What worshipers are these? Do you see any witches anywhere? Are they in the Green New Deal? Do you see anyone wearing sweat, saliva, and bacteria tinged slave masks? Slavery takes on many forms. What does it look like in the end of the world?

If certain governors, mayors, or law-makers were there, they would be wearing no such slave masks. They might rather be laughing inside because they've understood the Vatican plan now for over two years. They know that the elite of earth are following the Roman Catholic inspired Georgia Guide-Stones near Atlanta - with the shocking goal of getting rid of over 7 billion people.

After comparing Los Angeles - which requires masks, with neighboring Orange County - which does not, it was announced on the radio today that [in view of heightened CO₂ to the brain; and the lung diseases and deaths which masks have caused] wearing the masks is a total failure. But agents of Rome are desperate to bring them back. They must have a tool to control the ignorant masses. The word of God reveals that they deal in "slaves and souls of men." Rev. 18:13.

World Environment Day will be a Sunday dedicated to Mother Earth's Pantheistic Celebration

"World Environment Day, according to the United Nations, 'continues to shape a global movement' dedicated to environmental protection. The world will once again come together to celebrate Mother Earth Sunday and the environment. People are skillfully being led to celebrate Mother Earth worship [with the witches], and Sunday sacredness. Unfortunately, spiritualism, pantheistic errors, and Sunday rest abound in this global movement. Sunday will be embraced as a solution to the climate crisis."

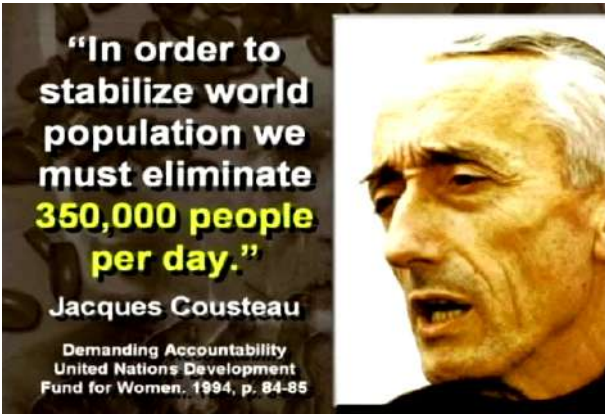

Dear SDA friends around the world,

Greetings in the name of dear Jesus!

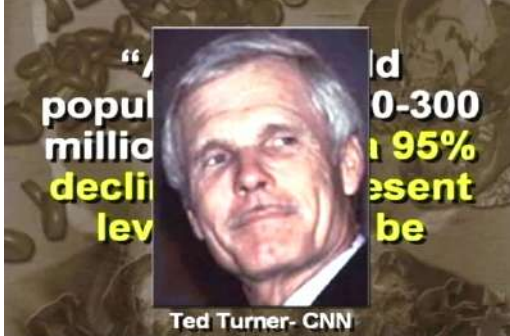

Faith: The Bible verse says, "And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down." Rev. 18:21.

How will that affect God's commandment keeping people? And how will it affect God's mighty three angel's messages? Will the devil and his vast armies stop God's work and make it glued down to the ground with the Build Back Better Green New Deal? Before probation closes forever - how will it all turn out?

"Equitable Responses to Ending the Pandemic" was the topic of one of the roundtable talks at the World Economic Forum last week.

In the presence of the global pharmaceutical industry and other billionaire elitists, Gabriela Bucher stated openly that "Covid has been one of the most profitable products ever." Oxfam International released a report on Covid called "Profiteering in Pain" and presented its findings to the World Economic Forum in Davos. According to Oxfam International, the Covid pandemic resulted in the greatest transfer of wealth in human history. [That's what the Vatican has been planning for many years - for in that way, her goals of regaining control are being fulfilled. GC 565,566.] The following is taken from the report:

- Point 1 - The Covid pandemic saw 1 new billionaire every 30 hours
- Point 2 - Food and energy billionaires earned \$1 billion every two days
- Point 3 - Billionaires' wealth increased faster during the pandemic than in the previous 23 years. [You can see why billionaires, and many lawmakers and papal church leaders secretly love Covid 19.]
- Point 4 - The super rich have rigged the system with impunity
- Point 5 - Someone in Africa dies of starvation every 60 seconds

According to point 1, the Covid virus created thousands of new billionaires. The Covid crisis, the food crisis, the gas crisis, the energy crisis, the climate crisis, the Ukraine crisis - and most every crisis you can think of - are planned out in advance by Papal leaders and billionaires in harmony with the books, *Making America Catholic; 50 Years in the Church of Rome*; and GC 565,566. To papal dominated leaders and billionaires, the Covid crisis was one of the most joyful things they've ever seen!

