

“And he shall prosper till the indignation be accomplished... Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all. But in his estate shall he honour the God of forces... and he shall cause them to rule over many.. He shall enter also into the glorious land, and many countries shall be overthrown... But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy... And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.”

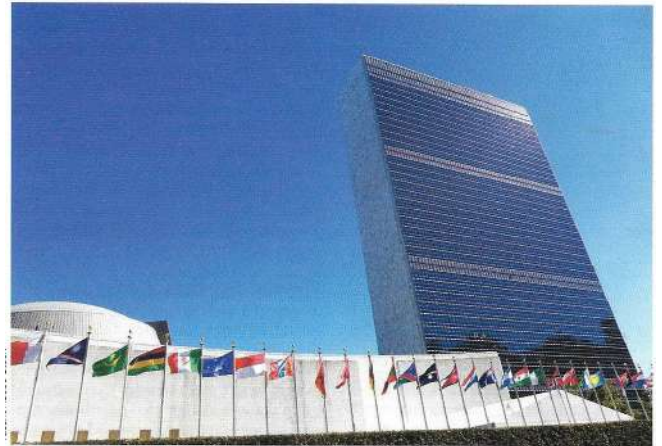

What kinds of things are we going to see in the end of the world? In this letter you're going to see that great changes are taking place. This year you'll see things that you never dreamed of.

UN REPORT CONDEMNS U.S.

The New American, Dec. 25, 2023

The latest report issued by the UN Human Rights Committee demands that the United States crack down on free speech, change the Constitution, and allow more abortion.

The UN Building

Do you see all the flags? In this article, you're going to get a hint as to why the Sunday law will finally become universal - enforced by nations around the world. Do you know why it will become universal? What does the word "universal" mean? The word "universal" means, "Catholic." The word "Catholic" means "universal."

WHAT THE NURSES SAW

An investigation into systemic medical murders that took place in hospitals and the nurses who fought to save their patients

Ken McCarthy

Dear SDA friends around the world,
Greetings in the name of dear Jesus.
Faith: The verse says, "He shall prosper till the indignation be accomplished." Dan. 11:36. What will happen then? How will the indignation be accomplished? How will it affect us?
Pastor Jan: Are you ready? Here we go -

“He shall prosper till the indignation be accomplished.” Dan. 11:36. The word “He” in Dan. 11 is talking about the papacy. When will he quit prospering? When billions of bodies are strewn around the world from the plagues, and from “the brightness” of His coming. Until then, the evil fiend will prosper and get worse against God’s people - even unto the death decree as described in Rev. 13:15-17.

Why will our kind Father allow it? It will drive the saints so close to Jesus and to each other; and the bad grapes so close to Satan, that both good and bad grapes will be “fully ripe.” Rev. 14:15. They will all be “perfect” = “**perfect**” in the image of Satan, or “perfect” in Christ’s righteousness. We’re in the process now. How? Mainly in little things. In heaven, we will be surrounded by pure and holy neighbors. The big thing in building a perfect character which can live in a pure and holy heaven - is the little things.

Most church members practice doubtful little things. [Romans 14:23] That’s why, when the persecution comes, “the majority forsake us.” LDE 180. Then the horrors of the dark ages, and the glories of the day of Pentecost will be blended. But the fiery trial will galvanize us “when the Lord shall have washed away the filth of the daughters of Zion.” Isa. 4:4. Praise God!

In the book, *What the Nurses Saw*, Ken McCarthy said, “These [drugs] were approved and used routinely beginning with the patient’s arrival at the emergency room, and used throughout the patient’s hospital stay.”

- Midazolam (Versed)
- Lorazepam (Ativan)
- Morphine
- Fentanyl
- Dexmedetomidine hydrochloride
- Propofol (Diprivan)
- Vancomycin

Hope: Did these names come from the lips of a toddler?

Pastor Jan: Do you see the Fentanyl killer anywhere? Concerning the Fentanyl killer, it says - “In the United States, Fentanyl is now involved in more deaths of people under the age of 50 than any other cause in the country, including even heart disease, cancer, suicide, homicide, or any other accident!”

