Hope: Do you see a metal robot? What does it know?

Pastor Jan: Nothing. It's just metal, plastic, wires, and paint.

Charity: Will she ask it to marry her? Are we in the end of the world?

Dear SDA friends around the world,
Greetings in the name of dear Jesus!
Faith: The King said to God's people, "If ye worship not, ye shall be cast the same hour into the midst of a burning fiery furnace; and who is that God that shall deliver you out of my hands?" Daniel 3:15. When God's modern people are in that position, what will happen then? And what's leading to it?

Pastor Jan: Are you ready? Here we go -

In my last letter, we looked at the condition of the world's two armies. Now we look at the minds of the people in those armies. The prophet said -

"The agencies of evil are **combining** their forces and consolidating. They are strengthening for the last great crisis. Great changes are soon to take place in our world, and the final movements will be **rapid ones.**" 9T 11. How rapid?

From the beginning of Y2K until Y2K+20, I counted 86 laws that the Supreme Court struck down because they were unconstitutional. Some of them were -

1) June Medical Services LLC v. Russo, No. 18-1323 (U.S. June 29, 2020). It was a law requiring abortion providers [baby killers] to have admitting privileges at hospitals within 30 miles of where an abortion is performed or induced.

If the Supreme Court had not struck it down, the law "required" that the wicked fiends be allowed to go into hospitals within 30 miles of where they murdered the babies. That way, Rome's agents could find more babies to murder. This is just a **small** part of the great thrust by the Vatican "new world order" to cause chaos while reducing the population so that Rome can take it over, as revealed in the books, *Making America Catholic*, and *50 Years in the Church of Rome*. It's no wonder that Rome is preaching against abortion. Rev. 17:5 reveals the "MYSTERY" of why she preaches against what she is secretly doing. Look at all the aborted baby skeletons in convent lime pits. The subject is on CCA video #9.

2) Dawson v. Steager, No. 17-419 (U.S. Feb. 20, 2019). The crooked law was a statute providing a tax exemption for the retirement benefits of certain state law enforcement employees but not for federal retirees who had comparable job duties.

3) Murphy v. National Collegiate Athletic Ass'n, No. 16-476 (U.S. May 14, 2018).

This law was struck down because it prohibited states from authorizing sports gambling schemes. Should states authorize gambling schemes? Was that law struck down so that gambling schemes can flourish? Can you guess who is controlling the Supreme Court? Who's at the bottom of gambling? Gambling schemes began with "Bingo" in the Catholic churches and in the church yards where they had what they called bazaars. A bazaar is conducted in Catholic churches or church yards where they sell all kinds of stuff, and gamble. When I was a little boy my dear grandmother took me to a Roman Catholic church yard where they were having a bazaar and gambling with poker cards, a roulette wheel, and other devices of the devil.

At the top of this picture it says, "Police state: Australian's mass protest after churches raided; Moms arrested."

"And he spake as a dragon." Rev. 13:11. Does the dragon like to use force? In this picture to the right, we see a police helicopter using infrared lenses to see people hiding in the darkness on their roof in one of the dictatorships of the hypodermic needle. A few weeks ago when I spoke about the police seeing you through your walls and seeing you in your bed - to see if you were wearing your seatbelt and had on your diapers - **to save lives of course** - I didn't realize that things would happen so fast, and that within weeks - the police would see the people hiding from the dictators on their roofs. Since we are now in the end of the world, this type of communism is creeping and oozing to a town near you. What is it all for? Is our kind Father giving His saints a hint that we need to get His three angels' messages to the people? If you remember the two weaklings, you won't be anxious or afraid, but like dear Jesus, you will be cheerful, and at the same time - very earnest.

