When I was about 6 years old, my grandmother told me that she was not proud of our ancestors. When I asked her why, she said that it was because our ancestors were the Vikings! They lived and reigned in Europe and even came into America from the 9<sup>th</sup> to the 11<sup>th</sup> century AD. She said that they went around doing horrible things like in the days of Noah. Do you believe that just before Jesus comes, many will be worse than the Vikings?

**alive again, he was lost, and is found.”**

Dear SDA friends around the world.

**Faith:** God’s prophet said, “The children of God will be brought into close combat with the beast and his image.” EW 254. What will that be like? And what does poor William have to do with it?

**Pastor Jan:** Are you ready? Here we go -

Some activities of the Vikings.

Which scene is more dangerous, this one, or the one on page 2?

**Poor William:** I started out wanting to serve God in the worst way. And for the first 30 years of my life, that's exactly what I did. I was raised in a Roman Catholic home, but I didn't know Jesus Christ. I knew very little about the Bible, and I wanted to be a priest.

When I got to college however, I had my plans somewhat derailed. My professors were telling me that 1) the Bible wasn't really true, 2) what I knew about the Bible was false, 3) Moses didn't really part the Red Sea, 4) Adam and Eve never really existed, and that 5) Jesus didn't really rise from the dead. So where did that leave me? Here I was going to be a priest,

Here's poor William, the Roman Catholic college student

priestess of the druids. So that's what we did. We learned from him all the mysteries of the five

William Schnoebelen not been." Obediah 16.]

After that, my spirit guides told me that if we really wanted to understand the deep aspects we needed to join the church of Satan. This is how Satan does things. He gradually introduces you to more and more bizarre doctrines until you're overwhelmed.

And here's William after the papacy and the devil have taken over his poor brain. They have shaped him until he is a Roman Catholic priest, a 90<sup>th</sup> degree Mason; a Shriner; a warlock; a witch instructor; a Satanic priest, and a blood drinking vampire.

and I didn't know what to believe. It was like I had a rubber ruler.

By the time I got through listening to my professors in college, I determined that the best way for me to get real knowledge was for me to become a witch. So I wrote to the king of the witches in London and he directed me to a witches' coven in

Massachusetts. There I met the young lady who was to become my wife. We found the Grand Master druid of all North America, and he invited us to come and study under him to become the high priest and high priestess of the druids. Almost every night as we studied with him out under the stars, we would see a UFO hovering. It looked like a cigar shape with lights all around it. So we were ordained, and then we were married in Zion, Illinois, in Zion State Park with 200 witches standing around in a huge circle dressed in black, with a big bonfire in the middle. From there, we went out to preach the gospel of witchcraft. In Milwaukee there were 90 students all lined up, who wanted to learn witchcraft. [Oh that they had been so eager to learn of the lovely Jesus from the Bible; to have eternal life and happiness in the paradise of God, instead of burning to ashes with the devil, and then forever ceasing to exist. "And ye shall tread down the wicked; for they shall be ashes under the soles of your feet." Mal. 4:3. "They shall be as though they had

So I joined the church of Satan, and soon after that I became a warlock. I legally changed my name from William Schnoebelen to Christopher Pendagrinn Sin. They called me "Reverend Doctor Sin."

But I learned that before I could join the church of Satan, I first had to become a Master Mason. So I found someone who sponsored me into the Masons, and I became a Master Mason. I went through the York rite. I went through the Shrine and became a Shriner. I just shudder every time I see this picture of myself, which you see here on the left. After that, I went through the Scottish rite to become a 32<sup>nd</sup> degree Mason - "a sublime prince of the royal secret." Masons just love big sounding titles like, "Perfect Master," "Most Perfect Master," "Perfect Excellent Master," etc. Once I went through all of that, I was now accounted "worthy" to sell my soul to the devil. I didn't know that the devil already had it. I had to sign my name on the contract with my own blood. The deal was that I got seven years in which the devil would give me anything I wanted; wine, women, song, dope, power, you name it. At the end of those seven years, he got to kill me and take me to hell. But you've got to understand that to them, hell is an incredible, eternal, non-stop party. We were told that heaven was a boring place where you just sit around forever strumming on a harp.

I learned that Lorreta Lynn and many other singers and movie stars have gotten famous by the devil's power. They sold their souls.

FALSE FLAGS & AGENTS PROVOCATEURS  
DEEP STATE WAR ON AMERICA

The New American, Sept. 16, 2024.