While people are dying all around, we can praise our kind Father for His 8 laws of health - which you can share with others. These precious 8 laws keep us all in health, and their wise use can bring a person back to health if he hasn’t gone too far. Do you know what they are? They’re plainly spelled out in the little book, *Two Months to Live* - which I will give free to those who get a box of the little NSL preachers to help save souls.

Medical doctors are required to give you only drugs that are approved by the AMA and the medical boards in cooperation with the drug companies. It’s no wonder that Alberto Rivera [the Ex-Jesuit priest] revealed that the Vatican owns more than 50% of the stocks of the drug companies. Thus, Rome indirectly controls them in harmony with Rev. 18:23,24. A doctor friend of mine was told by a man from the medical board that if he didn’t use only approved drugs he would lose his license to “practice” on people. How does it work?

Many times it’s like this - a person gets an ailment from alcohol, smoke, drugs, poor diet, lack of exercise, and from breathing stale, polluted air at night. [Crack the window a little. I contracted various diseases when I was a baby from breathing stale air at night while my crib was in a walk-in closet. It’s a miracle that I’m still alive.

So the man goes to the doctor - who tells him nothing about how to get rid of the cause, but gives him an approved drug to get rid of the symptom. When I told this to the aide, as I was waiting for the doctor, she said “You nailed it!”

I said, “The drug gets rid of the symptom but causes another symptom. So the doctor gives him a second drug to get rid of the second symptom, which causes a third symptom. Then the doctor gives him a third drug to get rid of the third symptom. Then she said, “You nailed it!”

Then I said, “By this time, if he is still alive, those drugs together give him more symptoms. He’s getting weaker and worse, with the symptoms piling up and pulling him down toward the grave. She said, “You nailed it!”

I said, “Now, the frustrated doctor takes him off all the drugs, and tells the poor man to come back in a week to see the result of him taking nothing. Soon the man amazingly starts to get better, and is happy on the road to health. So then he tells his family and friends about his wonderful doctor. She said, “You nailed it!”

I gave her an earful of what’s going on, but I was way too bashful to tell these shocking things to the doctor. Then I said, “When is the doctor going to come in?”

She said, “I am the doctor!”

I was shocked!!!

As she was walking out, the doctor said, “These patients are on about 5 million drugs.” Can the poor doctors sense that they are in a type of slavery? Many of them don’t know what to do about it. Both they and their patients are held in the clutches of a great universal power which deals in “slaves, and souls of men.” Rev. 18:13. Can you guess who that is? If they knew who controls the drug companies and the medical boards, they would be shocked.

And there are also hero doctors and many hero nurses - who are fighting to protect their patients. Here is just a tiny taste of what’s happening since the wicked came into power.

One nurse {out of many thousands} said “I watched the doctor drop a central line and rupture the subclavian vein, and the guy bled to death.”

Another nurse - “I watched the anesthesiologist place an ET tube and rupture his esophagus. Then the patient choked to death in his own blood.”

