What kind of a demon is this? Sex fiends in the modern public school system like to pervert little children “as it was in the days of Noah.” The article in the May 27 issue of The New American says that “Every day, Americans patronize large corporations that fund demonic perversion of their children through programs such as ‘Drag Queen Story Hour.’” Morality as it was in the days of Sodom is advocated by dozens of corporations you’re familiar with.

It reveals that even the governor of Michigan signed a bill into law which rules to the effect that if a health professional tries to help any children break away from smiling devil sex fiends who would cut their private parts off - they could lose their license.

What will it be like in the days of Noah? What about Sodom? Are we in it now? What will our kind Father do about it? We don’t have long to wait.

Likewise also these filthy dreamers defile the flesh... twice dead, plucked up by the roots; Raging waves of the sea, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever... But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost, Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life.”

“As is was in the days of Lot.”

Is this what Noah saw?

Dear SDA friends around the world,
Greetings in the holy name

of Jesus.

Faith: The Bible verse speaks of both eternal fire and eternal life. What does the original Greek word “eternal” mean in the quote? Does it mean that in heaven, God’s people will we see billions in hell, screaming, cursing God, and crying - with no end forever? What kind of a heaven would that be? How could such a hellish heaven be happy? Would such a belief make our kind Father look more cruel than the devil? Will you explain it in this letter?

Pastor Jan: Are you ready? Here we go -

United Methodists repeal ban on LGBTQ clergy

Hope: A few years ago you were warned that papal infiltrators were pushing for the ordination of women - at the G.C. meetings, while Rome stands against it - knowing that

the high standard upheld by Rome on this issue will result in some Protestant leaders and people joining the Catholic church. And you showed us that that did happen in the Episcopal church.

Charity: And what else were you warned about? You were warned that after the church leaders were tricked into getting enough votes to ordain women, the next step would be to encourage pastors and members to be very friendly to LGBTQ people by welcoming them to church functions, even to the point of letting them speak behind the pulpit. Did the G.C. vote to do that?

Pastor Jan: No. Praise God! But the poor “progressives” - like the infiltrators in the Methodist churches - haven’t given up. I showed you the booklet from the President of the North American Division. [He’s gone now.] He sent the booklet to the pastors encouraging them to help their church members to invite LGBTQ sex fiends into the churches - almost as if they were in good and regular standing. They will no doubt give you an exciting message that will move you. Do you think that if an LGBTQ sex fiend gave the sermon from the pulpit on Sabbath morning, do you think that you would be excited?

Our kind Father loves the homosexuals with an undying love. That’s why the Bible says that they are to be put to death - by the government - not by individuals. Lev. 18:22-30.

How is that love? It’s love because before the sentence of death was carried out, the poor souls had a short time to accept the Lord’s invitation of love and cry out to God for forgiveness and cleansing. Then when Jesus comes in the sky and raises the dead, they can go to heaven - like the murderer, King Manasseh. Are we in the end of the world?

“We need not be surprised at anything that may take place now. We need not marvel at any developments of horror. Those who trample under their unholy feet the law of God have the same spirit as had the men who insulted and betrayed Jesus. Without any compunctions of conscience they will do the deeds of their father the devil.” 3SM 415. Here’s a hint that we are in the end of the world -

Cathy O’Brien: To sustain our family when I was a little girl, my father sold worms. But much of the money coming in was from him selling pornographic pictures of me. He got caught and would have gone to prison for a long time, but the government agent said that he could stay out of prison if he would sell me into the government program called “MK ULTRA.”

Peter Smith *Associated Press*

United Methodist delegates repealed their church’s longstanding ban on LGBTQ clergy with no debate on Wednesday, removing a rule forbidding “self-avowed practicing homosexuals” from being ordained or appointed as ministers.

Delegates voted 692-51 at their General Conference — the first such legislative gathering in five years.