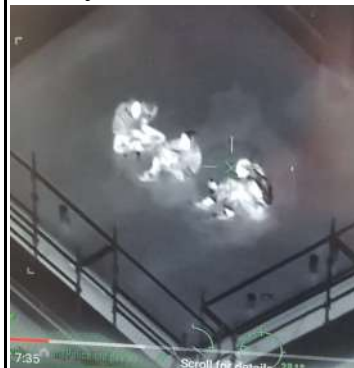

Here are two weaklings. The weaklings tumble and then they leap into the air and roll around. Can you picture that? What are they worried about? ☺ Do you like these weaklings? Would you be tempted to feel how soft they are? They're so lovely! Just looking at them is a taste of heaven! God loves them. He loves you! The lesson we can get from them is the Bible's heavenly command - "Let the **peace** of God **reign** in your heart... and be **ye thankful.**" Col. 3:15. Wonderful! So when the devil tries to make you worry, you can say, "Get thee hence Satan, in Jesus' holy name, for **dear Jesus** and the **peace of God** are reigning here!"

4) National Institute of Family & Life Advocates v. Becerra, No. 16-1140 (U.S. June 26, 2018)

This evil law was struck down because it forced pro-life clinics to promote government abortion services, but indirectly hindered the teachings of the pro-life movement.

5) Norton v. Shelby County, 118 U.S. 425 (1886) This Supreme Court case said that, "An **unconstitutional** act [law] is **not a law**; it confers no rights; it imposes no duties; it affords no protection; it creates no office; it is **as inoperative as though it had never been passed.**" But now days, papal controlled dictators ignore that, and just do anything they want.

On the roof

This Supreme Court ruling applies to the mandates by Vatican appointed dictators who mandate limits on breathing, eating, drinking, meeting, and moving. Through promises and lies, the spiritual children of Jesuit trained Joseph Goebbels now dictate what must go into your body through openings, including the pores of your skin - by way of new, shiny, hypodermic needles. You already learned of the public gathering where someone went around

sticking people with needles. On the internet, it's shocking to see that - all of a sudden - there's a push for "Hitlerism," "dictatorism," socialism, communism, and fascism to ooze around the world. Just today I heard it announced that nations like Australia are no longer totally free nations. The article shows what appears to be tens of thousands protesting and many being arrested for what the police call "Incitement." That means that freedom of speech, and freedoms to do or say anything about the dragon force are gone. Australia started as a prison colony, and is returning to one. One mother and her children went to visit someone in another district, and, before they could go home, the dragonites - like in Nazi Germany - made a dragon rule that no one can go to another district except under certain conditions, because of the lockdown. She said, "Has anyone crossed from NSW to VIC recently? My son and I are stuck in NSW and don't know if we will be able to get back. We are going to be out of resources soon, and can't keep living in motels. For the first time I'm scared we can't get home!" Notice how sudden the devil's attacks are. The prophet of God said, "The final movements will be rapid ones." 9T 11.

Using the virus as an excuse, some papal controlled nations are suddenly becoming virtual slave states like Nazi Germany. “The king commanded that the men be brought before him. ‘Is it true,’ he inquired, ‘do not ye serve my gods, nor worship the golden image which I have set up?’ He endeavored by threats to induce them to unite with the multitude. Pointing to the fiery furnace, he reminded them of the punishment awaiting them if they should persist in their refusal to obey his will. But firmly the Hebrews testified to their allegiance to the God of heaven, and their faith in His power to deliver. The act of bowing to the image was understood by all to be an act of worship. Such homage they could render to God alone.

Dear Sir:

Greetings from Texas. I want to talk with you about the book “National Sunday Law.” I’ve had this book for a long time. I threw it away and it came back! I finally read it. I couldn’t believe this book! Then I took it to the Bible and compared it back and forth to see if it is really true. It’s the truth! This is great! I’ve been sharing it with others! H.N.

“As the three Hebrews stood before the king, he was convinced that they possessed something the other wise men of his kingdom did not have. They had been faithful in the performance of every duty. He would give them another trial. If only they would signify their willingness to unite with the multitude in worshipping the image, all would be well with them; ‘but if ye worship not,’ he added, ‘ye shall be cast the same hour into the midst of a burning fiery furnace.’ Then **with his hand stretched upward** in defiance, he demanded, **‘Who is that God**

Dear A. Jan Marcussen,
I’ve been a backslidden Christian, but I was blown away at reading “National Sunday Law!” It woke me up! I have asked God to forgive me and help me to obey Him by His Holy Spirit. I will share this new knowledge with all that I come in contact with! I’m honored to be blessed with God’s message your book!

