

“Then shall the kingdom of heaven be likened unto ten virgins, which

took their lamps, and went forth to meet the bridegroom. And five of them were wise, and five were foolish. They that were foolish took their lamps, and took no oil with them: But the wise took oil in their vessels with their lamps. While the bridegroom tarried, they all slumbered and slept. And at midnight there was a cry made, Behold, the bridegroom cometh; go ye out to meet him. Then all those virgins arose, and trimmed their lamps. And the foolish said unto the wise, Give us of your oil; for our lamps are gone out.”

He's working hard!!! This article reveals that nanotechnology has come into existence illegally, unconstitutionally, dangerously, and powerfully. It reveals that it has progressed to the point that they've enabled a person - with just the thought of his brain - to inject a drug into the body of a cockroach. Would you like to be able to think just one thought - and inject a drug into the body of a cockroach?

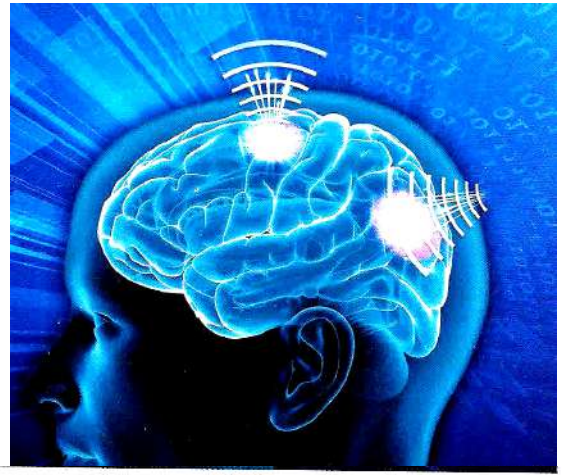

Dear SDA friends around the world,

Greetings in the name of dear Jesus!

Faith: The Bible verse says, “While the bridegroom tarried, they all slumbered and slept.” Matt. 25:5. Since the wise virgins are wise, how can they be sleeping? What are they sleeping to? How are the sleeping wise virgins any wiser than the sleeping foolish virgins? How are the sleeping foolish virgins any dumber than the sleeping wise virgins? Since we're all sleeping, how can we know whether we are wise or foolish? When you sleep, you don't know anything. So will we all know whether we are wise or foolish only after we wake up and learn whether we are saved in the heavenly marriage feast, or doomed to the “outer darkness” of eternal death?

Pastor Jan: Are you ready? Here we go -

Both wise and foolish virgins are sleeping now. We'll all wake up soon. When we do, we'll realize whether or not we've been getting more like Jesus with the Holy Spirit in us, or whether we've gone along with irreverence in the sanctuary, while the 144,000 are sighing and crying for the abominations that are done. But all this is not new. Dear Jesus also experienced worldliness before He cleansed the temple in His day. The good news is that our kind Saviour is going to cleanse it again. That's revealed in 9T 228. When He does it again, the whip in His hand will be the law that enforces the mark of the beast. At that law, all ten of us are jolted awake, and then we discover who we really are, who we really worship, and where we will end up. As church members and leaders were in Christ's day, so they will be when He cleanses it again. Watch closely -

HEART OF A PIG FOR HUMAN

Historic US transplant

By JULIE STEENHUYSEN

An American man with terminal heart disease was implanted with a genetically modified pig heart in a first-of-its-kind surgery — and three days later, is doing well, his doctors reported on Monday.

The surgery, performed by a team at the University of Maryland Medicine, is among the first to demonstrate the feasibility of a pig-to-human heart transplant, a field made possible by new gene-editing tools.

Prior efforts at pig-to-human transplants have failed because of genetic differences that caused organ rejection or viruses that posed an infection risk. Scientists have tackled that problem by editing away potentially harmful genes.

In the heart implanted in Bennett, three genes previously linked to organ rejection were “knocked out” of the donor pig, and six human genes linked to immune acceptance were inserted into the pig genome.

representatives of God to the nation; they should have corrected the abuses of the temple court. [They should correct the irreverence in the sanctuaries today also.] They should have given to the people an example of integrity and compassion. Instead of studying their own profit, they should have considered the needs of the worshipers... But this they did not do. Avarice had hardened their hearts.

“There came to this feast those who were suffering, those who were in want and distress. The blind, the lame, the deaf, were there. Some were brought on beds. Many came who were **too poor** to purchase the humblest offering for the Lord, **too poor** even to buy food with which to satisfy their own hunger.

