In the June 12 issue of *New American*, this special report sheds light on 1) Tech's Future; 2) Humanity & the AI End Game; 3) Surviving Tech; 4) Digital Currency; Privacy; & Surveillance. In a minute, you'll see why some people are concerned.

Here are some of the leaders in the “church militant.”

Charity: Which “church militant?” There are two.

Pastor Jan: The prophet said, “There are only two parties in our world.” 7BC 982. Here in the end of the world, these poor fiends lead the choir in the religion of Evolution.

Hope: What is that?

Dear SDA friends around the world,
Greetings in the holy name of Jesus.

Faith: The Bible verse says, “When his disciples heard it, they were exceedingly amazed, saying, Who then can be saved?”

Hope: Why were they exceedingly amazed? And what does KISS music and the Pope have to do with the church militant in the religion of Evolution?

Pastor Jan: Are you ready? Here we go -

The article reveals that some are afraid that AI will take over and cause thousands to lose their jobs. It speaks of digital currency whereby the prediction in Rev. 13:15-17 can be fulfilled, where God's people won't be able to buy or sell unless they comply with the law enforcing the mark of the beast. The article warns that AI can destroy our privacy and put us under surveillance.

But God's people need not be as concerned about those things as they are about this -

"Every form of evil is to spring into intense activity... The battle of Armageddon will be fought, and that day must find none of us sleeping... Minds that have been given up to loose thought need to change... The thoughts must be centered upon God." *Maranatha*, p. 243.

"Even your thoughts must be brought into subjection to the will of God and your feelings under the control of reason and religion." *Maranatha*, p. 222.

"When the earth is lighted with the glory of the angel of Revelation eighteen, the religious elements, good and evil, will awake from slumber, and the armies of the living God will take the field." 7BC 983. Praise God!

Faith: How does the religion of Evolution fit into what's happening and what will happen?

Pastor Jan: It gets rid of the six days of creation. It gets rid of God's Sabbath on the seventh day. It gets rid of the law of God, and the word of God as the infallible authority. It replaces them with the words of men controlled by demons.

It gets rid of dear Jesus as our Saviour from sin and death and gives the masses the worthless religion of Evolution - which prepares the way for the man of sin to do "according to his will." Daniel 11:36.

"Those in tune with Jesus are aware of the corruption of thousands of children in the schools from the Evolution religion. Dr. K.H. said that when he tells the evolutionist people that Evolution is a religion, "It makes them hopping mad." He said, "That's why I do it every few minutes." ☺ He said -

1} The theory of Evolution is based on nothing but lies. It's the foundation for Humanism, Racism, Nazism, Communism, Fascism, and the New World order.

2} Everything that's ever been used for the theory has been proven wrong.

3} With the blessing of Evolution [the survival of the fittest] violent crimes have increased 1000% in past years.

4} Within just nine years there were 29 school shootings in America. Concerning the Columbine school shooting, Dylan Kleibold's father was a geologist who believed in Evolution.

5} Both boys were followers of Nazi Evolution teachings. They did the shooting on Adolf Hitler's birthday. On Eric's T-shirt, it said, "Natural Selection." On his birthday, April 20, 1945, Hitler said, "**It's good for the government that the masses don't think. Otherwise, our society as we know it might cease to exist.**" Evolution is an official Roman Catholic teaching - upheld by the popes. "And that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, showing himself that he is God." II Thess. 2:3,4.

In the end of the world, church people rock, scream, and hop.

Faith: What's under the white box?

Pastor Jan: It's a secret. I learned that a number of pastors are against the third angel's message and deny the investigative judgment. They downplay the holy Sabbath of God, and uphold music that makes angels weep.

Rolin Rock: But if the antichrist blesses it, it's got to be good! No?

The Pope blessing the headset of Guilherme Peixoto, a Catholic priest, who is also a DJ at a powerful radio station at night. That way, the Pope and his fellow workers can move people to sing, and swing, and sin, and celebrate.

https://www.reddit.com/r/europe/comments/dw8mnz/pope_francis_blessing_guilherme_peixotos

Rome has provided DJ Guilherme Peixoto a party-worshipping atmosphere. Some Seventh-day Adventist youth leaders also want to be cool and become DJs for God. Many youth ministries perform with full bands and worship with exciting noise, drums, and demons. The article reveals that music is a new religion, and DJs are facilitating the worship experience."

