

“And fearful sights and great signs shall there be from

heaven... For these be the days of vengeance, that all things which are written may be fulfilled...

Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken... And then shall they see the Son of man coming in a cloud with power and great glory.”

Dear SDA friends around the world,

Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: The Bible quote mentions 1) “Fearful sights” and “signs from heaven.” Luke 21:11. 2) “the days of vengeance,” verse 22. 3) “men’s hearts failing,” verse 26, 4) “the powers of heaven” being “shaken,” verse 26, and, “the Son of Man coming in a cloud.” verse 27. In this letter, are you going to reveal some of these things? What good do fearful sights and great signs do anyone?

Hope: We've already learned that before he became a faithful Seventh-day Adventist, Roger Morneau attended the church of Satan, and he said that the high priest revealed to the worshipers that in a big meeting Satan had with his angels, they planned that some of them would appear on the earth as people from other planets and say that the earth was going to be destroyed unless they did something drastic, but they would tell world leaders that if they followed their suggestions, the earth would be saved, and the millennium of peace and safety would be ushered in. How is the devil pushing the forms of spiritualism to prepare the people's minds for all this? And how will it affect us?

Pastor Jan: Are you ready? Here we go -

Notice the words, “prepare the people’s minds.” The battle is for the mind. Whoever has your thoughts has you. That’s why **1)** filling our minds with the word of God more than the media screen is so important - to help our thoughts “abide” in Him. **2)** Constant prayer! And **3)** walking with dear Jesus to help save souls. We are going to work for either Christ or the devil.

With each generation, people’s minds are getting more and more degraded. Today, with no Bible, no prayer, video games, junk novels, T.V., movies, drugs, liquor, junk food, etc. the devil is dragging people down to the level of “dogs, sorcerers, and whoremongers.” Rev. 22:15.

I met a 45 year old lady with no teeth who could neither read nor write. Her daughter was in jail. Her husband was in jail. She had no work, no money, no teeth, but she was proud that she had gotten an education and had graduated from the 9th grade. There she is at her graduation ceremony going up front to receive her diploma from the school Principal. He hands her the diploma which she cannot read, and the people are clapping as she turns and smiles at them with no teeth.

I tell her story because she gave evidence that, even in her condition, she was allowing herself - like the woman at the well, the leper, and the paralytic - to be drawn to dear Jesus. Concerning this class, the prophet said -

“Those whom Christ commends in the judgment may have known little of theology, but they have cherished His principles... Even among the heathen are those who have

cherished the spirit of kindness; they have befriended the missionaries, even ministering to them at the peril of their own lives... They will not perish... [Wonderful Jesus!]

“How surprised and gladdened will be the lowly among the nations, and among the heathen, to hear from the lips of the Saviour, ‘Inasmuch as ye have done it unto one of the least of these My brethren, ye have done it unto Me!’ How glad will be the heart of Infinite Love as His followers look up with surprise and joy at His words of approval!” DA 638. Praise God!

The two pictures on this page reveal another class of souls in the last days, who can come to dear Jesus and His truth if they will. The headline says -

This Man is About to Launch Himself in his Homemade Rocket to Prove the Earth is Flat

The Washington Post, By Avi Selk

“A man who claims that the earth is flat tried to leave it in a homemade rocket Saturday but failed to overcome the gravitational force of the round sphere directly beneath him. Saturday marked Hughes’ third aborted launch since he declared himself a flat-earther last year and announced a plan to fly to space by the end of 2018 so he could prove that the astronauts have been lying about the shape of the planet. Hughes blamed technical difficulties — possibly a bad O-ring — for his steam-powered rocket’s failure to ignite this weekend in the Mojave Desert.

Notice the words, “FLAT EARTH.” Here’s Mike Hughes. He will blast off in his steam powered rocket and prove to the world that the scientists are lying, that the people are deceived, and that the world is flat. It seems that the battery heats the coil; the coil heats the water; the steam puffs out the back; and he goes into space. From there, he can see that the world is flat and that there are great mountains of ice all around the edges to hold the oceans from spilling over and pouring into space.

