You need not fear concerning what's happening in the middle east and with Russia, Mexico, and Cuba. It will get worse, but God's prophet has revealed to us vital things of the future. We can go singing on our way - working with dear Jesus to save souls. ☺ We were born for such a time as this, and nothing can stop us from doing what God told us to do. Look at these angels standing near you! They're so tall that their heads are sticking out above the roof. Do you see their smiles? They could pick the gangsters up in their hand and look at them. Remember that, as you read the amazing things in this letter.

decided he was not going to work to develop an atomic bomb. He was much more interested in controlling the minds of the masses by the very means that the 'M.K Ultra' project uses. Hitler called the children of these multi-generational abuse families - 'chosen ones.' His plan was to train them and then place them in high positions as the heads of every region - to be controlled as robots by himself."

**Faith:** So what else will happen?

**Pastor Jan:** Are you ready? Here we go -

Dear SDA friends around the world,

Greetings in Jesus' holy name. Here's Mark -

**Mark Phillips:** "I worked for the United States government in the Defense Department. I worked at Dinner Key, FL. which will not show up on your Rand McNally map. It's a military installation under the organizational name, 'M.K Ultra.'

"Project Paperclip' was started in 1947. It has to do with surgically implanting electronics into the bodies of people in order to control their behavior. Dr. Delgotto gave a demonstration. He got into an arena with a bull. When the bull started to charge, he pushed a button on a little box and the bull stopped the charge because the bull forgot what he was doing.

"What I saw in the prison systems and at the NASA facilities was the use of drugs, hypnosis, and electronics.

"From some of my friends in the intelligence community, I was convinced that I needed to get Cathy O'Brien out of the mind control situation she was in. So I kidnaped her and took her to Alaska. Mind control is creeping into the private sector because of the CIA's alliances with the Mafia. They've taken over the drug business so that they can literally control the world."

Mark Phillips

**Pastor Jan:** We praise God for the true prophet He gave to His remnant church, revealing to us the future, so that without fear, we can ignore devilish false prophets, and do God's work in safety - no matter what the devil does.

President Trump doesn't know it, but while he uses the U.S. military to attack the deadly drug cartels, he is attacking the very tentacles of Rome!

**Mark Phillips:** "Adolf Hitler

Mark Phillips and Cathy O'Brien

**Mark Phillips:** What they did to Cathy O'Brien goes beyond the imagination of even Adolf Hitler. Now I would like to introduce a true survivor – Cathy O'Brien.

**Cathy O'Brien:** I'm extremely fortunate to have survived my **M. K. Ultra** mind control victimization. I had no capacity for free thought. I had no conscious awareness. On the subconscious level, the conscious mind has no ability to reason, to question, or to comprehend. The subconscious mind just accepts information. I was totally robotic, forced to carry out criminal operations. Under mind control, without free thought, there is no free will.

I was born in 1957 in Muskegon, Michigan. I was born into a multi-generational incest based family. As a result of this, I suffered from a condition known as "Dissociative Identity Disorder."

The faction in control of governments around the world was very much interested in targeting children like myself who suffered from "Dissociative Identity Disorder." Behind these amnesic barriers is a photographic memory.

Dear Sir,

I found a book on my doorstep entitled "National Sunday Law." I read it with amazement. Then I read it again. Then I closed the book and confessed to God - "I believe this about the 'mark of the beast' and the Sabbath to be the truth." It is all making sense to me. I told God that I didn't want the "mark of the beast" but I want His seal. As I was reading I felt at that moment that God was speaking to me. Praise the Lord! Amen! A.D.S.

Also, when a person suffers from "Dissociative Identity Disorder," he develops 44 times visual acuity. That means that that person can see 44 times better than the average person. This super eyesight was targeted for military intelligence, and espionage. When a person has that type of pinpoint vision, he is far more likely to hit the target.

My father had a sixth grade education and was earning his living digging up worms. He was supplementing the family income by selling child pornography that he was making of me, and distributing it to a Roman Catholic

Mafia Child Pornography Ring. Now these criminal politicians who are interested in new world order controls, were interested in the children who were used in child pornography because they would be suffering from "Dissociative Identity Disorder," and would therefore have 1) photographic memories, 2) 44 times visual acuity, 3) and superhuman endurance. Therefore, certain government leaders secretly sanction child pornography so that they can target children like myself. That's how I became what they call a "chosen one," and a prime candidate for the CIA's "**M. K. Ultra**" mind control project.

