Here are Richard and Pam. Picture them as tiny babies in their mothers' arms. They're pure and innocent, and their mothers tenderly love them. Here they are both before and after their addictions. It was Satan who tricked them into this insane destruction. You can see why inspiration says, "[Satan's] punishment is to be far greater than that of those whom he has deceived. After all have perished who fell by his deceptions, he is still to live and suffer on. In the cleansing flames the wicked are at last destroyed, root and branch,—Satan the root, his followers the branches." GC 673.

Dear SDA friends around the world,
Live forever with the lovely Jesus!
Faith: In this letter, are you going to show us things that will be happening as the coming of the Lord approaches?
Pastor Jan: Before He comes, the seven last plagues will fall upon the wicked. And before that happens, probation will close. And before that happens, the latter rain of the Holy Spirit falls, and God's work will be finished by millions of God's people, and millions of angels... And before that, most everyone - under great mental pressure from the wicked - will cave in to the devil's law and will receive the mark of the beast. And before that happens, the universal Sunday law will be passed. And before that happens, the national Sunday law will be passed. And before that happens, every principle of our Constitution as a Protestant and Republican nation will be repudiated.
Hope: Are people today more debauched than in the days of Noah?
Pastor Jan: Are you ready? Here we go -

1) In his book, *Conquista de Mexico*, F. L. Gomara wrote: "The Hebrew scriptures narrate that among the races of the world in a previous age were races of giants, 'men of great size and tremendous strength and ferocity.'"

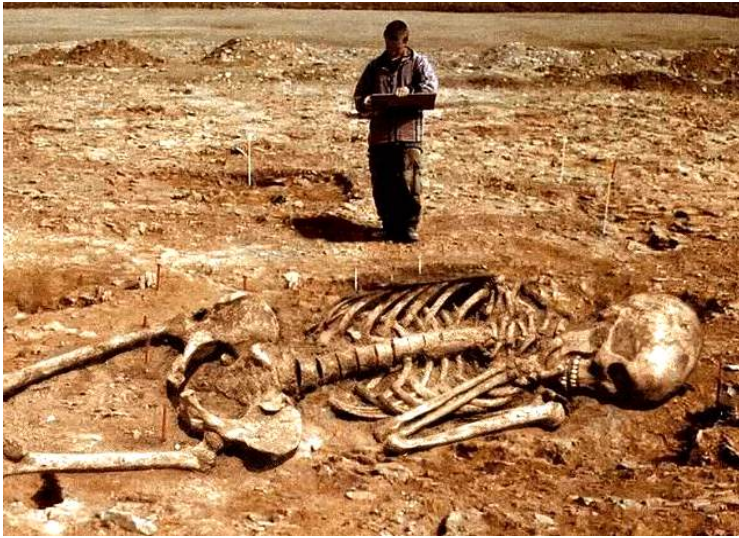

2) Giants, twice the size of gorillas, were found in Java.

3) Meganthropus was a race of men found in Australia - estimated at 12 feet tall. These people were found with mega tool artifacts. Plaster casts of giant footprints found in Australia may be viewed at Rex Gilroy's Museum near Tamworth, NSW, Australia.

4) In old river gravels near Bathurst, NSW, huge stone artifacts -- clubs, pounders, chisels, knives and axes -- all of tremendous weight, lie scattered over a wide area. Each tool weighs up to 25 pounds. Only men of tremendous proportions could have made and used them.

5) Prospectors working in the Bathurst district came across numerous large human footprints fossilised in shoals of red jasper.

6) Rex Gilroy excavated from a depth of 6 feet below the surface a fossil lower back molar tooth measuring 50mm x 42 mm across the crown. The owner would have been nearly 20 ft. tall, and weighing close to a ton.

near Mulgoa, south of Penrith, N.S.W. These prints, each measuring 2 ft long and 7 inches across the toes, are 6 ft. apart, indicating the stride of the 12 ft. giant who left them. These prints were preserved by volcanic lava.

10) Noel Reeves found monstrous footprints near Kempsey, N.S.W. in sandstone beds on the Upper Macleay River. One print shows a toe 4 inches long and the total toe-span is 10 inches - showing that the owner of the print was about 17 feet tall.

