such  
as do  
wickedly  
against  
the  
covenant  
shall he

In this letter, Rush Limbaugh reveals something so shocking that he will have to tell it to you, not me.

**by flatteries: but  
the people that do  
know their God shall be  
strong, and do exploits. And  
they that understand among  
the people shall instruct many...  
And the king shall do according to  
his will; and he shall exalt himself,  
and magnify himself above every god,  
and shall speak marvellous things  
against the God of gods, and shall  
prosper till the indignation be  
accomplished... Neither shall he regard the  
God of his fathers, nor the desire of women,  
nor regard any god: for he shall magnify  
himself above all. But in his estate shall he honour the God  
of forces... He shall enter also into the glorious land, and  
many countries shall be overthrown... But he shall have  
power over the treasures of gold and of silver... But tidings  
out of the east and out of the north shall trouble him:  
therefore he shall go forth with great fury to destroy... And  
he shall plant the tabernacles of his  
palace between the seas in the glorious  
holy mountain; yet he shall come to his  
end, and none shall help him."**

Dear SDA friends around the world,

Greetings in Jesus' holy name. Read all the boxes in this letter, then come back here and we'll talk about what's happening.

**Faith:** Are you showing us this bottle of pigs' feet and the deviled ham because some infiltrator told the pastors that we've got to get more people to come into the churches by letting down the standards; by giving the church members dead carcasses at the fellowship dinners; by coming to church in jeans or shorts; by banging out the hymns with a shiny set of drums; by telling them that after church, we'll paint peoples' houses and work at the Walmart; and take them to the ball game on Sabbath? Did he tell them that when there's no law, there's no sin, so we'll forget the law, and then old, young, and toddlers will no longer be bound, but will be free to play hide and go seek among the pews, and chew on pigs' feet; and the people will love us, and flock into the churches, and everyone will be happy? Is that the reason you're showing us the bottle of pigs' feet?

**Pastor Jan:** No. A number of you well know that many are already doing some of those evil things. But I show you the pigs' feet and deviled ham to prepare your mind for the shock you are about to get - worse than even the oozing foot of a dead pig. And keep in mind that what you are about to learn tells us one thing - "The end of all things is at hand." I Peter 4:7. "Be ye also ready, for in such an hour as ye think not, the son of man cometh." Matt. 24:44. Are you ready? Here we go -

In the Bible quote from Daniel 11 on page one, we learn that **1** - Those who don't like the law of God will be corrupted by the King of the North. [Do you know who that is?]

**2** - He will corrupt them with lying flatteries {like Jesuit trained Joseph Goebbels did to the people in Nazi Germany to trick them into selling their souls to Fascist Adolf Hitler. After one of his powerful speeches where the people were clapping, cheering, yelling, and going crazy with applause, Goebbels said, "If I would have told them to jump out of the window, they would have done it." [We've already learned that the wicked people who are trying to take control of our nation, are trying hard to turn our nation into a Socialist = Nazi = Fascist state similar to Fascist Germany, which had a concordat with Rome, to fight to help her "regain control of the world." GC 565,566. And we've already learned that Rome likes Fascism [ruled by one man] the best because they can get control of him, and through him, get control of the entire nation, in their quest to "regain control of the world" {GC 565,566} - as they tried to do with the Roman Catholic alter boy, Adolf Hitler - who killed Catholic priests for a smokescreen.

**3** - "But the people who know their God shall be strong and do exploits." Daniel 11:32. The more evil the wicked get, the more zealous for the truth God's people become - as they reach the millions with God's saving 3 angels' messages.

**4** - God's faithful people who have "understanding," "shall instruct many." May our kind Father help us do it!

**5** - The King of the North shall exalt and "magnify himself above every god."

**6** - He shall not regard "the desire of women" {through Rome's rule that demands that her priests never marry, which helps them to be the more happy to rape nuns, rape alter boys, make love with girls and women who confess their sins to the monsters in the confessional boxes; and to rape each other on their way to the fire of hell - which will reduce them to little piles of ashes, [see Isa. 47:14] before the fire goes out - leaving even the memory of them - gone forever.

