Do you see lightning, fire, flood, and earthquake shattering the buildings as the monstrous tornado rushes in? Do you see his ATV, his rope, and the survival tools around his neck? Before he gets blown away, this man is prepared for most anything - as he watches the climate change.

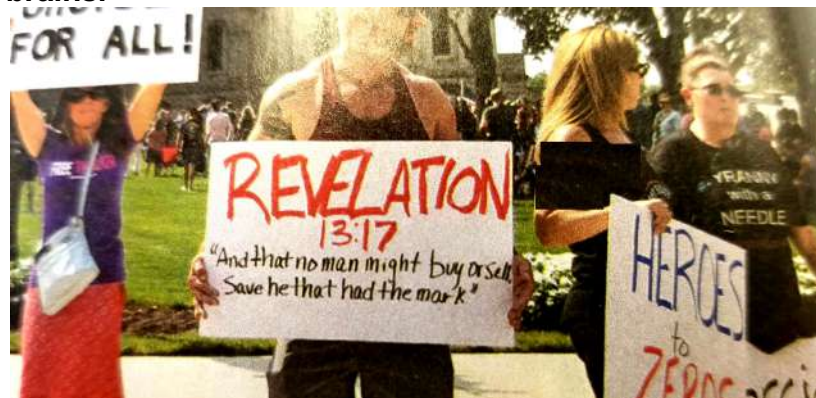

Do you see her smoking dope? Even little old ladies are in one of the two great armies that are contending for the mastery of the world. The evil army plans to use illegal dictates and mandates - by all means - to get papal approved chemicals [Rev. 18:23,24] into the blood streams of the good army, and into their brains.

The vaccination card. Like in Nazi Germany, the wicked army wants to use brute force to make sure that papal phamacia gets into the brains of God's dozing army. They look like an easy prey! But the good army is not dead. What will happen? In this letter, you'll get a hint.

Even before the great battle of Armageddon, there are already two armies contending for the mastery of the world. Even this protesting man can see where it's leading.

Dear SDA friends around the world,
Greetings in the name of dear Jesus!
Faith: The Bible verse says, “For, behold, the LORD cometh out of his place to punish the inhabitants of the earth for their iniquity.” Isa. 26:21. When this happens, how will it affect us?
Pastor Jan: Are you ready? Here we go -

“And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will show unto thee the judgment of the great whore that sitteth upon many waters: With whom the kings of the earth have committed fornication.

[They’re doing that right now. In the news, you’ve already seen one of the three stooges from the U.S. meeting in the Vatican with the pope. You saw them shaking hands. High officials go there and get from him the assignments they are to perform. These assignments are directly related to the three great goals of the papacy described thus - “The Roman Church is far-reaching in her plans and modes of operation. She is employing every device to extend her influence and increase her power in preparation for a fierce and determined conflict to 1) regain control of the world, to 2) re-establish persecution, and to 3) undo all that Protestantism has done.” GC 565,566.] “And the inhabitants of the earth have been made drunk with the wine of her fornication. [That’s happening now too. **Hope:** Who is the stooge who went there? What are the names of the stooges? **Pastor Jan:** It’s a secret.]

“So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.” Rev. 17:3-6.

Do you see the reindeer guiding his sleigh at the Vatican? Here comes Santa Claus! He can do miracles. He can fly in his sleigh with no wings. He can go down a chimney through a 6 inch pipe. He knows what you’ve been thinking. He knows when you’re awake. He knows whether or not the 8 billion people on earth have been bad or good. Only he can judge all men because only he “exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, showing himself that he is God.” II Thess. 2:4. More than that - “He has been styled ‘Lord God the Pope.’” GC 50.

Once in a while, our kind Father allows us to get a tiny glimpse of the two armies. They are vast, and stretch around the world. They are divided up into divisions, battalions, regiments, etc. The wicked army is seemingly much larger than the good one, but that’s because our wise General is keeping most of His army encamped out of sight - in the heights. But at the appointed time, both armies will stand face to face in the final phase of the great battle of Armageddon. And then the rebel general and his army of slaves will know that they are far outnumbered. “Standing with God, with Christ, with the angels, and with the loyal and true of all ages, the children of God will be far in the majority.” AA 590. **Praise God!**

Meanwhile, infiltrators from the wicked camp have been assigned by the rebel general to creep into the loyal ranks to weaken them, while trying to trick some of them to join the poor coo coo people in the army that is doomed to destruction. They point to their seeming superiority, and sweetly invite some in the good army to join them and come back home to mother. Some of them who are not filling their minds with the teachings of the Great General will be fooled. But He is allowing all this because the cowardly purple people must be separated from the loyal ones so that when the final phase of the last great battle takes place, the ranks will be drawn up, perfected, and unmoveable.