The Vikings were naughty children compared to the sophistication of the global attacks in our day. No matter who the government officials are, GC 565,566 & 581 reveals that the underlying goal of the great papal MOTHER is 1) to "regain control of the world," 2) to "restart persecution," and 3) to "undo all that Protestantism has done." In this letter, you'll get a little glimpse behind the scenes, as dear Jesus is preparing to appear in the sky.

“So I was working toward becoming a Satanic priest. But before I could become one, I had to become a Roman Catholic priest. No one can be a Satanic priest who is not first a Roman Catholic priest. Most people don’t know this. Satanic priests are Roman Catholic priests and many Catholic priests are also priests of the church of Satan. I knew a bishop of the Catholic church in Milwaukee who was more than willing to ordain me as a Catholic priest in exchange for me making him a witch priest.

“So now I was all set. I had all these powerful initiations, and this took me over what is called “the abyss.” Once you get over “the abyss” you transcend good and evil [according to them.] You’re beyond morality, and you become a god living on the earth. From then on, you look at human beings as if they are cattle. At this point I was given the choice of either studying how to be a werewolf, or studying to be

*Vermont's Corner: "When self dies, there will be awakened an intense desire for the salvation of others..." GW, 1892 ed, pg. 470.*

a vampire. I knew some werewolves, and I learned that to be a werewolf is a painful process. I don’t like pain, so I chose to become a vampire. So I was taken to a church in Chicago which is wholly given over to the cult of the vampires. From then on, it became impossible for me to eat. I couldn’t eat or drink anything except blood. The only solid food I could eat was the Catholic communion host. I lived like this for over a year. I couldn’t go out in the daylight without getting blisters on my hands. I had to get a job working in the middle of the night as a newspaper carrier for the Milwaukee Sentinel. I was addicted to blood.

“The essence of addiction is that the more you get of something, the more you want. So I kept needing more and more blood. [Many church members eat meat with animal blood in it that they get at the grocery store, when the Bible - in Leviticus 17:14 - forbids God’s people to eat meat with blood in it. It says, “Ye shall eat the blood of no manner of flesh: for the life of all flesh is the blood thereof: whosoever eateth it shall be cut off.” Then, when the church members get some gross disease from eating the blood of a dead animal, they wonder why God allowed them to get the disease.]

“I had over 175 women that I had initiated into witchcraft, and a number of them were happy to let me drink their blood. This went OK for a while, but gradually, it wasn’t enough. I kept needing more and more blood. I began to live a life like it was the tortures of the damned. I’d drive through the streets at night on my job, and I’d see the occasional prostitute, and it would be all that I could do to not rip her throat out, and

drink every drop of blood out of her body. The only thing that kept me from it was the love I had for my wife. [This shows that even a demon possessed person still has a will - like the demoniacs did when they cried out for dear Jesus to save them.] I didn’t want to start murdering people, but I knew that I was only an inch away from doing it.

“Now God began to intervene. Every year I sent my tithe check to the church of Satan. And when I got a check back from the bank, some lady at the bank had written on the check, **“I’ll be praying for you in the name of Jesus.”** I just laughed because I was so messed up that I thought Jesus was a vampire. I just tossed the check into the file and forgot about it. But do you know what happened? Within a day or two my whole life fell apart around me. I lost all my magical power. I lost my job. I got sick as a dog. My wife even got sick. It seemed like I was falling on my face in the gutter. I didn’t know what was going on. I was one of the most powerful warlocks, and yet **one praying Christian lady** took me off at the kneecaps. That is the power of prayer in **Jesus’** holy name!!! **Amen!** If you’re praying for someone in His holy name, **be encouraged!**

“So I was in this dire straight. I didn’t know what to do. I cried out to Lucifer for a sign, and in a couple of days, Mormon missionaries knocked on our door. I had been told by the Grand Druid fellow that if I ever got

Dear Jan Marcussen,

I'm a truck driver. I drive between NC and Texas. I've been living just a worldly life. Fatigue is a big weapon. My mind and body have been so exhausted that I guess I couldn't see the love of God. But one day as I was driving, all of a sudden God came close to me. I just knew it was the presence of God. I didn't pray. I didn't confess any sins. {I would do those things later}. At that time, I didn't do "nothin." But I didn't resist Him. I let Him come close to me. And my life changed. For the first time, I didn't resist Him. And He did something in my heart. I made up my mind that from then on, I was going to live for God. Soon after that, the thought came to me, "I'm not reading. Why am I not reading the Bible?" Then in a dream, I dreamed that I should read in the book of Isaiah. So I started reading it. Soon after that, a book came in the mail called "National Sunday Law." My wife read it, and gave it to me. We both accept the message of truth in it. I know that God loves me. This past Saturday, we kept our first Sabbath. No more driving the truck on God's Sabbath. Sweet is the feeling of obedience. Your book coincided with what I read in the Bible. Sweet is the feeling of obedience. May God bless you! Kyle

