "I'll see you in the morning."

GC 602.

"The careless and indifferent, who did not join with those who prized victory and salvation enough to perseveringly plead and agonize for it, did not obtain it, and they were left behind in darkness, and **their places were immediately filled** by others taking hold of the truth and coming into the ranks." EW 271.

Hope: On page one, you quoted this - "Hold that fast which thou hast, **that no man take thy crown.** Rev. 3:11. **"Take thy crown?"** How can that be?

Who would want your crown? Wouldn't they want their own? And how could anyone take yours? If they took your crown, could you take it back? Will two people be seen pulling and tugging on a crown, trying to "take" it?

"That no man take thy crown." What does that mean?

Now we are enshrined in the end of the world.

Faith: So what will happen?

Pastor Jan: The shaking of God blows away multitudes like dry leaves." 4T 89.

"Chaff like a cloud will be borne away on the wind, even from places where we see only floors of rich wheat." 5T 81.

"Soon God's people will be tested by fiery trials, and the great proportion of those who now appear to be genuine and true will prove to be base metal..."

"When the religion of Christ is most held in contempt, when His law is most despised, then should our zeal be the warmest and our courage and firmness the most unflinching.

To stand in defense of truth... when **the majority forsake us**, to fight the battles of the Lord when champions are few - this will be our test." 5T 136.

"Let opposition arise, let bigotry and intolerance again bear sway, let persecution be kindled, and the half-hearted will waver and yield the faith; but the true Christian will stand firm as a rock, his faith stronger, his hope brighter than in days of prosperity."

In the Spirit of Prophecy we find that there will come a time when -

1} "Christ has made the atonement for His people and blotted out their sins. **The number of His subjects is made up.** [Remember those words, "**made up**"] The kingdom and dominion, and the greatness of the kingdom under the whole heaven' is about to be given to the heirs of salvation, and Jesus is to reign as King of kings and Lord of lords." YRP 160.

Dear A. Jan Marcussen,
I am extremely delighted and pleased to read your book "National Sunday Law." It's very obvious that you were guided by the Holy Spirit in writing this book. It is most interesting how you have explained the books of Daniel and Revelation, which most denominations don't even understand! These prophecies stand as warnings to the people of God here in the end of time.
Yours in Christ, O. F. Assip

"The vacancies made in heaven by the fall of Satan and his angels will be filled by the redeemed of the Lord." RH May 29, 1900. Praise God.

When the number of God's "jewels" [people] has reached the number of Satan's angels, Jesus comes! And His coming now is getting closer and closer. This explains why Jesus could have come shortly after 1844 and before 1888. If God's people had **done their duty** - to get God's three angels' messages to the world - the "number" of crowns on the heads of His people would be "**made up**" and Jesus would no longer delay His second coming. Even now, He is going to finish His work and "cut it **short**" in righteousness. How? Here it is - "I saw that the quick work that God was doing on the earth would soon be **cut short** in righteousness and that the messengers must speed swiftly on their way to search out the scattered flock." EW 50.

3} God said, "Hold that fast which thou hast, that no man take thy crown." Notice the words "**thy** crown." If you remain faithful, you will be wearing a crown that would have been on the head of a person who lived before you - but who refused to work with Jesus to get His last message to the people. Now that person is dead, and you will have taken that person's crown! But that's not all! Since God is no respecter of persons, if you and I willfully neglect the joyful duty to reach the people with God's last message, then someone else will "**take**" your crown - just as you took the crown of someone who lived before you. The time is coming when "**The number of His subjects is made up.**"

There are only a certain number of those crowns to be had. That's why, if people in the 1800's had done their duty to get God's last message out, so many people would have been converted that the number of God's jewels would have been "**made up**," and dear Jesus would have come "ere this." Here it is -

Dear Pastor Marcussen,
I never heard of a Seventh-day Adventist. And I didn't know anything about the Sabbath day of God. Well, after reading your book "National Sunday Law," it's like a whole world has opened up to me! I now have a much better understanding of the Bible. I pass your monthly letters on to others as I study them, but I try to make sure I get them back. I just wanted to let you know that I'm VERILY THANKFUL to God! Ron

"If every soldier of Christ had done his duty, if every watchman on the walls of Zion had given the trumpet a certain sound, the world might **ere this** have heard the message of warning. But the work is years behind. While men have slept, Satan has stolen a march upon us." 9 T 29. Jesus will not come until there will be enough people in heaven - to take those available crowns - and fill the vacancies left by the wicked angels.

Once the number of people who receive that number of crowns to **repopulate heaven** is reached - Jesus comes! That's why God's prophet said that **we can hasten** Christ's coming! How? Because the loving work of God's people will cause the number of crowns to be "made up" and those faithful people will have taken the places of the wicked angels to "**repopulate heaven.**"

Veronica's Corner: "Remember you have a Heaven to gain, an open path to perdition to shun." 5T 365.

Greetings!

I just read your book "National Sunday Law" and I couldn't put it down! I'm amazed at what your book reveals! I've wondered about all of these things for many years. I'm definitely going to seek a church that keeps God's Sabbath day holy like God said to do! What prophecy reveals about the work of the Roman church is not shocking to me. What about all those people who have been misled? I feel sorry for those who are deceived! Thanks for giving the amazing truths about what God has said! God bless.

“Christ would, ere this, have come to the earth, and the saints would have received their welcome into the city of God. 6 T 450.

If we stay faithful to God, you and I will wear a crown that would have been worn **forever** by someone else. That person is dead. Maybe your crown had belonged to many others since 1844. But they lost it by living for self rather than for God, and for the saving of souls. Now the gorgeous, shining crown has come **to you!!! It’s yours now!** Because Jesus died in your place, the crown is **yours!!!** Whoever has it will live forever!!!