These were **greatly distressed** by the statements of the priests. [The poor church members didn't know that their pious priests were controlled by more demons than controlled the demoniacs in the cemetery.] They claimed to be the

Here's David Bennett (57). Surgeons removed his heart and threw it away; then they sewed a pig's heart in its place after using “Gene editing tools” in which they can now “edit” genes “off of,” or “onto” your DNA molecules!!! We've never before known that genes can be “edited!!!” This gives us a clue as to how Satan was able to use “gene editing” before the flood to turn normal animals that God made, into monster dinosaurs - and how the fiend could “edit” genes to produce creatures that were part human and part animal - as God's prophet describes in 1 SP 69. Here it is -

“If there was one sin above another which called for the destruction of the race by the flood, it was the base crime of amalgamation of man and beast which defaced the image of God, and caused confusion everywhere.” 1 SP 69.

“Every species of animal which God had created were preserved in the ark. The confused species which God did not create, which were the result of amalgamation, were destroyed by the flood. Since the flood there has been amalgamation of man and beast, as may be seen in the almost endless varieties of species of animals, and in certain races of men.” 1 SP 78.

Now, all of a sudden - - there's a lot of “gene editing” going on - to help produce deadly viruses like Covid-19, and to help avoid “organ rejection” when putting animal organs into humans, and - to use nanotechnology to help get communications between human brains, machines, cockroaches, and animals. The devil would use gene editing to again amalgamate brains, bodies, “and slaves and souls of men” [Rev. 18:13] - “for thy merchants were the great men of the earth [you see them on the news] for by thy sorceries were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.” Rev. 18:23,24.

guardians of the people; but they were without sympathy or compassion. The poor, the sick, the dying, made their vain plea for favor. Their suffering awakened no pity in the hearts of the priests.

“As **Jesus** came into the temple, He took in the whole scene. He saw the unfair transactions. He saw the distress of the poor, who thought that without shedding of blood there would be no forgiveness for their sins. He saw the outer court of His temple converted into a place of unholy traffic. The sacred enclosure had become one vast exchange.

“Christ saw that something must be done... The worshipers offered their sacrifices without understanding that they were typical of the only perfect Sacrifice. And among them, unrecognized and unhonored, stood the **One** symbolized by all their service... Spiritual worship was fast disappearing. [Today too?] **No link** bound the priests and rulers to their God. Christ’s work was to establish an altogether different worship.

In The New American article of January 31, it says, “Mirkin credited former President Bill Clinton with kicking off rapid advancements in nanotech research with the National Nanotechnology Initiative (NNI) of 2000. Since the creation of that unconstitutional and unethical program - unethical because taxpayers should not have assets forcibly extracted [stolen] from them and transferred to [mad] scientists or anyone else - nanotech research has advanced on the back of [illegal] billions of dollars of financing.”

Notice that the article calls it “unconstitutional.” Jesuit Georgetown University Bill Clinton illegally arranged the whole wicked thing to steal taxpayer’s money and use it to help the Vatican regain control of the world as spelled out in GC 565,566. Not only that, it was announced on the news that the fiend stole top U.S. military secrets and gave them to China! That has resulted in China now being able to make a nuclear missile that can go into orbit, circle the globe, and come down anywhere on earth and blow up any city with a nuclear blast. The Vatican enjoys using the great Jesuit to help destroy America - and then hopefully take it over [as seen in the book, *Making America Catholic.*]

The same shocking article says, “Some of these applications are downright terrifying in their implications. Consider this headline from New Scientist in 2016: “Mind-controlled nanobots could release drugs inside your brain.” “This is not science fiction. New Scientist reported, “A man has used thought alone to control nanorobots inside a living creature for the first time. The technology released a drug inside cockroaches in response to the man’s brain activity.”

entering the enclosure, He bids the bargaining company **depart** from the precincts of the temple. With a zeal and severity He has never before manifested, He overthrows the tables of the money-changers. The coin falls, ringing sharply upon the marble pavement. None presume to question His authority. **None dare** stop to gather up their ill-gotten gain. Jesus does not smite them with the whip of cords, but in His hand that simple scourge seems terrible as a **FLAMING SWORD.**

“With searching glance, Christ takes in the scene before Him as He stands upon the steps of the temple court. **[Praise God!]** With prophetic eye He looks into futurity, and sees not only years, but centuries and ages. **[He saw you and me!]** He sees how priests and rulers will turn the needy from their right, and forbid that the gospel shall be preached to the poor. He sees how the love of God will be concealed from sinners... As He beholds the scene, **indignation, authority, and power** are expressed in His countenance. **[Praise God!]** The attention of the people is attracted to Him. The eyes of those engaged in their unholy traffic are riveted upon His face. They cannot withdraw their gaze. They feel that this Man reads their inmost thoughts, and discovers their hidden motives. Some attempt to conceal their faces, as if their evil deeds were written upon their countenances, to be scanned by those searching eyes.

