Dear SDA friends around the world,

Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: The Bible verse says, “Looking for and hasting unto the coming of the day of God...” II Peter 3:12. What things will lead to it? And how will it all affect us?

Pastor Jan: Are you ready? Here we go -

It's at <https://www.youtube.com/watch?v=ZBtMbBPzqHY>

Interviewer: The intelligence committee has ordered the director of National Intelligence and the Secretary of Defense to deliver a report by next month.

Luis Alezando has spent years running military intelligence operations worldwide. Then he was asked to join something at the Pentagon called the "Advanced Aero-Space Threat Identification Program."

So you are saying that [these things] are real?

Luis Alezando: Bill, I think we've gone beyond that already. The United States government has stated that they are real. I'm not telling you that. The United States government is telling you that.

Interviewer: You know how this sounds; nutty, wacky.

Luis Alezando: I'm not saying that it doesn't sound wacky. The questions are, "What is it?!" "What are its intentions?" "What are its capabilities?"

Imagine a technology that can do 700 G forces; that can fly 13,000 mph [with no engine and no wings]; that can evade radar; that can fly through air, water, and space; that has no signs of propulsion, no wings; and no control surfaces to guide it; that can dive 80,000 feet straight down in less than one second; [that can dive into the ocean at a horrendous speed, and fly under water without slowing down, and then fly out again!] And it can defy earth's gravity! That's precisely what we're seeing!

Interviewer: The Pentagon doesn't know what in the world this is! Former Navy pilot, Lieutenant Brian Graves told us that on both radar, and with infrared targeting cameras, his F-18 squadron have been seeing these Unidentified Aerial Phenomenon **all the time!**

Lieutenant Brian Graves

Lieutenant Brian Graves: Every day! Every day for at least a couple years.

Interviewer: He told us that pilots speculate that they are one of three things - 1) Secret U.S. technology; 2) an adversary spy vehicle; or, 3) something other-worldly.

Are you alarmed?

Lieutenant Brian Graves: I am worried. We're happy to just ignore the fact that these things are out there - watching us - every day!

Interviewer: The government has ignored it; at least publically. But that began to change after an incident happened off Southern California, which was documented by radar, by camera, and by four naval aviators. We spoke to two of them; David Fravor, commander of the F-18 squadron on the USS Nimitz; and Lieutenant Alex Detrick, who has never spoken publically about the encounter.

Lieutenant Alex Detrick: I never wanted to be on national T.V! No offense. ☺

Interviewer: So why are you doing this?

Lieutenant Alex Detrick: Because I was the pilot of a government aircraft, and I was on the clock, and so I feel a responsibility to share what I can. And it is unclassified.

Interviewer: The USS Nimitz strike group was training about 100 miles southwest of San Diego. For a week, the advanced new radar on a

Commander David Fravor

near-by ship, the USS Princeton, had detected multiple aerial vehicles over the horizon, descending 80,000 feet **in less than one second!** Fravor and Detrick, each with a weapon's system officer in the back seat, were diverted to investigate.

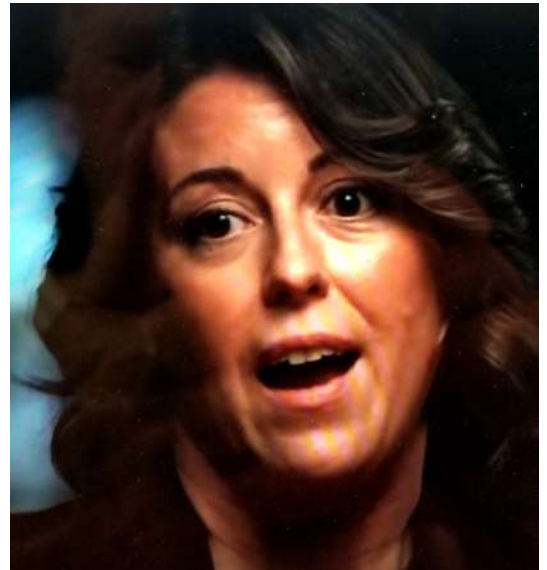

They found an area of roiling white water the size of a 737 in an otherwise calm, blue sea.