“Every form of evil is to spring into intense activity. Evil angels unite their powers with evil men, and as they have been in constant conflict and attained an experience in the best modes of deception and battle, and have been strengthening for centuries, they will not yield the last great final contest without a desperate struggle. All the world will be on one side or the other of the question. The battle of Armageddon will be fought, and that day must find none of us sleeping. Wide awake we must be, as wise virgins having oil in our vessels with our lamps.

“The power of the Holy Ghost must be upon us, and the Captain of the Lord’s host will stand at the head of the angels of heaven to direct the battle. Solemn events before us are yet to transpire... Scenes of stupendous interest are right upon us.

“Two great opposing powers are revealed in the last great battle. On one side stands the Creator of heaven and earth. All on His side bear His signet. They are obedient to His commands. On the other side stands the prince of darkness, with those who have chosen apostasy and rebellion.

This quote is from a Michel Salomen interview with Jacques Attali, Special Advisor to the French President, from the book *L'avenir De La Vie*.

“It will be a question of finding a way to **reduce the population**. [They’re doing it now. That’s what the Georgia Guide Stones near Atlanta teach. It’s what piles of papal controlled elites teach. It’s what people like Ted Turner and Jesuit Georgetown University Bill Clinton have espoused.] We will start with the old, then the weak, then the useless ones. And finally the stupid ones. Euthanasia targeting these groups, will have to be an essential instrument of our future societies.”

In the article, Mr. Salomen said, ‘We will find something to reduce the population, or else we will cause it. A pandemic that targets certain people! [That’s it!] A virus that will affect the old and the weak. It doesn’t matter. The weak will succumb to it. The fearful and the stupid will believe it and ask to

be treated [with a vaccination approved by the Food and Drug Administration = (FDA).] We will have planned the treatment. [The treatment will be the solution to how to reduce the population.] The selection of idiots will thus be done by themselves. They will go to the slaughterhouse on their own.”

Charity: Would the FDA approve vaccinations for a virus? This 10/18/21 article from The New American reveals that the FDA has approved more than that.

Faith: Does the article reveal that great scientists at the FDA bought parts of babies

who had been murdered before they were born, and then cut to pieces? Would the perverts sew a baby’s head onto the body of a mouse? Did they want to see a mouse with a human head? Would the baby’s brain think for the mouse? Would it be like Frankenstein? Would the mouse drag the baby’s head around? What kind of mad fiends would enjoy that? Did the FDA building turn into the “Little House of Horrors?”

Pastor Jan: The prophet of God cries out - “What is to prevent the world from becoming a second Sodom?” *Education*, p. 228. “Howl ye; for the day of the LORD is at hand; it shall come as a destruction from the Almighty. Therefore shall all hands be faint, and every man’s heart shall melt: And they shall be afraid: pangs and sorrows shall take hold of them; they shall be in pain as a

woman that travaileth: they shall be amazed one at another; their faces shall be flames. Behold, the day of the LORD cometh, cruel both with wrath and fierce anger, to lay the land desolate: and he shall destroy the sinners thereof out of it.” Isa. 13:6-9.

Here’s the New American quote - “Records reveal that the U.S. Food and Drug Administration (FDA) was purchasing babies’ heads and other body parts for its ‘humanized mice’ project. [Would these same people at the FDA approve of a vaccine to be injected into your bloodstream to go into your brain? Just yesterday it was reported on the radio that 100% of the people in British Gibraltar have been vaccinated, and that **100%** of everyone there who are coming down with Covid are the very people who were vaccinated! Many of you have seen the documentation concerning piles of people, including babies and children, who became retarded imbeciles soon after getting

the shot. But all the shots are not deadly. They’ve got to have enough good ones to be credible. Many of the shots have reportedly helped people get well, even though most people have gotten well without anything. Reportedly, many of the shots seem good, and many of them are bad - and when they’re bad, they’re **really** bad! - - like playing Russian Roulette. Faith: So should we flip a coin and hope for the best? Should the law **force** you to get one? Pastor Jan: Adolf Hitler could get away with it.]

“The gory details of a baby’s head being sewn onto the body of a mouse are found in hundreds of pages of records acquired under a ‘Freedom of Information Act’ case brought by watchdog group ‘Judicial Watch.’ The government even demanded that the body parts be ‘fresh and never frozen.’”

