Hope: Is this one of the priests of Baal?

Pastor Jan: Here in the end of the world, scientists and the devil are working hard on mixing part human and part machine; part human and part animal; part male and part female; human without, and demon within. All heaven is astir. The devil and his armies are desperate - - because “he knoweth that he hath but a short time.”

The army is working hard to have part man and part machine - to produce the ultimate, super soldier.

altar which was made. And it came to pass at noon, that **Elijah mocked** them, and said, **Cry** aloud: for he is a god; either he is talking, or he is pursuing, or he is **in a journey**, or peradventure he sleepeth, and must be awaked. And they cried aloud, and **cut themselves** after their manner with knives and lancets, till the blood gushed out upon them... And it came to pass at the time of the offering of the **evening sacrifice**, that Elijah the prophet came near, and said, **LORD** God of Abraham, Isaac, and of Israel, let it **be known** this day that **thou art God** in Israel, and that I am thy servant, and that I have done all these things at thy word. Hear me, O **LORD**, hear me, that this people may know that **thou art the LORD God**, and that thou hast turned their heart back again. Then the **fire** of the **LORD fell**, and consumed the **burnt sacrifice**, and the wood, and the stones, and the dust, and licked up the water that was in the trench. **And when** all the people **saw it**, they fell on their faces: and they said, **The LORD, he is the God; the LORD, he is the God!**”

Part man and part high tech - - the ultimate fighting machine - - until the enemy blows him up. They don't tell him that.

Dear SDA friends around the world,

Live forever! Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: The text says, “Elijah mocked” the priests of Baal. If we heard him correctly, our dear friend, Prof. Walter Veith, said on AD T.V., that in Hebrew, Elijah said to the wicked priests, “Cry aloud: for he is a god; either he is talking, or he is pursuing, or he is sitting on the toilet.”

It seems that Elijah and Martin Luther had something in common. What about our day? Will the priests of Baal be able to upload their brains into a super computer to make themselves live forever? Or will they use science, religion, war, and corruption to degrade the masses to the level of animals “as it was in the days of Noah?”

Pastor Jan: Are you ready? Here we go -

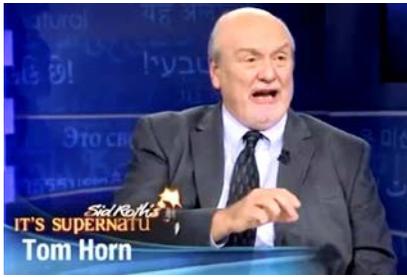

On the program called, "It's Supernatural," Sid Roth said -

Sid Roth: We have the technology to mix species - perhaps mix a human with an animal! Please explain this Tom.

Tom Horn: That's exactly right. We're doing it in laboratories around the world. Most people today hear about the stem cell science. But they don't realize that this is talking about the creation of a part human, part animal embryo which then can be used for experimental purposes.

Sid Roth: Trans-humanism is the idea that we're going to use various kinds of science to create a new form of mankind. Why do we want to create a new form of mankind?

Tom Horn: Well, if you talk to the trans-humanists, they are utopianists, and they are thinking that through science, we can live forever. We can have eternal life without the bother of having to ask Jesus to give it to us. We can upload our brains into computerized robots. We can live forever in artificial intelligence systems. There is a great deal that the trans-humanists community believes. They believe that we can improve our species and open new lines of creation by blending ourselves with animals.

Pastor Jan: "Blending ourselves with animals" is exactly what they did "in the days of Noah," and that was the main reason why God brought the flood to wipe them out. Here's the quote - "If there was one sin above another which called for the destruction of the race by the flood, it was the base crime of

amalgamation of man and beast which defaced the image of God, and caused confusion everywhere." 3SG 63. Hello cavemen.

Hello people who are half human and half animal. Hello animals who are half animal and half human. They all died in the flood. If God hadn't wiped them out, the whole world would have become "blended with animals." So it's no marvel that they are doing this type of thing again, because the words "As it was in the days of Noah" tell us that it will happen again "as it was" then.

Tom Horn: They believe that we might even be able to see into the supernatural realm.

Pastor Jan: Notice the words, "see into the supernatural realm." That's why millions are into spiritualism. And that will lead even the intellectual liberals to go along with the devil's law when it comes. The Bible pictures it thus - "For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, [including atheists, evolutionists, and liberals] to gather them to the battle of that great day of God Almighty." Rev. 16:14.

One is a human and the other is a robot. In this picture, she is not smiling.