The article says that - **1)** “He raised thousands of dollars from a community that believes we all live on a big Frisbee.” **2)** He succeeded in raising money and getting a certain amount of fame, [which most people like.] **3)** He drew the attention of the Associated Press, Fox News, the Guardian, the Australian Broadcasting Corporation, etc. **4)** His rocket launcher broke down the same week. **5)** Hughes said that his trip to outer space will shut down the theory of a round earth. **6)** On the big day of the launch, before a crowd of people and T.V. cameras, the spokesman for Hughes, by the name of Zero, said, “What we will see is the most amazing thing. I feel like NASA right now. I wonder how fast he’s going to go.” **7)** “Hughes stood on a ladder in front of the rocket and fiddled with his helmet.” **8)** Hughes said, “It’s as scary as [redacted].” **9)** “The host perked up when Hughes finally climbed inside the rocket and closed the hatch before sundown. ‘This is about to be amazing,’ Zero said. **10)** “He paused to have a coughing fit.” **11)** “The launch ain’t happening,” Zero finally admitted. Hughes climbed out of the rocket to face the cameras. He scratched his head. ‘Maybe I left a plug in there. Maybe an O-ring melted. Who knows. I pulled the plunger five times,’ Hughes said. “I considered beating on the nozzle from the underneath side. But under there, it’ll kill you. It’ll scald you to death. It’ll blow the skin and muscle off your bones.” **12)** At this point he could not amuse the crowd. **13)** “Two women walked up and gave Hughes a hug. **14)** “You did your best,” a man said, “and you haven’t gave up yet.” **15)** Hughes was supposed to be in court on Tuesday, he told the crowd, because he was suing the governor of California. He was also trying to claim the legal right to Charles Manson’s guitar. **16)** All of a sudden, “There’s a hiss of boiling water, then Hughes walks up to the engine and pokes it with a stick, at which point a thick cloud of steam belches out toward the camera.” **17)** Before everyone went home, Hughes told the crowd, “Guys, I’m sorry. What can you do?”

Hope: God’s word reveals that in the end of time, men’s hearts will be failing them for fear. What can cause it?

Do You See The Rocket?

Dear Pastor Marcussen,
I was a church-going Roman Catholic. I’m writing to tell you that your book “National Sunday Law” was what God used to help me to become a Seventh-day Adventist. After my husband’s uncle gave him your book, I picked it up and I couldn’t stop reading it! I had never known that Bibles were burned and people were persecuted by the priests and popes of the Roman Catholic church for having a Bible! And I was SHOCKED when I read that they had pretended to change God’s law [to substitute Sunday instead of God’s seventh-day Sabbath of the Bible.] I wanted that moment to be faithful to God. Thank you for your book! It is true! It opens the eyes of people whom Rome wants to keep in darkness. Sincerely, E.P.

The headlines say, **“Scientists plan to use nuclear explosion to stop incoming asteroid.”** Things that might make people’s hearts feel funny are like this report from the weather channel revealing that scientists are thinking about blasting an asteroid named Bennu with a nuclear bomb to break it up before it might get too close to the earth.

The article says, “A team of Russian government scientists has proposed that nuclear weapons well within the power of those already developed could be used to break up incoming asteroids, protecting the planet from a major asteroid strike.

“Russia isn’t alone in considering the possibility of a nuclear strike on an asteroid. U.S. government researchers also raised the possibility in a February paper.”

From prophecy, we know that such a horror of death on that apocalyptic scale probably won’t happen before the close of probation. After that, the prophet reveals that the destroyer can do whatever he pleases to the wicked. Even now the fiend is doing almost all he wants as he drags the poor people, especially in the cities, lower and lower, and allures them into spiritualism until they’re demon possessed.

This article talks about the 60 foot meteor that entered Earth’s atmosphere over Russia on February 15, 2013. Do you remember that?

The article says that it was traveling at a speed of about 42,000 mph. Russian authorities stated that

The smoke trail from the meteor that streaked across the Russian sky in 2013 - at about 42,000 mph - injuring nearly 1,500 people as a result of the intense shockwave.

1,491 people sought medical attention. Health officials said 112 people had been hospitalized, with two in serious condition. A 52-year-old woman with a broken spine was flown to Moscow for treatment. Most of the injured were hurt by the secondary blast effects of shattered, or blown-in glass. The intense light from the meteor, momentarily **30 times brighter than the Sun**, also produced injuries, leading to over 180 cases of eye pain, and 70 people subsequently reported temporary flash blindness. Twenty people reported ultraviolet burns similar to sunburn. The blast also caused 6,500 sq ft of the roof of a huge zinc factory to collapse.

