What do you see? Here's "a great multitude, which no man could number." Did they get "the victory over the beast and his image?" Are they standing on the sea of glass singing the song of Moses and Mickey Mouse? And look at the awesome city! Are there gorgeous mansions in there? Are there golden streets swept clean by thousands of friendly robots? Satan knows very well what the holy city looks like because he lived there. Would he show the masses an imitation of it, surrounded by his 144,000 cartoon characters? It's an "unreal world." What about God's real people in His real paradise? Here it is -

"And after this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands; And cried with a loud voice, saying, Salvation to our God which sitteth upon the throne, and unto the Lamb." Dear SDA friends around the world,
Greetings in the holy name of Jesus.

Faith: The Bible quote says, "And I saw... them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God." Rev. 15:2. How did they get the victory over the beast and his image? What will it be like when the horrors of the dark ages, and the glories of the day of Pentecost are blended? And how will it all affect us?

Pastor Jan: Are you ready? Here we go -

“It is impossible to give any idea of the experience of the people of God who will be alive on the earth when past woes [persecution] and celestial glory will be blended. They will walk in the light proceeding from the throne of God. By the means of the angels there will be constant communication between heaven and earth. And Satan, surrounded by evil angels, and claiming to be God, will work miracles of all kinds to deceive, if possible, the very elect. God’s people will not find their safety in working miracles, for Satan would

The World Tomorrow. What will it be like?

Here’s the poor soul who is the visible leader of the World Economic Forum, which is behind the gigantic push for the great reset. It is he who said that in the great reset, you will be happy owning nothing. How does that sound? He doesn’t know that after the mark of the beast is enforced by law, God’s people will truly be happy owning nothing. He doesn’t know that - - unless he is a leading agent in the Vatican. If that’s what he is, then he knows all about it! Watch closely -

by Alex Newman

More than two years after the now-infamous “Great Reset” was announced in June of 2020 at a virtual forum under the auspices of the World Economic Forum (WEF), the pieces are beginning to fall into place. Key leaders from the United Nations, the International Monetary Fund, the British monarchy, the Chinese Communist Party (CCP), and the WEF have all been working fiendishly on the agenda since they first unveiled it at the height of the Covid pandemic.

Rapid progress has been made across critical fields. For instance, the shift of virtually everything to “digital” — from a lot of what passes for “education” and corporate meetings to identity systems, payments, medical records, and even currency — is happening at break-neck speed. The transformation of business, law, the food supply, governance, and even “mind-sets” is accelerating, too. The war on free speech, especially targeting critics and opponents of the Great Reset, is reaching new heights almost daily.

counterfeit any miracle that might be worked. God’s tried and tested people will find their power in the sign spoken of in Ex. 31:12-18. They are to take their stand on the living Word— ‘It is written.’ This is the only foundation upon which they can stand securely. Those who have broken their covenant with God will in that day be without hope and without God in the world.” 2SM 54,55.

Concerning the new world order of the future, the August 15 issue of Popular Science reveals a number of things. It predicts -

- 1 - We will have a new science of neuro-thrillers, and superspeed travel.
- 2 - We will learn how to save the world.
- 3 - There will be “Smart” robots and technologies that will take us farther than we thought possible.
- 4 - We’ll watch the earth from space, put humans on Mars, visit icy moons, and send missions to other planets.
- 5 - We’ll learn the workings and the future of the human brain.
- 6 - We will engineer the human brain to repair itself after trauma! The human brain will evolve to the place that it will contain the circuitry for kindness, a humane set of ethics, and world peace.
- 7 - We will do animal-to-human transplants, reverse the aging process, and will make synthetic microbiomes that enhance your athletic skills or make your breath smell like mint.

8 - On page 26 it reveals that as the new world order progresses, everyone will finally rise to the high position of being happy with owning nothing. It says that the government will provide adults with a base allowance - enough to get by, but no more. This plan has been tried before. Adolf Hitler said, “The Russians will be taught to read road signs and count to 100. Nothing more.”

Pastor Jan: Satan and his faithful servants approve of the new reset plan because it comes from his own brain in cooperation with his servants in Rome. The article says that the plan is that the government will supply your needs. The devil approves of this plan because it would cause God’s people to have no way of getting God’s three angels’ messages to the world. The Vatican and her master are depending on this plan. Most people have no clue that the new world order is actually the Vatican new order. The prophet reveals that “the time shall come for her to strike.” GC 581. Here’s the quote - “God’s word has given warning of the impending danger; let this be unheeded, and the Protestant world will learn what the purposes of Rome really are, only when it is too late to escape the snare. She is silently growing into power. Her doctrines are exerting their influence in legislative halls, in the churches, and in the hearts of men. She is piling up her lofty and massive structures in the secret recesses of which her former persecutions will be repeated. Stealthily and unsuspectedly she is strengthening her forces to further her own ends when the time shall come for her to strike.” GC 581.

