Kingfish: Who is behind the insane chaos to "regain control of the world, and restart persecution?" {GC 565,566.}  
Pastor Jan: The HOLY SEE. It's "The right arm" of Satan's strength, TM 473. "Flash mobs," riots, and marches are all necessary to control the brains of the masses in preparation for the manipulations to usher in the enforcement of the mark of the beast. They are trained agents of Rome who are the infiltrators of governments and churches. Their evil work is revealed in *Great Controversy*, pp. 234 & 235.  
But of all this, the masses have no clue.

# When the 'choice' of assisted suicide becomes an obligation

The article in this Roman Catholic paper says, "There is an increasing number of people who have never asked for assisted suicide, having it suggested to them as the solution to their problems..."

It tells about a poor woman in a commercial who was promoting the beauties of having a smiling fiend kindly helping you to murder yourself. Just think how wonderful being a dead corpse will make you feel!

But the commercial backfired when, after the lady on the commercial was dead, it was reported that "She did not want to die!" It appears that she thought that it was not real, but was just a commercial!

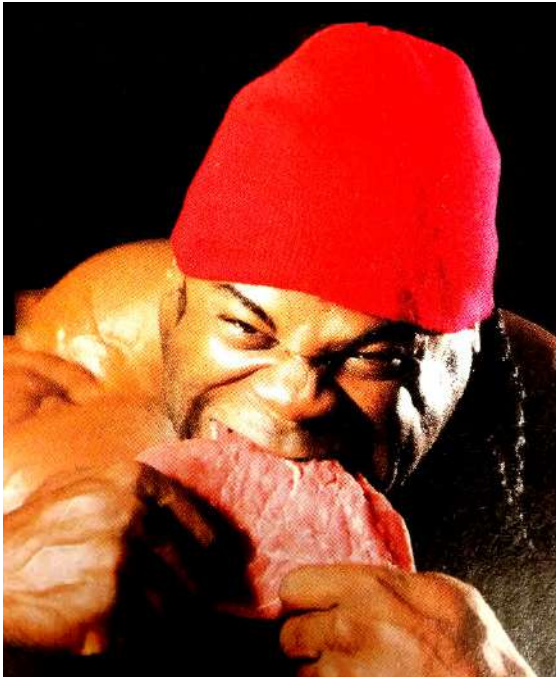

This article reports that in 2015, a law was made in Canada prohibiting assisted suicide, but that now, that law has been overturned. That's the purpose of people lying all over the ground where the law-makers are meeting - in body bags - in the "DIE IN."

The article says that Canada calls it the "Medial Assistance in Dying" program. It says that "the cost is being paid in human lives." It reveals that mental pressure is being put upon ill and hurting people to help a mad fiend get hold of their brain and help them kill

Is anyone "bloodthirsty" now? Concerning the people before the flood, the prophet said, "They came to regard human life with astonishing indifference." How long will that take?

"Whoever coveted the wives or the possessions of his neighbor, took them by force, and men exulted in their deeds of violence. They delighted in destroying the life of animals; and the use of flesh for food rendered them still more cruel and bloodthirsty, until they came to regard human life with astonishing indifference." PP 91.

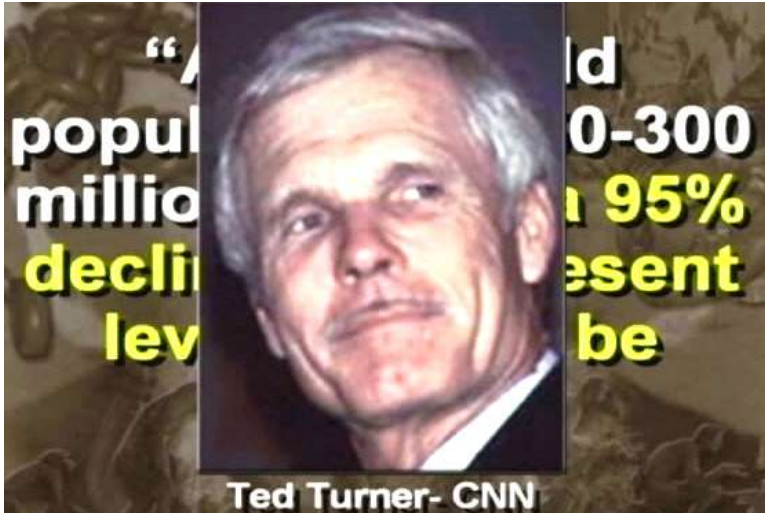

You can save time on cooking.

themselves. The article reveals that the thought of the murderers' is to "get rid of suffering by getting rid of those who suffer!"