Pastor Jan: If they fiddle with babies’ heads to make “humanized mice,” would fiends and vampires fiddle with making viruses more deadly - {by “gain of function”} and then approve endless vaccines; endless masks, and endless success in reducing the population - without people suspecting who’s behind it? You’ve already read the quote from the book, *Making America Catholic*, which says, “It is the purpose of the pope to

Hope: Are we in the end of the world? Would the great scientists sew a baby’s head onto the body of a mouse? Or would they sew the body of a mouse onto a baby’s head?

Pastor Jan: You’ll know in a minute.

Dear Sir,

Having read the book “National Sunday Law,” a feeling came over me to have them sent to Congressmen, Senators, and every preacher in town, that they might know God’s will. As God blesses me, I will get more of these books to spread the word. May God bless all of us, and give us strength to stand. Jim Colorado

Dear Sir,

I found a book on my doorstep entitled “National Sunday Law.” Who left it there, I do not know. I read it with amazement. Then I started much researching. Then I read the “National Sunday Law” book again, and closed the book. I told God that I believe this to be true, about the “mark of the beast” and the “seal of God” and His Sabbath. It was all making sense to me! I told God that I didn’t want the “mark of the beast” but I want His seal. As I was reading I felt at that moment like God was speaking to me. How awesome! Praise the Lord. Amen!

Dear Pastor Marcussen,

For years I have attended a Sunday keeping church. But now my whole church has switched and is keeping God’s true Sabbath holy. Isn’t our Lord Jesus wonderful! I’m sending your NSL preachers to many people. God can use us to make a difference. Please keep us in your prayers as we keep you in ours. Scott G.

Dear Pastor Jan,

I cannot find words to express it! Jesus is working wonderful miracles through the book “National Sunday Law.” The spiritually dead have come alive. The spiritually blind are seeing. The lame are leaping up from the ground, and many are waking up from a stupor. Personally, I want to do something for Christ, who died in our place. I want the joy of seeing people turning to Jesus for help and salvation. I’m planning on getting many more “National Sunday Law” preachers. I’m going to get them into the people’s hands. Please pray for me. Sincerely, Edwin G.

possess this country.”

“Chopping up aborted human beings for their organs and tissue is a moral and legal outrage,” said ‘Judicial Watch’ President Tom Fitton.

“An unborn baby is aborted, handed over to ABR technicians for dissection and processing and then shipped to researchers, according to the investigation.” ‘Fresh and never frozen.’”

Pastor Jan: Almost no one knows who is behind the horrors and efforts to murder the innocent, and reduce the population of a Protestant nation while getting control of it. What makes it tricky is that this universal power is preaching against abortion. “And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.” Rev. 18:24. Notice the word, “all.”

Hope: How will we know it when things get like they were in the days of Noah?

Pastor Jan: Watch closely - “Whoever coveted the wives or the possessions of his neighbor, took them by force, and men exulted in their deeds of violence. They delighted in destroying the life of animals; and the use of flesh for food rendered them still more cruel and bloodthirsty, until they came to regard human life with astonishing indifference.” PP 91.

“If there was one sin above another which called for the destruction of the race by the flood, it was the base crime of amalgamation of man and beast.” 1 SP 91. Will wicked men do it again “as it was in the days of Noah?” How long will that take? Can you guess?

building the ark he was to preach that God would bring a flood of water upon the earth to destroy the wicked. Those who would believe the message, and would prepare for that event by repentance and reformation, should find pardon and be saved...

“[The ark] was constructed like the hull of a ship, that it might float upon the water, but in some respects it more nearly resembled a house. It was three stories high, with but **one door**. [Dear Jesus said, “I am the door: by me if any man enter in, he shall be saved.” John 10:9.] The light was admitted at the top, and the different apartments were so arranged that all were lighted...

Dear Jan Marcussen,

Receive my warm greetings through Jesus' holy name. I've been a member of a Sunday keeping church, but through reading your book “National Sunday Law,” I am now enlightened as to the will of God in keeping the Seventh day Sabbath holy! I highly thank God for giving me this wonderful message, and also for the way He has used you to publish this fascinating book. Now, I am studying this wonderful saving truth with others. I am so proud to be working for the soon returning of our Redeemer and King. Your Christian Sister, L.L.

admitted at the top, and the different apartments were so arranged that all were lighted...

“Many at first appeared to receive the warning; yet they did not turn to God with true repentance. They were unwilling to renounce their sins... There were so many to jest and ridicule, that they partook of the same spirit, resisted the invitations of mercy, and were soon among the boldest and most defiant scoffers; for none are so reckless and go to such lengths in sin as do those who have once had light, [the foolish virgins] but have resisted the convicting Spirit of God.