That overwhelming margin contrasts sharply with the decades of controversy around the issue. Past General Conferences of the United Methodist Church had steadily reinforced the ban and related penalties amid debate and protests, but many of the conservatives who had previously upheld the ban have left the denomination in recent years, and this General Conference has moved in a solidly progressive direction.

Applause broke out in parts of the convention hall Wednesday after the vote. A group of observers from LGBTQ advocacy groups embraced, some in tears. “Thanks be to God,” said one.

Cathy O'Brien: "Mind control effects people in many ways - from the absolute robotic mind control that I experienced under "MK ULTRA," to information control that comes through the media. Once the problem is identified, solutions can be implemented so that no one else will have to suffer the horrible mind control abuses that I was fortunate enough to survive.

Mark Phillips: Mind control research began in earnest with the rise of Nazi Germany. Hitler believed that in a new world order it was better to not destroy the earth, but rather to simply unite everyone into a slave state. This could be done by the media, through mis-information, etc. Thus, he could implement what he considered his new world order.

Cathy O'Brien: I was born into an incest-based family. This is the kind of family that Hitler was interested in working with all across Europe. By the time I was born in Michigan in 1957, Hitler's scientists had already been brought into the U.S.

under "Operation Paperclip," and mind control was in full-swing in the United States. There was a criminal faction in control of the United States government. [People around the world have been watching the "criminal faction" each day in the "Trial of the Century" - with a boldness and intensity that seemed almost supernatural.] Children like myself were targeted for mind control. My father was making money on me from a mafia based child pornography ring that was being sanctioned by U.S.

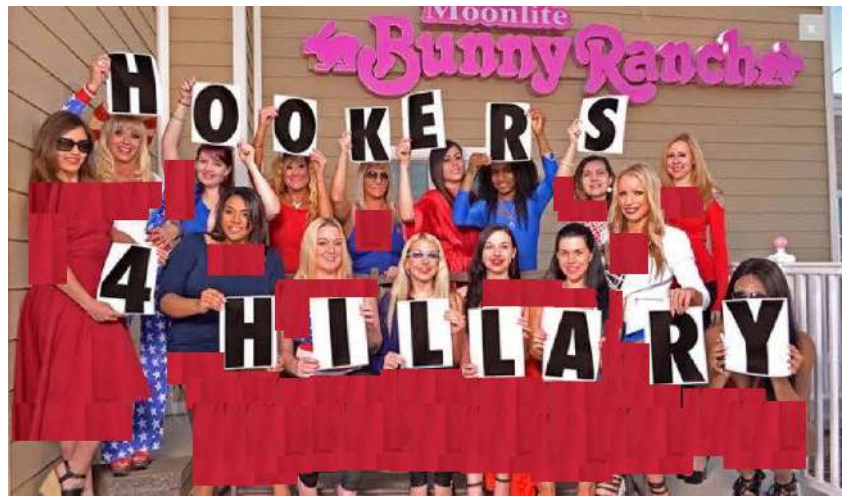

government leaders. They knew that any child that had been suffering from such abuse at home would have the mental "dissociative disorder"

that is the basis for mind control. At that time my father was approached by a politician by the name of Gerald Ford, who later became the president of the United States. He and Senator Robert Byrd worked together as my handlers to keep me in a total robotic state with hypnosis, torture, and drugs, so that all I could hear was their voices and all I could do was what they told me. Of course my father was delighted to accept their offer. **He loved it!** From being poor and selling worms, he went to selling his daughter to torture as a robot, and he became very rich.

My handlers used me as a sex slave to many national leaders, including Bill and Hillary Clinton. There are many of these human robots. For us, there were no barriers between the U.S., Mexico, and Canada.

Dear Jan Marcussen,
Praise God! I just finished reading "National Sunday Law" and it brought me back close with God. I will say that the book saved my life. How wonderful God is! I praise Him. Yours in Christ, Andrew

Dear Pastor Jan,
I was converted to God's SDA Bible truth because of your book "National Sunday Law!" Thank you for your service to God!
Alice

"And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually... And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them. But Noah found grace in the eyes of the LORD." Gen. 6:5,7,8.