The prophet also reveals things about the great reset that even the Vatican doesn’t know -

When Satan appears, masquerading as Jesus, healing the sick, making fire fall from the sky, working miracles, and telling the world that he changed God's Sabbath to the day of the sun - - billions - - even atheists, liberals, skeptics, idolaters, whoremongers, Buddhists, Hindus, Muslims, and nearly the whole world fall down before him. This makes church leaders rejoice and declare that the world will be converted {except for God's people. They are thought to be the cause of the horrors}. Satan's appearing will hasten the death decree of Rev. 13:15. As the deadly hour approaches - the mobs are happy now. They feel great! Like in Hitler's day, it's the "ultimate solution." Their guns are ready. Now - in the blackness, the clock strikes

twelve. **The blinding sun appears!**

"There is a mighty earthquake..." The mountains shake... [The mobs are down on the ground.] There is heard the shriek of a hurricane like the voice of demons upon a mission of destruction. The whole earth heaves and swells like the waves of the sea. [Look at that!] Its surface is breaking up. Mountain chains are sinking.

Inhabited islands disappear. The seaports that have become like Sodom for wickedness are swallowed up by the angry waters. Babylon the great has come in remembrance before God,

'to give unto her the cup of the wine of the fierceness of His wrath.' Great hailstones, every one 'about the weight of a talent,' are doing their work of destruction. Verses 19,21. The proudest cities of the earth are laid low. [The shaking and the hail are beating them to pieces.] The lordly palaces are crumbling to ruin before their eyes. Prison walls are rent asunder, and God's people, who have been held in bondage for their faith, are set free...

"Thick clouds still cover the sky; yet the sun now and then breaks through, appearing like the avenging eye of Jehovah. Fierce lightnings leap from the heavens, enveloping the earth in a sheet of flame. Above the terrific roar of thunder, voices, mysterious and awful, declare the doom of the wicked. Those who a little before were so exultant in their cruelty to God's commandment-keeping people, are now overwhelmed with consternation and shuddering in fear. Their wails are heard above the sound

of the elements. Demons acknowledge the deity of Christ and tremble before His power, while men are supplicating for mercy and groveling in abject terror.

"Said the prophets of old, as they beheld in holy vision the day of God: 'Howl ye; for the day of the Lord is at hand; it shall come as a destruction from the Almighty.' Isa. 13:6. 'Enter into the rock, and hide thee in the dust, for fear of the Lord, and for the glory of His majesty. The lofty looks of man shall be humbled, and the haughtiness of men shall be bowed down, and the Lord alone shall be exalted in that day.' 'In that day a man shall cast the idols of his silver, and the idols of his gold, which they made each one for himself to worship, to the moles and to the bats; to go into the clefts of the rocks, and into the tops of the ragged rocks, for fear of the Lord, and for the glory of His majesty, when He ariseth to shake terribly the earth.' Isa. 2:10-12,20,21.

"Those who have sacrificed all for Christ are now secure [Praise God!] hidden as in the secret of the Lord's pavilion... A marvelous change has come over those who have held fast their integrity in the very face of death. They have been suddenly delivered from the dark and terrible tyranny of men transformed to demons...

In the end of the world, great doctors say, "Follow the science." They speak of curing brain diseases like Alzheimer's or schizophrenia. Dr. Marina Picciotto said in the **Popular Science** article, "I could see engineering solutions that end up outsourcing [downloading] our memories to a computer hard drive." Would it cure your brain if they download it onto a computer and control your brain with a mouse? Would it make you feel better?

In the end of the world, Professor Karl Deisseroth, studied how an individual brain cell behaves when they shoot it with "advanced light guidance technology [optogenetics.] Scientists are proud now because he said - "We can already interact with every cell in the brain of a zebrafish!" They can make a brain cell do something when they zap it with optogenetics!" He said that with this method, they have made progress in controlling the brain cell of a mouse. Optogenetics means that they can effect a brain cell by shining a light on it.

Faith: Is this what great men are doing in the end of the world? If they open our heads and shine a light on our brains, will it help us to be more happy to go along with the national Sunday law?

Pastor Jan: It's a secret.

Dear Jan Marcussen,

A few days ago I was reading the scriptures and wondering about what it said concerning the Sabbath when I received the book "National Sunday Law." I just now finished reading it and I have to write to you! For years I have told people that I learned from the Bible that the Catholic church is the great whore of Revelation. But you are the first one I know of who puts it all together with the other important information about this power trying to change God's Sabbath. I know that what is in your book is the truth! I plan to get more of these books for others! Thank you very much, and God bless you. T.S.