“Office buildings in Chelyabinsk were evacuated. Classes for all schools were cancelled. Many children were injured when the windows of a school and kindergarten were blown in.

“Fearful sights of a supernatural character will soon be revealed in the heavens, in token of the power of miracle-working demons. The spirits of devils will go forth to the kings of the earth and to the whole world, to fasten them in deception, and urge them on to unite with Satan in his last struggle against the government of heaven. By these agencies, rulers and subjects will be alike deceived.” GC 624.

The following account is from Scott Corrales of the EFE News Agency.

MEXICO (EFE) -- “In an unprecedented move for this country--and perhaps the whole world-- military authorities have made public a video showing 11 unidentified flying objects (UFOs) captured by an aircraft belonging to the Secretariat of National Defense (SEDENA).

“The Secretary of National Defense himself, Ricardo Garcia, authorized the broadcast of this material to both domestic and foreign news media.

“The encounter occurred when an aircraft belonging

The Weather Channel shows the asteroid in this picture as being much larger than the Empire State Building. The article says that it would not destroy the earth, but would only kill everyone within a circumference of 300 miles. If our kind Father allows the devil to make it strike the ocean off the east or west coasts, people might well experience what the prophet saw - “Inhabited islands disappear. The seaports that have become like Sodom for wickedness are swallowed up by the angry waters.” GC 636. Do you know of any seaports that are like Sodom? And do you think that God’s people will still be living there until they’re all “swallowed up?” GC 636.

to the Mexican Air Force, a Merlin C26A, was engaged in drug interdiction patrols. At around 17:00 hours [5 p.m.] it detected the presence of an unidentified object. The encounter took place near Ciudad del Carmen, Campeche. It was there that the aircraft, belonging to the 501st Air Squadron was performing its routine patrol when it suddenly detected the presence of an object on its radar at an elevation of 3500 meters [10,500 ft.] as well as through its infrared equipment (FLIR).

“As the Merlin C26A tried to approach the unknown traffic to make a visual identification, it suddenly made a surprising maneuver and flew away at tremendous speed. Mayor Jasso tried to pursue the target, but it was very fast. Just moments passed when suddenly the unknown object returned and began following the Merlin C26A! This was detected by both the RADAR and the FLIR while the personnel aboard were trying to make visual contact with the unidentified traffic, now following them. The equipment now detected not only one but two craft following them. The images in both RADAR and the FLIR were clear and unmistakable.

“Mayor Magdaleno Jasso reported to the base what was taking place, giving an account of all details. The FLIR kept recording in infrared every movement made by the two unknown objects that seemed to be keeping their distance from the C26A but still following it. The personnel aboard the Merlin C26A were confused, asking themselves what was going on.

“Among the most successful agencies of the great deceiver are the delusive teachings and lying wonders of spiritualism. [This is one of the main methods that Satan will use to move atheists and liberals to go along with the national Sunday law.] Disguised as an angel of light, he spreads his nets where least suspected. If men would but study the Book of God with earnest prayer,,, they would not be left in darkness.” GC 523.

circle formation around the Merlin C26A. The situation seemed out of control.

“Mayor Jasso reported to the base that the C26A situation was now in red alert, surrounded by eleven mysterious objects camouflaged with a certain unknown advanced technology. However Mayor Jasso kept calm as well as the crew who were working fast, measuring and recording every detail of this strange encounter, conscious of their duty as military men.

“In an un predictable move, Mayor Jasso made the decision to turn out all lights and wait to see what happened. After moments of suspense the eleven objects disappeared, bringing to an end the strange experience that the 501 Aerial Squadron had just lived through. The Merlin C26A returned safe to the Air Force Base and Mayor Jasso prepared a complete report of the incident along with the C26A crew.

“The Secretary of Defense took notice of Mayor Jasso’s report and began a full investigation studying and evaluating every

element of the

case. The incident was taken very seriously by the Department of Defense Staff. “General Vega authorized the Merlin C26A crew to give Jaime Maussan the interviews needed without any censorship, giving all the facilities to present this case to the Mexican people, an unprecedented decision that will open a new era of mutual collaboration based in respect and interest to find the truth of the intense UFO activity we have been experiencing since the beginning of the wave back in July 11, 1991. This new era of relationship will aid toward an understanding of how are we going to confront this reality.” Santiago Yturria, EFE News Agency.