Commander David Fravor: So as we're looking at this, her back-seater says, "Hey skipper, do you..." and about that time I said, "Do you see that thing down there?" And we saw this white Tik Tak looking object [moving like a ping pong ball] above the white water area.

Interviewer: As Detrick circled above, Fravor went in for a closer look.

Luis Alezando. He was asked to be a member of the "Advanced Aero-Space Threat Identification Program" at the Pentagon.

Lieutenant Alex Detrick - "I never wanted to be on national T.V! No offense."

Commander David Fravor: As I'm coming down, the object starts coming up.

Interviewer: So it's mimicking your moves.

Commander David Fravor: It was aware we were there. It was about the size of my F-18 with no engine, no markings, no exhaust plume, no wings. So when it gets right in front of me, it just disappears.

Interviewer: Disappears!

Commander David Fravor: Disappears! GONE!

Interviewer: What were you thinking?

Lieutenant Alex Detrick: Your mind tries to make sense of it. But when it just disappears.....!!!

Interviewer: Did your back seaters see this too?

Lieutenant Alex Detrick: Yeah.

Commander David Fravor: Oh Yeah! There were four of us in the airplanes watching this thing for about 5 minutes.

Interviewer: In a few seconds the USS Princeton sees it - 60 miles away.

Pastor Jan: Unbeknown to themselves, Satan's angels are having fun playing games with the brains of the greatest men on earth.

Interviewer: There's something there.

Commander David

Fravor: There's something there better than our airplane.

Pastor Jan: Many of the leading men of the nation are pleading ignorance to the fact that what they are seeing is supernatural. These supernatural things are preparing their minds for the appearance of Satan

Lieutenant Alex Detrick: I felt the vulnerability of not having anything to defend ourselves.

as Jesus - which will lead to the mark of the beast

and the death decree of Rev. 13:15. The

devil's miracles are making it harder for the great men to remain willingly ignorant. They know that there is no human technology which can violate the laws of physics so that something the shape of a 40 foot vitamin pill can 1) fly at 13,000 mph with no engine and no wings, and bounce like a ping pong ball at that speed, producing 700 G's - [which would kill a human being]; 2) dive 80,000 feet straight down in less than one second; 3) dive into the ocean at a horrendous speed, and fly under water without slowing down, and then fly out again! 4) disappear and reappear 60 miles away before you can count to three!

A person who has graduated from the second grade can see it. The great men may not

know it, but Satan's miracles are preparing their brains for the "three-fold union," and the enforcement of the mark of the beast at the Sunday law.

Did you notice that the navy pilot revealed that these things are now appearing to the military "every day?!!!" That shows

that Satan and his armies are more bold, and that time is short. The prophet of God cries out -

"Marvelous beyond expression is the blindness of the people of this generation. Thousands reject the word of God as unworthy of belief and with eager confidence receive the deceptions of Satan... They affect great pity for minds so weak and superstitious as to acknowledge the claims of God and obey the requirements of His law. They manifest as much assurance as if, indeed, they had made a covenant with death and an agreement with hell—as if they had erected an impassable barrier between themselves and the vengeance of God. Nothing can arouse their fears. Satan has long been preparing for

Dear Sir,

I just finished reading your book "National Sunday Law." Thank you! It was fascinating! I've read it twice in a week now. I can't say enough about this book. It has given me so much peace and insight, and I feel like a new person. After reading your book I feel like a brand-new Christian. Thanks again.

In Christ, B. Edwards

Here are the woods before the leaves came out. And here's Sweet Vennita with her white hat on. She did a good job at making the place look better. She's so nice!

Hi Sweetheart! We love to see you!

Commander David Fravor: There's something there better than our airplane.

Dear Pastor Jan Marcussen,

I was born a Roman Catholic, and have been going to church all my life. I've heard many sermons on the book of Revelation, but never has anything touched my heart like the book "National Sunday Law!" I'm hungry for God's truth! God bless you and your ministry. Your brother in Christ, M. Anjaiah South India

his final effort to deceive the world...