The kind of pressure they're using to help suffering people agree to let themselves be murdered, is 1) if they do it, just think how much money you'll save the health care system. 2) If you don't cooperate with "Frankenstein" you'll be a great burden to both your loved ones, and those who must be burdened with taking care of you. 3) After all, you're not going to live much longer anyway. 4) If you don't let the smiling health care professional help you murder yourself now, you may die a horribly painful death. 5) And just think how much money the health care system will make by selling your organs to help themselves be more rich than they are now!

Pastor Jan: "And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed." Rev. 13:15. Have you ever wondered how long it will take before this Bible prediction - that God's people will be sentenced to death - could ever be fulfilled? Most of it is still in the future, but some of it is happening now. At this point, it's done by lies and trickery. This article above gave you a hint. It's a sign that we are in the end of the world.

Ted Turner said that the population must be cut down by 95% to 300 million. Jesuit Georgetown University Bill Clinton agreed, and signed the Bio-diversity treaty. "As it was in the days of Noah" we are in the end of the world.

The article ends with - "More and more people choosing assisted suicide are highlighting their lack of choice due to factors such as poverty or disability. Those suffering from chronic back pain have the question of suicide foisted upon them.

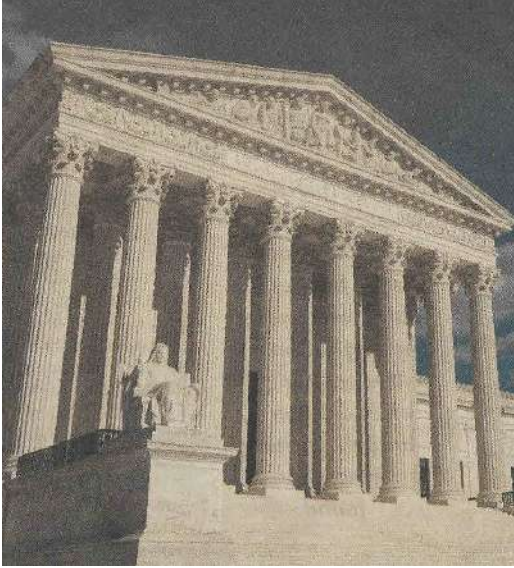

"The facts are no longer avoidable; the availability of assisted suicide has done everything its critics said it would, and the human cost is staggering."

"Christ is the only true standard of character, and he who sets himself up as a standard for others is putting himself in the place of Christ. And since the Father 'hath committed all judgment unto the Son' whoever presumes to judge the motives of others is usurping the prerogative of the Son of God. These would-be judges and critics are placing themselves on the side of antichrist..."

“The sin that leads to the most unhappy results is the cold, critical, unforgiving spirit that characterizes Pharisaism. When the religious experience is devoid of love, Jesus is not there; the sunshine of His presence is not there... There may be a wonderful keenness of perception to discover the defects of others; but to everyone who indulges this spirit, Jesus says, ‘Thou hypocrite.’” *Thoughts From the Mount of Blessing*, pp. 125, 126).

*Vennita's Corner: "We shall be individually, for time and eternity, what our habits make us." FLB 152*

*Vennita's Corner: "No act of unselfish service, however small or simple, is ever lost." HP 232*

**Pastor Jan:** This is not the last time the world will see and hear the papal dominated Supreme Court judging the subject of Rome's day of the Sun.