**7** - He will honor "the god of forces." What forces? Most any ungodly force you can think of.

**8** - He will enter "the glorious land" and destroy many nations.

**9** - He has "power over the treasures of gold and silver." You've already learned on the DVD that the head lawyer for the World Bank for 20 years, Karen Hudes, said **plainly** that the Vatican gets money [to help her finance wars, riots, mass murders, assassinations, genocides, etc. See Rev. 18:24] from the IRS, which is sent to the Vatican Bank, after first being sent to another famous bank, so as to not be traced to Rome's "storehouse."

**10** - He will go forth with "great fury to destroy" after certain tidings make him to be "troubled." Those tidings which trouble the fiend are God's mighty three angels' messages. It will make him so angry because he will see that many of his slaves are leaving him, and are joining the humble followers of King Jesus.

**11** - He will plant the tabernacles of his palace in "the glorious holy mountain."

**12** - "Yet he shall come to his end, and none shall help him."

**Faith:** So what does this wonderful Bible quote have to do with Rome's great attack against our nation, against our President, and against nations around the globe? And what does Rush Limbaugh have to do with the shocking thing that is worse than pigs' feet?

**Pastor Jan:** Here are quotes from Rush Limbaugh. At first, he doesn't talk about the shocking thing that I'm referring to. But after a minute, he reveals it. Here we go -

**Rush Limbaugh:** "This is simply insane!"

**Pastor Jan:** He made that statement after the famous AOC said that [by law!] we should have vehicles - airplanes, trains, cars, ships, etc. - that emit zero carbon - like when cavemen walked the earth.

**Rush Limbaugh:** "This is just absurd here. There is not in existence a propulsion system that would emit no carbon, and get an airplane with passengers and luggage moving fast enough to give it lift to take off and fly for any distance. There is no such propulsion system. It doesn't exist. Her demand is just simply insane. I guarantee you that 'climate change' which affects temperature, storms, etc. is not going to be controlled by human beings.

"And here is this other deranged woman speaking at the 'climate change' rally - **frantically** pleading that the only way to control climate change fast enough is for everyone to start **eating babies!**"

Rush Limbaugh

**Pastor Jan:** In the book, *Making America Catholic*, we've already learned that Rome is planning to "regain control of the world" GC 565,566 by getting control of the U.S. - while murdering as many Protestant people as possible without being exposed. Therefore, the Holy See would be especially happy for the degraded people to eat babies from Protestant homes. The book *Making America Catholic* is not joking. Here's the recording of her speech at the rally -

*Vennita's Corner: "Dare to be singular because you love Jesus better than the world, and righteousness with persecution better than disobedience with worldly prosperity." Tmk 318*

Dear Pastor Jan,

I thank God that he allowed me to meet people like yourself who truly love Him and want to follow Him. I want to see you and Vennita in heaven. Thank you for getting God's message to me. Your book "National Sunday Law" gave me the truth of God! I attended the Seventh-day Adventist church after reading it. And your videos made me start reading the writings of God's prophet. Boy was I shocked! Praise God for faithful ministers and people around the world lifting up Jesus. God bless you. G.N.

**the babies!!! That's the big problem!!! Just stopping emissions is not enough!!! We need to eat the babies!!!!!"**

**Rush Limbaugh:** "This is the extreme to which the 'Climate Change' crowd are leading people. In one respect, this woman is right. The Swedish university professor did in fact say that we need to start eating dead people - eating cadavers. I have the story. He is a professor at the University of Stockholm. This is what he's teaching."

**Pastor Jan:** Even though people in congregations in various nations look like normal church members you see every day, you've already learned that in some of those nations, when their fellow church members die, they have the funeral in the church, and then bury their brother or sister in the cemetery. But soon they go into the graveyard at night, dig up the dead body, bring it into the sanctuary in front of the pulpit; cut him or her up with knives, and eat their dear friend raw. Then, they hug each other and come back to church a few days later for prayer meeting. Many times it's noticed that one or more of the members are wearing the nice clothes that they took from their dead friend in the casket.