Little by little he has prepared the way for his masterpiece of deception in the development of spiritualism... Says the prophet: 'I saw three unclean spirits like frogs... they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.'

Rev 16:13,14. Except those who are kept by the power of God, through faith in His word, **the whole world** will be swept into the ranks of this delusion. The people are fast being lulled to a fatal security, to be awakened only by the outpouring of the wrath of God." GC 561.

Vernita's Corvus: "To honor Christ, to become like Him, to work for Him, is the life's highest ambition and its greatest joy." Ed 297

Dear Pastor Marcussen,

Greetings in the Lord. I do not have adequate words to express my gratitude for what you have done for me and our fellow citizens with the "National Sunday Law" books. So surely God will use this book to bring in a great harvest. The information is simple and very reader friendly. It has been inspired by the Lord; and may He bless you for your enthusiasm in His work! Many people have understood God's Bible Sabbath and prophecy through "National Sunday Law," which will continue to preach louder and louder. And it will raise many others who will catch the fire and be able participants in this great relay of faith. V.H.

"For a time the oppressors will be permitted to triumph over those who know God's holy commandments... To the last, God permits Satan to reveal his character as a liar, an accuser, and a murderer. [The wicked people would be happy to elect him as president.] Thus the final triumph of God's people is made more marked, more glorious, more full and complete." *Last Day Events*, pp. 148-153. Wonderful Jesus!

[Pastor Jan: The devil will use the "three-fold union" of Catholics, Apostate Protestants, and Spiritualism, to foist upon the masses the mark of the beast at the Sunday law. The devil's miracles will be so powerful that even atheists and worldlings will seem to be "converted" enough to go along with the devil's law. The brains of navy pilots, Congressmen, Senators, scientists, etc. are being affected by miracles like you've just seen. And watch this -

"As spiritualism more closely imitates

the nominal Christianity of the day, it has greater power to deceive and ensnare. **Satan himself is converted after the modern order of things.** He will appear in the character of an angel of light.

Through the agency of spiritualism, miracles will be wrought [navy pilots are now seeing it every day!!! And they share this undeniable documentation with the leading men of the world.] The sick will be healed, and many undeniable wonders will be performed. And as the spirits will profess faith in the Bible, and manifest respect for the institutions of the church, [which church?] their work will be accepted as a manifestation of divine power.

"Saith the Lord God: 'Judgment also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the

refuge of lies, and the waters

shall overflow the hiding place. And your covenant with death shall be disannulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it.' Isa. 28:17,18.

"God is long-suffering, not willing that any should perish; but His forbearance has a limit, and when the boundary is past, there is no second probation...

"When men, being in power, oppress and spoil their fellow men, and no earthly tribunal can be found to do justice, God will interpose in behalf of those who cannot defend themselves. He

will punish for

every act of oppression. No earthly wisdom can secure wrongdoers against the judgments of heaven." (Letter 122, 1900).

"Before the Son of man appears in the clouds of heaven, everything in nature will be convulsed. Lightning from heaven uniting with the fire in the earth, will cause the mountains to burn like a furnace, and pour out their floods of lava over villages and cities. Molten masses of rock, thrown into the water by the upheaval of things hidden in the earth, will cause the water to boil... There will be mighty earthquakes and great destruction of human life. But as in the days of the great Deluge Noah was preserved in the ark... so in these days of destruction and calamity, God will be the refuge of His believing ones." (Letter 258, 1907).

Dear Pastor Jan,

I love Jesus and the people He died for. I don't want to waste any more time! So I'm planning to get many hundreds of the book "National Sunday Law" so I may wake people up to the wonderful truths written in this book! Thank you so much for your newsletter, and may God bless all of His faithful people everywhere - to help finish His work and go to heaven! E.N.