But she can smile as you see in this picture. The governments of the world are farther ahead in super technology than people suspect. And very few would guess who is controlling them. In this letter, you'll get a hint of what's happening and where it's leading.

"When I got to college however, I had my plans somewhat derailed by a force that was very strong at that time. Many of my professors were telling me that 1) the Bible wasn't really true, 2) what I knew about the Bible was false, 3) Moses didn't really part the Red Sea, 4) Adam and Eve never really existed, and that 5) Jesus didn't really rise from the dead. Where did that leave me? Here I was going to be a priest, and I didn't know what to believe.

Sid Roth: Who is DARPA, and what are they doing?

Tom Horn: DARPA is the Defense Advanced Research Projects Agency. It's one of the large departments of the U.S. They hire people to come up with great ideas. They have set aside millions of dollars for re-writing the DNA of our soldiers!

Sid Roth: Why would they want to do that?

Tom Horn: They want super soldiers. They are being advised by some of the greatest think tanks in the world that our enemies are privately developing this technology right now and that if we don't get ahead of the "human enhancement" revolution, we will fall terribly behind and be dominated on the battle field.

Pastor Jan: That's why they are working to blend humans with machines and animals. As our kind Father brought down fire in the days of Elijah, so, the devil and his agents are going to "bring down fire from heaven" to deceive the nations, and even the "elect," if at all possible. Here it is - "And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, and deceiveth them that dwell on the earth by the means of those miracles which he had power to do." Rev 13:13,14. "For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty." Rev. 16:14.

Faith: Do you know anyone who was fooled by such "wonders?"

Pastor Jan: Here he is -

William Schnoebelen: "I started out wanting to serve God in the worst possible way. Being raised in a Roman Catholic home, I didn't know Jesus Christ, but I wanted to get into the ministry. In my case, that was through the Roman Catholic church. I knew very little about the Bible, but I wanted to be a priest.

[Pastor Jan: Similar horrors are heard in seminaries, universities, and colleges now. I myself heard things like this my freshman year [18 years old] which our Catholic English teacher told us at VCU [a public university]. He told us that it would be good for us to forget everything we had learned, and go around believing in nothing. And in our Sabbath School class at Andrews University, they were advancing the tricky idea that Jesus didn't have to die for us to be saved, but that the world could be saved by being won back to God from seeing His love. What Bible verse did they not quote? They didn't quote the verse that says, "The **blood** of Jesus Christ His Son cleanseth us from all sin." I John 1:7. William continues -]

The other thing that happened was that others of my Catholic professors told me that the priest turns the bread and wine into the actual body and blood of Jesus, so that the priest himself becomes another Christ. They told me that if I wanted to be another Christ, I had to do the same things that Jesus did. They did not believe that Jesus is God Almighty. They believed that Jesus was an ascended master, and that He learned how to do what He did by studying under gurus in the far east. Here I was, 18 years old and I was being told this stuff by people with Roman collars on who had PhDs, ThDs, and DDs, behind their names. What was I supposed to think? So I believed them, and I began to study the occult - because this is a way that I would become more Christ-like. Do you see the sinister Roman Catholic logic behind this?

William Schnoebelen

When you don't have an objective standard of truth to measure anything with {the Bible}, it's like having a rubber ruler. By the time I got through my college years, I thought the most powerful way to acquire knowledge, was in fact, to become a witch.

So I wrote to the king of the witches, Alex Sanders over in London, and he directed me to a witches' coven in Massachusetts. I met my wife, who also had a profound interest in witchcraft, so we ended up getting together. We found the Grand Master druid of all North America. He invited us to come and study under him to become the high priest and high priestess of the druids. So that's what we did. We learned from him all the mysteries of

the five points of the pentagram, all the mysteries of hermetics, mental magic, natural medicine, etc. Almost every night as we studied with him, we would see a UFO hovering. It looked like a cigar shape with lights all around it. So we were ordained by him, and then we were married in Zion State Park in Zion, Illinois, with 200 witches standing around in a huge circle dressed in black, with a big bonfire in the middle. From there, we went out to preach the gospel of witchcraft. We found that the best place to be was in Milwaukee because there we had 90 students all lined up, who wanted to learn witchcraft. After that, some of my spirit guides started telling me that if we really wanted to understand the deep aspects of witchcraft, we needed to join the church of Satan. This is how Satan does things. He gradually introduces you into more and more bizarre doctrines until you're overwhelmed.

So I joined the church of Satan, and soon after that I became a warlock - which is the second degree in that church. I legally changed my name from William Schnoebelen to Christopher Pendagrinn Sin. They called me "Reverend Doctor Sin."