My father was caught sending child pornography through the U.S. mail. I was six years old at the time. This perverse film was confiscated, and my father was approached and told that he could receive immunity from prosecution if he would agree to sell me into the CIA's "**M. K. Ultra**" mind control project. **Of course my father agreed! He was so excited** because now he knew that many government leaders condone child abuse, incest, child pornography, and murder. The big thing is that it makes money for the poor parents who are willing for their innocent children to be turned into the walking dead. That encouraged him to influence more families to sell their loved ones into the government hades. **In fact, it made him a wealthy man.** [But he had sold his soul to the devil. Her poor father was racing straight to hell!] My brothers and sisters are far less fortunate than I am, because they are still total robotic slaves in the "Project." There's no capacity to even think about escaping.

As soon as my father agreed to sell me into this "**M. K. Ultra**" mind control "Project," the Michigan politician who was sanctioning these criminal activities came to see him. He explained to him how to raise me according to government specifications. The name of this politician was **Gerald R. Ford!!!** He became president of the United States! [The greatest battleship ever built is the 27.4 total billion dollar, nuclear powered - aircraft carrier - the greatest ship of all time! – The "**Gerald R. Ford!**"]

Mark Phillips introducing Cathy O'Brien.

Dear Pastor Jan,

I thank God for having you put the "National Sunday Law" book out in such a loving format. Seeing the way that God is speaking through you lets me know that He loves the people on this planet with an everlasting love. God and His Son are crying out through you that His Spirit will not always strive with man. God brought me into His Seventh-day Adventist church, and I'm blessed to be in His truth-filled movement. May God bless you my brother. Sincerely, Timothy New York

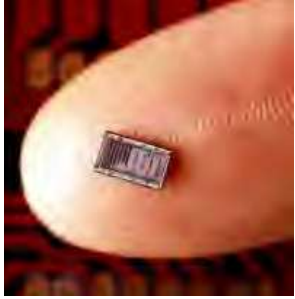

Gerald R. Ford explained to my father the components of mind control.

The severe psychological and physical trauma that I was exposed to caused my conscious mind to take flight, leaving my subconscious mind open to manipulation. They combined this with a regimen of sleep deprivation, food deprivation, and water deprivation.

One of the first things that my father was instructed to do was to take me to Mackinac Island, Michigan, where the governor's mansion is located. The governor of Michigan at that time was George Romney. He was very much interested in implementing mind control on a grand scale. [When you look beneath the surface, you find how many of these "new world order" government leaders are Roman Catholics - being in turn manipulated by their superiors - one layer above another.]

It was at the governor's mansion in Mackinac Island that I was prostituted to government leaders. They never dreamed that one day I would be able to think, and tell about their perversions with a little child. One politician I met at Mackinac Island, was the then prime minister of Canada, Pierre Trudeau. He was very much interested in implementing mind control of the masses. Prime Minister Trudeau is an open Jesuit.

Jesuits are the intelligence "arm" of the Roman Catholic Vatican. It's the Jesuit order which is very much interested in the Catholic church being the one world church in the new world order. They firmly believe in mind control. I was raised as a Roman Catholic. I belonged to the Muskegon, St. Francis Catholic Church - which was heavily involved in "M. K. Ultra" mind control activities.

At the age of 13, when I made my first communion, I was then exposed to a ritual in the church which they called "The Rite to Remain Silent." This blood ritual that I endured [by faithful church leaders] was so horrific that my conscious mind took flight and my subconscious mind was wide open to manipulation. It was at that point that I lost control of my mind.

After the "The Rite to Remain Silent," in the Catholic Church, they could then tell me exactly what perversions and crimes to perform for these government leaders. I had no mind. I had no ability to hope anymore. I was a robot.

It was after the "The Rite to Remain Silent," that I met the man who was to be my

"owner" under the CIA's **M. K. Ultra** mind control Project. He is U.S. Senator Robert C. Byrd of West Virginia.

It was Senator Byrd who ordered that I be sent to Muskegon Central Catholic high school in Muskegon, Michigan. I got straight A's. I could memorize everything word for word. But I

had no ability to analyze anything. I had no creativity. I just took in all information like a tape recorder. It was while I was in this Catholic school that Gerald R. Ford became the president of the United States!