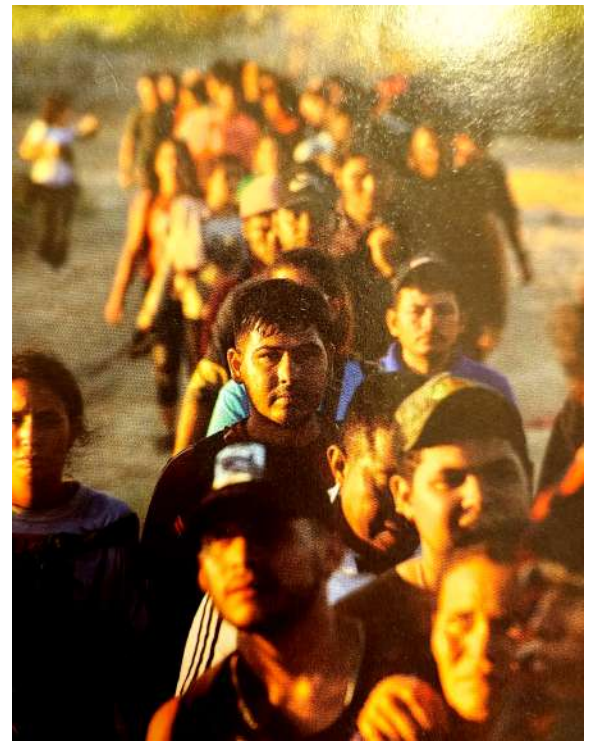

Another nurse - “The workers literally don’t even check to see if a patient is dead. How many times have I told you that they’ve assigned me to a dead person?! How long have they been dead? Nobody knows!”

Another nurse - “I don’t know what to do anymore. I tried calling advocacy groups. I tried talking with management here. Nobody is doing anything. We still have a 100% mortality rate in the ICU unit I just left. The patients there are being neglected and they’re all dying! [The workers are in a stupor. What would you expect from people on drugs?] It’s neglect! The patients just lie there and die. Everyone of them! Nobody cares.”

Another nurse - “The only thing I can come up with as an illustration of what’s happening in many hospitals, is that it’s like we are in Nazi Germany and they are taking the Jews to the gas chamber. And I’m the nurse who is crying out, ‘Hey this is wrong!’”

Dear Pastor Marcussen,
I have received horrific news. [redacted] First Church has started Sunday morning worship services that have been approved by the Conference office. People from [redacted] to [redacted] to [redacted] are in shock over these developments and have been calling me. The Conference president is very liberal, appointing women pastors, sponsoring Sabbath carnival outreach days with outdoor cookouts, balloons, games, and mime dancers - on God’s holy Sabbath day. The issue of Sunday worship is not going away because time is fast running out! Sincerely, Pastor R.H.

You can see why the prophet of God said, “The majority forsake us.” LDE 180. Here it is - “The shaking of God blows away multitudes like dry leaves.” 4T 89. “The church may appear as about to fall, but it does not fall. It remains, while the sinners in Zion will be sifted out—the chaff separated from the precious wheat. This is a terrible ordeal, but nevertheless it must take place.” 2SM 380. [Nearly everyone you’ve ever known in church will - under pressure - become Sunday-keepers.] “To stand in defense of truth and righteousness when the majority forsake us, to fight the battles of the Lord when champions are few—this will be our test.” 5T 136.

The procession of the dead. They mix Fentanyl with other things and call it “speedball.” Many don’t know that one dose can kill you, until it’s too late.

Dear A. Jan Marcussen,
I am an ordained minister in the Assemblies of God. I stopped at a rest stop, and there was the book, “National Sunday Law.” I have now read the book 4 times, and I know that it is true! I feel that it’s a miracle that I received it. I’ve looked up all the scriptures on God’s 7th day Sabbath. I will now observe God’s Sabbath and keep it holy. Not only that, I feel a great responsibility to tell others in my church. I had great expectations but this little book is my great treasure! I marvel at God’s ways. Sincerely, M. Julian

Another nurse - “Many are not dying of Covid, okay? Some are ending up with multi-organ failures filled with blood clots that kill them. I’m not

a new graduate. I’m literally telling you that they are murdering these people. And nobody will listen to me.”

Pastor Jan: They’re speaking for thousands of faithful nurses and doctors. It was Catholic monks who “practiced” how to distill alcohol. And they haven’t quit practicing. Our kind Father has exposed this universal power. “For by thy **sorceries = the Greek word is Φαρμακεία = Pharmakeia =**

pharmacies were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.” Rev. 18:23,24. Notice the word “all.”

My own dear sister is one of these nurses. She told me that she has noted what drugs the doctors are having the nurses to give people, and she noted the condition of those people after she gives it to them; and she said, “This is killing these people. What I’m giving them is killing them! So I disposed of those pills, and I just didn’t give it to them.”

Dr. Echols was the head doctor of the Virginia State Health Department. My father was the #2 man under him. "Stay out of the hospitals!" was what Dr. Echols told my father.