Dear Sir, Why did God send you to me!
There is a purpose, and I know that God has been building me up to serve Him my whole life! I must know more! I received your book, "National Sunday Law" in the mail. The Sabbath truth in your book changed my life! The Lord is shedding His light on me! I know that God sent this truth to me! I'm sending you something to help with your work. Please don't forget me. Pray for me and I will pray for you. Thank you so much!
Johnnie W. Virginia

But I learned that before I could join the church of Satan, I first had to become a Mason. You can't get into deep Satanism without first being a Freemason. [The secret societies are all tied together with the political leaders of nations, the pope, and the devil at the head of it all.] So I found someone who sponsored me into the Masons, and I became a Master Mason. I went through the York rite. Then I went through the Shrine and became a Shriner. I just shudder every time I see that picture of myself [which you see at the top of this page.] After that, I went through the Scottish rite to become a 32nd degree Mason - "a sublime prince of the royal secret." Masons just love big sounding titles. They have titles like, "Perfect Master," "Most Perfect Master," "Perfect Excellent Master," etc. Once I went

through all of that, I was accounted "worthy" to be involved in hard-core Satanism.

What does that mean? That means that I had to sell my soul to the devil. I didn't know that the devil already had it. I had to sign my name on the contract with my own blood. The deal was that I got seven years in which the devil would give me anything I wanted. [Lorreta Lynn and many other singers and Hollywood stars have gotten rich and famous by the power of Satan.] For seven years, the devil would give me wine, women, song, dope, power, you name it. At the end of those seven years, he got to kill me and take me to hell. But their doctrine is that hell is an wonderful, eternal, non-stop party with wine, women, song, dope, power, and you name it. We were told that heaven was a boring place where you just sit and strum on a harp forever.

So I was working toward being a Satanic priest, but before I could become one, I had to become a Roman Catholic priest. That might surprise some of you. No one can be a Satanic priest who is not first a Roman Catholic priest. Most people don't know this. All satanic priests are Roman Catholic priests!

William the 90th degree Mason; the Shriner; the warlock; the witch instructor; the vampire; the priest of the church of Satan, the Mormon elder, and the Roman Catholic priest.

Dear Pastor Marcussen,

When I was nineteen, I was shot six times protecting my mother. But I didn't know Jesus and I was a lost soul. When I regained consciousness, she told me that I had died and that she had asked Jesus to give me my life back. The book "National Sunday Law" helps me to see why my life was given back to me. I'm here for Jesus! The book has opened my understanding. I know that it is of the Bible. Thank you for writing it! No one that I've found can tell the Bible truth as it is in your book. Thank you for your courage!!! God gets all the praise.
Sincerely, Tommy Green Jr.

Dear Pastor Jan,

I thank God for having you put the truth out in such a loving way as in "National Sunday Law." Seeing the way that God is speaking through you shows that God loves the people with an everlasting love. God and His Son are crying out through you that His Spirit will not always strive with man. God brought me into His Seventh-day Adventist church, and I'm blessed to be in His truth-filled movement. May God bless you my brother. Sincerely,
R.T New York

I knew a bishop of the Catholic church in Milwaukee who was more than willing to ordain me as a Catholic priest in exchange for me making him a witch priest. After this, I got involved in a masonic rite called the rite of Memphis-Misraim. It has 97 degrees, and I was raised to the 90th degree. Most masons don't know that such a rite even exists.

One night I was sucked up out of my bed and flown through space at an incredible speed to another planet where there was a great mansion. [They call it astral projection.] I

U.S. presidents for over 100 years [except President Trump] have been members of secret societies - Theodore Roosevelt - 33° Freemason; William Howard Taft - Freemason & Skull and Bones; Warren G. Five of them were Knights of Malta. Knights of Malta are secret soldiers for Rome with headquarters in the Vatican.

On March 4, 2016, Former Speaker of the House, Newt Gingrich, told Fox News that the "establishment" is scared of Donald Trump because "he doesn't belong to a secret society. He's an outsider, he's not one of them, he's not part of the club. They can't control him. He hasn't been through the initiation rites."

<http://thewebmatrix.net/disclosure/secretsocieties.html>

This is why Rome is fighting him tooth and nail. The great Whore of Rev. is trying to get control of him, or make him cease to exist. Will they succeed? Rome controls those in secret societies because the pope is the head mason who wears the ephod.

