Do you see the happy people waving to you out the window of Graf Zeppelin? What will happen to them?

Dear SDA friends around the world; greetings in Jesus' holy name.

Faith: This Bible verse says, “The last enemy that shall be destroyed is death. For he hath put all things under his feet.” How can death be put to death? Where and how will it happen?

Pastor Jan: Are you ready?
Here we go -

In 1852 French engineer Henry Gifford constructed a remarkably small steam engine capable of generating 3 hp and turning a large propeller 110 revolutions per minute.

On September 24 of that year he piloted the world's first powered controlled flight, traveling 17 miles from Paris to Elancourt at 6 mph.

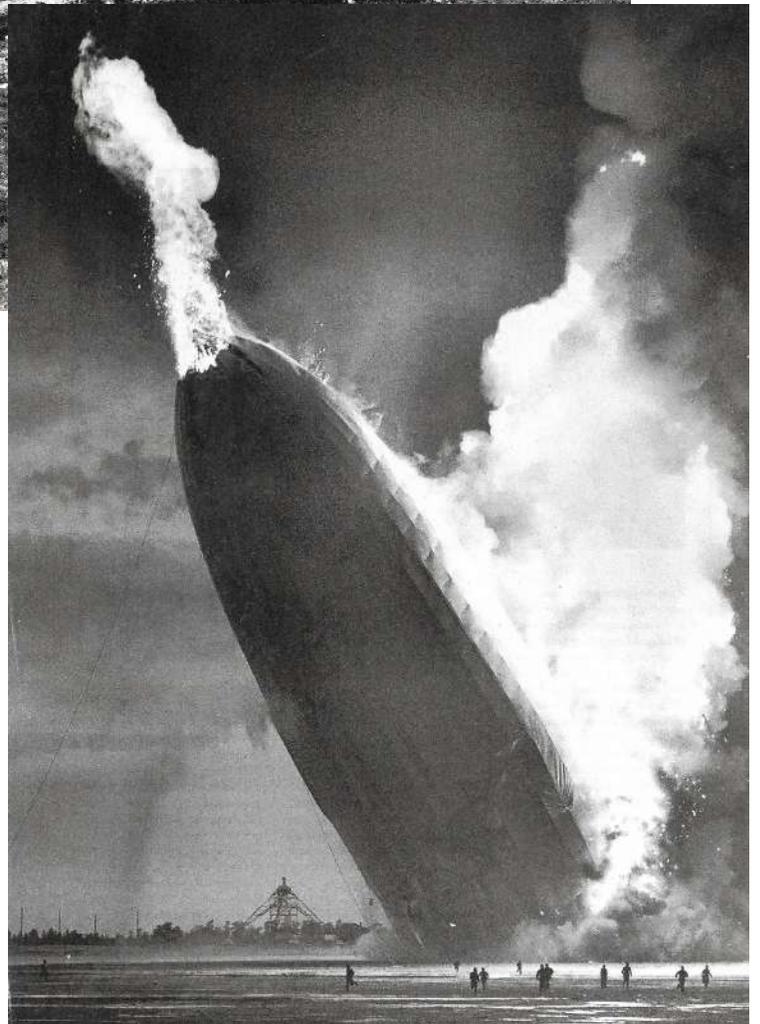

This caught the attention of Count Ferdinand von Zeppelin, a German general who became obsessed with the idea of lighter than air flight. In the year 1900 he built a rigid craft 420 feet long using 17 hydrogen filled cells. Count von Zeppelin's craft was so successful that from then on the crafts were called Zeppelins.

Between 1919 and 1940, 119 Zeppelins were built. The most famous one was called the Hindenburg, famed for its circumnavigation around the globe.

Passengers enjoyed comfortable accommodations including dining areas and promenades. The Hindenburg was the epitome of airship elegance, featuring an A deck with a dining room, lounge, writing room, promenades, and 25 double berth sleeping quarters. Passengers dined on gourmet cuisine and enjoyed a level of comfort compared to the finest luxury hotels, trains, and ships - such as - the Titanic!

