Self-proclaimed witches say spells won't work against Trump

How would President Trump feel about the evil spells cast against him from thousands of witches? Would he enjoy it? Would he laugh?

Dear SDA friends around the world,

Greetings in Jesus' holy name.

John was to write things which are past, present, and future.

U.S. racing to quash N. Korean nuke threat

Missile defense arsenal is being built on land, sea, air and space

Oren Dorell
@orendorell
USA TODAY

North Korea's rapid march to develop a nuclear-armed ballistic missile capable of striking the United States has spurred the U.S. military and Congress to ramp up efforts to counter the threat.

NEW TONIGHT
U.S. PREDICTS NORTH KOREAN NUCLEAR-TIPPED ICBM

Let's Face It: North Korean Nuclear Weapons Can Hit the U.S.

The New York Times, AUG. 3, 2017

The reality is that the United States is now vulnerable to North Korea's nuclear-armed missiles — and has no choice but to live with that reality. Trying to disarm a nuclear-armed North Korea would be madness, even if some politicians find that fact too emasculating to acknowledge. Since admitting our vulnerability is a humiliation, we simply close our eyes and pretend it isn't real.

According to the July 17 article in USA TODAY, the U.S. has 1) 768 Patriot Missiles with a 20 mile range. 2) Thousands of tank launched missiles with a range to 40 miles; 3) Sixteen high altitude air defense missiles with a range of 130 miles. 4) 296 Aegis SM-3 missiles which can go into space and intercept missiles which are also in space. 5) 180 Aegis SM-6 missiles on 35 ships with plans for 1,800 more. They have a range of 230 miles, and can knock down a missile shortly after it is launched. 6) 44 Ground Based Interceptor missiles which can destroy missiles which are in orbit in space. They are working on replacing these missiles with laser guns. 7) In development is the laser gun system which can be carried on drones 60,000 feet above North Korea, and destroy missiles in North Korea as they are taking off.

A person who puts his trust in missiles, guns, marshall arts, and force instead of in dear Jesus, will become a nervous wreck on his way to a heart attack. "And upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth. Luke 21:25-28.

Faith: Rev. 18:24 reveals that Rome is behind "the blood" of "all that were slain upon the earth." How does the work of Jesuit education fit into the whole picture of what's happening on the way to the enforcement of the mark of the beast?

ASSOCIATION of
JESUIT COLLEGES
& UNIVERSITIES
AICU

The distinctiveness of a Jesuit education stems from its deep-rooted history and a mission grounded in faith and intellectual rigor. Since its beginnings in 1548 when the first Jesuit institution opened its doors in Messina, Sicily, Jesuit higher education

remains committed to expansive and critical thinking, to service, leadership and to care for the whole person.

Jesuit higher education in the United States is one of the largest and strongest networks of private higher education institutions in the world. The 28 Jesuit colleges and universities are located in 18 states and the District of Columbia, and are independent yet united by their common heritage and mission.

The Society of Jesus, founded by Saint Ignatius of Loyola, was one of the first orders of educators within the Catholic Church. A Jesuit education is grounded in the liberal arts tradition with a focus on quality teaching, critical thinking and rigorous academic standards and scholarship. Today, U.S. Jesuit colleges and universities employ nearly 22,000 faculty. Jesuit higher education is guided by a spirituality that seeks justice. Inspired by the tenets of Catholic social teaching and its intellectual and social justice traditions, a Jesuit education places great emphasis on forming "women and men for others," that students are engaged in a process of exploring the ways in which their knowledge and talents will best serve society in the most distinctive and constructive ways.

Today, Jesuit institutions provide students with more than \$1.3 billion in institutional aid – eight times what the federal government provides for Jesuit colleges and universities in federal grant aid. On average, 22 percent of our students receive federal aid in the form of Pell Grants.

Last year, more than 217,000 students were enrolled at Jesuit institutions of higher education on the undergraduate and graduate/professional levels. Reflective of their rich academic experience, students at Jesuit

colleges and universities have received Rhodes, Truman and Fulbright Scholarships.

Many distinguished graduates of Jesuit institutions have reached the highest levels in their fields, including former President Bill Clinton, scientist Anthony Fauci, journalist Maria Shriver, actor Denzel Washington and NBA Coach Glenn "Doc" Rivers. Descartes, Moliere and James Joyce were likewise shaped by their Jesuit education.

While some Jesuit alumni might be more recognizable than others, many share the distinction of using their education to serve and to lead. Of the roughly 1.9 million living alumni of Jesuit colleges and universities in the United States today, there are 54 members (10 percent) of the U.S. Congress, two members of the U.S. Supreme Court and more than 30 appointees in the current presidential administration. Countless more have assumed leadership positions as governors, mayors and judges.