Concerning secret societies, the prophet cries out - "God is looking on... A power from beneath is working to bring about the last great scenes in the drama—Satan coming as Christ, and working with all unrighteousness in those who are binding themselves together in **secret societies**... Transgression has almost reached its limit. Confusion fills the world, and a great terror is soon to come upon human beings. The end is very near. We who know the truth should be preparing for what is soon to break upon the world as an overwhelming surprise." 8T 27,28.

became impossible for me to eat. I couldn't eat or drink anything except blood. The only solid food I could eat was the Catholic communion host. I lived like this

for over a year. I couldn't go out in the daylight without getting blisters on my hands. I had to get a job working in the middle of the night as a newspaper carrier for the Milwaukee Sentinel. I was addicted to blood.

The essence of addiction is that the more you get of something, the more you want. So I kept needing more and more blood.

[Pastor Jan: He was eating human blood, but many church members eat the blood of a dead animal that they buy at the grocery store or a hamburger joint. Yes, it has blood in it! God in heaven - in Leviticus 17:14 - forbids His people to eat meat with blood in it. It says, "Ye shall eat the blood of no manner of flesh: for the life of all flesh is the blood thereof: whosoever eateth it shall

be cut off." Then, when they get some gross disease from eating the diseased blood in the dead carcass, they wonder why God allowed them to get the disease! Especially cancer. This is happening all the time now. They don't realize that God's wonderful health laws are not just for the ancient Jews, because our bodies are like theirs.]

I had over 175 women that I had initiated into witchcraft, and a number of them were happy to let me drink their blood. This went OK for a while, but gradually, it wasn't enough. I kept needing more and more blood. I began to live a life like it was the tortures of the damned. I'd drive through the streets at night on my job, and I'd see the occasional prostitute, and it would be all that I could do to not leap on that woman and drink every drop of blood out of her body. I knew that I was only an inch away from doing it.

Now at this time in my life, God began to intervene. Every year I sent my tithing check to the church of Satan. And when I got

was brought into a giant room where Lucifer was sitting on a throne. He was at least 20 feet tall or more, and alternated between appearing as a very handsome man, a beautiful woman, and two other creatures. Two walls of the room were thick glass with giant aquariums behind them. Men, women, and children were floating in the water. I was told to lie on a table, and a voice said, "Welcome to the cathedral of pain." Then this giant being came out with fangs about 6 inches long. He buried one of his fangs into my forehead and a voice said, "Now you belong to me." Then, I was flown back to earth naked, and landed in the yard with a thud. Around my body the grass caught fire. I had this terrible headache, and I got up and staggered back into the house and got back into bed.

So now I was all set. I had all these powerful initiations, and this took me over what is called "the abyss." Once you get over "the abyss" you transcend good and evil [according to them.] You're beyond morality, and you become a god living on the earth. From then on, you look at human beings as if they are cattle. At this point I was given the choice of either studying how to be a werewolf, or studying to be a vampire. I chose to become a vampire. So I was taken to a church in Chicago which was wholly given over to the cult of the vampires. From then on, it

Dear Sir, I was looking for something to read when I came across this ole ragged and torn book entitled "National Sunday Law." Man did I read this book!!! My eyes came open! This is the most powerful book I've ever read!! It gave me understanding of Daniel and Revelation!

I've got a friend whose name is Shirley. And she has some friends who really need to read this book. I'm praying that I can get these books to them. I'm praying that they can read it and understand the truth too! Your friend in Jesus, Joseph

Dear Pastor Jan,

In response to receiving "National Sunday Law," a friend of mine read it and shared it with his family. The very next week, he and his family were keeping God's Sabbath holy for the first time. Praise God! Jesse explained that he was Roman Catholic and he had questions that were not answered. This book has given him answers! It's something how one little book can lead to so many things. Praise the Lord! Sincerely, E.M.

a check back from the bank, some lady at the bank had written on the check, "I'll be praying for you in the name of Jesus." I just laughed because at this time I was so messed up that I thought Jesus was a vampire. I just tossed the check into the file and forgot about it. But do you know what happened? Though I didn't appreciate it at the time, God immediately delivered me from my addiction to blood, and from cocaine. Then, within a day or two my whole life fell apart around me. I lost all my magical power. I lost all my power as a vampire. I lost my job. I got sick as a dog. My wife even got sick. It seemed like I was falling on my face in the gutter. I didn't know what was going on. I was probably one of the most powerful warlocks on the west coast of Lake Michigan. And yet one praying Christian lady took me off at the knee-caps. That is the power of prayer! If you're praying for someone in the name of Jesus, **be encouraged!** So I was in this dire straight. I didn't know what to do, so I cried out to Lucifer, but got no answer. In a couple of days, Mormon missionaries knocked on our door.