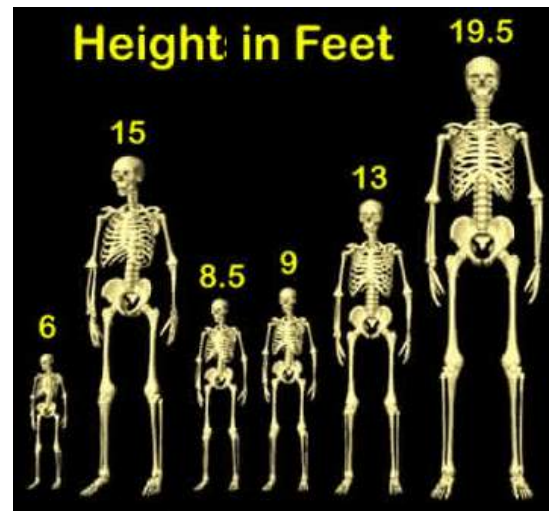

11) On the Caribbean island of Guadeloupe, a full human skeleton was found, lacking only the head and feet. It was found inside extremely hard, very old limestone, which was part of a formation over a mile in length. In accordance with their theory, evolutionists date that rock at 25 million years! You will not find the Guadeloupe woman mentioned in the textbooks, since this find would disprove evolutionary strata dating.

12) Four jaw fragments and thousands of teeth have been found in China of "gigantopithecus blacki" - named after the discoverer. Based on the size of the teeth and deep jaws, its size has been estimated as tall as 12 feet, and weighing 1200 pounds. Tools have been found in the same area as gigantic as well.

13) Cornwall, England was known as the Land of the Giants. The Cornish giants were a six-toed, six-fingered race.

14) In Nayarit, Mexico, Capts. D. W. Page and F. W. Devalda discovered the bones of a race of giants who averaged over ten feet in height.

15) In 1944, there was the discovery made by Waldemar Julsrud at Acambaro, Mexico. In this archaeological site were over 33,500 objects of ceramic, stone, and jade. There were knives of obsidian (sharper than steel and still used today in heart surgery). Julsrud, a prominent local German merchant, also found stone statues depicting great reptiles, some of them in association with humans - mainly **eating them**. To observers many of these creatures resembled dinosaurs.

Do you see the 6 foot man? In the days of Noah, people were like the taller ones. The 6 foot man is like a little baby. Then, when he is on drugs, alcohol, etc. he is even more whizzled up.

7) At Gympie, Queensland, Keith Walker, was ploughing his field when he turned up the large fragment of the back portion of a jaw which still possessed the hollow for a missing lower back molar tooth. This is now in Rex Gilroy's possession. The owner of the tooth would have stood at 10 feet tall.

8) In the Megalong Valley in the Blue Mountains NSW, a Mr. P. Holman found in ironstone protruding from a creek bank the deeply impressed print of a large human foot. All 5 toes were clearly shown. This footprint measures 7 inches across the toes. Had the footprint been complete it would have been at least 2 feet long belonging to a 12 foot human.

9) A set of 3 huge footprints was discovered

“There were also portrayals of **monster-like** creatures, weird human-animal mixtures, and a host of other inexplicable creations. [Notice the words, “monster-like creatures,” and “weird human-animal mixtures.”] Concerning these frightful fiends, God’s prophet said, “But if there was one sin above another which called for the destruction of the race by the flood, it was the base crime of amalgamation of man and beast [producing part man and part animal] which defaced the image of God, and caused confusion everywhere. God purposed to destroy by a flood that powerful, long-lived race that had corrupted their ways before him. He would not suffer them to live out the days of their natural life, which would be hundreds of years.” 1SP 68.

16) A prehistoric tool kit was found in Agadir, Morocco. The set of tools was designed to be used by someone with hands corresponding to those of a 16-foot tall giant.

17) A headless skeleton was found in Nicaragua. The ribs are a yard long and four inches wide and the shin bone is too heavy for one man to carry. If the scientific eye is ever cast upon this giant, the result will be the same “thunder of silence” that heralded the discovery of 200 huge skeletons in a cave in Calaveras County, California.

18) In the Philippines a giant human skeleton was found at Gargation, measuring 17 feet long.