**Hope:** What a shock! Is time so short now that normal looking people are that demon possessed?

**Pastor Jan:** Every day great multitudes of people are crossing over the line and are committing the unpardonable sin. Then, they take someone's wife or husband; they steal from stores or neighbors, and it doesn't bother their conscience to wickedly eat dead friends, dead animals, or precious babies. It doesn't bother their conscience because they have none. They

will burn up in hell, and they laugh at it. They can even hear the sermon in church and say, "Amen!" And some of these doomed fiends are behind the pulpits giving the sermons. "But the end of all things is at hand." I Peter 4:7. "Be ye also ready: for in such an hour as ye think not the Son of man cometh." Matt. 24:44.

**Rush Limbaugh:** "After the 'eat the babies woman' finished her speech, AOC came in and here's what she said - 'One of the things that is very important to us is that we need to treat the climate crisis with the urgency that it does present.'"

**Pastor Jan:** That way, the devil diverts people from the urgency of the fast fulfilling prophecies and the approach of the coming judgment that will determine our destinies for the eternal joys of heaven, or for eternal death.

**Rush Limbaugh:** "AOC is herself a victim of all these people who are out there trying to scare everybody. The 'eat the babies' town hall took place last night."

Dear Pastor Marcussen,

I made a copy of your last newsletter and mailed it to 12 other church members who don't get them. I'm thankful that someone is telling us what is going on! We keep you in our prayers. H.C.

Dear Pastor Marcussen,

I found your book "National Sunday Law" in my mail box. I was a Roman Catholic. Now, I am a Catholic no more! I have become a Seventh-day Adventist! Praise God! Please send me your newsletters. I am passing the NSL book out to the people. Thank you! Irene  
New Jersey

Dear A. Jan Marcussen,

I read your book "National Sunday Law" and I agree with it! Because of reading it, I left the Sunday churches that I was attending. Out of all those churches, none of them are guiding their people to live by the teachings of Jesus and the holy Bible. I praise God that He has His remnant people who live by the pure truth of God's word!  
Sincerely, V.L.

Here are a few comments from people concerning it -

**Eric:** We've got to eat the babies. Wow!

**Helaman:** I wish they were joking!

**Paul:** Why did AOC not come out against eating babies? Why did she not denounce the woman about eating babies?

**H.C.:** We should just act like it's normal to talk about eating babies to save the planet.

**Lyndon LaRouche:** It was us. Malthusianism isn't new, Jonathan Swift knew that. Sometimes, only satire works.

**Pastor Jan:** For whatever reason, when the poor woman begged everyone to eat babies, she didn't make up the idea out of her own head. The horror came years ago from the highest church leaders and their god.

I've already shown you the documentation from the International Common Law Court in Brussels that a warrant has been issued for the arrest of Pope Francis; Pope Benedict XVI; the former "Black Pope" [the "Supreme Jesuit General;"] the archbishop of Canterbury; and other high ranking government officials for murdering hundreds of babies and children, then eating their flesh and drinking their blood in the Ninth Circle Jesuit Child Molestation Cult. I looked it up and found that, like with the popes, the office of the Supreme Jesuit General is an office for life. But the last two Supreme Jesuit Generals quit after their horrors were exposed by the proceedings of the court]. **"And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Rev. 18:24.**

Dear Pastor Jan,

I was a Methodist who had become disenchanted with my church home. I seldom went to church anymore. One Saturday afternoon I opened my front door and found the book "National Sunday Law" on my door step. I read it every night for two weeks, looking up every scripture. Not only could I find no error, but I was overwhelmingly convicted of the Sabbath truth! I knew I had to get this book to others! My mother accepted the Sabbath and became a Seventh-day Adventist before she died. I was baptized shortly after her, and now am teaching God's truth to all my friends. We go out Sabbath afternoons and give out NSL preachers! Praise God for Jesus and for His wonderful Seventh Day Sabbath! Dean S.

Demon controlled church members who would eat human flesh think that by eating people [it's a form of devil worship] it will give them spiritual power. You've already learned that many high ranking Jesuits believe that killing and eating babies and drinking their blood will also give their demon possessed selves spiritual power to sustain the success of the papacy in Rome.