I had been told by the Grand Druid fellow that if I ever got into deep spiritual trouble, to join the Mormon church because the Mormon church secretly believes all that witches believe. Joseph Smith was in fact a warlock, and most of the early Mormon leaders were deeply involved in sorcery. So we joined the Mormon church. They loved us. I went through the ranks and became an elder and an instructor. We thought we were on the right track because we were now part of this huge, powerful, wealthy church, and yet we were still serving Lucifer. We had a meeting with one of the 12 Mormon apostles, and he bore us his solemn testimony that Lucifer is in fact the god of the Mormon temple!

Dear Pastor Jan,

Greetings in the name of Jesus. I visited a church where they were baptizing some people that day. A young man who was baptized gave his testimony. He stated that he became a Seventh-day Adventist because he received a "National Sunday Law" book in the mail. This made me feel so good! God is blessing your work because it's really His work! Sincerely, HCM

People come up to me and tell me that there's no such thing as a conspiracy. I feel like knocking on their heads and asking if there's anybody home up there. Just turn to Psalms 2, starting with verse one, and you'll read about a conspiracy. [The working of Satan and his vast army for the past 6,000 years is one big conspiracy.]

The cults believe that true Christianity is too simple. They believe that there must be some "mysteries" involved, [like in Catholicism] which, if you understand, makes you superior to others - which is pride and selfishness. The Masonic orders are like an onion. There is layer after layer, and the outer layers don't know what's going on in the inner layers. It's the same with the orders of the Jesuits. This is the way secret societies and cults are designed. Many of the rich and powerful - presidents, kings, queens, high Catholic clergy, etc. are taken into the higher orders.

But now God did something. They called me to teach a class in the New Testament. I had a Masters degree in theology from the Catholic church, but I had never read the New Testament. So I sat down and read the New Testament in the King James Bible. I read the books of Romans and Galatians and realized that the

Apostle Paul could never have been a Mormon! **I realized that I was a sinner and that I needed salvation. I found the publication that I had thrown into a file, which tells how a person can come to Jesus. From reading it, I realized that Jesus Christ the Son of God is just the Saviour Who has died for me and Who can save me from sin and eternal death. [Praise God!] So after fasting and praying, I took off my magic**

Dear Jan Marcussen,

My sister gave me a copy of "National Sunday Law." I was really amazed that I did not know much about Revelation. This book is really astounding! The book has put the fear of God into me! It has made me not want to receive the mark of the beast. I know that there are already people who would try to force us to receive that mark. Thank you so much. Sincerely, your sister in Christ, Edith

I was a devout Catholic for 20 years, and then I was in the occult for 16 years. If you boil all the occult groups down into their simplest form, you would summerize them all as branches of Freemasonry. Masonic literature says that Masonry is the direct descendant of the ancient mystery religions and the ancient fertility cults. All of this revolves around sex. That's why the god of Masonry is the phallus. That's why Masonic monuments like the Washington monument, [and the one in Vatican Square], look

Dear Pastor Jan,

I'm writing to advise you that I have become a Seventh-day Adventist. I read your book "National Sunday Law" and God guided me. I plan to order a large number of them for that purpose. May God bless you! Stay faithful to our Lord and Saviour. He deserves all the praise and glory. Pastor Jan: Praise God! Now watch what happens -
 "In vision I saw two armies in terrible conflict. One army was led by banners bearing the world's insignia; the other was led by the blood-stained banner of Prince Emmanuel. Standard after standard was left to trail in the dust, as company after company from the Lord's army joined the foe, and tribe after tribe from the ranks of the enemy united with the commandment-keeping people of God. An angel flying in the midst of heaven put the standard of Emmanuel into many hands, while a mighty general cried out with a loud voice: 'Come into line. Let those who are loyal to the commandments of God and the testimony of Christ now take their position. Come out from among them, and be ye separate, and touch not the unclean, and I will receive you, and will be a Father unto you... Let all who will, come up to the help of the Lord, to the help of the Lord against the mighty.'

"At last the victory was gained. The army following the banner with the inscription, 'The commandments of God, and the faith of Jesus,' was gloriously triumphant. The soldiers of Christ were close beside the gates of the city, and with joy the city received her King. The kingdom of peace and joy and everlasting righteousness was established...

Over the scene the morning stars will sing together, and the sons of God will shout for joy, while God and Christ will unite in proclaiming, 'There shall be no more sin, neither shall there be any more death...'
