The Quest to Live Forever

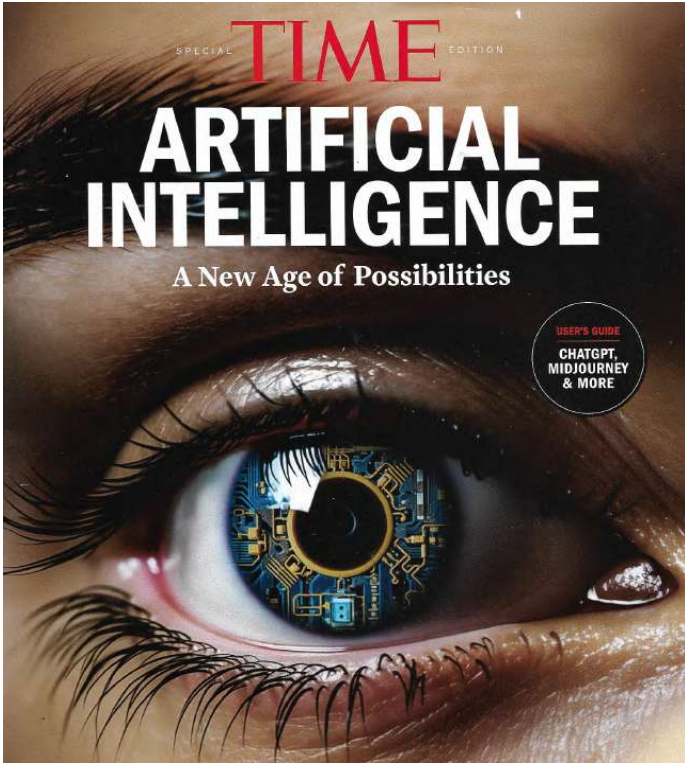

Dear SDA friends around the world,  
Greetings in the holy name of Jesus.

**Faith:** The Bible verse says, "Many shall run to and fro, and knowledge shall be increased." Why are they running? Do they know that we are in the end of the world? How will it affect us?

**Pastor Jan:** Are you ready? Here we go -

**Do you see the circuitry inside his eye? This picture was made by AI. Are they trying to make robots like humans? Are they trying to make robots like gods? Are they trying to make humans like robots? You'll know in a minute.**

article says, "It will only get harder to discern whether an image or video is real or fake."

9 - "Experts predict that voice clones will launch unprecedented fraud and elder abuse" - tricking many of the poor people into giving the crooks their credit or debit card info to solve a great personal problem that the crooks will tell them about on the phone.

10 - It says that the human brain has 100 trillion nerve connections. It predicts that AI will ultimately equal that - and then AI robots could take over the human race to make AI gods and make humans into slaves who serve them.

**Charity:** From the article below, we see that from the false information that has been programmed into them, AI bots will indirectly kill people by way of pharmacies, [which is the method which Rome uses]

By SHANNON THALER

Popular AI tool ChatGPT flubbed nearly 75% of questions about prescription drug usage — with some responses causing potential harm if followed, according to a new study.

Pharmacists at Long Island University posed 39 drug-related questions to OpenAI's free chatbot — with only 10 of the responses deemed "satisfactory," according to the study, which was first reported by CNBC.

For the other 29 questions, the responses either did not directly address the question, were inaccurate or left incomplete, according to LIU's researchers, who presented the findings during the American Society of Health-System Pharmacists meeting in Anaheim, Calif., which began Sunday and runs through Thursday.

"Health-care professionals and patients should be cautious about using ChatGPT as an authoritative source for medication-related information," said Sara Grossman, an associate professor of pharmacy practice at LIU and the leader of the study.

**This December 6 issue of the New York Post - as you see on the left - basically reveals that it can be dangerous to trust in a robot to give a person what is supposed to cure them from some life threatening disease. As we study about AI more and more, we see more clearly that people in high places are slowly trying to make people think that they can make robots even greater than humans, even surpassing the human brain.**

**"He that sitteth in the heavens shall laugh: the Lord shall have them in derision." Ps. 2:4.**

Concerning AI, the March 12, 2024 issue of TIME says -

1 - "AI is changing everything." The article says that AI is responding to emails; preparing tax returns; recording metal rock songs; debugging code; and providing health advise.

2 - It says, "To create is human... Now we have company."