Jesuit higher education provides students the opportunity to become thoughtful, competent, and compassionate men and women, with a commitment to the greater good and a passion for justice, preparing them for lives of leadership and service. It is through this distinctive mode of education that Jesuit colleges and universities are changing the world, one student at a time.

Faith: Now that we've seen a glimpse of the excellent Jesuit education, please show us a glimpse of how Jesuits have indirectly affected the brains of the students in public education - in fulfillment of Rome's goal

to "regain control of the world," [including America] {GC 565,566} through the workings of the United Nations' division called UNESCO = the United Nations educational system - which has been imposed on the public schools - to degrade their brains; to one day, receive the mark of the beast. We've already learned that the UNESCO school program was inspired by the great Jesuit priest, Pierre Teilhard de Chardin.

Pastor Jan: The prophet of God cries out - "Every day testifies to the increase of insanity, murder, and suicide. Who can doubt that satanic agencies are at work among men with increasing activity to distract and corrupt the mind, and defile and destroy the body?" MH 142, 143.

"The daily papers are full of indications of a terrible conflict... Bold robberies are of frequent occurrence... Thefts and murders are committed on every hand. Dear A. Jan Marcussen,

I grew up in the Church of Christ. That was all I knew. When older, I quit going to church altogether. Soon, I met a girl, like Eve with Adam, who convinced me to start taking dope. Then I got caught and went to jail. I asked my grandmother to go by my house and get the "National Sunday Law" book that had come in the mail and bring it to me. I read it in jail and then loaned it out to other inmates for them to read. Shortly, the book was in high demand! Many here want to know the truth, and when they get the book, they eat it up. It has been read so many times that the cover is about to fall off. Being in jail I have had the chance to get my mind back right. "National Sunday law" has really opened my eyes! So many men want the book that I told them to make copies of the whole thing on the copy machine. Now, after reading "National Sunday law," I will not go to church on Sunday anymore, but will start observing God's true Bible Sabbath. Thank you so much for opening my eyes to the truth of God! God bless you! Marcus B.

“Wickedness is reaching a height never before attained, and yet many ministers of the gospel are crying, ‘Peace and safety.’ But God’s faithful messengers are to go steadily forward with their work. Clothed with the panoply of heaven, they are to advance fearlessly and victoriously, never ceasing their warfare until every soul within their reach shall have received the message of truth for this time.” AA 220.

“The time of God’s destructive judgments is the time of mercy for those who have had no opportunity to learn what is truth. Tenderly will the Lord look upon them. His heart of mercy is touched; His hand is still stretched out to save, while the door is closed to those who would not enter.” 9T 97.

“There are many who are reading the Scriptures who cannot understand their true import. All over the world men and women are looking wistfully to heaven. Prayers and tears and inquiries go up from souls longing for light, for grace, for the Holy Spirit. Many are on the verge of the kingdom, waiting only to be gathered in.” AA 109. [May our kind Father help us reach them is my prayer.]

Dear Pastor Jan:

Your book “National Sunday Law” was sent to me in the mail. I was a Roman Catholic. Now, I am a Catholic no more! I have become a Seventh-day Adventist! Now I’m passing the NSL book out to the people. Thank you! Irene

one of the laboring days of the week.” 1T 342. Notice the words, “one of the laboring days of the week.” Satan has even tricked some who pretend to be Seventh-day Adventists into being fooled by the **moon sabbath**. One of these poor souls wrote to me [Dear Jesus loves them and He will seek to bring them back to obeying God’s 10 commandments. Unless they keep holy God’s 7th day Sabbath of the 4th commandment, they will be ripe to go along with the devil’s Sunday law. They will have no 10 commandment barrier to guard them from it.] The moon Sabbath looks to the moon and revolves around different **common** days of the week so that sometimes they keep the common day of the sun, and sometimes they keep the common day of the moon, etc.

Satan knows pretty well what God will let him do and what God will not let him do. So when Satan thinks that he **can get away with it**, and

that God won’t stop him, the evil moron will bring the Sunday law issue into the open again, and push it hard to get the law passed as soon as possible. Until now, his efforts in the U.S. have mostly failed. He’s been holding the issue under the table so that the 10 virgins will continue to sleep and forget about God’s three angel’s messages - which is our duty to give to the people of the world.

Charity: And then will God’s three angels messages swell to a loud cry - with holy angels helping us - until the whole world will make up their minds one way or the other?