Vennita's Corner: "God is always a majority." AA 590

Hope: Why are such chaotic things happening in society as if the people are insane? Is it because the wicked - who are controlled by demons - have come into power? Why did our kind Father allow it? Is it because we are in the end of the world?

Charity: What about the UN Report that's brought to view in the December issue of The New American?

Pastor Jan: The UN praised the [redacted] administration for the great progress they've made.

Faith: What progress was it?

Pastor Jan: The article reveals that the UN praised the U.S. for -

1 - the progress they made by promoting the killing of unwanted people while the unwanted people are still on the new born delivery table.

2 - The article reveals that the UN praised the administration for their promotion of "Queerism" where they cut off people's private parts and throw them into the trash can. Now men who love it can enjoy going into women's restrooms for the entertainment they crave before they burn up in hell. The Pope has also openly praised them for their loving care of transgenderism. The things the UN praised them for are the things that the papacy is also happy about because it moves the great MOTHER Church of Rev. 17:5 ever closer to obtaining her three great goals. What are these three great goals?

The prophet of God reveals it -

"The Roman Church is far-reaching in her plans and modes of operation. She is employing every device to extend her influence and increase her power in preparation for a fierce and determined conflict to A) regain control of the world, to B) re-establish

The UN also demanded that the U.S. government take more action against states that are working to protect children from surgical genital mutilation known as "gender-affirming care." It called for ensuring that men be allowed to use the bathroom with girls.

"The UN 'human rights' bureaucracy released a scathing report slamming America as a bastion of horrors."

"The UN even calls for the United States to change its Constitution to comply with UN schemes."

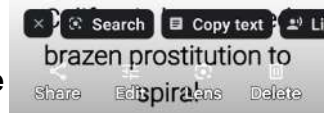

What does Rome have to do with anything? You're about to find out -

"The Constitution of the United States guarantees liberty of conscience. Nothing is dearer or more fundamental. Pope Pius IX, in his Encyclical Letter said: 'The absurd and erroneous doctrines or ravings in defense of liberty of conscience are a most pestilential error—a pest, of all others, most to be dreaded in a state.'" persecution, and to C) undo all that Protestantism has done." GC 565, 566.

"Protestants little know what they are doing when they propose to accept the aid of Rome in the work of Sunday exaltation.

While they are bent upon the accomplishment of their purpose, Rome is aiming to re-establish her power, to recover her lost supremacy. [When will it start? Will it start in our day when church leaders employ "the power of the state" to take little churches to court?] Let the principle once be established in the United States that the church may employ or control the power of the state; that religious observances may be enforced by secular laws; in short, that the authority of church and state is to dominate the conscience, and the triumph of Rome in this country is assured.

"God's word has given warning of the impending danger; let this be unheeded, and the Protestant world will learn what the purposes of Rome really are, only when it is too late to escape the snare." GC 581.

How long will that take?

Dear Jan Marcussen,
I want to thank all of you who had anything to do with publishing "National Sunday Law." This book is a creation of Jesus Christ. I put them in my church. People grabbed them up to read them! I'm so inspired by these books that I feel that I need to put more copies of them in other churches, and get them out to many people! I was confused about which day the Sabbath was until I read your book. But thanks be to Jesus! I know that I can get more of these books into the hands of the people. Keep up the good work in Jesus' name! M. Brown AL

Dear Jan Marcussen,
I appreciate your ministry very much. I've been watching your CCA video series. I left a NSL book at the office where I work. One of the head men picked it up and read it. Now he and his wife are both keeping God's Bible Sabbath, and are sharing it with their Baptist church and preacher. Our SDA church here is putting out the NSL books in our area. We are praying for success to warn people of the soon return of our Lord Jesus Christ. Sincerely, Joe

Dear A. Jan Marcussen,
The book "National Sunday Law," what dynamite! I just loved it and couldn't stop reading it. I felt so happy! I want to know more! A lot of my questions got answered, and it's a lovely feeling especially that you know God is there all the time right next to you!
Yours truly, Amanda

“When Protestantism shall stretch her hand across the gulf to grasp the hand of the Roman power, when she shall reach over the abyss to clasp hands with spiritualism, when, under the influence of this threefold union, our country shall repudiate every principle of its Constitution as a Protestant and republican government and shall make provision for the propagation of papal falsehoods and delusions, then we may know that the time has come for the marvelous working of Satan and that the end is near.” 5T 451.