3 - The great mathematician, Alan Turing, said, "If a machine can think, it might think more intelligently than we do, and then where would we be?"

4 - It says that AI has been trying to get "a god's eye view of the world."

5 - Great scientists, including Geoffrey Hinton, said, "We should worry seriously about how we stop these things from getting control over us."

6 - Chief AI Scientist, Yann Lecun, said, "Artificial neural networks could be designed to imitate the human brain."

7 - Scientist Damien Williams said, "AI doesn't care about truth, it cares about the patterns it's fed. If those patterns - are faulty, they'll be reproduced."

8 - After AI made a picture of the Pope wearing a fur coat - which fooled thousands of people - the

and will help lead to the "the time of trouble." Do the great humans of earth want to control the masses by making everyone live in fear?

**Faith:** Will AI bots be greater than humans? How will scientists make them to feel sorrow; feel love; feel curious, feel embarrassed; to feel sympathy, guilt, and happiness?

**Pastor Jan:** AI bots, fighter jets, space shuttles, computers, etc. are just made of stuff they dug up out of the ground - dirt, rocks, water, and oil. That's all. That's what AI bots are. No smiles; no breath; no emotions; no heart; no blood - dead as a doornail - until you flip the switch. The danger lies in certain wicked men who program them.

**Faith:** What about heaven?

**Neil Degrasse Tyson:** [The famous atheist.]

"If you could live forever, would you? In the past 50 years we've increased life expectancy by 20 years. In the last 10 years we've increased life expectancy by 5 years. So, there will be a time when we will have increased life expectancy by one year. At that moment, we will have achieved 'escape velocity' from death. That generation will never die unless you're hit by a bus."

**Pastor Jan:** This poor great man doesn't know that they can all die at any time that God chooses. "All they that go down to the dust shall bow before Him: and none can keep alive his own soul." Ps. 22:29.

There are companies doing intense research to enable ignorant rich people to live forever. In San Francisco people are paying great sums to have the blood of 16 year olds injected into their bodies.

One crook stood up and said, "Who will be the first person to buy a bottle of Vitazone." [And live forever.]

Billionaires are lining up to pay as much as a million dollars to hopefully never die.

"They that trust in their wealth, and boast themselves in the multitude of their riches; None of them can by any means redeem his brother, nor give to God a ransom for him: (For the redemption of their soul is precious, and it ceaseth for ever:) That he should still live for ever, and not see corruption. For he seeth that wise men die, likewise the fool and the brutish person perish, and leave their wealth to others... Nevertheless man being in honour abideth not: he is like the beasts that perish... Like sheep they are laid in the grave; death shall feed on them; and the upright shall have dominion over them in the morning; and their beauty shall consume in the grave from their dwelling. But God will redeem my soul from the power of the grave: for he shall receive me. Be not thou afraid when one is made rich, when the glory of his house is increased; For when he dieth he shall carry nothing away: his glory shall not descend after him. Though while he lived he blessed his soul: and men will praise thee, when thou doest well to thyself. He shall go to the generation of his fathers; they shall never see light. Man that is in honour, and understandeth not, is like the beasts that perish." Ps. 49:6-20.

She's so small. She doesn't know that the tin man doesn't have a heart, or blood. He's the walking dead because "The life is in the blood." Lev. 17:11.

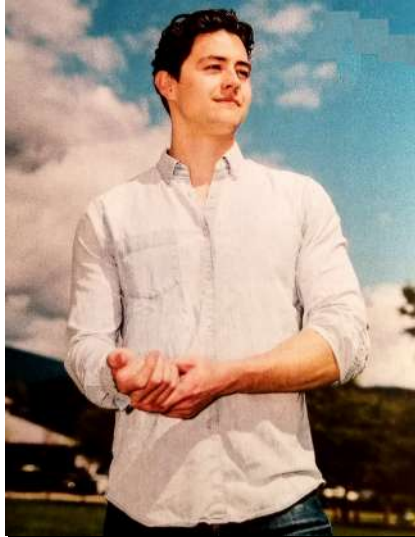

God says, "I will even set my face against that soul that eateth blood, and will cut him off from among his people. For the life of the flesh is in the blood." Lev. 17:10,11. Most people who eat bloody carcasses from the grocery store don't realize that the diseases that Satan has brought upon them is from eating animal blood. "For the life of the flesh is in the blood." Lev. 17:11. Our kind Father wants to save them from these deadly diseases, but many won't let Him.