The date is May 6, 1937. The place - Lakehurst, New Jersey. The great Hindenburg Zeppelin is coming in for a landing! Thousands are listening. The crowds below are watching. What a sight! The giant is coming down! Herbert Morrison is the radio announcer for WLS Chicago. His live broadcast would become one of the most famous recordings in broadcast history.

Morrison begins his routine account. Then, all of a sudden, his voice is raw as he cries out -

It's coming in for a landing when a tiny spark from the tow cable sets the leaking hydrogen on fire.

“It’s fire and it’s crashing! This is the worst of the worst catastrophe in the world! Oh, it’s crashing! It’s a terrible crash, ladies and gentlemen. There is smoke, and there’s flames now, and the frame is crashing to the ground, not quite to the mooring mast. Oh, the humanity!!! And all the passengers screaming around here! I can’t

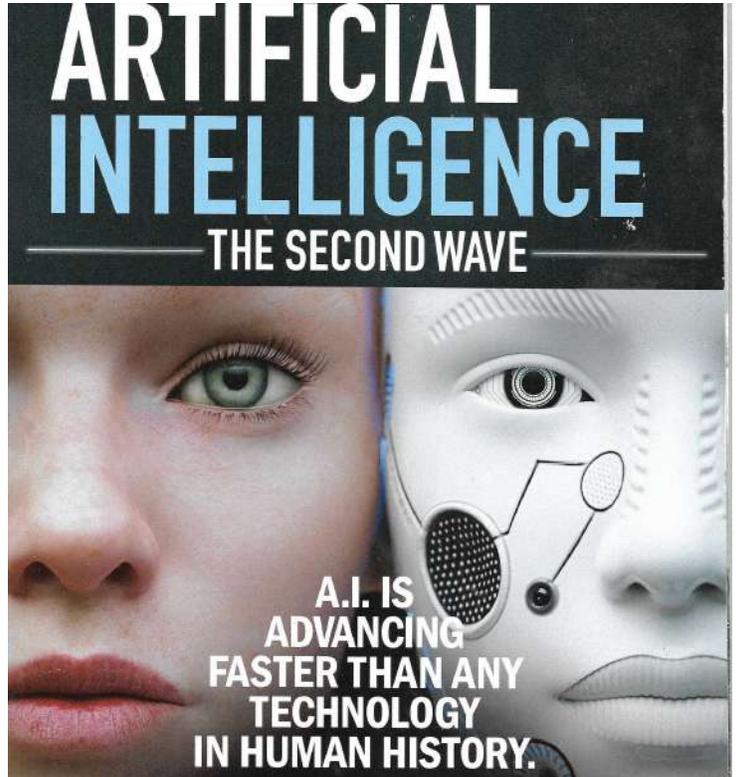

Dear Pastor Marcussen, I’ve read your book “National Sunday Law.” “All glory and praise to God for inspiring you by the Holy Spirit to reveal His truths to the nations across our planet. I was so shocked when I realized that Satan had kept my eyes closed through all these years. My heart is crying to God to bless your work so that the false teachings and idolatry may be revealed to others, and Jesus can save them. Your brother in Christ, Hilton

talk, ladies and gentlemen. Honest, it’s just lying there a massive smoking wreck, and everybody can hardly breathe and talk. Honest, I can hardly breathe. I’m going to step inside where I cannot see it!”

Pastor Jan: The poor radio announcer is crying as he pours his heart out and watches them burn. People are dying before his eyes. No wonder he said, “I can’t breath.” What a solemn and amazing thing is death! Can AI destroy death?

Artificial Intelligence, The Second Wave, 2025.