"Beguiled with music and dancing and allured by the beauty of heathen vestals, they cast off their fealty to Jehovah. As they united in mirth and feasting, indulgence in wine beclouded their senses and broke down the barriers of self-control. Passion had full sway; and having defiled their consciences by lewdness, they were persuaded to bow down to idols. They offered sacrifice upon heathen altars and participated in the most degrading rites" *Patriarchs and Prophets*, 454.

Point #6) Islam teaches that if you don't join them, they have to kill you. 100 times in the Koran it says that they are required to kill anybody who won't convert.

And the Koran teaches Evolution! I've shown you the picture of the Pope kissing the Koran. Now, Jesuit controlled ISIS is killing masses of non Catholic Christians. Christian persecution is exploding! No one would dream that Rome has anything to do with any of this! Prof. Walter Veith's video, "The Islamic Connection," reveals that Islam was set up by Rome & that the wife of Mohammad was a Roman Catholic nun. As part of the "all" of Rev. 18:24, Islam was set up by Rome to kill Rome's rival - godly Protestant Christians.

Autism increased 75,000% in Illinois over a 10 year span. That's because of vaccinations. How are the elite monsters going to maintain the population under a billion? They've got big plans to reduce the population. Will vaccinations ever be part of it? In 2021, unless people complied, the dictatorship caused many to lose their jobs so they couldn't buy or sell.

Premarital sex has increased like crazy since 1963 [near the beginning of the Vatican II Council in Rome] After that, the teaching of Evolution became popular in our school system. Catholic infiltrators went out of that Council to promote Evolution.

Notice the date in this picture! It's Hitler's birthday. The devil's religion of Evolution is at work in these poor souls at Columbine high school. From the time this picture was taken, it will be just 11 minutes before they follow Hitler in suicide. When dear Jesus awakens them, they and their gods - Hitler, Evolution, and Death - will receive their final reward - which they love - for "All they that hate me love death." Prov. 8:36.

Dr. K.H: "I spoke in a public school and a kid sitting on the second row said, 'I'm an atheist.' I said, 'You don't believe that there's a God?' He said, 'No, there's no God.'

"I said, 'Do you know everything?' He said, 'No.' I said, 'Do you know half of everything?' He said, 'No.' I said, "Let's pretend that you know half of everything." I said, 'Is it possible that God exists in the other half that you don't know?' A brand new thought. It rattled around in his brain for a while and got lost I'm sure.

"Charles Darwin's cousin, Francis Galton, started a movement to purify the human race. He said, 'Let's get rid of some of them.' More than 60 million people died in WWII. What Hitler did was because of his belief in Evolution.

"When the Communists took over China they didn't start teaching communism in the schools. The first thing they did was start teaching Evolution. Evolution is also the foundation philosophy for the new world order.

"After shooting down a number of students, one of the gunmen shot Valeen Schnurr in the library. As she lay under a table wounded, Dylon Klebold looked under another table and said, 'Peekaboo,' then shot Cassie. Her family confirmed that she was truly abiding in Christ. She died. The two boys were acting out Satan's religion of Evolution. Valeen Schnurr - still lying under

the table wounded, was praying out loud when one of the gunmen came over and looked at her under the table with his high-powered weapon. She had already been shot once. He said, 'God!' 'Do you really believe in God?' She said, 'Yes, I believe in God.' He walked away to shoot other people. She

Dear Pastor Jan,

I was raised Roman Catholic. One day, my mom told me to go in her drawer and get something. At the bottom of the drawer was a copy of your book "National Sunday Law." I just stared at it. All I knew was mass, confession, and sin. Now, God led me to become a Seventh-day Adventist. I've never regretted it. Then I started going to church, and, eventually, I realized that the church I was going to was watering down the message and not giving it to the people, not even in literature. So I went to an Adventist Book Center to look for literature with the real SDA Bible message in it to give to the people. The only book that had God's three angels' messages in it in a simple form for the public, was the book, "National Sunday Law." So, I bought them and started to give them out. Let me tell you, the cover of that book stands out! "National Sunday Law" has THE message, not watered down. I believe that book is worth everything, that no amount of money is too much to get that book out to the people while we still have time. Heaven will be cheap enough! I'm going to keep getting them out to the people no matter what! God be with you all! Curt Green

Dear A. Jan Marcussen,
After reading "National Sunday Law," I feel tremendously enlightened. I feel like a gigantic cloud has been blown away from me by the great truths that you brought to my conscience! I can't remember when I was so spiritually stimulated! I want to say "Thank you" from the bottom of my heart! I have a thirst for truth. As a result of "National Sunday Law," I have met with my friends, and have shared with them the facts of God's true seventh-day Sabbath. I have a tremendous peaceful, contented feeling. Reading your book has changed my life. It is my intention to let others know about your wonderful book! God bless you and thank you! Your brother in Christ, Richard

lived."