**The blind lead the blind.** Billionaires are lining up to pay as much as a million dollars to hopefully be able to live forever. Many of them are planning to have their heads frozen with liquid nitrogen and stored in a frozen casket. They hope that some great avatar will put life into their head and then glue it onto someone's living body. They don't think that they will die and awaken to see God. They are determined that with all their money, they will not die! They must not die! **Ever!**

“I saw the beauty of heaven. I heard the angels sing their **rapturous** songs, ascribing praise, honor, and glory to Jesus. I could then realize something of the wondrous love of the Son of God. He **left** all the glory, all the honor which He had in heaven, and was so interested for our salvation that He patiently and meekly bore every indignity and slight which man could heap upon Him. He was wounded, smitten, and bruised; He was **stretched** on Calvary’s cross and suffered the most agonizing death to save us from

Here’s 25 year old Nick Saraev. He, with a small army of intelligent people, are doing all they can to never die! With all the “exponential advances” in computer science, they believe that if they take all the correct preventative steps now, they can hit the “**Longevity Escape Velocity**” and “live forever!”

One of their organizations is the “Coalition For Radical Life Extension.” It hosted a big meeting in Las Vegas. Those who attended experienced things that some might call a taste of heaven. At the big meeting they experienced 1) panel discussions, 2) exercise classes, 3) Rock & Roll singers, 4) dancing Flamingo fiends, 5) a guy in a leopard colored hat playing a flute. Then, 6) people did squats in their business suites amid a swarm of supplement vendors; biohackers; purveyors of eye creams; mystic oils; and an \$8,500 air filtration system. 7) Then there were the crooks hawking magical pendants of the devil to protect your body from electromagnetic radiation. At the same time, these poor souls were watching another group who were hawking mats that shoot electromagnetic radiation into your body. The two groups contradict each other, but they’ll be watching to see which one is the first group to drop dead. Longevity enthusiasts are determined to live forever - **whatever it takes!!!**

death, that we might be washed in His blood and be raised up to live with Him in the mansions He is preparing for us, to enjoy the light and glory of heaven, to hear the angels sing, and to sing with them.” 1T 123,124.

“The heavenly gates are **again to be** lifted up, and with ten thousand times ten thousand and thousands of thousands of holy ones, our Saviour will come forth as King of kings and Lord of lords. Jehovah Immanuel ‘shall be king over all the earth.’ Zech. 14:9.” Hvn. 22,23.

“At the voice of God they were glorified; now they are made immortal and with the risen saints are caught up to meet their Lord in the air. Angels ‘gather together His elect from the four winds, from one end of heaven to the other.’ **Little children** are borne by holy angels to their mothers’ arms. Friends long separated by death are united, nevermore to part, and with songs of gladness **ascend together** to the City of God.” Hvn. 45,46.

“**On each side** of the cloudy chariot are wings, and beneath it are living wheels; and as the chariot **rolls** upward, the wheels cry, ‘Holy,’ and the wings, as they move, cry, ‘Holy,’ and the retinue of angels cry, ‘Holy, holy, holy, Lord God Almighty.’ And the redeemed shout, ‘Alleluia!’ as the chariot moves onward toward the New Jerusalem.—GC 645.