Dear Sir;
Your book “National Sunday Law” has been sitting on my shelf for a long time and I never read it. I couldn’t even remember where it came from. But one day God revealed it to me and I began to read it. I was amazed that so much truth is in your book! I was really enlightened by these things, especially that Saturday, the seventh day, is God’s holy Sabbath, and not Sunday! Thank you so much, and blessings on your life!

giant human and dinosaur footprints in the stone bottom. This strange river is only about 2 feet deep at that point, and has a stone bottom instead of mud. I believe that God has preserved it for the benefit of the poor evolutionists. At the bank of that

Dear Jan Marcussen,
I found a book called “National Sunday Law” in the laundromat. Since I read it, my life has changed completely. I have been a very fervent Catholic. Now I have renounced the Catholic Church. I want to get more “National Sunday Law” books to give to others! God has really given you his inspiration to save souls. I will be giving these books to my fellow Catholics.
Cordially Ruth R.

19) Some giants were so large that they had enough strength to uproot some trees with their bare hands.

20) During road construction in Homs, southeast Turkey, many tombs of giants were unearthed. The human thigh bones of one person was measured to be 47.24 inches in length. They calculated that the person who owned this femur stood at fourteen to sixteen feet tall. A cast of this bone is seen at the Creationist museum in Texas, run by Dr. Baugh.

Pastor Jan: When I visited Dr. Baugh’s museum near the river with Dr. Bill Palmer and Evan Sattler, we saw dinosaur, as well as giant human footprints in the stone on the bank of the river. I crawled on my hands and knees in the river [near Glen Rose, TX.] and felt

river, Dr. Baugh found a human footprint inside of a dinosaur footprint - in stone. This one artifact disproves the “religion” of evolution, but of this, the scientists must remain “willingly ignorant” if they want to keep their jobs. Many honest scientists have already been fired for not pretending to stay in that “ignorant” condition.

Dr. Baugh invited one of the leading evolutionist scientists to see this stone print of human inside of dinosaur. The media, and a group of onlookers were standing around who had been invited for the occasion. When the human footprint inside the dinosaur footprint was brought to view, the scientist quickly turned and walked away, saying, “I didn’t see anything.”

21) Magellan sailed around the world. His ship’s log mentions a race of giants living on the Pacific coast of South America. Captain Cooke recorded capturing a giant over nine feet tall and having his crew of men tie him to his ship’s mast. The giant freed himself from the ropes and was last seen when he dove overboard.

“Many have suffered death by slow tortures; others have suffered death by crucifixion... Bodily pain was but a small part of the agony of God’s dear Son. The sins of the world were upon Him, also the sense of His Father’s wrath as He suffered the penalty of the law transgressed. It was these that **crushed** His divine soul... He had not one ray of light to brighten the future. “Satan with his fierce temptations wrung the heart of Jesus.” DA 753] Satan was declaring that he had Christ in his power...

“Legions of evil angels [one legion is about 6,000 angels] were all about the Son of God, yet the holy angels were bidden **not to break their ranks** and engage in conflict with the taunting, reviling foe. Heavenly angels were not permitted to minister unto the anguished spirit of the Son of God... ‘My God, My God, why hast Thou forsaken Me?’

“The death of the martyrs can bear no comparison with the agony endured by the Son of God. We should take broader and deeper views of the life, sufferings, and death of God’s dear Son. When the atonement is viewed correctly, the salvation of souls will be felt to be of infinite value. In comparison with the enterprise of everlasting life, every other sinks into insignificance.” 2T 214, 215.

“Before the cross, the sinner finds an all-absorbing, attractive character in Jesus Christ, and with quivering lip and tearful eye he declares, ‘He shall

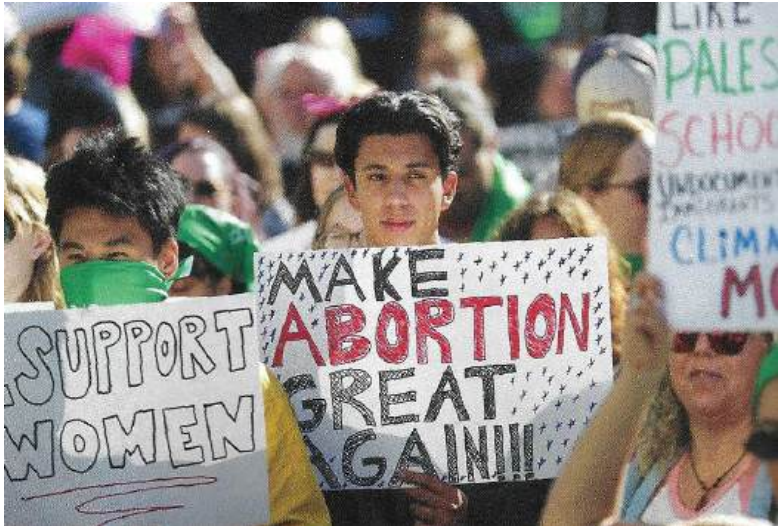

not have died for me in vain.’ 4MR 120,121.” Amen!