In the October 21 issue of the journal, The New American, this particular article is entitled, "**UN to America: We're the Boss.**" One bold heading in the article says, "**UN to America: Kill More Babies.**" As the Jesuits do, it says that the UN leaders are devilishly trying to give orders to U.S. leaders, and trying to trick them into obeying. The article reveals that 1 - "The UN has continued escalating its attacks on America." [In case you didn't already know, the

UN was set up by the Jesuits at the end of World War II in their long range plan to A- unite the nations, and B- get control of them from the top, in fulfillment of Rome's goal to "regain control of the world." *Great Controversy*, pp. 565,566. 2 - It says, "**Killing babies is a human right according to the UN.**" 3 - It says that a top UN official reported on CNN that "**The family nucleus is a fantasy that government must actively subvert.**" 4 - It says, "**Slaughtering unborn children and being cared for by the government is as if people were cattle without the freedom to think, speak, and act.**" 5 - It says, "**The UN has come down firmly on the side of killing babies.**" 6 - It says, "**UN to America: Smash What's Left of the Family.**"

**Charity:** So what will happen now? Will the King of the North try to murder God's faithful people? Will they have such a massive, world-wide network that they'll stop us from getting God's three angels' messages of Rev. 14 to the world?

**Pastor Jan:** We haven't seen anything yet! The prophet of God cries out -

"The persecutions of Protestants by Romanism, by which the religion of Jesus Christ was almost annihilated, will be more than rivaled when Protestantism and popery are combined.

"Satan has a thousand masked batteries which will be opened upon the loyal, commandment-keeping people of God to compel them to violate conscience.

"We need not be surprised at anything that may take place now. We need not marvel at any developments of horror. Those who trample under their unholy feet the law of God have the same spirit as had the men who insulted and betrayed Jesus. Without any compunctions of conscience they will do the deeds of their father the devil.

Dear A. Jan Marcussen,  
I received your book "National Sunday Law" in the mail. Who sent it to me, I have no idea. I am in awe of what you have written! You have definitely opened my eyes! Curtis Fry Texas

To whom it may concern,

I came home after a really bad day, and I asked God to please guide me and show me the truth. When I arrived at my door-step, there was this amazing book called "National Sunday Law!" It caught my eyes, and I couldn't put the book down until I had finished the whole thing! Now I'm ordering more to give to friends, and loved ones, because I want them to know the truth about our King of Kings, and respect His holy day. I just want to say "Thank you" to those who put the book on my door-step, and opened my eyes! May God bless you! Daisy.

“Hoarded wealth will soon be worthless. When the decree shall go forth that none shall buy or sell except they have the mark of the beast, very much means will be of no avail. God calls for us now to do all in our power to send forth the warning to the world.

“The time is coming when we cannot sell at any price. The decree will soon go forth prohibiting men to buy or sell of any man save him that hath the mark of the beast. We came near having this realized in California a short time ago, but this was only the threatening of the blowing of the four winds. As yet they are held by the four angels... There is a work yet to be done, and then the angels will be bidden to let go, that the four winds may blow upon the earth.

“In the last great conflict in the controversy with Satan those who are loyal to God will see every earthly support cut off. Because they refuse to break His law in obedience to earthly powers they will be forbidden to buy or sell. {See Rev. 13.}

“Satan says, ‘For fear of wanting food and clothing they will join with the world in transgressing God’s law. The earth will be wholly under my dominion.’” *Last Day Events*, pp. 147-149.

**Faith:** Then what will happen?

**Pastor Jan:** Here it is - “I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.” “And I heard another voice from heaven, saying, Come out of her, My people, that ye be not partakers of her sins, and that ye receive not of her plagues.” Rev 18:1,2,4...

“A terrible condition of the religious world is here described. With every rejection of truth the minds of the people will become darker, their hearts more stubborn, until they are entrenched in an infidel

hardihood. In defiance of the warnings which God has given, they will continue to trample upon one of the precepts of the Decalogue, [the 4<sup>th</sup>] until they are led to persecute those who hold it sacred. Christ is set at nought in the contempt placed upon His word and His people. As the teachings of spiritualism are accepted by the churches, the restraint imposed upon the carnal heart is removed, and the profession of religion will become a cloak to conceal the basest iniquity... [I’ve read where they have a powerful time, singing and shouting for joy, speaking in gibberish, and praising God, being filled with the spirit, and falling on the floor, they come out of the loving and caring church, and joyfully go to a whore house.] The influence of evil angels will be felt in the churches.