My work as a robot was that of delivering messages between government leaders, plus distributing drugs to them. In 1978 Senator Johnston showed me a picture of the "stealth fighter," which was still "classified" government information for years to come. They already have technology that the masses could never dream of.

To Mark Robanski,  
Hi Brother Mark! Live forever!  
This is your friend Jan.  
I haven't forgotten you!  
Please call or write to my  
office and leave your address  
and phone number. I'll get  
back to you concerning your  
tooth. The Lord is with you!  
Jan

Dear Jan Marcussen,  
I am writing to you Sir because  
God has saved my life through  
your book "National Sunday Law"  
as well as your newsletter. I've  
always known that there was a  
great lie being told to the masses  
by way of the Catholic church.  
Through your literature, I've  
become a Seventh-day Adventist.  
I now keep God's Sabbath day  
holy instead of Sunday! May God  
bless you and His SDA people  
around the world! D.S. Jessup,  
MD

Dear Pastor Marcussen,  
I've read your book "National  
Sunday Law," and all I can  
say is "All glory and praise  
to God for inspiring you with  
the Holy Spirit to reveal His  
truths to all the nations  
across our planet! I was so  
shocked when I realized that  
Satan had kept my eyes  
closed all these years. My  
heart is crying to God to  
bless your work so that all  
the false teachings and  
idolatry in churches may be  
revealed, and Jesus can  
save them! Your brother in  
Christ, Hilton

Dear Pastor Jan Marcussen,  
I appreciate your ministry very much. I  
left a NSL book at the office where I work.  
It laid around for a long time, and then  
one of the head men picked it up and  
read it. Now he and his wife are both  
keeping God's Bible Sabbath, and are  
sharing it with their Baptist church and  
preacher! Our SDA church here in  
California is putting out the NSL books  
and we are already getting interests and  
Bible studies. We are praying for success  
to warn those in our area of the soon  
return of our Lord Jesus Christ.  
Sincerely, Joe

Senator Johnston took me to Tinker Air Force Base in Oklahoma. There, I received more sophisticated electronic mind control programming. They give you these

procedures on an ongoing basis to try to be sure that you will never remember what you have been doing or saying, or who you have been working with.

My experience is that the CIA's "war on drugs" is no more than the CIA's eliminating their competition. The CIA has taken over the drug industry worldwide [and the Jesuits have taken over the CIA.] Concerning this, God's word says, "Thy [Rome's] merchants were the great men of the earth; for by thy sorceries [pharmachia - whence we get our word "pharmacy" = drugs.] were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth." Revelation 18:23,24.]

Dear Sir,

A friend called me last evening. He said, "You have got to see this book! I found it under the gas pump glued to the pavement with chewing gum!" He read it last night, and then dropped it off at my house. The title of the book is, "National Sunday Law." We were stunned! God will use this book to reach millions more with God's wonderful truth! It was no accident that it fell into our hands. We thank you and we thank God! Thank you for the plain and simple truth from the word of God! Jackie K. Walnut Ridge, AR.

I was forced to take a large quantity of drugs from Louisiana to Arkansas - to a remote airport which I have identified as the Mena, AR. airport which Governor Bill Clinton used quite regularly. [This is in the video entitled, "The Clinton Chronicles."] Bill Clinton's cocaine operation was in full swing, and was being used as a funding mechanism for the new world order control. Jesuit Georgetown University Bill Clinton was a member of the Roman Catholic "Order of the Rose." I delivered a personal stash of cocaine to Bill Clinton, along with a message, and a packet of information. I watched him using cocaine many times - right up until 1988 when Mark rescued my daughter and me. My experience with Bill Clinton was mainly limited to the drug industry. Bill and Hillary are both homosexuals. It was not Bill, but it was Hillary who accessed my robotic brain to fulfill her perversions on me as a homosexual. Hillary Clinton is very much aware of new world order efforts, and is very much a part of the "Order of the Rose."

As soon as my daughter was born in 1980, Senator Robert C.

Byrd ordered both of us to be taken to Nashville and to be put under another mind control handler named Alex Houston. I was under his control until 1988. He took orders from Senator Byrd. As my handler Alex Houston followed Senator Byrd's directions to assure that I was at the designated places at specific times so that I could be used to carry out various illegal covert operations. They also took me to NASA installations for mind control programming. From the day that she was born, my daughter Kelly was subjected to sophisticated NASA electronic mind control processes.