Dear Sir;

I had just graduated from nursing school and I was waiting to take the state exam when I received the book "National Sunday Law." The first few paragraphs really intrigued me to continue. I was preparing for the state exam in the daytime, and I was reading "National Sunday Law" at night. From reading it, I left the Baptist church and went straight to the Seventh-day Adventist church. I thank God for having chosen you to write such a book to help bring me to our Saviour. I was baptized as a Seventh-day Adventist. I thank God for the message in that great little book. What a God we serve! Thank you for allowing God to use you to preach His three angels' messages. Now, I give these books out to others. Your brother in Christ, C. Tervil

into deep spiritual trouble to join the Mormon church because the Mormon church had been started by witches for witches. [The Mormon church was also to allure people from Protestant churches on their way to the west.] And Mormonism would give people like me a place to hide out and appear to be nice Christians, even though at the top, many of them believe what witches believe. My book, *Mormonism, Temple of Doom* proves that Joseph Smith was in fact a warlock, and that most of the early church leaders were deeply involved in sorcery. So we joined the church. They loved us. I went through the ranks and became an elder and an instructor.

Dear Pastor Marcussen,  
Your book "National Sunday Law" really got me. Glory be to God Almighty for the way He has been using you to reach the lost. I was switching from one denomination to another until the Lord arrested me with your book. Now I have become a Seventh-day Adventist. I can see that Rome is making her attack against God's Seventh-day Adventist church. I plan to get more NSL preachers to win souls. Since I was baptized I have been sharing the NSL book with so many people. Glory be to God. E.C.

We thought we were on the right track because we were now part of this huge, powerful, wealthy church, and yet we were still serving Lucifer. We had a meeting with one of the 12 Mormon apostles, and he bore us his solemn testimony that Lucifer is in fact the god of the Mormon temple!

Then the time came when they called on me to teach a class in the New Testament. Even though I had a Master's degree in theology from the Catholic church, I had never read the New Testament. So for

the first time I actually sat down and read the New Testament in the King James Bible. I learned what's in the books of Romans and Galatians, and I realized that there was no way that the Apostle Paul could have been a Mormon! I realized that I was a sinner and that I needed salvation. And I realized that Jesus Christ the Son of God is just the Saviour who has died for my sins, and who can save me from sin and death. So after fasting and praying, I took off my magic Mormon underwear and I knelt down at the foot of my bed, and prayed the sinner's prayer. I gave my life to **Jesus Christ! Praise God! Hallelujah! Thank you Lord Jesus! Amen!**

**Pastor Jan:** Since then, William has been lecturing and giving his testimony so that all who will may turn their eyes upon Jesus and live forever with Him in paradise.

The prophet of God said - "The love of God still yearns over the one who has chosen to separate from Him, and **He sets in operation** influences to bring him back to the Father's house. The prodigal son in his wretchedness 'came to himself.' The deceptive power that Satan had exercised over him was broken. He saw that his suffering was the result of his own folly, and he said, 'How many hired servants of my father's have bread enough and to spare, and I perish with hunger! I will arise and go to my father.' Miserable as he was, the prodigal **found hope in the conviction of his father's love.** It was that love which was drawing him toward home. So it is the assurance of

Dear A. Jan Marcussen,  
I read your book "National Sunday Law" about a week ago and I've thought of it continuously. It completely blew me away! It made me examine God's word in a new light. It's so refreshing for someone to come out with the complete truth. Your work is going to make a difference! Shouldn't we all be doing more to reach the people with God's message? C.P.

God's love that constrains the sinner to return to God. 'The goodness of God leadeth thee to repentance.' Romans 2:4. A golden chain, the mercy and compassion of divine love, is passed around every imperiled soul. The Lord declares, 'I have loved thee with an everlasting love; therefore with loving-kindness have I drawn thee.' Jer. 31:3.

"The son determines to confess his guilt. He will go to his father, saying, 'I have sinned against heaven, and before thee, and am no more worthy to be called thy son...'

"The young man turns from the swine herds and the husks, and sets his face toward home. Trembling with weakness and faint from hunger, he presses eagerly on his way. He has no covering to conceal his rags; but his misery has conquered pride, and he hurries on to beg a servant's place where he was once a child.