“It is the lying wonders of the devil that will take the world captive... He is to work miracles; and this wonderful, miracle-working power is to sweep in the whole world.” *Maranatha*, p. 208.

“These stressing moments were just the beginning of something more dramatic. The C26A crew continued making maneuvers to make visual contact as both RADAR and FLIR were showing both unidentified objects at close range. It was during these maneuvers that something amazing happened. In a matter of seconds more unknown objects arrived on the scene, and the dismay of the C26A crew was complete.

“The RADAR and the FLIR detected the presence of nine new objects of the same size, seemingly coming out of nowhere. As the situation had now entered a high level of danger, Mayor Magdaleno Jasso reported this new situation to the base, requesting instructions.

“Suddenly, the unknown objects made a maneuver - surrounding the Air Force jet in a circle, and at close range.

The RADAR and FLIR presented an image of the eleven objects in a

Dear A. Jan Marcussen,

I am from a Catholic family, and a Catholic community. But it may interest you to know that after reading your book “National Sunday Law,” I became a Seventh-day Adventist. It has not been easy trying to cope with persecution from my parents and kinsmen, but by the grace of God, two of my nephews and my wife joined me to become Seventh-day Adventists. [Praise the Lord!] I consider the book “National Sunday Law” a powerful weapon against the devil, to reach the hearts of many people. I can see that using the book rather than just using my mouth, will make my witness more clear and powerful. I want to reach the 25,000 people in my town with God’s Seventh-day Adventist Bible message. Please pray for me as I try to reach them. May the peace of our Lord Jesus Christ abide with you and your family. Your brother in Christ,
Olua Uwandu Nigeria, West Africa

Dear Jan Marcussen,

I never thought that a book like “National Sunday Law” could change someone’s heart the way it has changed mine! Everything in your book is absolutely true! I have to live for God now. You have touched a lot of people with “National Sunday Law.” I’m going to keep the fourth commandment like the Lord said. When I started reading “National Sunday Law” I could not put the book down! I had to read the whole book! It really touched my heart! I could tell that you are a child of God, and I hope that you keep doing what you’re doing. May God keep blessing you every day! Yours truly, James Tennessee

“I was shown Satan as he once was, a happy, exalted angel. Then I was shown him as he now is. He still bears a kingly form. His features are still noble, for he is an angel fallen. But the expression of his countenance is full of anxiety, care, unhappiness, malice, hate, mischief, deceit, and every evil. That brow which was once so noble, I particularly noticed. His forehead commenced from his eyes to recede. [That’s what the nearly flat forehead of a dog is like. Beings with that kind of forehead are also shown in space movies from Hollywood. Satan knows just what heaven looks like, and he uses his Hollywood slaves to give tiny glimpses of the wonders of heaven in movies - to grab people’s fancy without the saving power of dear Jesus. Thus, he shows them a slight taste of heavenly beauty while dragging them with himself, down to hell.] I saw that he had so long bent himself to evil that every good quality was debased, and every evil trait was developed. His eyes were cunning, sly, and showed great penetration. His frame was large, but the flesh hung loosely about his hands and face. As I beheld him, his chin was resting upon his left hand. He appeared to be in deep thought. A smile was upon his countenance, which made me tremble, it was so full of evil and satanic slyness. This smile is the one he wears just before he makes sure of his victim, and as he fastens the victim in his snare, this smile grows horrible.” EW 152,153.

“Sorrow filled heaven as it was realized that man was lost, and that world which God had created was to be filled with mortals doomed to misery, sickness, and death, and there was no way of escape for the offender. The whole family of Adam must die. I saw the lovely Jesus and beheld an expression of sympathy and sorrow upon His countenance. Soon I saw Him approach the exceeding bright light which enshrouded the Father. Said my accompanying angel, He is in close converse with His Father. The anxiety of the angels seemed to be intense while Jesus was communing with His Father. Three times He was shut in by the glorious

light about the Father, and the third time He came from the Father, His person could be seen. His countenance was calm, free from all perplexity and doubt, and shone with benevolence and loveliness, such as words cannot express. He then made known to the angelic host that a way of escape had been made for lost man. He told them that He had been pleading with His Father, and had offered to give His life a ransom, to take the sentence of death upon Himself, that through Him man might find pardon; that through the merits of His blood, and obedience to the law of God, they could have the favor of God, and be brought into the beautiful garden, and eat of the fruit of the tree of life.