Dear A. Jan Marcussen,
I found your book, *National Sunday Law* after leaving a church on Sunday. I prayed for God to help me find a widow and an orphan to give the Lord's money to because I couldn't give it to that corrupt church. As I was starting to read the book, a woman spoke to me on the side of the road. She was doing some yard work. She was a widow with an orphan. That was in Jackson, Mississippi.
After I read *National Sunday Law*, I knew the truth concerning God's Sabbath. God has had you write this book. The book is crucial to say the least! God has used you in a very mighty way. It breaks my heart at the number of preachers I've spoken to who tell me, "Just pick any day."
Sincerely, Johnny

My main assignments were to deliver secret messages to and from government officials, and do whatever else they wanted. They depended on the belief that I would never remember any of this. When they thought they had to give me another treatment to keep me in a robotic state, they would take me to certain handlers. Some were at NASA headquarters. Another place was the basement of a huge Roman Catholic church where there were powerful Jesuits who worked on my mind and body.

I would have been a robot until death except that I was rescued by Mark Phillips who kidnapped me and re-programmed my mind with kindness, tenderness, and love. Our Lord Jesus and His holy word can save anyone who chooses Him. Now I proclaim everywhere the endurance of the human mind and the matchless power and beauties of our Lord Jesus Christ. [Praise God!]

Mark was an independent contractor for the C.I.A. He took me to Alaska and there we stayed until I was healed, and we were happily married.

"A wonderful Saviour is Jesus our Lord!" Heaven!

How wonderful! A free gift to those who trust and surrender all to Jesus! Who would want to miss it?

Charity: What other good choice is there?

Dear Pastor Marcussen,
The pivotal point for me to begin reading and researching the Bible for myself was when I read the book, "National Sunday Law." My wife is eager to read it also. I want to get more of them for many others! We send our greatest appreciation for your work. Cordially, Japheth and Fyasha Las Vegas, NV

Faith: The wicked love it. Prov. 8:36 says, "All they that hate me love death."

"For, behold, the day cometh that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble: and

the day that cometh shall burn them up, saith the LORD of hosts... And ye shall tread down the wicked; for they shall be ashes under the soles of your feet in the day that I shall do this, saith the LORD of hosts." Mal. 4:1,3.

Hope: Since the wages of sin is death, {not eternal life in hell} the lost will have earned - hell fire = ashes = gone. Will billions of people who are lost choose eternal death rather than joyful eternal life with Jesus?!!!

Pastor Jan: Yes!!! Here it is - "The sinner could not be happy in God's presence; he would shrink from the companionship of holy beings. Could he be permitted to enter heaven, it would have no joy for him... His thoughts, his interests, his motives, would be alien to those that actuate the sinless dwellers there... **Heaven would be to him a place of torture;** he would long to be hidden from Him who is its light, and the center of its joy.

Dear Sir,
I just read your book "National Sunday Law," and I must admit I was thoroughly shocked. For as long as I can remember my family has been going to church on Sunday. I never knew that Christians aren't supposed to eat pork. I will try to raise money so that my family and others can receive "National Sunday Law." Thank you so much for writing this book! I really needed it! Sincerely Chanle C.

Dear A. Jan Marcussen,
I've been a backslidden Christian, but I was blown away at reading "National Sunday Law." It woke me up! I have asked God to forgive me and help me to obey Him by His Holy Spirit. I will share this new knowledge with all that I come in contact with! I plan to get more of this incredible book! It will be an honor to be blessed with your publications. Yours in Christ, Ron Alden, NY

"It is no arbitrary decree on the part of God that excludes the wicked from heaven; they are shut out by **their own** unfitness for its companionship. The glory of God would be to them a consuming fire. **They would welcome destruction,** that they might be hidden from the face of Him who **died to redeem them.**" SC 17, 18. Amazing!

Faith: Can you show us a man who felt the sufferings of hell? Cathy's father?