**Hope:** What will happen?

**Pastor Jan:** “When, acting on the policy of Satan, the rulers of the land will rank themselves on the side of the man of sin. It is then the measure of guilt is full. The national apostasy is the signal for national ruin.” 2SM 373.

“Roman Catholic principles will be taken under the care and protection of the state.

This national apostasy will speedily be followed by

national ruin.” RH June 15, 1897. How long will it take before the president of the United States is a Roman Catholic? Can you guess?

“When Protestant churches shall unite with the secular power to sustain a false religion, then will the papal sabbath be enforced by the combined authority of church and state. There will be a national apostasy, which will end only in national ruin.” Ev 235.

**Faith:** What can anyone do about it?

**Pastor Jan:** The best thing we can do is to do what our kind Father told us to do - to get His saving three angels' messages to the world as quickly as we can. It's the reason God's people we were born. This is why I'm going to say that all who get 1000 NSL preachers this month, with free shipping in the U.S., will receive an extra 50 little preachers free. Our kind Father gets all the praise, and He gives us the joy of seeing souls for whom Jesus died - in heaven forever - who would have been lost. Here's the amazing quote -

Dear Jan Marcussen,

My wife and I were both raised as Roman Catholics. Due to the controversy that the church brought upon itself, we both left it. But we still felt unfulfilled. I know that I have gotten way off track. But then your book “National Sunday Law” came in the mail. It opened my eyes. What's in your book all makes sense, and this is why I have ordered more copies. I thank you, and look forward to spreading what I now know to be the truth. Sincerely, M.T. Davis

## THIS WEEK

### Court could weigh in on mandatory Sunday work

On April 18, the U.S. Supreme Court is scheduled to hear oral arguments in the case of a former U.S. Postal Service worker who was mandated to work on Sundays despite his desire to observe his Sabbath by not taking shifts. The case, *Goff v. DeJoy*, could have major implications for employees seeking religious accommodations from their employers. According to a report from OSV News, federal law prohibits employers from firing employees who request religious accommodations unless the employer can show that the worker's religious practice cannot be “reasonably” accommodated without “undue hardship.” Gerald Groff, an evangelical Christian testified that USPS failed to provide him with reasonable accommodations for his religious practices. Groff lost his case in federal appellate court in 2022, but the Supreme Court agreed earlier this year to take up the case. Randy Wenger, chief counsel of the Independence Law Center, a group representing Groff, told OSV News that “if we're committed to protecting religious conscience, we need to make sure employees don't lose their jobs for following their faith.” Read more at [OurSundayVisitor.com](http://OurSundayVisitor.com).

“Seventh-day Adventists have been chosen by God as a peculiar people... He has made them His representatives and has called them to be ambassadors for Him in the last work of salvation. The **greatest wealth of truth ever** entrusted to mortals, the most solemn and fearful warnings **ever** sent by God to man, have been committed to them [that includes you and me] to be given to the world.” 7T

138. May God help us do it is my prayer! Notice the word “warnings.” Many preachers and people would never say that God has given Seventh-day Adventists any warnings to give to anyone! In the Catholic ecumenical movement, it has been determined that the

word “love” will be given a perverted meaning. In that popular “love” movement, there is no such thing as a “warning” which God commands His people to lovingly give the world. They want you to teach and preach a type of “love” that joyfully nurtures queer sodomites in sin, and welcomes them to be ordained as church officers on the church board. I showed you the booklet concerning this, which was put out by the NAD. But our mighty God is producing His loving 144,000. They will neither be retarded bullies, nor fearful cowards. They will be abiding in our Lord Jesus so that the warnings of love from the heart of God will be so tender, so kind, so loving, that many times it may appear as if it came from the person’s own mother.

Dear Sir,

Your book “National Sunday Law” was left on the steps of my church. A lady in the church gave it to me. It explains questions I’ve had for years! This book is Dynamite! The issue in this book is going to be the deciding factor for the two classes of people in the world. I feel that it needs to be read far and wide to show people the evil that’s been in our midst. We haven’t seen it for what it really is. Rome’s working is disguised - as Satan also works. I will be ordering many of these books to give to others. There are many who need to be reached with this message! God bless you! Don

Dear Pastor Marcussen,

Our son in law came to be a Seventh-day Adventist by reading your book “National Sunday Law.” And then he brought our daughter back to God. She had not been to church in 30 years. May God bless and protect you is our prayer. R.P.