Dear Pastor Marcussen,
I'm a soldier in the army. I feel overjoyed with excitement because of "National Sunday Law." May you be blessed! Two of my fellow soldiers have read the book, and have left the Roman Catholic church, and have become Seventh-day Adventists! And there are three more. I make mention of you in all my prayers. One day we will meet above. Thank you so very much! Yours faithfully, Roy C.

People need the Lord! Watch closely -

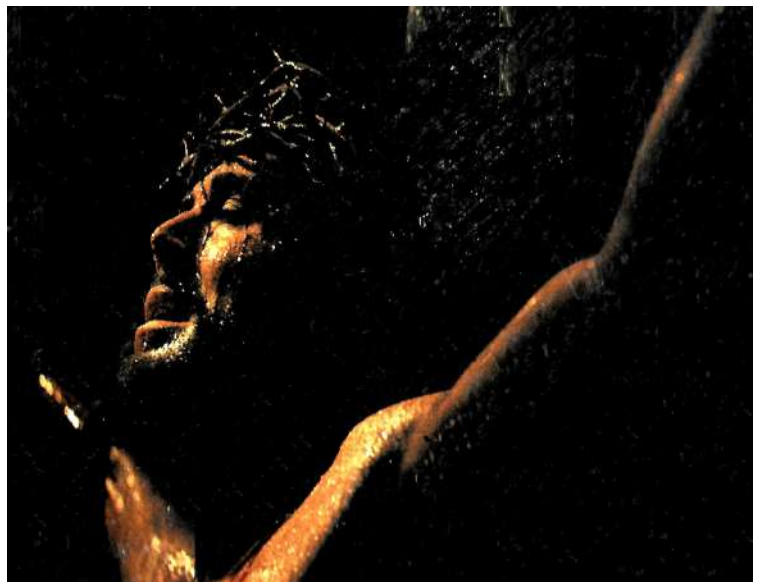

“The people were held spellbound. The very men who were the most violent against Him felt themselves powerless to do Him harm...

“Suddenly Jesus lifted up His voice, in tones that rang through the courts of the temple: ‘If any man thirst, let him come unto Me, and drink. He that believeth on Me, as the scripture

hath said, out of his belly shall flow rivers of living water...’

“Their eyes had been dazzled with light and color, and their ears regaled with the richest music; but there had been nothing in all this round of ceremonies to meet the wants of the spirit, nothing to satisfy the thirst of the soul for that which perishes not. Jesus invited them to come and drink of the fountain of life, of that which would be in them a well of water, springing up unto everlasting life. **Praise God!...**

Dear Amazing Truth,
I was in a mega-church of 4,000 people. I was in all kinds of activities with this church and was sitting up on the platform behind the pastor. I have spent a lot of time and money, doing this study and that study, getting college degrees, you name it - and now I am a pastor. Well, one day, here comes this book *National Sunday Law* in the mail. I read it, and said, ‘O my Lord, it is over!’ This book is nothing but total truth! NOW I know that true love is willing obedience, and by His grace, I'm going to be obedient. The author of "National Sunday Law" is truly blessed! Wow! This book was what I was looking for to put it all together! I could not arrange this truth so eloquently and orderly as Jan Marcussen did. People are being stirred! I plan to get 100 of them to give to others. Your brother in Christ, Ernest

Dear Sirs,
My son found the book "National Sunday Law" on our doorstep. I want you to know that this book has changed his life in many ways. I thank God that the book made it to our door-step. He showed me the book and asked if I thought that it was good to read. I looked at it and said that I thought it would be interesting. He couldn't put the book down! While he was reading it, he was telling his sisters and me what he was reading about. That got them so curious that they're reading it now, and I've read it. We plan to get more of these books so we can give them to others! My whole family thanks you! Sincerely, GG