“The confusion is hushed. The sound of traffic and bargaining has ceased. The silence becomes **painful**. A sense of awe overpowers the assembly. It is as if they were arraigned before the tribunal of God to answer for their deeds. Looking upon Christ, they behold **divinity flash** through the garb of humanity. The **Majesty** of heaven stands as the Judge will stand at the last day,—not now encircled with the glory that will then attend Him, but with the same power to read the soul. His eye sweeps over the multitude, taking in every individual. His form seems to **rise** above them in commanding dignity, and a divine light illuminates His countenance. He speaks, and His clear, ringing voice—the same that upon Mount Sinai proclaimed the law that priests and rulers are transgressing—is heard echoing through the arches of the temple: **‘Take these things hence; make not My Father’s house an house of merchandise.’**

“Slowly descending the steps, and raising the scourge of cords gathered up on

The Dec. 13 issue of The New American shows this picture of the Chinese missile that can go into orbit around the world, and then come down on any city and blow it up. Both Chinese and papal leaders were grateful for this classified technology given them by Jesuit Georgetown University Bill Clinton. We’re glad that King Jesus won’t let that happen until after probation for the world has closed. Then Satan can do to the wicked whatever he pleases.

“Officers of the temple, speculating priests, brokers and cattle traders, with their sheep and oxen, **rush** from the place, with the one thought of escaping from the condemnation of His presence.

“A **panic sweeps over** the multitude, who feel the overshadowing of His divinity. **Cries of terror** escape from hundreds of blanched lips. Even the disciples **tremble**. They are awestruck by the words and manner of Jesus, so unlike His usual demeanor. They remember that it is written of Him, ‘**The zeal of Thine house hath eaten Me up.**’ Ps 69:9. Soon the tumultuous throng with their merchandise are far removed from the temple of the Lord. The courts are free from unholy traffic, and a **deep silence** and solemnity settles upon the scene of confusion. The presence of the Lord, that of old sanctified the mount, has now made sacred the temple reared in His honor. [**Praise God!**]

Dear Pastor Marcussen,

Our son in law came to be a Seventh-day Adventist by reading your book “National Sunday Law.” And then he brought our daughter back to God. She had not been to church in 30 years. May God bless and protect you is our prayer. R.P.

Dear Pastor Jan,

I’m happy to announce that after reading your book “National Sunday Law,” I’m committed to keeping God’s Sabbath day holy, and I’ve accepted His Seventh-day Adventist Bible truth. At first I didn’t believe your book – oh, the history seemed okay, and I couldn’t argue with the Bible truths presented, but to conclude that a national Sunday law is coming? I didn’t buy it! But lo and behold – after seeing the signs in the Sunday morning news – I’m a believer! Praise God! Sincerely James

3:16,17. No man can of himself cast out the evil throng that have taken possession of the heart. **Only Christ** can cleanse the soul temple. But He will not force an entrance. He comes not into the heart as to the temple of old; but He says, ‘Behold, I stand at the door, and knock: if any man hear My voice, and open the door, I will come in to him.’ Rev. 3:20. ‘He will subdue our iniquities; and Thou wilt cast all their sins into the depths of the sea.’ 2 Cor. 6:16; Micah 7:19.

“Overpowered with terror, the priests and rulers had fled from the temple court, and from the searching glance that read their hearts. In their flight they met others on their way to the temple, and bade them turn back, telling them what they had seen and heard. Christ looked upon the fleeing men with yearning pity for their fear, and their ignorance of what constituted true worship. In this scene He saw symbolized the **dispersion of the whole Jewish nation** for their wickedness and impenitence... [After the Sunday law, the virgins will also be scattered in woods, jails, etc.]

“Christ spoke with the authority of a king, and in His appearance, and in the tones of His voice, there was that which they had no power to resist. At the word of command they realized, as they had never realized before, their true position as hypocrites and robbers...