Dear A. Jan Marcussen,
“National Sunday Law” surprised me! It opened my eyes. It made me understand the Bible and my faith in a whole new light. After reading “National Sunday Law,” I can honestly say that I believe in Christ 100% now. It changed my whole life! It put the pieces together. I was lost but now am found! I love this book so much. I always thought that I would be a gang member and go to prison. But that was because I did not know Jesus Christ. Now I do, and your book helped me to know Him! Thank you so much!
Yours truly, Robert Apodaca

Debate on Sunday law opens up.

It could read, "Make the Murder of Tiny Babies Great Again." "As it was in the days of Lot." What will it be like in the end of the world? From time to time the devil and his poor slaves give us a hint.

"BISMARCK — North Dakota lawmakers are slated to vote on a bill seeking to bring back Sunday "blue laws" — a mandate requiring all retail stores statewide to close between midnight and noon on Sundays.
House Bill 1150 is based on a law that was repealed in 2019 by only two votes in the Senate."
<https://www.valleynewslive.com/2025/01/14/nd-legislature-considering-bill-that-would-bring-back-blue-laws/>
"The law would mostly affect retail outlets selling items like jewelry, clothing, vehicles, and even paint and lumber. The repeal of north Dakota's previous blue law was decided by only two votes.
"The bill's sponsors are all Republicans, including Representatives Matthew Heilman, Jeff Hoverson, Jorin Johnson, Lisa Meier, Mike Schatz and Senators David A. Clemens and Larry Luick.
"The Fargo Chamber of Commerce released a statement opposed to bringing back Sunday Blue Laws saying, "The Chamber firmly believes that this bill would impose burdensome mandates on businesses, limiting their ability to operate efficiently and meet the unique needs of their customers and employees. Restricting business operations on Sundays creates unnecessary barriers for both businesses and consumers, ultimately hindering the state's economic growth and activity.
"The reinstitution of Sunday closing laws would be detrimental to businesses that rely on Sunday operations to stay competitive and serve their customers," said Cale Dunwoody, vice president of public policy at The Chamber.
"We urge the North Dakota Legislature to reject HB 1150 and preserve the freedom for businesses to operate as they see fit. The Chamber is urging the business community to testify in opposition to HB 1150."
Pastor Jan: The angels of God held it back this time. The news commentator revealed that this Sunday law issue keeps coming up every year. The two issues that keep coming up for a vote are 1) In the state - the Sunday law bill, and 2) in the church - women's ordination. They are both secretly pushed by agents of Rome. Will they ever give up? Will God ever permit it? "As for my people, children are their oppressors, and women rule over them." Isa. 3:12. That was fulfilled in old testament times. Will it be fulfilled here in the end of the world?

Dear A. Jan Marcussen,
After reading your book "National Sunday Law," I feel tremendously enlightened! A great cloud has been blown away from me by the great truths that you brought to my eyes! I can't remember when I was so spiritually stimulated! I have a thirst for truth! As a result of "National Sunday Law," I have met with some of my friends, and have shared with them the facts of God's true seventh-day Sabbath. I have a tremendous peaceful, contented feeling. I have this peace and joy ever since your book came into my life! Reading it has changed my whole outlook on life! I will give this book to others. God bless you! Your brother in Christ, Richard

Dear Pastor Jan,
Greetings in the name of the most high God. The devil wants me sitting and wasting my time because he knows that his time is almost up, and he must move fast. I want to be a part of God's people who are winning souls for Jesus. Keep doing what God has blessed you to do! I am giving out "National Sunday Law" books and I've put them on seats, doorsteps, sidewalks, and handed them to people that I talk to. If I could reach God's people around the world, I would call on everyone to get this "National Sunday Law" book out to the people! I will continue to get them out by the power of God! Sincerely, R.S.