Pastor Jan: Here it is - "The hosts of heaven veiled their faces from the fearful sight. Inanimate nature expressed sympathy with its insulted and dying Author. The sun **refused to look** upon the awful scene. Its full, bright rays were illuminating the earth at midday, when suddenly it seemed to be blotted out.

Dear Ms. Jan Marcussen,
Thank you so much for your marvelous book "National Sunday Law." I was so affected and inspired while reading it that I could not hold back the tears. Now, I will, with all my heart, honor God's law and keep His Sabbath day holy. God bless you and thank you again for sending the book to me. Love in Christ, Nancy

“In the thick darkness, God veiled the last human agony of His Son. All who had seen Christ in His suffering had been convicted of His divinity. That face, once beheld by humanity, **was never forgotten...** Now He was mercifully hidden by **the mantle of God.**

“The silence of the grave seemed to have fallen upon Calvary. A nameless terror held the throng that was gathered about the cross. The cursing and reviling ceased in the midst of half-uttered sentences. **Men, women, and children fell prostrate upon the earth.** Vivid lightnings occasionally flashed forth from the cloud, and revealed the cross and the crucified Redeemer. Priests, rulers, scribes, executioners, and the mob, all thought that their time of retribution had come... Some attempted to grope their way back to the city, beating their breasts and wailing in fear.

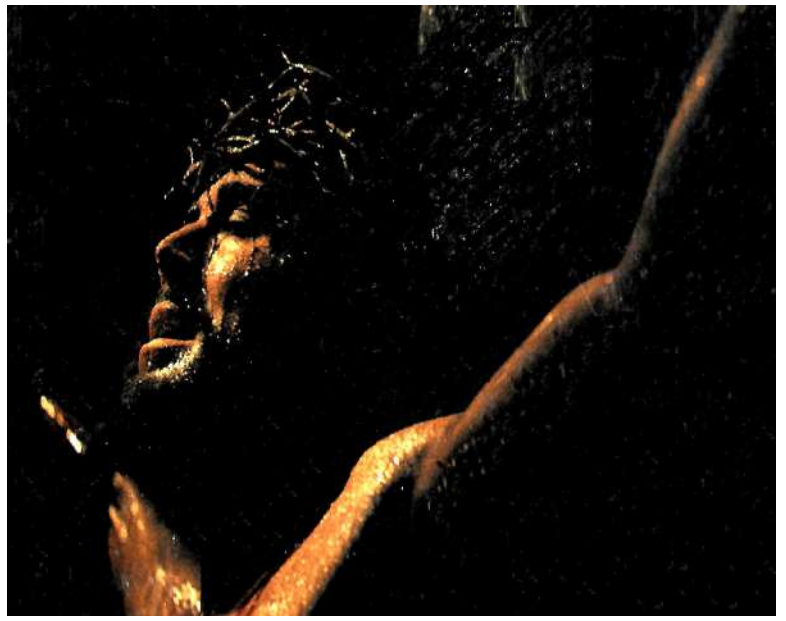

“At the ninth hour [3 p.m.] the darkness lifted from the people, but still enveloped the Saviour. It was a symbol of the agony and horror that weighed upon His heart. **No eye** could pierce the gloom that surrounded the cross, and none could penetrate the deeper gloom that enshrouded the suffering soul of Christ. The angry lightnings seemed to be hurled at Him as He hung upon the cross. Then ‘Jesus cried with a loud voice, saying, **Eloi, Eloi, lama sabachthani?’** ‘**My God, My God, why hast Thou forsaken Me?...**’

Dear Jan Marcussen,
I was looking for something to read when I came across the book “National Sunday Law.” My eyes popped open! This is the most powerful book I’ve ever read! It gave me understanding of Daniel and Revelation! Now I’m praying that I can get these books to others so that they can understand the truth of God too! Your friend in Jesus, Joseph O.