"It is impossible to describe the horror and despair of those who have trampled upon God's holy requirements. The Lord gave them His law; they might have compared their characters with it and learned their defects while there was yet opportunity for repentance and reform... They have endeavored to compel God's people to profane His Sabbath. Now they are condemned by that law which they have despised. With awful distinctness they see that they are without excuse. They chose whom they would serve and

Pastor Jan: I showed you these articles in my Mid November 2006 letter. Do you think that this issue will go away and never come back? Has the devil been converted now? Has he changed his mind and joined the church? When he thinks that he can get away with it, he will push it this time with all his might, and God himself has revealed in prophecy that the devil's law will come, causing the foolish virgins to cave in to the law and "forsake us." Dear Pastor Jan,

I was a Methodist who had become disenchanted with my church. I seldom went to church anymore. One Saturday afternoon I opened my front door and found the book "National Sunday Law" on my doorstep. I read it every day for two weeks, looking up every scripture. Not only could I find no error, but I was overwhelmingly convicted of the Sabbath truth! I knew I have to get this book to others! My mother and I both accepted the Sabbath and became Seventh-day Adventists. Now on Sabbath afternoons we give out NSL preachers! Praise God.
Dean

Dear A. Jan Marcussen,

I read your book "National Sunday Law" and I agree with it! Because of reading it, I have left the Sunday churches that I was attending. Out of all those churches, none of them are guiding their people to live by the teachings of Jesus and the holy Bible. I praise God that He has His Seventh-day Adventist people who live by the pure truth of the Bible. Sincerely, V.L.

“Those who would have destroyed Christ and His faithful people now witness the glory which rests upon them. In the midst of their terror they hear the voices of the saints in joyful strains exclaiming: ‘Lo, this is our God; we have waited for Him, and He will save us.’ Isa. 25:9...

“The living righteous are changed ‘in a moment, in the twinkling of an eye.’ At the voice of God they were glorified; now they are made immortal and with the risen saints are caught up to meet their Lord in the air. “With unutterable love, Jesus welcomes His faithful ones to the joy of their Lord. The Saviour’s joy is in seeing, in the kingdom of glory, the souls that have been saved by His agony and humiliation. Dear Jan Marcussen,
I have just finished reading “National Sunday Law.” I was totally shocked! I picked up your book at my doctor’s office. I couldn’t put it down! I was brought up as a Catholic. I have left the Catholic church. I knew it was wrong to pray to saintly statues. Now I adhere to the truth of the Bible! May God bless you always! L.C.

“The cross of Christ will be the science and the song of the redeemed through all eternity... Never will it be forgotten that He whose power created and upheld the unnumbered worlds through the vast realms of space, the Beloved of God, the Majesty of heaven, He whom cherub and shining seraph delighted to adore—humbled Himself to uplift fallen man; that He bore the guilt and shame of sin, and the hiding of His Father’s face, till the woes of a lost world broke His heart and crushed out His life on Calvary’s cross. That the Maker of all worlds, the Arbiter of all destinies, should lay aside His glory and humiliate Himself from love to man will ever excite the wonder and adoration of the universe.

Dear Jan Marcussen,

I just finished your book “National Sunday Law.” I truly believe God sent you to save his people. I grew up in a Baptist church background. When I turned 13, I stopped going because of all the people in church who were acting like the devil. I asked the pastor if he believes that if you ask Jesus into your heart, and yet you still willingly live a life of sin, you will go to heaven. He said “Yes.” I strongly disagree. I also asked him about the Sabbath. He said that he worships on Sunday because Christ rose from the dead on that day. From reading your book I know now that he is ignorant about the Bible, because the Bible does not teach that. I’m going to enlighten him. He’s expecting me at church tomorrow [Sunday]. I’m not going. I’m going to tell everyone what I’ve found in your book. My fiancée is with me all the way on my journey closer to God. I truly believe that God has sent you. I’m ordering more “National Sunday Law” books to pass out to all the churches in my area. From reading “National Sunday Law,” many people will finally open their eyes and wake from their sleep to follow God’s law, not man’s. I can’t wait until that glorious day when we will meet each other in heaven. May God be with you forever. John

As the nations of the saved look upon their Redeemer and behold the eternal glory of the Father shining in His countenance; as they behold His throne, which is from everlasting to everlasting, and know that His kingdom is to have no end, they break forth in rapturous song: 'Worthy, worthy is the Lamb that was slain, and hath redeemed us to God by His own most precious blood!'

“The mystery of the cross explains all other mysteries. In the light that streams from Calvary the attributes of God which had filled us with fear and awe appear beautiful and attractive. Mercy, tenderness, and parental love are seen to blend with holiness, justice, and power. While we behold the majesty of His throne, high and lifted up, we see His character in its gracious manifestations, and comprehend, as never before, the significance of that endearing title,

‘Our Father.’ It will be seen that He who is **infinite** in **wisdom** could devise no plan for our **salvation** except the sacrifice of His Son.

The compensation for this sacrifice is the **joy** of peopling the earth with ransomed beings, **holy, happy, and immortal.** The result of the

conflict with the powers of darkness is

joy to the redeemed, redounding to the **glory** of **God** throughout eternity. And such is the value of the soul that the

Father is satisfied with the price paid; and **Christ** Himself, **beholding** the fruits of **His** great **sacrifice, is satisfied.”** Praise God friend! **Praise God!**