Listed below are some things that people can supposedly do with AI. Notice that one of them is to “Interact with dead people.” This is of interest to Seventh-day Adventists because we know

from the Bible and the Spirit of Prophecy that both world leaders and the common people will be fooled into communing with beings whom they think are their dead loved ones. [But they are Satan’s evil angels in disguise because “The living know that they shall die, but the dead know not anything.” Eccl. 9:5. Without the Bible, everyone will be fooled into talking with these beings because the counterfeit is perfect - the look of the face, the tone of the voice is perfect. And they can tell you things that only those dead people have known. Thus, the masses will be deluded into having sweet fellowship with demons - to help support them to pass the devil’s Sunday law. The preachers will also love it as they see their congregations inviting these supposed dead people to attend church.

The face on the right is the AI “digital avatar” that the article said can comfort you by putting death to death in your mind. Can this pale AI robot comfort you? Would you give it a kiss?

Write scripts that AI will turn into actual movies	Interact with dead people through digital avatars	Automate chores like cooking & laundry	ID deadly diseases before you feel sick	Ride self-driving cars and much, much more

Do you see the giant’s head? It’s more than twice as big as the head of this modern man. God’s prophet said, “Those who lived before the flood, come forth with their giant-like stature, more than twice as tall as men now living upon the earth.” *Heaven*, p. 111.

“The contrast between the first wicked men who lived upon the earth, and those of the last generation, was very great. The first were of lofty height and well proportioned—the last came up as they went down, a dwarfed, feeble, deformed race.” 3SG 84.

“And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark [Papal Rome has openly admitted that the “mark” of her authority over the people is her supposed power to change God’s Sabbath to Rome’s “day of the sun.”] or the name of the beast, or the number of his name.” Rev. 13:13-17. [The number of his name is 666.]

Hope: So what else will Satan’s army and God’s army do?

“In vision I saw two armies in terrible conflict. One army was led by banners bearing the world’s insignia; the other was led by the blood-stained banner of Prince Emmanuel. Standard after standard was left to trail in the dust, as company after company from the Lord’s army joined the foe, [Many churches will go along with the devil’s Sunday law.] and tribe after tribe from the

Dear Sir;

I praise and thank God, and I thank you for showing us the true word of God! Oh, I praise God for opening my eyes to the seal of God and the mark of the beast with the book, "National Sunday Law!" I'm so excited! Your witnessing has fallen on fertile ears. Dan H. Oregon

ranks of the enemy united with the commandment-keeping people of God. [Many Sunday churches will join us to keep God’s commands.] An angel flying in the midst of heaven put the standard of Emmanuel into many hands, while a mighty general cried out with a loud voice: ‘Come into line. Let those who are loyal to the commandments of God and the testimony of Christ now take their position. Come out from among them, and be ye separate, and touch not the unclean, and I will receive you, and will be a Father unto you, and ye shall be My sons and daughters...’

“The battle raged... The Captain of our salvation was ordering the battle, and sending support to His soldiers. [Praise God!] His power was mightily displayed, encouraging them to press the

battle to the gates. He taught them terrible things in righteousness as He led them on step by step, conquering and to conquer.

“At last the victory was gained. The army following the banner with the inscription, ‘The commandments of God, and the faith of Jesus,’ was gloriously triumphant. The soldiers of Christ were close beside the gates of the city, and with joy the city received her King. The kingdom of peace and joy and everlasting righteousness was established.” RC 226.

“Oh, how precious is the sweet influence of the Spirit of God as it comes to depressed or despairing souls, encouraging the fainthearted, strengthening the feeble, and imparting courage and help to the tried servants of the Lord! Oh, what a God is ours!” CC 166.

Charity: What will God’s army be like? If you look at it, what will you see?

Pastor Jan: Here are some hints -

1) - “If you would be a saint in heaven, you must first be a saint on earth.” **If you’re called a weirdo, happy are you! We can do it with our mind stayed on dear Jesus.** Isa. 26:3.

2) - Are you many times impatient and grumpy?