In the near future God's Sabbath-keeping people will also be in court concerning their stand on God's seventh-day Sabbath."

Concerning this, the prophet said -

"Our people have been regarded as too insignificant to be worthy of notice, but a change will come. The Christian world is now making movements which will necessarily bring commandment keeping people into prominence... Movements are being set on foot to enslave the consciences of those who would be loyal to God. The lawmaking powers will be against God's people. Every soul will be tested... spiritual manifestations opens the door to seducing spirits and doctrines of devils, and thus the influence of evil angels will be felt in the churches... [That's happening now.]

“Fearful is the issue to which the world is to be brought. The powers of earth, uniting to war against the commandments of God, will decree that ‘all, both small and great, rich and poor, free and bond’ (Rev 13:16), shall conform to the customs of the church by the observance of the false sabbath. All who refuse compliance will be visited with civil penalties, and it will finally be declared that they are deserving of death. On the other hand, the law of God enjoining the Creator’s rest day demands obedience and threatens wrath against all who transgress its precepts.

“With the issue thus clearly brought before him, whoever shall trample upon God’s law to obey a human enactment receives the mark of the beast; he accepts the sign of allegiance to the power which he chooses to obey instead of God. The warning from heaven is: ‘If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of His indignation.’ Rev 14:9,10.

“But not one is made to suffer the wrath of God until the truth has been brought home to his mind and conscience, and has been rejected... He who reads every heart and tries every motive will leave none who desire a knowledge of the truth, to be deceived as to the issues of the controversy. [Our kind Father is so good!] Everyone is to have sufficient light to make his decision intelligently.

“The Sabbath will be the great test of loyalty, for it is the point of truth especially controverted... Heretofore those who presented the truths of the third angel’s message have often been regarded as mere alarmists. Dear Jesus said that when He comes it will be like in the days of Lot. What was that like?

Are these two people sex fiends? One of them in this picture is running to be re-elected as the mayor of a large city. Many don’t know what the government should do about sodomites. Our kind Father reveals it in His holy word. It’s in Leviticus 20:13; and Romans 1:26,27.

You may remember that when the new Supreme Court Justice was asked over and over what a woman is, she would not give an answer.

Charity: Is the great Justice of the Supreme Court a slave to the religion of evolution? Does the poor soul know whether or not she herself is a woman? If not, what will happen on the Supreme Court?

Pastor Jan: It’s a secret. The false religion of evolution [which the pope endorses] is at the bottom of the ignorance.

Charity: In the religion of evolution, the poor sodomites think that we all came from Jello-like molecules that crept up from a rock. Does the false religion of evolution lead them to put babies to death even before they’re born?

Pastor Jan: The angels of God are backing off - backing off - and are permitting the masses to get what they want - to be controlled by demons as they sing, and swing, and sin, and celebrate. That’s been happening in a big way since January 20 of last year when faithful Roman Catholic agents took control of the nation. The mayor in this picture demanded that preachers must turn in a copy of their sermons each week to the proper government agency. What are all these things pointing to?

Dear Pastor Marcussen,

After 30 years of Sunday worship I read the book "National Sunday Law," and soon I became a Seventh-day Adventist! The book has changed my life forever! Recently, a friend gave me some of your newsletters, and the material is astounding! I'm amazed at the amount of truth that I've learned in a short time! I will be giving out these NSL books. Keep up the good work! God bless you! A.N.