Yours in Christ, Ron NY

Dear Pastor Jan,

My Sunday Church taught me that we can celebrate the Sabbath any day of the week. Then my friend gave me your book “National Sunday Law.” I couldn't put it down! I was engrossed by all of its contents. It changed my life! I was captivated by the historical truth it presents about the Whore of Babylon. If the Ten Commandments are important enough to be written in Heaven, they are important enough to be kept on Earth, **ALL TEN OF THEM!** I'm so happy that I tell everyone I know in the Sunday Church. It all started with “National Sunday Law!” Now I encourage God's people to order them by the case to give to everyone! You plant the seed and God brings the harvest. Plant big!!! The only things beside our characters that we can take to heaven are souls won to Christ. Sincerely, David

“By the deliverance of His faithful servants, the Lord declared that He takes His stand with the oppressed, and rebukes all earthly powers that rebel against the authority of Heaven. The three Hebrews declared to the whole nation of Babylon their faith in Him whom they worshiped. In a marvelous manner their faith in the living Word had been honored in the sight of all. The tidings of their wonderful deliverance were **carried to many countries** by the representatives of the different nations... Through the faithfulness of His children, **God was glorified in all the earth.** [That's what we want!]

Dear Sir,

I was given the book, “National Sunday Law.” When I finished reading it, I knew that Saturday, the seventh day, is the Sabbath of God! It has changed my life! I was so happy that I sang. A glorious peace - which I had sought for a very long time - came into my soul. What a blessing it was! When we see the word “Sabbath” in the New Testament, it has a new meaning now! Before, we thought it meant “Sunday,” but now we see clearly that God's commandment says “the seventh day is the Sabbath of the Lord thy God” which He instituted at creation. May God bless you! F.S.

Dear Jan Marcussen,

I never thought that a book like “National Sunday Law” could change someone's heart the way it has changed mine! Everything that you have said in your book is the truth! You have made me look at life with a different meaning. I have to live for God now! I pray every day to the Almighty, that He will give me strength. You have touched a lot of people with “National Sunday Law.” Now I'm going to keep the fourth commandment like the Lord said. When I started reading your book, I couldn't put it down! It really touched my heart! I hope you keep on doing what you are doing! Please pray for me that I will always live for God and our Lord Jesus Christ from now on! Yours truly, James Tennessee

“Important are the lessons to be learned from the experience of the Hebrew youth on the plain of Dura. In this our day, many of God’s servants, though innocent of wrongdoing, will be given over to suffer humiliation and abuse at the hands of those who, inspired by Satan, are filled with envy and religious bigotry. Especially will the wrath of man be aroused against those who hallow the Sabbath of the fourth commandment; and at last a universal decree will denounce these as deserving of death.

“The season of distress before God’s people will call for a faith that will not falter. His children must make it manifest that He is the **only** object of their worship, and

that no consideration, not even that of life itself, can induce them to make the least concession to false worship. To the loyal heart the commands of sinful, finite men will sink into

insignificance beside the word of the eternal God...

“As in the days of Shadrach, Meshach, and Abednego, so in the closing period of earth’s history the Lord will work mightily in behalf of those who stand steadfastly for the right. He who walked with the Hebrew worthies in the fiery furnace will be with His followers wherever they are. **His abiding presence will comfort and sustain.** In the midst of the time of trouble—trouble such as has not been since there was a nation—His chosen ones will **stand unmoved.** [Praise God!] Satan with all the hosts of evil cannot destroy the weakest of God’s saints. **Angels that excel in strength**

will protect them, and in their behalf **Jehovah** will reveal Himself as a **‘God of gods,’** able to **save** to the **uttermost** those who have **put their trust in Him.”** PK 509-511. Praise God friend! Praise God!