[Our kind Father will make sure that the pain the wicked have caused others to suffer, will come back to them twice as much. Yes, "**Double!**" Not you because the punishment for your sins have been dumped - like an avenging mountain - right onto the head of dear Jesus - our Lord and our God. The agony made Him sweat blood.

Here it is - "For her sins have reached unto heaven, and God hath remembered her

iniquities. Reward her even as she rewarded you, and **double unto her double** according to her works: in the cup which she hath filled fill to her **double.**" Rev. 18:5,6.] Both the godly and the wicked will receive **double** in the earth - **double** good for the righteous, and **double** suffering for the wicked.

Here it is - "For she [Jerusalem] hath received of the LORD'S hand **double** for all her sins." Isa. 40:2. "Turn you to the strong hold, ye prisoners of hope: even to day do I declare that I will render **double** unto thee." Zech. 9:12. "Behold, the righteous shall be recompensed **in the earth: much more the wicked** and the sinner." Prov. 11:31.

Some will deny these things. Let them read the book, *Fox's Book of Martyrs*; or *The Great Controversy* by E.G. White. No one exposes the horrors of papal Rome more powerfully than God's prophet. Cathy continues - ]

Dear Sir,

I am a Muslim. I want to thank you very much for sending me the book, "National Sunday Law." It has helped many of us. I am going house to house sharing what's in "National Sunday Law." I also want to inform you of the fact that most of the Muslims in this area have rejected the Koran, and are open to the Bible truth in "National Sunday Law." May God bless you and your family. Your Brother in Christ, Mohammed Inusah

Dear Pastor Jan,

Greetings in the name of the most high God. The devil wants me sitting and wasting my time because he knows that his time is almost up, and he must move fast. I want to be a part of God's people who are winning souls for Jesus. Keep doing what God has blessed you to do! I am giving out "National Sunday Law" books while traveling, and I've put them on seats, doorsteps, doctors offices, coffee shops, sidewalks, and I've handed them to people. If I could reach God's people around the world, I would call on everyone to get this "National Sunday Law" book out to the people. I will continue to get them out by the power of God! Sincerely, R.S.

I heard Bill Clinton and George H.W Bush discussing the new world order plans. They planned that when the American public become disillusioned, Bill Clinton would be put into office as president of the United States. [That was fulfilled.] Bill Clinton was already in a high position because of the cocaine routes he was running, and because of his position of influence with “The Order of the Rose.”

When George Bush left office as president, he was not demoted, but he was promoted to a higher position in the new world order.

At a White House cocktail party, Senator Robert C. Byrd, as my robotic “owner,” sold me to President Ronald Reagan as a slave for the evening.

I heard President Ronald Reagan tell the Prime Minister of Canada that he believed that the only way to gain world peace is by the mind control of the masses.

I wonder at a “world peace” where there is no free thought, no free will, and no soul expression. I certainly don’t believe that we’re going to have world peace by controlling people’s minds and **turning them all into robots.** ☺ Each and every one of us needs to have that spiritual connection with God through Jesus, in order to deal with the realities of life.

Under M.K. Ultra mind control, I was also manipulated by my Catholic religion, I’m extremely fortunate that Mark came along when he did to rescue us. Under the government program, I was headed for certain death. The government leaders involved with me did not