Dear Jan Marcussen,

Good evening! My name is James. I'm sitting in jail. I was arrested for something I didn't do, and for the first time, I really turned to Christ the Lord. Your book "National Sunday Law" was a slap in the face wake up call! It shook my little world. Now I praise God for it! I thank you and I thank God! James

Dear Sir,

A friend of mine received "National Sunday Law" in the mail. Even though he was drunk all the time, he read the book and fell under conviction of the Holy Spirit. He gave his life to God and began keeping God's true Sabbath holy on Saturday. My Roman Catholic neighbor also got the book in the mail and called me wanting to know if I sent it. I told her "no." That book has made a tremendous difference in her life and she is now obeying the commandments of God, and is working to get the rest of her family to wake up to the truth about the Roman Catholic church. So I thank you for the book and for making it affordable. May God bless you immensely. In Him, Rhonda M.

“The Christian is to gain strength by strengthening others. ‘He that watereth shall be watered also himself.’ This is a law by which God designs that the streams of benevolence, like the waters of the great deep, shall be kept in constant circulation, continually flowing back to their source. In the fulfilling of this law is the secret of spiritual growth.” (ST June 12, ‘01). **Wonderful!**

“It is a solemn statement that I make to the church, that **not one in twenty** whose names are registered upon the church books are prepared to close their earthly history, and would be as verily without God and without hope in the world as the common sinner... Two parties will be developed. There will be a shaking of the sieve.” *Last Day Events*, p. 172.

Hope: Does that include preachers?

Pastor Jan: What does a corrupt preacher preach? Like his father, he preaches some nice sounding truth and some nice sounding error. Blind Laodiceans will sit and listen to it because in Rev. 3:17 dear Jesus said that they are blind. God’s prophet said, “God is displeased with us when we

go to listen to error... The angels cease their watchful care over us, and we are left to the buffetings of the enemy, to be darkened and weakened by him and the power of his evil angels; and the light around us becomes contaminated with the darkness.” EW 124,125. What if a whole congregation chooses to sit and listen?

Here’s the remedy for blindness - “When men are willing to count all things but loss that they may win Christ, their eyes will be open to see things as they really are.” HP 310. Wonderful!

As demons are appearing as dead loved ones, and their miracles, horrors, and chaos are filling the land, God’s people might feel like the disciples felt -

“Already their boat is sinking. A moment, and apparently they will be

swallowed up by the hungry waters. Suddenly a flash of lightning pierces the darkness, and they see Jesus lying asleep, undisturbed by the tumult. In **amazement** and despair they exclaim, ‘Master, carest Thou not that we perish?’ ...

“Their cry arouses Jesus. As the lightning’s glare reveals Him, they see the peace of heaven in His face; they read in His glance self-forgetful, tender love, and, their hearts turning to Him, cry, **‘Lord, save us: we perish.’**

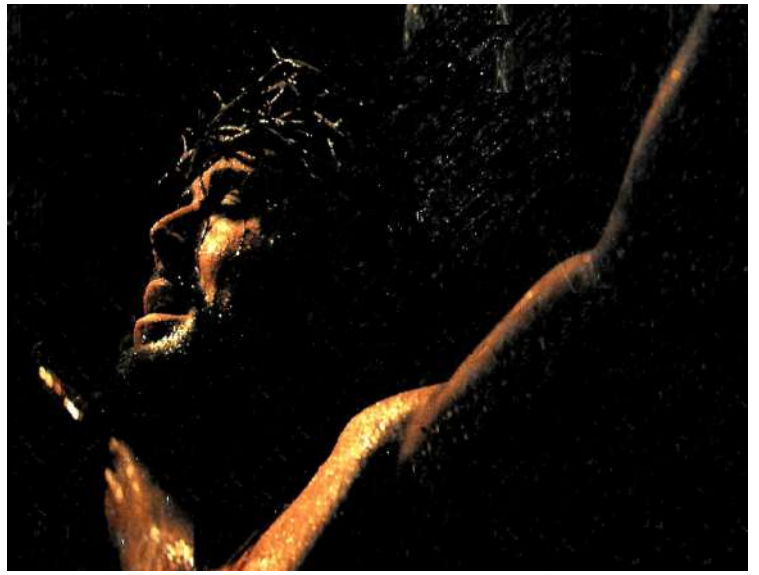

“Never did a soul utter that cry unheeded. [**Praise God!**] As the disciples grasp their oars to make a last effort, Jesus rises. [Look at our Lord and our God!] He stands in the midst of His disciples, while the tempest rages, the waves break over them, and the lightning illuminates His countenance. He lifts His hand, so often employed in deeds of mercy, and says to the angry sea, **‘Peace, be still.’**