“But Noah stood like a rock amid the tempest. [Praise God!] Surrounded by popular contempt and ridicule, he distinguished himself by his holy integrity and unwavering faithfulness. [Help us do it dear Father - our Lord and our God.] A **power** attended his words, for it was **the voice of God** to man through His servant. Connection with God made him **strong** in the strength of **infinite power**, [Praise God!] while for one hundred and twenty years his solemn voice fell upon the ears of that generation in regard to events, which, so far as human

wisdom could judge, were impossible...

“They continued their **festivities** and their **gluttonous feasts**; they ate and drank, planted and builded, laying their plans in reference to advantages they hoped to gain in the future; [like people do now] and they went to greater lengths in wickedness... They asserted that if there were any truth in what Noah had said, the men of renown—the wise, the prudent, the great men—would understand the matter...

“And now the servant of God made his last solemn appeal to the people. With an **agony of desire** that words cannot express, he entreated them to seek a refuge while it might be found. Again they rejected his words, and raised their voices in jest and scoffing. **Suddenly** a

Dear Pastor Jan,

Your book “National Sunday Law” is really an eye-opener! It is opening the eyes of many many people! Many who were blind, deaf, and dumb have had a beam of light come into their minds. This book has caused Roman Catholics to leave all that Catholic stuff and keep God's seventh-day Sabbath holy. Some of them, as well as Sunday worshiping Protestants have now become Seventh-day Adventists! I was raised as a Roman Catholic myself. Now I too observe God's true Sabbath – Saturday, as it is in Jesus. Your brother and friend, Johnny

silence fell upon the mocking throng. Beasts of every description, the fiercest as well as the most gentle, were seen coming from mountain and forest and quietly making their way toward the ark. A noise as of a rushing wind was heard, and lo, birds were flocking from all directions, their numbers darkening the heavens, and in perfect order they passed to the ark. Animals obeyed the command of God, while men were disobedient... The world looked on in wonder, some in fear... But men had become so hardened... [as they are today while great scientists fumble around with a mouse and a baby's head] that even this scene produced but a momentary impression. As the doomed race beheld the sun shining in its glory, and the earth clad in almost Eden beauty, they banished their rising fears by boisterous merriment, and by their deeds of violence they seemed to invite upon themselves the visitation of the already awakened wrath of God...

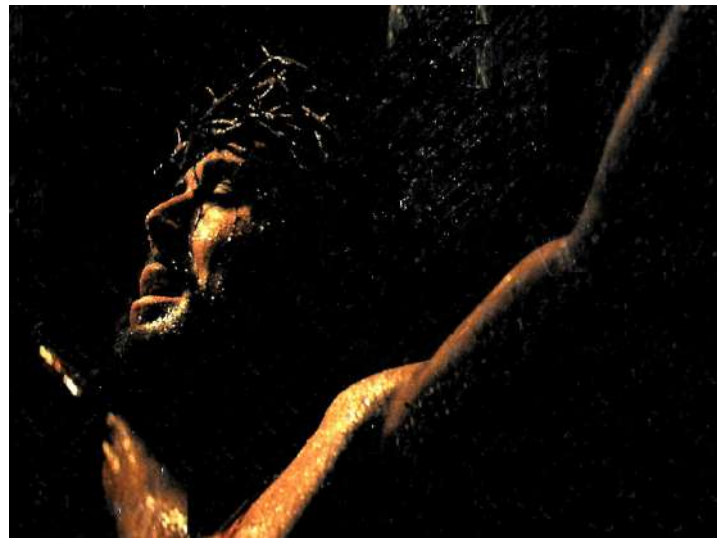

"Mercy had ceased its pleadings for the guilty race... [That horror is coming again. The billions of earth will feel like they did when the doomed tore around the decks of the Titanic - and all the lifeboats were gone.]

"'And the Lord shut him in.' A flash of dazzling light was seen, and a cloud of glory more vivid than the lightning descended from heaven and hovered before the entrance of the ark. The massive door, which it was impossible for those within to close, was slowly swung to its place by unseen hands. Noah was shut in, and the rejecters of God's mercy were shut out. The seal of Heaven was on that door; God had shut it, and God alone could open it. So when Christ shall cease His intercession for guilty men, before His coming in the clouds of heaven, the door of mercy will be shut. Then divine grace will no longer restrain the wicked, and Satan will have full control of those who have rejected mercy. They will endeavor to destroy God's people; but as Noah was shut into the ark, so the righteous will be shielded by divine power. [Praise God!]