Dear Pastor Jan,  
The book "National Sunday law" turned my world upside down! Since that time I have surrendered my life to Jesus, and have become a Seventh-day Adventist. Praise God! I gave the book to a Catholic, and after reading it, he and his wife have renounced the Catholic faith, and are following the Lord! In my area we have an apostolic church that is now keeping God's Sabbath as a result of the people reading the little NSL preacher! Please encourage the people to do all they can to win souls for Jesus while there is still time! May God bless you! Your brother in Christ, L.B.

Dear A. Jan Marcussen,  
Because of reading "National Sunday Law" I have left the Sunday churches which I was attending. Out of all those churches, none of them are guiding their people to live by the teachings of Jesus and the holy Bible. I am going to join God's true Sabbath-keeping church that teaches the people to live by the Bible. Sincerely, Vince W.

”Little did the gay, thoughtless youth, as he went out from his father’s gate, dream of the ache and longing left in that **father’s heart**. When he danced and feasted with his wild companions, little did he think of the shadow that had fallen on his home. And now as with weary and painful steps he pursues the homeward way, he knows not that **one** is watching for his return. But while he is yet ‘a great way off’ the father discerns his form. **Love is of quick sight**. Not even the degradation of the years of sin can conceal the son from the father’s eyes. He ‘had compassion, and ran, and fell on his neck’ in a long, clinging, tender embrace.

“Hope thou in God, for on Calvary's cross a complete sacrifice was offered **for you**... Eternal joy—a life of undimmed happiness—awaits the one who surrenders **all** to Christ.” HP 262. “When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned**.” SD 222. Praise God friend! **Praise God!**

“The father will permit no contemptuous eye to mock at his son’s misery and tatters. He takes **from his own shoulders** the broad, rich mantle, and wraps it around the son’s wasted form, and the youth sobs out his repentance, saying, ‘Father, I have sinned against heaven, and in thy sight, and am no more worthy to be called thy son.’ The father holds him **close to his side**, and brings him home. No opportunity is given him to ask a servant’s place. He is a

Dear Pastor Jan,  
My name is Sean Spots. I've read your book “National Sunday law,” and it was so good that I sent it to my mother, and I told my friend Matthew about it, and now he wants to read it. I want to read it again because it's the best book that I have ever read in all my life! In Jesus' name, Sean Spots

son, who shall be honored with **the best** the house affords, and whom the waiting men and women shall respect and serve.

“The father said to his servants, ‘Bring forth the best robe, and put it on him; and put a ring on his hand, and shoes on his feet; and bring hither the fatted calf, and kill it; and let us eat and be merry; for this my son was dead, and is **alive again; he was lost, and is found**.”

“In his restless youth the prodigal looked upon his father as stern and severe. How different his conception of him now! So those who are deceived by Satan look upon God as hard and exacting. They regard Him as watching to denounce and condemn, as unwilling to receive the sinner so long as there is a legal excuse for not helping him. His law they regard as a restriction upon men’s happiness... But he whose eyes have been opened **by the love of Christ** will behold God as **full of compassion**. He does not appear as a tyrannical, relentless being, but as a father longing to embrace his repenting son...

Dear Pastor Jan,  
We have been sending out NSL books to a city near where we live. A lady called after receiving the book, and was very excited. She said that she got her Bible out and is comparing everything in the NSL book with her Bible. She was so excited and said, “Everything here is straight from the Bible.” She thanked me for sending the book and said that everyone in her area had also received a book and she was going to be discussing what she was learning with her friends. Dear Pastor Jan,  
God has been putting information in my path about the New World Order. Having prayed for wisdom to understand things relating to Bible prophecy, I was amazed when I found a copy of the book *National Sunday Law*. God is bringing His remnant together and equipping them for the final chapter of His plan! It is wonderful to have found in the SDA church such an astute knowledge of Scripture and respect for prophecy as is in *National Sunday Law*. May God bless you as you continue your very important ministry. Sincerely, J.L. Canada

“In the parable there is no taunting, no casting up to the prodigal of his evil course. The son feels that the past is forgiven and forgotten, blotted out forever.

And so God says to the sinner, 'I have blotted out, as a thick cloud, thy transgressions, and, as a cloud, thy sins,' Isa. 44:22. 'I will forgive their iniquity, and I will remember their sin no more.' Jer. 31:34. 'Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and He will have **mercy upon him**; and to our God, for He will abundantly pardon.' Isa. 55:7... [Praise God!]

"Do not listen to the enemy's suggestion to stay away from Christ until you have made yourself better; until you are good enough to come to God... [That will never happen.] When Satan points to your filthy garments, repeat the promise of Jesus, 'Him that cometh to Me I will in no wise cast out.' John 6:37. Tell the enemy that **the blood of Jesus Christ cleanses me from all sin...**