"The power attending the message will only madden those who oppose it. The clergy will put forth almost superhuman efforts to shut away the light lest it should shine upon their flocks. By every means at their command they will endeavor to suppress the discussion of these vital questions. The church appeals to the strong arm of civil power, and, in this work, papists and Protestants unite. As the movement for Sunday enforcement becomes more bold and decided, the law will be invoked against commandment keepers. They will be threatened with fines and imprisonment, and some will be offered positions of influence, and other rewards and advantages, as inducements to renounce their faith. But their steadfast

Dear Sir;

I was a devoted Roman Catholic, but since someone loaned me the book "National Sunday Law" everything about my life has changed! Dear Sir,

I was a gang member but Jesus saved me out of it. I found myself so excited after reading the book "National Sunday Law." I was really moved by it! impulse strong upon them, they entered upon the performance of their duties without coldly calculating the consequences of speaking to the people the word which the Lord had given them. Then, feeling their utter helplessness, they **flee to the Mighty One** for strength. They remember that the words which they have spoken were not theirs, but His who bade them give the warning. Dear Pastor Jan,

A friend of mine called after “National Sunday Law” books were mailed to a town. She said that the Sunday pastor made a desperate attempt to get his church and the community to dump the book in the trash. “Don’t read that book!” he urged his congregation! My friend was amazed at his false accusations against God’s Sabbath. The pastor put an article in the newspaper. The headline read: “Dump This Book.” He sounded desperate in his article, which was 2 feet long! Quite a number of his facts were erroneous. And he did not give even one Bible text to support his claims. What this newspaper article did was to greatly advertise the NSL book so that now more people are reading it!! They’re investigating its Bible message! Praise the Lord! E.C.

not forbear to proclaim it...

rises to a fiercer height, the servants of God are again perplexed; for it seems to them that they have brought the crisis. But conscience and the word of God assure them that their course is right; and although the trials continue, they are strengthened to bear them. The contest grows closer and sharper, but their faith and courage rise with the emergency. Their testimony is: **“We dare not tamper with God’s word, dividing His holy law; calling one portion essential and another nonessential, to gain the favor of the world. The Lord whom we serve is able to deliver us. Christ has conquered the powers of earth; and shall we be afraid of a world already conquered?”**...

“While many of our rulers are active agents of Satan, God also has His agents among the leading men of the nation. The enemy moves upon his servants to propose measures that would greatly impede the work of God; but statesmen who fear the Lord are influenced by holy angels to

oppose such propositions with unanswerable arguments. Thus a few men will hold in check a powerful current of evil. The opposition of the enemies of truth will be restrained that the third angel’s message may do its work. **[Praise God!]** When the final warning shall be given, it will arrest the attention of these leading men through whom the Lord is now working, and some of them will accept it, and will stand with the people of God through the time of trouble.

“The angel who unites in the proclamation of the third angel’s message is to lighten the whole earth with his glory. A work of world-wide extent and unwonted power is here foretold. The advent movement of 1840-44 was a glorious manifestation of the power of God; the first angel’s message was carried to every missionary station in the world... but these are to be exceeded by the **mighty movement** under the last warning of the third angel... **[Praise God!]**

Dear Jan Marcussen,

I am Roman Catholic. I just finished reading your book “National Sunday Law.” Thank you for opening my eyes to the facts that were hidden from me by the church. Dear A Jan Marcussen,
Having grown up as a Roman Catholic, you can imagine the shock I felt when learning the truth from your book, "National Sunday Law." I don't want my family to be lost. I desperately needed your book! I had been praying to the Heavenly Father to help me understand the meaning of Revelation. I had been reading it, but I did not understand it! Now I do! And I am ready to give my life for God and for our Lord Jesus Christ. God truly is filling my heart with love, joy, and hope. This past Saturday I felt overjoyed to honor God's holy Sabbath, Saturday for the first time! I can already see that the beast {whom I was worshipping} thinks he is God! Oh how I wish that all the people who love God could see what I now see! It wasn't an accident that I received your book. I know I must get this truth out to the people! The people are blind. Oh, how many are dying without the truth! Thank you again, and may God bless you! D.I.

"The message will be carried not so much by argument as by the deep conviction of the Spirit of God. The arguments have been presented. The seed has been sown, and now it will spring up and bear fruit. The publications distributed by missionary workers have exerted their influence... its clearness, and the honest children of God SEVER the bands which have held them. Family connections, church relations, are powerless to