Look at this -

“[Seventh-day Adventists] have been given a work of the most solemn import—the proclamation of the first, second, and third angels’ messages. There is **no other** work of **so great** importance. They are to allow **nothing else** to absorb their attention.” 9T 19. Praise God!

**Hope:** Since their court trial won’t scare God’s people after the Sunday law, what will they be like?

**Pastor Jan:** They will be like David who joyfully went against Goliath, and like the mighty 144,000 brought to view in Joel 2. They will be as fearless as Moses who led God’s people out of Egypt.

Watch closely - “The king was resolved to intimidate the Israelites by a grand display of his power. [A similar type of attack will happen after the mark of the beast is enforced.] The Hebrews were encamped beside the sea, whose waters presented a seemingly impassable barrier before them, while on the south a rugged mountain obstructed their further progress.

“Suddenly they beheld in the distance the flashing armor and moving chariots betokening the advance guard of a great army. As the force drew nearer, the hosts of Egypt were seen in full pursuit. Terror filled the hearts of Israel. . .

“Moses felt no fear of the consequences. His calm and assuring reply to the

people was, ‘**Fear ye not, stand still, and see the salvation of the Lord.**’ [Praise God!] But now, as the Egyptian host approached them, expecting to make them an easy prey, the cloudy column rose majestically into the heavens, passed over the Israelites, and descended between them and the armies of Egypt. [Dear Jesus was in there!] A wall of darkness interposed between the pursued and their pursuers. The Egyptians could no longer discern the camp of the Hebrews, and were forced to halt. But as the darkness of night deepened, the wall of cloud

Dear Sir,

I am writing to tell you that I so loved the book “National Sunday Law” that I kept reading it until the very end. And now I’m going to order more to give out! How did you happen to send the book to me at – Resident? I thank God that you did! I am immediately changing my day of worship from Sunday to God’s Sabbath on Saturday. God bless you for the truth. Thank you again for the book. Love in Christ, Arlene

Hello Pastor Jan,

My name is Abby Feiler. I saw your newsletter at a friend’s house and I loved it! I also found out that you wrote the book “National Sunday law.” My brothers and sisters have passed them out everywhere. I really like it. Thank you and God bless. Abby

became a great light to the Hebrews, flooding the entire encampment with the radiance of day.

“Then hope returned to the hearts of Israel. [**Praise God!**] And Moses lifted up his voice unto the Lord. ‘And the Lord said unto Moses... Lift thou up thy rod, and stretch out thine hand over the sea, and divide it: and the children of Israel shall go on dry ground through the midst of the sea.’

“As Moses stretched out his rod the waters parted, and Israel went into the midst of the sea, upon dry ground, while the waters stood like a wall upon each side. The light from God’s pillar of fire shone upon the foam-capped billows, and lighted the **road** that was cut like a **mighty furrow** through the waters of the sea, and was lost in the obscurity of the father shore.

“The Egyptians pursued, and went in after them to the midst of the sea, even all

Dear Pastor Jan,

I’m happy to announce that after reading your book “National Sunday Law,” I’m committed to keeping God’s Sabbath day holy, and I’ve accepted His Seventh-day Adventist Bible truth. At first I didn’t believe your book – oh, the history seemed okay, and I couldn’t argue with the Bible truths presented, but to conclude that a national Sunday law is coming? I didn’t buy it! But lo and behold – after seeing the signs in the Sunday morning news – I’m on board!! Praise God! Sincerely James

they endeavored to retrace their steps and flee to the shore they had quitted. But Moses stretched out his rod, and the piled-up waters, hissing, roaring, and eager for their prey, rushed together and swallowed the Egyptian army in their black depths. . .