Pastor Jan: Yes. And here’s what will happen after that - “When the third angel’s message closes, mercy no longer pleads for the guilty inhabitants of the earth. The people of God have accomplished their work. They have received ‘the latter rain,’ ‘the refreshing from the presence of the Lord,’ and they are prepared for the trying hour before them. Angels are hastening to and fro in heaven. An angel returning from the earth announces that his work is done; the final test has been brought upon the world, and all who have proved themselves loyal to the divine precepts have received ‘the seal of the living God.’ [God’s holy 7th day Sabbath of the 4th commandment is the seal of the living God. Please

Dear Sir,

Your book “National Sunday Law” was left on the steps of my church. This book is “Dynamite!” I can see that the issue in this book is going to be the deciding factor for the two classes of people in the world. It needs to be read far and wide to show people the evil that’s been in our midst, and we didn’t even see it! I can see that Rome’s working is disquised - as Satan always is. I’m going to order many of these books to give to others! Many need to be reached with this message! God bless you! Don

Vennita's Corner: "Only the judgment day will reveal the evil brought about by women in exposing parts of the body which God intended should be more fully clothed." J.E. FULTON, R.H. June 21, 1928

“God alone can limit the power of Satan.” 1T 341. You and I cannot do it. Our helpless selves are all in the same boat together, and Satan knows this. He also knows that when we cling to Jesus in our total helplessness, all wrapped up in Jesus and His word, Satan knows that his temptations on us are as powerless as a gnat’s head.

“Satan has brought the mass of professed Christians to trample under their feet the fourth commandment, which brings to view the living God. Satan has torn down the original Sabbath of the Decalogue, and substituted in its place

Dear Sir,

It was Saturday when a man gave me a book called “National Sunday Law.” Then he drove away. I read it five or six times. It changed my life! I grew up as a Baptist, but there was always something missing deep down inside. I had no rest. After reading your book I searched for a church and I found a small little church. Now I am a seventh day Adventist! I left a large Sunday school, social events, everything. But I learned about God's holy Sabbath, [and his love] and I found peace of mind in Jesus. Thanks for your book! Don't get tired of working for God! C. P.

receive this gift of God’s love! The seal of God is not **Moonday**.] Then Jesus ceases His intercession in the sanctuary above. He lifts His hands and with a loud voice says, ‘It is done;’ and all the angelic host lay off their crowns as He makes the solemn announcement: ‘He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.’ Rev. 22:11. Every case has been decided for life or death. Christ has made the atonement for His people and blotted out their sins. The number of His subjects is made up; ‘the kingdom and dominion, and the greatness of the kingdom under the whole heaven,’ is about to be given to the heirs of salvation, and Jesus is to reign as King of kings and Lord of lords.” GC 613.

Now, the devil is trying to stop Jesus from finishing His work of saving souls from hell. So here was a new trick -

“He was soon interrupted. A group of Pharisees and scribes approached Him, [**Here they come!**] dragging with them a terror-stricken woman whom with hard, eager voices they accused of having violated the seventh commandment. Having **pushed** her into the presence of Jesus, they said to Him, with a hypocritical show of respect, ‘Moses in the law commanded us that such should be stoned: but what sayest Thou?’

“Their pretended reverence veiled a deep-laid plot for His ruin. They had seized upon this opportunity to secure His condemnation, thinking that whatever decision He might make, they would find occasion to accuse Him...

“Jesus looked for a moment upon the scene,—the trembling victim in her shame, the hard-faced dignitaries, devoid of even human pity. His spirit of **stainless purity** shrank from the spectacle. Well He knew for what purpose this case

“Hope thou in God, for on Calvary's cross a complete sacrifice was offered **for you**... Eternal joy—a life of undimmed happiness—awaits the one who surrenders **all** to Christ.” HP 262. “When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned.**” SD 222. Praise God friend! **Praise God!**

Dear A. Jan Marcussen,
I found your book, *National Sunday Law* after praying for truth. I prayed for God to help me find a widow and an orphan to give the Lord's money to because I couldn't give it to my corrupt Sunday church. It breaks my heart at the number of preachers I've spoken to who tell me, “Just pick any day.”
After I read *National Sunday Law*, I knew the truth concerning God's Sabbath. God has had you write this book. The book is crucial to say the least. God has used you in a very mighty way.
Sincerely, Johnny Tulsa, OK

had been brought to Him. He read the heart, and knew the character and life history of everyone in His presence. [Wonderful Jesus!] These would-be guardians of justice had themselves led their victim into sin, that they might lay a snare for Jesus. [Look at the wicked fiends! The church leaders were totally controlled by demons! **Charity:** Which one of them had led the woman into sin? Did they take turns? **Pastor Jan:** Jewish priests were representatives of the coming Messiah. Catholic priests go even farther. In their minds, they can do **no wrong** because they are “another Christ.” As gods on earth, the Catholic priest can pretend to turn the blasphemous communion cookie into the actual body of Jesus. It's one of the “Mysteries of the Mass!”]