“The storm ceases. The billows sink to rest. The clouds roll away, and the stars shine forth. The boat rests upon a quiet sea. Then turning to His disciples, Jesus asks sorrowfully, ‘Why are ye fearful? have ye not yet faith?’ Mk. 4:40.

“A **hush** fell upon the disciples. Even Peter did not attempt to express the awe that filled his heart...

“When Jesus was awakened to meet the storm, He was in perfect peace. There was no trace of fear in word or look, for no fear was in His heart. But He rested not in the possession of almighty power. It was not as the ‘Master of earth and sea and sky’ that He reposed in quiet... He trusted in the Father’s might. It was in faith—faith in God’s love and care—that Jesus rested, and the power of that word which stilled the storm was the power of God.

“As Jesus rested by faith in the Father’s care, so we are to rest [**Praise God!**] in the care of our Saviour. If the disciples had trusted in Him, they would have been

“Hope thou in God, for on Calvary’s cross a complete sacrifice was offered **for you**... Eternal joy - a life of undimmed happiness - awaits the one who surrenders **all** to Christ.” HP 262.

“When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned.**” SD 222. Praise God friend! **Praise God!**

Dear Pastor Jan,
I cannot find words to express it! Jesus is working wonderful miracles through the book “National Sunday Law.” The spiritually dead are coming alive. The spiritually blind are seeing. And many are waking up from a stupor. Personally, I want to do something for Christ, who died in our place. I want the joy of seeing people turning to Jesus for help and salvation. I’m planning on getting many more “National Sunday Law” preachers. I’m going to get them into the people’s hands. If you have a prayer list, please put me on it. Sincerely,
Edwin G. Jamaica

Dear Pastor Jan,
I’m writing to let you know that I am really grateful for the letters you send me. I love the information you give us in them. Thank you for enlightening everybody with the book “National Sunday Law.” I read it and it changed my way of thinking. Now I know how to be sealed with the seal of God, and it brings me happiness and joy knowing and doing what our Father asks us to do. God bless you!!! E.C.

Dear Jan Marcussen,
Thank God for your book “National Sunday Law.” Thank God for making it so easy to understand. Now my eyes are opened to the truth. I am going to get more to give out to people so they can learn the truth of God too. Thank you Jesus!! I’m interested in your religion. I want to worship God on His true Sabbath day. I want to keep all the commandments of God. Thank you so much, and may God bless you to get this book “National Sunday Law” out to the people of this world before it’s too late! Keep going! God bless! Tammie Thordanson

kept in peace. Their fear in the time of danger revealed their unbelief. In their efforts to save themselves, they forgot Jesus; and it was only when, in despair of self-dependence, they turned to Him that He could give them help.

“How often the disciples’ experience is ours! When the tempests of temptation gather, and the fierce lightnings flash, and the waves sweep over us, we battle with the storm alone, forgetting that there is One who can help us. We trust to our own strength till our hope is lost, and we are ready to perish. Then we remember Jesus, and if we call upon Him to save us, we shall not cry in vain. Though He sorrowfully reproves our unbelief and

self-confidence, **He never fails** to give us **the help we**

Dear Pastor Jan,
After reading the book “National Sunday Law,” God guided me so that I’ve become a Seventh-day Adventist. My Baptist wife is also accepting God’s truth and worshiping with me on Sabbath. I want to pass out this book to people so that they may also know the truth. I want to order a large amount of them. May God bless you. Continue to stay faithful and close to our heavenly Father. He deserves all the praise and glory. His Spirit has been upon you to spread his third Angel’s message. Your brother in Christ, Luke