Charity: Why do some godly people live and some die?

Pastor Jan: The answer is found in Isa. 57:1, 2. Except for Enoch and Elijah, everyone who has ever been born has died. In God's tender love for us, those of us who are too weak physically, mentally, or spiritually to go through the time of trouble - will die. Be ready every minute! I praise God for His eight laws of health as in *Ministry of Healing*, and *Councils on Diet and Foods*. If you are serious about never dying, then study those eight simple laws, and put them into practice! You'll be so glad you did!!!

Dear Pastor Jan,

Your book "National Sunday Law" has come to redeem people from straying from God and His truth by the tricky works of Rome. I thank God that "National Sunday Law" gave me freedom from all mental pressures by throwing light on the ways of our Father God. A friend gave me the book. After reading it, I felt a great relief. It gave me the power to arise and be strong in the Lord so as to keep the enemies of the Lord down. Now I feel in my spirit that I will follow Christ all the way! May God's blessings be upon you all. Amen! Asare Akwasi

Karl Marx started writing his Communist Manifesto in 1844 [the very year that the investigative judgment in heaven began.] He said, "Darwin's book [on Evolution] is very important to me."

Karl Marx had six children. Three of them died of starvation in infancy. In Satan's religion of Evolution, the

fiend gives the people no love. Since the Evolution religion teaches that people are just highly developed animals, would Marx be full of sorrow if his children slowly starved to death? "He that loveth not, knoweth not God, for God is love." Two more of his children committed suicide. And why should he care about that? There's no love in Evolution. When Marx died in 1883 only 6 people attended his funeral. If he loved no one and no one loved him, why should he care if no one came to his funeral - except to celebrate? These things are the fruit of Satan's religion of Evolution.

Faith: So what can overcome the devil?

Pastor Jan: When Prince Adrian was 5, he and I were taking a walk together. All of a sudden he picked up a stick, and holding it up, he said, "With this stick we will beat the devil!"

I sweetly explained things to him and he was content. So what can beat the devil? Here it is -

"The righteousness of Christ, as a pure, white pearl, has no defect, no stain. No work of man can improve the great and precious gift of God. It is without a flaw. In Christ are 'hid all the treasures of wisdom and

knowledge.' Col 2:3. **All that can satisfy the needs and longings of the human soul, for this world and for the world to come, is found in Christ. [Praise God!]** Our Redeemer is the pearl **so precious** that in comparison all things else may be accounted loss.

"Christ 'came unto His own, and His own received Him not.' John 1:11. But not all were found indifferent to the gift of heaven. The merchantman in the parable represents a class who were sincerely desiring truth.

"In the parable the pearl is not represented as a gift. The merchantman bought it at the price of all that he had... When we thus give ourselves wholly to Him, Christ, with all

the treasures of heaven, gives Himself to us. We obtain the pearl of great price... [Praise God!]

Dear Sir;

Several months ago, a friend gave me a copy of a book called "National Sunday Law." Having been raised a Roman Catholic, I was curious and began to read. As I read, it was as if a fog was lifted and I felt a bright, wonderful feeling. I read the whole book from beginning to end, and then I immediately read it again. Words cannot describe how much my life has changed since then! Now I'm studying with several Seventh-day Adventist people and am studying the Bible as I have never done before. I have now fully accepted the Seventh-day Adventist Bible message, and have made plans to be baptized as soon as possible. I want to get more of these books to share with others! I thank God for allowing me to have my eyes opened! God bless you all!

Sincerely,
T. M.

Dear Pastor Jan,

I thank God that he allowed me to meet people like yourself who truly love Him and want to follow Him. I want to see you and Sweet Vennita in heaven. Thank you for getting God's message to me. Your book "National Sunday Law" gave me the truth of God! I attended the Seventh-day Adventist church after reading it. And your videos made me start reading the writings of God's prophet. Boy was I shocked! Praise God for faithful ministers and people around the world lifting up Jesus. God bless you. G.N.