Have no fear! Don’t feel guilty if you can’t reach someone every day. Some days you may just need to rest and get exercise. It can be a peaceful, joyful rest in Jesus with no guilt. Then, you can reach someone another day. Since God’s prophet revealed that literature is the tool that will “accomplish the work” that “lightens the earth with his glory” [7T 140] I like to use literature. It produces more conversions than anything I’ve used. People forget what they hear, but literature doesn’t change. The devil can’t get rid of it. Let him leap up and down. It can be shared with many others

Because I’m so bashful with strangers, I put the little NSL preachers face down on door steps, benches, here and there on the pavement in parking lots under the steering wheel, in rest rooms, and wherever people walk, sit, wait, or go. I don’t have to talk to anyone. But when I see them picking it up and starting to read it, I’m very happy! We can leave the rest to the Holy Spirit and the angels.

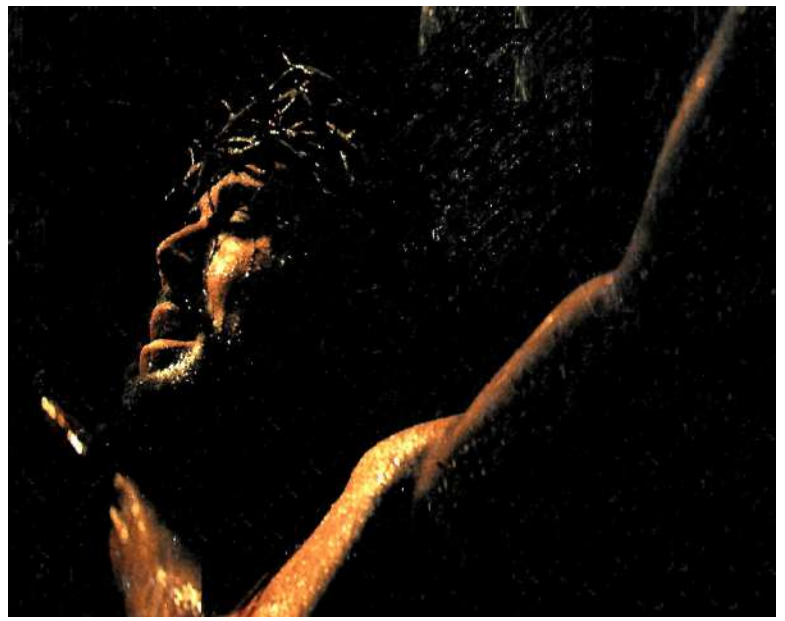

Dear A. Jan Marcussen,

I was baptized as an infant in the Roman Catholic system. When I asked my minister why we observe Sunday. He could not give me an answer from the Bible. Then I got your book “National Sunday Law.” It certainly answered my questions! I spoke with a friend about the Sabbath of God today, and I will let her read my NSL book. I’m going to be ordering more to give to others. I feel so good! And yes, the truth has set me free! Glory to God! Amen and amen! Thank you again for the book “National Sunday Law!” It is a blessing from the heavenly Father! Glory to God! E.R. Deborah S.

Dear Pastor Jan,

I know that you get a lot of wonderful letters because of the book “National Sunday Law.” But I want to thank you for your newsletters. I am an SDA who has been falling away from Christ. There are many times that I would have given up even trying if it wasn’t for your newsletters. They remind me that I can’t give up! that time is too short, and that I need to cling to Jesus if I’m going to make it, and that I need to get to work to help others from being lost. I still have a long way to go, but your letters have helped me so much! R.A.

Dear Pastor Marcussen,
Last week a girl named Cynthia came to church because of your NSL book. Praise God! I asked her where she got the book. She said that she bought it in a department store. Another newly converted lady and I want to start a special intercessory prayer group to pray for the “Latter Rain.” Jesus will triumph!

Here on the sea of glass the 144,000 stood in a perfect square... [Hope: Will **“we all”** get out of the cloud and stand on the sea of glass in a perfect square to receive our crowns and harps of gold? Pastor Jan: You’ll soon find out!] Some crowns appeared heavy with stars, while others had but few. All were **perfectly satisfied** with their crowns. And they were all clothed with a glorious white mantle from their shoulders to their feet. Angels were all about us as we marched over the sea of glass to the gate of the city. Jesus raised His mighty, glorious arm, laid hold of the pearly gate, swung it back on its glittering hinges, and said to us, ‘You have washed your robes in My blood, stood stiffly for My truth, enter in.’ We all marched in and felt that we had a perfect right in the city.” CCh 34. Praise God!

“Truth, passing by those who despise and reject it, will triumph. [Praise God!] Although at times apparently retarded, its progress has never been checked. Endowed with divine energy, it will cut its way through the strongest barriers and triumph over every obstacle. [Praise God!]

“What sustained the Son of God during His life of toil and sacrifice? He saw the results of the travail of His soul and was satisfied. Looking into eternity, He beheld the happiness of those who through His humiliation had received pardon and everlasting life. His ear caught the shout of the redeemed. [Praise God!] He heard the ransomed ones singing the song of Moses and the Lamb.

“We may have the blessedness of heaven. In the Bible are revealed visions of the future glory, scenes pictured by the hand of God, and these are dear to His church. By faith we may stand on the threshold of the eternal city, and hear the gracious welcome given to those who in this life co-operate with Christ, regarding it as an honor to suffer for His sake. As the words are spoken,

‘Come, ye blessed of my Father,’ they cast their crowns at the feet of the Redeemer, exclaiming, ‘Worthy is the Lamb that was slain to receive power, and riches, and wisdom, and strength, and honour, and glory, and blessing.’ CET 230-236. Praise God friend! Praise God!