“At first the angels could not rejoice; for their Commander concealed nothing from them, but opened before them the plan of salvation. Jesus told them that He would stand between the wrath of His Father and guilty man, that He would bear iniquity and scorn, and but few would receive Him as the Son of God. Nearly all would hate and reject Him. He would leave all His glory in heaven, appear upon earth as a man, humble Himself as a man, become acquainted by His own experience with the various temptations with which man would be beset, that He might know how to succor those who should be tempted; and that finally, after His mission as a teacher would be accomplished, He would be delivered into the hands of men, and endure almost every cruelty and suffering that Satan and his angels could inspire wicked men to inflict; that He would die the cruelest of deaths, hung up between the

heavens and the earth as a guilty sinner; that He would suffer dreadful hours of agony, which even angels could not look upon, but would veil their faces from the sight. Not merely agony of body would He suffer, but mental agony, that with which bodily suffering could in no wise be compared. The weight of the sins of the whole world would be upon Him. He told them He would die and rise again the third day, and would ascend to His Father to intercede for wayward, guilty man.

“The angels prostrated themselves before Him. They offered their lives. Jesus said to them that He would by His death save many, that the life of an angel could not pay the

Dear Sir;

I stopped at a gas station in Benton, Illinois, and I noticed that there was a stack of white books sitting there. Then, a man came over and asked if he could clean my windshield, and I said yes. Then, he handed me one of the white books on the stack. The name of it was “National Sunday Law.” Then he asked if I would like for him to pray with me concerning a problem I had. Boy did I need that prayer! This book, “National Sunday Law” is amazing!!! I’ve been telling others about it, and would like to get more to give out! God bless all of you for getting this book out to the people! Grace A. Illinois

Dear Jan Marcussen,

I want to thank all of you who had anything to do with publishing “National Sunday Law.” This book is a creation of Jesus Christ! I sent for more of them to put in my Sunday church. People grabbed them up to read them and they’re gone! I’m so inspired by these books that I must put more of them in other churches, and get them out to many! I was confused about which day the Sabbath was until I read your book. But thanks be to Jesus! I know that I can get more of these books into the hands of the people. Keep up the good work in Jesus’ name. M. D. Brown Alabama

debt. His life alone could be accepted of His Father as a ransom for man. Jesus also told them that they would have a part to act, to be with Him and at different times strengthen Him; that He would take man's fallen nature, and His strength would not be even equal with theirs; that they would be witnesses of His humiliation and great sufferings; and that as they would witness His sufferings, and the hatred of men toward Him, they would be stirred with the deepest emotion, and through their love for Him would wish to rescue and deliver Him from His murderers; but that they must not interfere to prevent anything they should behold; and that they should act a part in His resurrection; that the plan of salvation was devised, and His Father had accepted the plan.

“With a holy sadness Jesus comforted and cheered the angels and informed them that hereafter those whom He should redeem would be with Him, and that by His death He should ransom many and destroy him who had the power of death. And His Father would give Him the kingdom... Satan and sinners would be destroyed, nevermore to disturb heaven or the purified new earth. Jesus bade the heavenly host be reconciled to the plan that His Father had accepted and rejoice that through His death fallen man could again be exalted to obtain favor with God and enjoy heaven.

“Then joy, inexpressible joy, filled heaven. [Praise God!] And the heavenly host sang a song of praise and adoration. They touched their harps and sang a note higher than they had done before, for the great mercy and condescension of God in yielding up His dearly Beloved to die for a race of rebels. Praise and adoration were poured forth for the self-denial and sacrifice of **Jesus**; that He would consent to leave the bosom of His Father, and choose a life of suffering and anguish, and die an ignominious death to give life to others.” EW 149-151.

Dear Pastor Marcussen,
My name is Charles. I read the book "National Sunday Law," and I was completely amazed!! Thank you for helping to open my eyes to the real truth! Please put me on your list to receive you monthly letters ASAP! I plan to get more "National Sunday Law" books to share with my family and others so they can stop being deceived and be brought to God's Bible truth. The REAL truth! Thank you! Charles Pennsylvania