“From the most terrible peril, one night had brought complete deliverance. [It will happen again!] That vast, helpless throng –

Dear Pastor Marcussen,

I have had a rather wild life, and have spent recent years engulfed in drugs and alcohol. The book “National Sunday Law” was handed to me, and it made a major impact on my life! It is because of “National Sunday Law,” and the Spirit of God working in my life that I am now a Seventh-day Adventist. I spend much time reading my Bible and the Spirit of Prophecy. Thanks again, and May God bless you! N.C.

bondmen unused to battle, women, children, and cattle, with the sea before them, and the mighty armies of Egypt pressing behind – had seen their path opened through the waters and their enemies overwhelmed in the moment of expected triumph. Jehovah alone had brought them deliverance, and to Him their hearts were turned in gratitude and faith. The Spirit of God rested upon Moses, and he led the people in a triumphant anthem of thanksgiving, the earliest and one of the most sublime that are known to man -

“Hope thou in God, for on Calvary’s cross a complete sacrifice was offered **for you**... Eternal joy - a life of undimmed happiness - awaits the one who surrenders **all** to Christ.” HP 262.

“When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned**.” SD 222. Praise God friend! **Praise God!**

Dear A. Jan Marcussen,

I received your book “National Sunday Law” in the mail. I am in awe of what you have written. I am really concerned about my wife’s soul. She is a Roman Catholic. Also, we have a son who is soon to be baptized into the Catholic church. The Catholic priest who married us insisted that our 1<sup>st</sup> born son must be baptized as a Roman Catholic. I am grateful that your book has definitely opened my eyes. A.C.

“I will sing unto Jehovah, for He hath triumphed gloriously; The horse and his rider hath He thrown into the sea. The Lord is my strength and my song, And He is become my salvation: This is my God, and I will praise Him.’

“Like the voice of the great deep, rose from the vast hosts of Israel that sublime ascription... Far over desert and sea rang the joyous refrain, and the mountains re-echoed the words of their praise – ‘Sing ye to Jehovah, for He hath triumphed gloriously.’ That song does not belong to the Jewish people alone. It points forward to the destruction of all the foes of righteousness and the final victory of the Israel of God. [Praise God!] The prophet of Patmos beholds the white-robed multitude that have ‘gotten the victory,’ standing on the ‘sea of glass mingled with fire,’ having ‘the harps of God. And they sing the song of Moses the servant of God, and the song of the Lamb.’ Revelation 15:2,3.

“The great lesson is for all time. Often the Christian life is beset by dangers, and duty seems hard to perform. The imagination pictures impending ruin before and bondage or death behind. Yet the voice of God speaks clearly, ‘Go forward.’ The dealings of Providence bring to the unbelieving, darkness and despair, while to the trusting soul they are full of light and peace. [Praise God!] The path where

**God** leads the way may lie through the desert or the sea, but it is a **safe** path.” PP 283-290. Praise God friend! **Praise God!**

**Announcements**

1) We now have nearly 80% of what we need to reach another million souls in the great racing city of Indianapolis in the 100 Million Man March. If the Lord impresses you to help reach this goal, mark it below.

**We don’t wait** until we have all the funds to reach the million souls. As they are coming in, we fly just as many thousands of the little preachers into Indianapolis as we possibly can. So far, enough funds have come so that about 250,000 of them are floating down into the great city like manna. With an average of 3 people in each home, that is reaching about 750,000 people. Praise God!

2) I will still give all 16 CCA DVDs free to all who get 1000 NSL preachers to help save souls for a donation of 69¢ each **with free shipping to you in the U.S.** God’s people are having us to bulk mail the NSL preachers for them, and are also putting them on doorsteps, sidewalks, benches, parking lots, laundromats, restrooms, and any place people sit, walk, wait, or go. God gets all the praise.

3) “Come join our happy crew. We’re bound for Canaan’s shore. The **Captain** says there’s room **for you!** - and room for millions more.”

**Because I’m getting 1000 NSLs for soul-winning, for a donation of 69¢ each \_\_\_ with free shipping in the U.S. please send me the 16 CCA DVD’s.**

**Many times, the shipping on this costs over \$200. We’re glad that we pay it, and that you get the shipping free!**