“Giving no

sign that He had heard their question, He stooped, and fixing His eyes upon the ground, began to write in the dust.

“Impatient at His delay and apparent indifference, the accusers drew nearer, urging the matter upon His attention. But as their eyes, following those of Jesus, fell upon the pavement at His feet, their countenances changed. There, traced before them, were the guilty secrets of their own lives. The people, looking on, saw the sudden change of expression, and pressed forward to discover what it was that they were regarding with such astonishment and shame.

“With all their professions of reverence for the law, these rabbis, in bringing the charge against the woman, were disregarding its provisions. It was the husband's duty to take action against her, and the guilty parties were to be punished equally. The action of the accusers was wholly unauthorized. Jesus,

however, met them on their own ground. The law specified that in punishment by stoning, the witnesses in the case should be the first to cast a stone. Now rising, and fixing His eyes upon the plotting elders, Jesus said, ‘He that is without sin among you, let him first cast a stone at her.’ And stooping down, He continued writing on the ground.

“He had not set aside the law given through Moses, nor infringed upon the authority of Rome. The accusers had been defeated. Now, their robe of pretended holiness torn from them, they stood, guilty and condemned, in the presence of **Infinite Purity**. [“A wonderful Saviour is Jesus my Lord!”] They trembled lest the hidden iniquity of their lives should be laid open to the multitude; and one by one, with bowed heads and downcast eyes, they stole away, leaving their victim with the pitying **Saviour**.

Dear Sir,
I found a book on my doorstep entitled “National Sunday Law.” I don't know who left it. I read it with amazement. Then I started much researching the Bible. Then I read the “National Sunday Law” book again. I closed the book and confessed to God - “I believe this about the ‘mark of the beast’ and the Sabbath to be the truth.” It's all making sense now. I told God that I didn't want the “mark of the beast” but I want His seal. As I was reading, I felt like God was speaking to me. How awesome! Praise the Lord! Amen! A.D.S.

Dear Sir; I was given a “National Sunday Law” book to read. When I finished reading it, I knew that the seventh day is the Sabbath of God. It has changed my life! I was so happy that I prayed and sang. A glorious peace - which I had sought for a very long time - came into my soul. What a blessing it was! When we see the word “Sabbath” in the New Testament now, it has a new meaning! Before, we thought it meant “Sunday,” but now we see clearly that it says “God's seventh-day Sabbath” which He instituted at creation. May God bless you. F.S.

“Jesus arose, and looking at the woman said, ‘Woman, where are those thine accusers? hath no man condemned thee? She said, No man, Lord. And Jesus said unto her, **Neither do I condemn thee: go, and sin no more.**’ [Praise God!]

“The woman had stood before Jesus, cowering with fear. His words, ‘He that is without sin among you, let him first cast a stone,’ had come to her as a death sentence. She dared not lift her eyes to the Saviour’s face, but silently awaited her doom. In astonishment she saw her accusers depart speechless and confounded; then those words of hope fell upon her ear, **‘Neither do I condemn thee: go, and sin no more.’** [Praise God!] Her heart was melted, and she cast herself at the feet of Jesus, sobbing out her grateful love, and with bitter tears confessing her sins.

“This was to her the beginning of a new life, a life of purity and peace, devoted to the service of God...

Dear Sir, I've never read anything so captivating in my life!!! Thank you for sending me "National Sunday Law." I plan to get many more so that I can give them to others. Thank you, & God bless you! Margarette

“In His act of pardoning this woman and encouraging her to live a better life, the character of **Jesus** shines forth in the **beauty of perfect righteousness**. While He does not palliate sin, nor lessen the sense of guilt, He seeks not to condemn, but to save. The world had for this erring woman only contempt and scorn; but Jesus speaks words of comfort and hope. The **Sinless One** pities the weakness of the sinner [that’s you and me!] and reaches to her a helping hand. While the hypocritical Pharisees denounce, Jesus bids her, ‘Go, and sin no more.’

“It is not Christ’s follower that, with averted eyes, turns from the erring, leaving them unhindered to pursue their downward course. Those who are forward in accusing others, and zealous in bringing them to justice, are often in their own lives more guilty than they. Men hate the sinner, while they love the sin. Christ hates the sin, but loves the sinner. This will be the spirit of all who follow Him. **Christian love is slow to censure, quick to discern penitence,**

ready to forgive, to encourage, to set the wanderer in the path of holiness, and to stay his feet therein.” DA 460-462. **Praise God friend!**

Praise God!