Dear Pastor Jan Marcussen,

I’m fascinated because God has used your book “National Sunday Law” to do miracles in the lives of many people in my community here in Namibia. Through it, the Holy Spirit has opened their minds. “National Sunday Law” has changed many of them to become Seventh-day Adventists. And a number of them have asked me to get more of these books so they can reach others. I’ve been so touched to hear them give their testimonies in church. Now they understand a lot about what’s going on in the world, and what will happen. Yours faithfully, Munuma P.

“In the cleansing of the temple, Jesus was announcing His mission as the Messiah, and entering upon His work. That temple, erected for the abode of the divine Presence, was designed to be an object lesson for Israel and for the world. From eternal ages it was God’s purpose that every created being, from the bright and holy seraph to man, should be a temple for the indwelling of the Creator... The courts of the temple at Jerusalem, filled with the tumult of unholy traffic, represented all too truly the temple of the heart, defiled by the presence of sensual passion and unholy thoughts. In cleansing the temple from the world’s buyers and sellers, Jesus announced His mission to cleanse the heart from the defilement of sin,—from the earthly desires, the selfish lusts, the evil habits, that corrupt the soul...

‘Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are.’ 1 Cor.

Dear Pastor Marcussen,

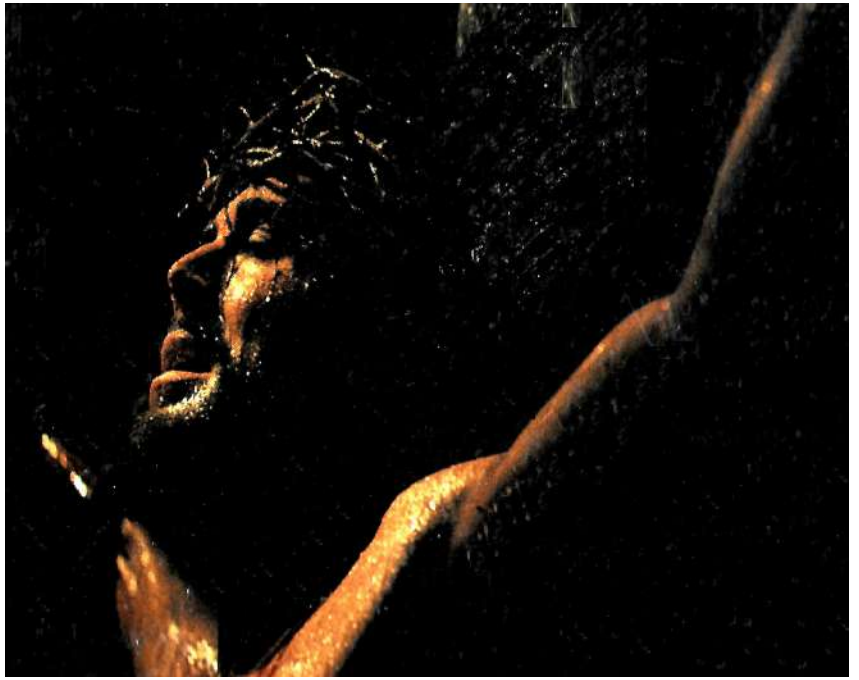

Greetings from Nigeria. I am thrilled at what I am about to tell you. I received the NSL books that you sent and distributed them here. They read them, and immediately 14 people accepted the Lord Jesus as their own personal Saviour. Praise the Lord. We are so thankful for your faithful service. The starving community here are most hungry for the word of God, and your contribution has provided a spiritual banquet. I know that God is preparing a work for me. I was jailed for preaching, and converting a Muslim to Christ. [But the devil hurt himself because this prison is my mission field, and the books can say what a living preacher can’t.] When I get out of here in just three weeks, I will enter into the full time ministry. In His service, Michael

“The Holy Spirit flashed into their minds the utterances of the prophets concerning Christ. Would they yield to this conviction?

“Repent they would not... Slowly and thoughtfully, but with hate in their hearts, they returned to the temple. But what a change had taken place during their absence! When they fled, the poor remained behind; and these were now looking to Jesus, whose countenance expressed His love and sympathy.

With tears in His eyes, He said to the trembling ones around Him: Fear not; I will deliver thee, [Praise God!] and thou shalt glorify Me. For this cause came I into the world.