Dear A. Jan Marcussen,
I read your book "National Sunday Law" and I agree with it! It caused me to leave the Sunday church. I have been searching for the truth, and none of those churches are guiding their people to live by the teachings of Jesus and the holy Bible. Thank you for the truth of God!
Sincerely, Vince W

"They gathered in crowds about the ark, deriding its inmates with a daring violence which they had never ventured upon before. [That will happen again.] Upon the eighth day dark clouds overspread the heavens. There followed the muttering of thunder and the flash of lightning. Soon large drops of rain began to fall. The world had never witnessed anything like this, and the hearts of men were struck with fear. All were secretly inquiring, 'Can it be that Noah was in the right, and that the world is doomed to destruction?' Darker and darker grew the heavens, and faster came the falling rain. The beasts were roaming about in the wildest terror, and their discordant cries seemed to moan out their own destiny and the fate of man. Then 'the fountains of the great deep' were 'broken up, and the windows of heaven were opened.' Water appeared to come from the clouds in mighty cataracts. Rivers broke away from their boundaries, and overflowed the valleys. Jets of water burst from the earth with indescribable force, throwing massive rocks hundreds of feet into the air, and these, in falling, buried themselves deep in the ground.

Dear Pastor Jan,
Thank you for sending me the book, "National Sunday Law." Everything you said in it validated my suspicions about the church of Rome. I am now a Seventh-day Adventist! I have let others read it, and God used it to change their lives! After reading it, I was convinced that I had to stop working on God's holy Sabbath. I was worried about what my supervisor would say, so I prayed that God would soften his heart. I praise God that my prayers were answered and I now have Saturdays off! Please keep up the good work of sending God's Three Angels' Messages to the people of the world! I plan to get many NSL books to get out to the people. Your brother in Christ,

Dear author,
Thank you for your book "National Sunday Law." I received it in the mail. Before now, I would throw books in the garbage, but something told me to read this one. I'm not a reader, but something about this book took hold of me! So I read it all night. Boy were my eyes opened! I never knew that Saturday was God's holy day of rest. I want to learn more! Thank you for "National Sunday Law." May God bless you all!

"As the violence of the storm increased, trees, buildings, rocks, and earth were hurled in every direction. The terror of man and beast was beyond description. Above the roar of the tempest was heard the wailing of a people that had despised the authority of God. Satan himself, who was compelled to remain in the midst of the warring elements, feared for his own existence...

"Some in their desperation endeavored to break into the ark, but the firm-made structure withstood their efforts. Some clung to the ark until they were borne away by the surging waters, or their hold was broken by collision with rocks and trees. The massive ark trembled in every fiber as it was beaten by the merciless winds and flung from billow to billow. The cries of the beasts within expressed their fear and pain. But amid the warring elements it continued to ride safely. Angels that excel in strength were commissioned to preserve it...

"From the highest peaks men looked abroad upon a shoreless ocean...

“The avenging waters swept over the last retreat, and the despisers of God perished in the **black depths**.

“By the word of God... the world that then was, being overflowed with water, perished: but the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men.’ 2 Peter 3:5-7. Another storm is coming. The earth will again be swept by the desolating wrath of God, and sin and sinners will be destroyed.

“The intense worldliness of that generation is **equaled** by that of the generation **now living...** That which is lawful in itself is carried to excess. Appetite is indulged without restraint. Professed followers of Christ are today eating and drinking with the drunken, while their names stand in honored church records. Intemperance benumbs the moral and spiritual powers and prepares the way for indulgence of the lower passions... and they become the slaves of lust. Men are living for the pleasures of sense; for this world and this life alone...

“As the time of their probation was closing, the antediluvians gave themselves up to exciting amusements and festivities... [Church people do it now.]

“When the reasoning of philosophy has banished the fear of God’s judgments; when religious teachers are pointing forward to long ages of peace and prosperity, and the world are absorbed in their rounds of business and pleasure... feasting and merrymaking, rejecting God’s warnings and mocking His messengers—**then it is that sudden destruction cometh upon them, and they shall not escape.** 1 Thess. 5:3.” PP 91-103.

“Satan brings all his powers to the assault in the last, close conflict, and the endurance of the follower of Christ is taxed to the utmost. But a word of prayer to the Lord Jesus goes **like an arrow** to the throne of God, and angels of God are sent to the field of battle. **The tide is turned.**” *In Heavenly Places*, p. 297. [Praise God!]

“The love which Christ diffuses through the whole being is a vitalizing power. Every vital part—the **brain, the heart, the nerves**—it touches with healing. By it the highest energies of the being are roused to activity. It [God’s tender love] **frees** the soul from the guilt and sorrow, the anxiety and care, that crush the life forces. With it come **serenity and composure.** It implants in the soul **joy** that nothing earthly can destroy,—**joy** in the **Holy Spirit**,—health-giving, life-giving **joy.”** MH 120. **Praise God friend!