“Fearful is the issue to which the world is to be brought. The powers of earth, uniting to war against the commandments of God, will decree that ‘all, both small and great, rich and poor, free and bond’ (Rev 13:16), shall conform to the customs of the church by the observance of the false sabbath. All who refuse compliance will be visited with civil penalties, and it will finally be declared that they are deserving of death. On the other hand, the law of God enjoining the Creator’s rest day demands obedience and threatens wrath against all who transgress its precepts.

“With the issue thus clearly brought before him, whoever shall trample upon God’s law to obey a human enactment receives the mark of the beast; he accepts the sign of allegiance to the power which he chooses to obey instead of God...

“It has been confidently declared that this land could never become other than what it has been—the defender of religious freedom. But as the question of enforcing Sunday observance is widely agitated, the event so long doubted and disbelieved is seen to be

“Hope thou in God, for on Calvary’s cross a complete sacrifice was offered for you... Eternal joy—a life of undimmed happiness—awaits the one who surrenders all to Christ.” HP 262. “When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are pardoned.” SD 222. Praise God friend! Praise God!

Dear Pastor Jan,

My name is Thomas Barnes. I’m in the correctional facility here in Oregon. Since I have been here I was told that the Department of Corrections is more important than God. I was told that while I am here I need to listen to them and not God. I was threatened with going into the hole because I would not violate God’s fourth commandment. I told them that I was fully willing to go into the hole rather than to break God’s fourth commandment. [Praise God!] Your newsletter is a godsend, and so is the book “National Sunday Law.” God bless you! Thomas

Dear Sir,

I am writing to tell you that I so loved the book “National Sunday Law” that I kept reading it until the very end. How did you happen to send it to me? I thank God that you did! I am immediately changing my day of worship from Sunday to God’s Sabbath, even if I have to do it alone. God bless you for the truth. Thank you again for the book! Yours in Christ, Arlene

Dear Sir, I received a little fantastic book in the mail. I put it with a lot of other books, and later moved to Santa Rosa. Believe it or not, just a few nights ago I opened it up and read it. Revelation has been a mystery to me - until now! I couldn’t put your book down! I want to get more of these “National Sunday Law” books to give to others! I sincerely want to thank Jan Marcussen for the help she has given me by publishing this valuable information! Sincerely, Alice

approaching, and the third message will produce an effect which it could not have had before.

“As the controversy extends into new fields and the minds of the people are called to God’s downtrodden law, Satan is **astir**. The power attending the message will only madden those who oppose it. The clergy will put forth almost superhuman efforts to shut away the light lest it should shine upon their flocks... The church appeals to the strong arm of civil power, and, in this work, papists and Protestants unite. As the movement for Sunday enforcement becomes more bold and decided, the law will be invoked against commandment keepers. They will be threatened with fines and imprisonment, and some will be offered positions of influence, and other rewards and advantages, as inducements to renounce their faith. But their steadfast answer is: ‘Show us from the word of God our error...’ Those who are arraigned before the courts make a strong vindication of the truth, and some who hear them are led to take their stand to keep all the commandments of God. Thus light will be brought before thousands who otherwise would know nothing of these truths. [Praise God!]

“The great work of the gospel is not to close with less manifestation of the power of God than marked its opening... The message will be carried not so much by argument as by the deep conviction of the Spirit of God. The arguments have been presented. The seed has been sown, and **now** it will spring up and bear fruit. The publications distributed by

missionary workers have exerted their influence... **Now the rays of light** penetrate everywhere, [Praise God!] the truth is seen in its **clearness**, and the honest children of **God** sever the bands which have held them. **Family connections, church relations, are powerless to stay them now.** [Praise God!] **Truth is more precious than all besides.**

**Notwithstanding the agencies combined against the truth, a large number take their stand upon the Lord’s side.” Praise God friend! Praise God!**