“The people pressed into Christ’s presence with urgent, pitiful appeals: **Master, bless me.** His ear heard every cry. With pity exceeding that of a tender mother He bent over the suffering little ones. All received attention. **Everyone was healed** of whatever disease he had. The dumb opened their lips in praise; the blind beheld the face of their Restorer. The hearts of the sufferers were made glad.

“Hope thou in God, for on Calvary’s cross a complete sacrifice was offered **for you**... Eternal joy - a life of undimmed happiness - awaits the one who surrenders **all to Christ.**” HP 262.

“When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with **fulness of joy**; for his sins are **pardoned.**” SD 222.
Praise God friend! Praise God!

Dear Pastor Marcussen,

Through your book “National Sunday Law,” I have come to know the real light! I have been a member of the Pentecostal church, but through your book I have been led to see that I have been paying homage to the popery of the Catholic Church. Now, by the grace of God, I am a Seventh-day Adventist! I thank the Almighty that He has made the light of His salvation to shine upon you, and upon us all. Yours in Christ, Sospeter M. Kenya

“As the priests and temple officials witnessed this great work, what a revelation to them were the sounds that fell on their ears! The people were relating the story of the pain they had suffered, of their disappointed hopes, of painful days and sleepless nights. When the last spark of hope seemed to be dead, **Christ had healed them.** The burden was so heavy, one said; but I have found a helper. He is the Christ of God, and I will devote my life to His service. Parents said to their children, He has saved your life; lift up your voice and praise Him. The voices of children and youth, fathers and mothers,

friends and spectators, blended in thanksgiving and praise. Hope and gladness filled their hearts. Peace came to their minds. They were restored soul and body, and they returned home, proclaiming everywhere the matchless love of Jesus.

“At the crucifixion of Christ, those who had thus been healed did not join with the rabble throng in crying, ‘Crucify Him, crucify Him.’ Their sympathies were with

Jesus; for they had felt His great sympathy and wonderful power. They

knew Him to be their Saviour; for He had given them health of body and soul. They listened to the preaching of the apostles, and the entrance of God’s word into their hearts gave them understanding. They became agents of God’s mercy, and instruments of His salvation.” DA 156-163.

“By His own blood He entered in once into the holy place, having obtained eternal redemption for us.” Heb. 9:12.

Dear Jan Marcussen,

My name is Carlos. I’m 18 and I have just now discovered the truth of God when I read your book “National Sunday Law.” I must say that it is truly fascinating how it all fits together! I was raised a Roman Catholic but have always felt that it was not right to confess my sins to a man. [He can’t even forgive his own sins!] Now that I can see the truth about Roman Catholicism, I choose to be a complete follower of God’s word. I know that faith in God will get me through. I just want to thank you for your newsletters and for keeping Jesus and his truth real. Much love and God bless! Sincerely Carlos

Dear Pastor Marcussen,

I will soon be a Seventh-day Adventist. I want to express my gratitude for your obedience to our Lord Jesus in this hour. I am overwhelmed by the information you risk your life to bring us in the book “National Sunday Law.” I’m intrigued by the accuracy of this book for this generation. We are on the edge of God’s judgement that has never been experienced. I agree that the Anti-christ will be taking his position. I pray that this crisis will be the wake-up call to God’s people. So many will perish. We don’t have time like Noah did to warn the people. Keep on doing what you’re doing!! R.S

“Though the ministration was to be removed from the earthly to the heavenly temple; though the sanctuary and our great high priest would be invisible to human sight, yet the disciples were to suffer no loss thereby... He is withdrawn from the eye of sense, but His parting promise is fulfilled, ‘Lo, I am with you alway, even unto the end of the world.’ Matt. 28:20. While He delegates His power to inferior ministers, His energizing presence is still with His church.

Dear A. Jan Marcussen,
I was baptized as an infant in the Roman Catholic system but a Christian woman brought me to Jesus Christ. My minister couldn't give me an answer from the Bible as to why we keep Sunday. Then I got your book "National Sunday Law." It certainly answered my questions! The Pope would not change the Sunday observance back to God's Bible Sabbath. So now I'm going to be ordering NSL books to give to others! I feel so good! The truth has set me free! Glory to God! I love God! I thank Him for His Bible truth! I want to share God's truth with everyone I can! May God bless you! Thank you for exposing people to God's truth! Thank you for passing the love of God along to me and others! It's a blessing from the heavenly Father! Glory to God! Deborah S.