Dear A. Jan Marcussen,

I read your book "National Sunday Law" and I agree with it! Because of reading it, I left the Sunday churches that I was attending. Out of all those churches, none of them are guiding their people to live by the teachings of Jesus and the holy Bible. I praise God that He has His remnant people who live by the pure truth of God's word! Sincerely, V.L.

“There are some who seem to be always seeking for the heavenly pearl. But they do not make an entire surrender of their wrong habits. They do not die to self that Christ may live in them. Therefore they do not find the precious pearl. They have not overcome unholy ambition and their love for worldly attractions... [Please Pray!] Almost Christians, yet not

Praise God friend! **Praise God!**

Dear Pastor Jan,
I was attending the Messianic Congregation in Riverside, CA. My Sunday Church had taught me that we can celebrate the Sabbath any day of the week. Some friends gave me your book and told me to read it. I started, and I couldn't put it down! I was glued to the book - engrossed by all its contents. Having been raised a Roman Catholic, I was captivated by the historical truth it presented about the Whore of Babylon. I'm writing to tell you how your book *National Sunday Law* changed my life. I drove over to my SDA friends' house to tell them that I now had the same conviction as they about keeping God's Sabbath holy. They were overjoyed at my news. I was so happy! It all started with that one book. Now I encourage everyone to order *National Sunday Law* books by the case to give to Sunday keeping Christians, family members, neighbors, dentists, doctors, mailmen, hair dressers, and to anyone else with ears to hear. Once it's in their hands, God takes over. We plant the seed and He brings the harvest!!! God will open the windows of Heaven as we share His truth with others. Sincerely, David M.

fully Christians, they seem near the kingdom of heaven, but they cannot enter there. Almost but not wholly saved,

means to be not almost but wholly lost.

“It is the Holy Spirit that reveals to men the preciousness of the goodly pearl. On the day of Pentecost the Spirit was given. Christ's witnesses proclaimed the power of the risen Saviour. The light of heaven penetrated the darkened minds of those who had been deceived by the enemies of Christ. They now saw Him exalted to be ‘a Prince and a Saviour, for to give repentance to Israel, and forgiveness of sins.’ Acts 5:31. They saw Him encircled with the glory of heaven, with infinite treasures in His hands to bestow upon all who would turn from their rebellion. As the apostles set forth the glory of the Only-Begotten of the Father, three thousand souls were convicted. They were made to see themselves as they were, sinful and polluted, and Christ as their friend and Redeemer. Christ was lifted up, Christ was glorified... By faith these believers saw Him as the One who had borne humiliation, suffering, and

death that they might not perish but have everlasting life. The revelation of Christ by the Spirit brought to them a sense of His power and majesty, and they stretched forth their hands to Him by faith, saying, ‘**I believe.**’

“Then the glad tidings of a risen Saviour were carried to the uttermost bounds of the inhabited world. [**Praise God!**] Believers were reconverted. Sinners united with Christians in seeking the pearl of great price. One object swallowed up all others. All

Dear Sir,

I have read “National Sunday Law.” Now I know why the Lord brought me out of my Sunday church! Others have also left it after years of being deceived. To those who rebuke me, I say, “We ought to obey God rather than men.” Acts 5:29. Thank you, Sharon H.

Dear Pastor Marcussen,

It was such a blessing to have read your book “National Sunday Law” concerning future events that are about to take place. I am convinced that you have interpreted Bible prophecy correctly! As I read your book, my spirit cried out “Truth, Truth, Truth!!!” Thank you for your book and the clear teachings that you present in it! God bless and keep you. Your humble brother always, Mitchell TN

Dear Jan Marcussen,

I received your book, “by no accident.” A great friend of mine gave it to me. Your book “National Sunday Law” is both enlightening, and inspiring! So many truths were revealed! The book is a work of love! This is a book that I will definitely pass on to all my friends and even my enemies. Sir, this wonderful knowledge is by far the most exquisite gift anyone could have ever given me. God bless you. Jessee L.

These scenes are to be repeated, and with greater power. [Praise God!] The outpouring of the Holy Spirit on the day of Pentecost was the former rain, but the latter rain will be **more abundant.**