“The people of the United States have been a favored people, but when they restrict religious liberty, surrender Protestantism, and give countenance to popery, the measure of their guilt will be full, and ‘national apostasy’ will be registered in the books of heaven.” RH 5/2/1893.

Faith: And what will follow “national apostasy?”

Pastor Jan: “When our nation, in its legislative councils, shall enact laws to bind the consciences of men;... enforcing Sunday observance, and bringing oppressive power to bear against those who keep the seventh-day Sabbath, the law of God will, to all intents and purposes, be made void in our land, and **national apostasy will be followed by national ruin.**” 7BC 977.

“The Roman Catholic principles will be taken under the care and protection of the state. This national apostasy will speedily be followed by **national ruin.**” TSA 52.

“When the powers of this earth try to force men to keep the first day of the week, know that **the time has come for God to work.** 7BC 980.

Charity: What will that be like?

Pastor Jan: While the devil is boasting and bragging over his hellish work, and probation for the world is closing, and dear Jesus is crying, “hold, hold, hold!” and the mighty angel is flashing faster than the speed of light to stop the four angels of death, and the saints are crying to God **with all their might** - all of a sudden - our mighty God cries out -

“Thou shalt suck the breast of kings: and thou shalt know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob.” Isa. 60:16. “A little one [here’s God’s “little remnant” {EW 65}] shall become a thousand, and a small one a strong nation [the 144,000] I the LORD will hasten it in his time.” Isa. 60:22.

And the Gentiles shall come to thy light, and kings to the brightness of thy rising... [There’s a glimpse of the mighty “latter rain” of the Holy Spirit]

The prophet of God cries out -

“Blow ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the LORD cometh, for it is

Dear Jan Marcussen,
Receive my warm greetings through Jesus' holy name. I've been a member of a Sunday church. But through reading your book "National Sunday Law," I am now enlightened as to the will of God in keeping the Seventh day Sabbath holy. I highly thank God for giving me this wonderful message, and also for the way He has used you to publish this fascinating book. Now, I am studying this saving truth with others. I am so proud to be working for the soon returning of our Redeemer and King. Your Christian Sister, L.L.

Dear Pastor Jan Marcussen,
I was swallowed up by worldly things, and the devil slipped into my life, but your book, "National Sunday Law" has changed me! And it has changed the lives of many others as well, as I have passed the book from person to person. The poor little thing looks nearly worn out, but it is still doing a great work around here! And your newsletters do so much for me in my walk with God! And I'm trying to reach others with God's message! Thank you, and I thank God for His truth here in the last days! Sincerely, David

Dear A. Jan Marcussen,
I would attend different churches each Sunday and not feel at peace within my spirit. I went to the grocery store and looked on top of a newspaper stand. To my surprise, there was a book called "National Sunday Law." I felt moved by the Spirit of God to take it. I could not put the book down! I laughed and cried for joy! I am truly inspired by the message God has provided through it. Thank you so very much. Sincerely, Jerry

The earth shall quake before them... [Praise God!] And the LORD shall utter his voice before his army: for his camp is very great: for he is strong that executeth his word: for the day of the LORD is great and very terrible; and who can abide it? Therefore also now, saith the LORD, turn ye even to me with all your heart, and with fasting, and with weeping, and with mourning: And rend your heart, and not your garments, and turn unto the LORD your God: for he is gracious and merciful, slow to anger, and of great kindness, and repenteth him of the evil.” Joel 2:1-14.

here foretold. The advent movement of 1840-44 was a glorious manifestation of the power of God... but **these are to be exceeded by the mighty movement under the last warning of the third angel.**

“Be glad then, ye children of Zion, and rejoice in the Lord your God: for He hath given you the former rain moderately, and He will cause to come down for you the rain, the former rain, and the latter rain.” Joel 2:23. ‘In the last days, saith God, I will pour out of My Spirit upon all flesh.’ ‘And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved.’ Acts 2:17,21.

“Servants of God, with their faces lighted up and shining with holy consecration, will hasten from place to place to proclaim the message from heaven. By thousands of voices, all over the earth, the warning will be given. Miracles will be wrought, the sick will be healed, and signs and wonders will follow the believers. Satan also works, with lying wonders, even bringing down fire from heaven in the sight of men. Rev 13:13. Thus the inhabitants of the earth will be brought to take their stand.

Now the rays of light penetrate everywhere, **the truth is seen in its clearness**, and the honest children of God sever the bands which have held them.