“The spotless Son of God hung upon the cross, His flesh lacerated with stripes; those hands so often reached out in blessing, nailed to the wooden bars; those feet so tireless on ministries of love, spiked to the tree; that royal head pierced by the crown of thorns; those quivering lips shaped to the cry of woe. And all that He endured—the blood drops that flowed from His head, His hands, His feet, the agony that racked His frame, and the unutterable anguish that filled His soul at the hiding of His Father’s face—speaks to each child of humanity, declaring, It is **for thee** that the Son of God consents to bear this burden of guilt; **for thee** He spoils the domain of death, and opens the gates of Paradise... He, the Sin Bearer, endures the wrath of divine justice, and for thy sake becomes **sin itself.** [**Dear Jesus turned into Sin!!!**]...

“Jesus, suffering and dying, heard every word as the priests declared, ‘He saved others; Himself He cannot save. Let Christ the King of Israel [a convicted felon] descend now from the cross, that we may see and believe.’ Christ could have come down from the cross. But it is because He would not save Himself that the sinner has **hope of pardon and favor with God...** [**Wonderful Jesus!**]

“As He spoke the words of promise, the dark cloud that seemed to enshroud the cross was **pierced** by a **bright and living light.** To the penitent thief came the **perfect peace** of acceptance with God. Christ in His humiliation was glorified. He who in all other eyes appeared to be conquered was a Conqueror. He was acknowledged as the Sin Bearer. Men may exercise power over His human body. They may pierce the holy temples with the crown of thorns. They may strip from Him His raiment, and quarrel over its division. But they cannot rob Him of **His power to forgive sins.** [**Praise God!**] In dying He bears testimony to His own divinity and to the glory of the Father. His ear is not heavy that it cannot hear, neither His arm shortened that it cannot save. It is **His royal right to save unto the uttermost** all who come unto God by Him... [**Praise God!**]

“**Hope thou in God, for on Calvary's cross a complete sacrifice was offered for you...** Eternal joy—a life of undimmed happiness—awaits the one who surrenders **all** to Christ.” HP 262.

“When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned.**” SD 222. Praise God friend! **Praise God!**

Dear Pastor Marcussen,
When I was nineteen, I was shot six times protecting my mother. But I didn't know Jesus and I was a lost soul. When I regained consciousness, she told me that I had died and that she had asked Jesus to give me my life back. I didn't know. The book “National Sunday Law” helps me to see why my life was spared. I'm here for Jesus! The book opened my understanding! I know that it is of God. Thank you for writing it! No one has been able to tell me the Bible truth as it is in your book. Thank you for your courage!!!
Sincerely, Tommy Green Jr.

“Never before had the earth witnessed such a scene. The multitude stood paralyzed, and with bated breath gazed upon the Saviour. Again darkness settled upon the earth, and a hoarse rumbling, like heavy thunder, was heard. There was a violent earthquake. The people were shaken together in heaps. The wildest confusion and consternation ensued. In the surrounding mountains, rocks were rent asunder, and went crashing down into the plains. Sepulchers were broken open, and the dead were cast out of their tombs. Creation seemed to be shivering to atoms. [Praise God!] Priests, rulers, soldiers, executioners, and people, mute with terror, lay prostrate upon the ground...

“All is terror and confusion. The priest is about to slay the victim; but the knife drops from his nerveless hand, and the lamb escapes. Type has met antitype in the death of God’s Son. The great sacrifice has been made. The way into the holiest is laid open. A **new and living** way is prepared for all. No longer need sinful, sorrowing

humanity await the coming of the **high priest**. **Henceforth the Saviour** was to officiate as priest and advocate in the heaven of **heavens**. It was as if a **living voice** had spoken to the worshipers: There is now **an end** to all sacrifices and offerings for sin. The **Son of God** is come according to His word, ‘Lo, **I come** (in the volume of the Book it is written of Me,) to do Thy will, **o God.**’ ‘By His own blood’ He entereth ‘in once into the holy place, having obtained **eternal redemption for us.**’ Heb 10:7; 9:12.” DA 753-757. **Praise God friend! Praise God!**