“The bright and cheerful side of our religion will be represented by all who are daily

consecrated to God.” AG 76. “The peace and harmony of the heavenly courts will not be marred by the presence of one who is rough or unkind. He who in this world exalts self in the work given him to do will never see the kingdom of God unless he is changed in spirit, unless he becomes meek and lowly, revealing the simplicity of a little child.” 8T 140.

Bulldozer Pansy: I don’t want to reveal the simplicity of a little child. And I don’t want to be meek and lowly.

Pastor Jan: Bye bye. Walking and talking and working with Jesus is a taste of heaven! Holding His hand, you can do “all things!”

Dear Sir;

My name is Rex Crowder. Someone loaned me your book, “National Sunday Law.” It was excellent! What a book of knowledge! It really hit home! To have access to this information is great! Let me say “thank you” for taking the time and energy to publish this book. And thank you for your help in directing me toward the way of eternal life in Jesus!

Greetings from a brother in Christ. I used to be in Sunday worship, and then I came across a book entitled, “National Sunday Law.” At first I didn’t see it, but when I kept reading, a warm feeling of God’s love came over me. I love God with all my heart and would rather die than sin against Him. Now I know without a doubt that the Bible message in “National Sunday Law” is true, true, true! Thank you again! In Jesus’ name, Anthony James

Dear Pastor Jan,

Thank you for the "National Sunday Law" books and for your monthly letter. I gave the book to a young lady, and it powerfully caused her to give her heart to the Lord. She had started to use drugs and do other bad things. But now she is going to live for God. She also gave the book to a friend of hers. Now they both gave their hearts to the Lord. Her parents are Baptists, but she is coming to my SDA church because after reading the NSL book, she understands and believes in God's seventh-day Sabbath. I also gave a NSL book to the lady at the clinic who takes Xrays. She read it and gave it to her mother in law. And I gave her 3 more to give to other family members. I gave this testimony at our church Sabbath, and gave 15 church members an NSL book. May God bless you. R.L. California

Dear Jan Marcussen,

I have read the book "National Sunday Law" and it was such a revelation that I almost fell flat on my back. I'm still amazed at the enormity of it all. I believe everything written in this book because it is 100% backed by scripture, and I am convinced of it in my heart. I have such a great desire to help our fellow brothers and sisters with this astounding truth.

I pray, "Thank you Father for thou has shown me great love through the death of thy Son Jesus Christ in my place, and have given me a second chance." I plan to get more copies of "National Sunday Law" so I can continue what God has instilled upon my life. Jesus is coming very soon. I don't want the mark of the beast. I choose to keep God's Sabbath day holy. Your loving brother in Jesus Christ, T.F.S.

Dear Sir,

It is with profound awe that I read your book "National Sunday Law." No other book has made such an impact on my life except the Bible. I have been a Christian for 20 years, but when I read your book, I experienced and felt a calling by God to translate it into my language which is spoken by over 25 million people. I am a qualified college-trained teacher of the language, and I will take personal responsibility for the expense of translating and publishing it. Distribution of "National Sunday Law" is essential for our country. Your brother in Christ, Robert J.

Dear Pastor Jan,

I had studied the Bible and I didn't want to accept the Sabbath. The book "National Sunday Law" was the convincing factor that led me back to the Bible for more study and eventually my conversion to become a Seventh-day Adventist. Praise the Lord! S.M.

Dear Pastor Jan Marcussen,
I was born a Roman Catholic, and have been going to church all my life. I’ve heard many sermons on the book of Revelation, but never has anything touched my heart like the book “National Sunday Law!” I’m hungry for God’s truth! God bless you and your ministry. Your brother in Christ, M. Anjaiah South India

Dear A. Jan Marcussen,
After I read “National Sunday Law,” I gave it to a friend who is a strong Catholic. After he read it, he gave it to other members of his Catholic family. Surely you are helping to get God’s last message to my area here in East Africa. I’m in a densely populated area and through this book, I can spread the three angels’ messages to many! May God be with you! Zacchaeus Kinuthia