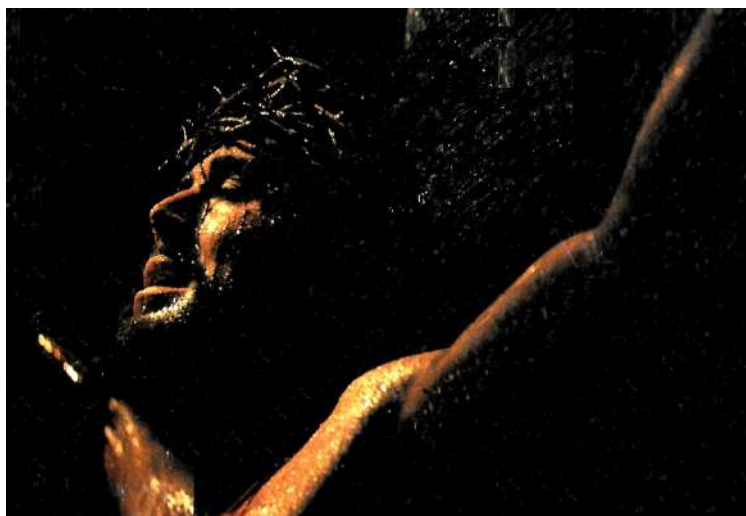

want to take a chance on me revealing any secrets, so **they were planning to kill me** in a “snuff film,” where my murder was to be videotaped and sent to the government leaders and controllers involved - ensuring them that their secrets were gone with me. But before they could do this, Mark Phillips kidnapped me and my daughter right out from under the noses of the CIA, and took us to the peace and serenity of Alaska - where, under his kind and gentle de-programming work, my mind was slowly restored back to myself. [Mark was so committed in his loving work of salvation that he asked Cathy to marry him, and she said “yes.”]

I began photographically remembering what these criminals had hoped that I would forever forget. This information was scattered so that those criminals could not stop the truth. **It is truth that sets**

**us free. The love of God is the greatest healer of all.** {Thus ends the testimony of Cathy O’Brien.}

“He that **spared not his own Son**, but delivered him up for us all, how shall he not with him also freely give us all things?... It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us... For I am persuaded, that **neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.**”  
Romans 8:28-39.

“**Oh that men would praise the LORD** for his goodness, and for his wonderful works to the children of men! For he satisfieth the longing soul, and filleth the hungry soul with goodness. Such as sit in darkness and in the shadow of death, being bound in affliction and iron... They fell down, and there was none to help. Then they cried unto the LORD in their trouble, and **he saved them out of their distresses.** He brought them out of darkness and the shadow of death, and brake their bands in sunder. **Oh that men would praise the LORD for his goodness,** and for his wonderful works to the children of men!” Psalm 107:5-15.

“**Hope thou in God, for on Calvary's cross a complete sacrifice was offered for you... Eternal joy—a life of undimmed happiness—awaits the one who surrenders all to Christ.**” HP 262.

“**When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are pardoned.**” SD 222. Praise God friend! **Praise God!**

Dear Jan Marcussen,  
I just finished reading “National Sunday Law,” and I must say that I was shocked! But I most certainly felt the presence of the Holy Spirit as I read this great and vast subject. Now I ask God to help me to follow Him and His truth all the way! God bless you. R.N.

Dear Pastor Marcussen,  
It’s a great joy to write you. I thank you for the good work that you’re doing for Christ. The book “National Sunday Law” is like the song that dismantled the walls of Jericho! I tell you that this book has done a great work in my ministry as an SDA evangelist. The NSL book is preparing many thousands in my area for Christ’s soon coming. Every year I conduct four public crusades, and in each one, many souls are converted. Through the “National Sunday Law” book, 521 souls were baptized last year, and 285 have been baptized so far this year! It’s my prayer that God will continue to help us reach more and more souls for Christ. Yours sincerely, Pastor J. B.

“The righteous shall see it, and rejoice: and all iniquity shall stop her mouth. Whoso is wise, and will observe these things, even they shall understand the lovingkindness of the LORD.” Psalm. 107:42,43. Praise God!

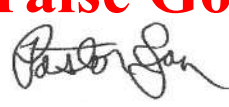

“He that ruleth in the heavens is the one who sees the end from the beginning—the one before whom the mysteries of the past and the future are alike outspread, and who, beyond the woe and darkness and ruin that sin has wrought, beholds the accomplishment of His own purposes of love and blessing. Though ‘clouds and darkness are round about Him: righteousness and judgment are the foundation of His throne.’

Ps 97:2. And this the inhabitants of the universe, both loyal and disloyal, will one day understand. His work is perfect: for all His ways are judgment: a God of truth and without

Dear Sir,  
I was completely breathless while reading your book, “National Sunday Law.” You don’t know me but that doesn’t matter. I’m writing to let you know that I found your book full of truth, and I’m excited with what is yet to come! I went to a Catholic school when I was a child, and then to a Baptist school as a teenager, and none of them satisfied my thirst. Thank you for taking time to send out this information!  
Sincerely, Your sister in Christ, N. Wells Sherman, N.Y.