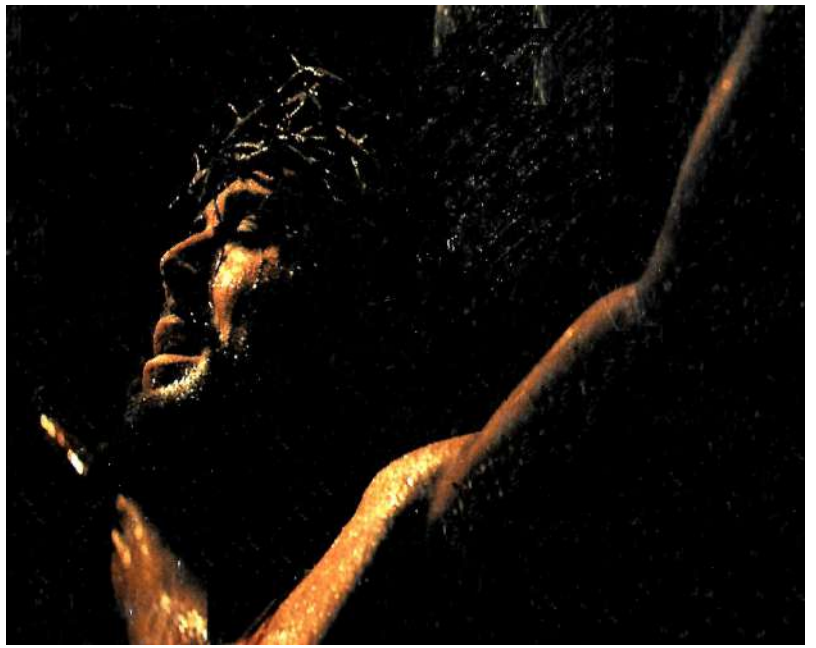

“Heaven is **full of joy**. It resounds with the praises of Him who made so wonderful a sacrifice for the redemption of the human race. Should not the church on earth be full of praise? Should not Christians publish throughout the world the joy of serving Christ? Those who in heaven join with the angelic choir in their anthem of praise must learn on earth the song of heaven, the keynote of which is thanksgiving.” 7T 244.

Dear A. Jan Marcussen,  
I received your book “National Sunday Law” in the mail and started reading it. I read it several times. It was shocking, yet, it all made sense! Since reading “National Sunday Law,” I have renewed my relationship with Christ and I now live for Him. I’m also sharing this book with others in hopes that their eyes will be opened. Thank you for writing such an incredible book! It’s just what we all need! P.C.

It is the faithful servant who will be welcomed from his labors to the joy of his Lord. He will lay off his armor with **rejoicing,** and will forget the noise of battle in the glorious rest prepared for those who conquer through the cross of Calvary.” CT 280.

“Hope thou in God, for on Calvary's cross a complete sacrifice was offered **for you...** Eternal joy—a life of undimmed happiness—awaits the one who surrenders **all** to Christ.” HP 262.

Dear Sir;

I received the wonderful book “National Sunday Law” which I have recently finish reading. The book is not only fascinating but is extremely important. I will never work on Saturday again. Now I know better than that. May the Holy Spirit guide you in the peace and victory of Christ, for the glory of God. Douglas Cortes Orlando, FL

“The sinner could not be happy in God's presence; he would shrink from the

Dear Pastor Marcussen,  
Thank you very much for writing that book “National Sunday Law.” I became a Seventh-day Adventist! My life has changed forever! Thank you! Claudia

There the heavenly Shepherd leads His flock to fountains of living waters. The tree of life yields its fruit every month, and the leaves of the tree are for the service of the nations. There are ever-flowing streams, clear as crystal, and beside them waving trees cast their shadows upon the paths prepared for the ransomed of the Lord. There the wide-spreading plains swell into hills of beauty, and the

**mountains of God** rear their lofty summits. On those peaceful plains, beside those living streams, God's people, so long pilgrims and wanderers, shall find a **home.**

Dear Pastor Jan,

My wife and I were given the book “National Sunday Law” and we immediately stopped keeping Sunday. We received instruction, and two months later we were baptized by immersion, and are now Seventh-day Adventists. We are so happy!

Our lives have changed! We are so much enjoying studying God's word and keeping His Sabbath. We pray that these books will reach others [like they did for us] who will have an open mind and accept the truth of God's word. May the Lord richly bless you in this ministry. In God's love. H.F.

Dear Pastor Jan,

A Seventh-day Adventist gave me a book entitled “National Sunday Law.” I determined to sit down with my Bible and let the Holy Spirit show me everything wrong with keeping the Sabbath. After 12 hours of studying your book, and comparing everything with the Bible, I was converted and am now a Seventh-day Adventist! Praise the Lord! H.S.

“REST IS PROMISED. God designs that all shall be workers... God is a constant worker. The angels are workers... But to the weary and heavy-laden, rest is promised. He will lay off his armor with rejoicing, and will forget the noise of battle in the glorious rest prepared for those who conquer through the cross of Calvary.” CT 280.

“As Jesus opens before them the riches of redemption and the amazing achievements in the great controversy with Satan, the hearts of the ransomed thrill with more fervent devotion, and with more

“And every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I saying, Blessing, and honor, and glory, and power, be unto Him that sitteth upon the throne, and unto the Lamb for ever and ever.’ Rev. 5:13.

Dear Pastor Jan,

I grew up as an atheist, but sometimes I would wonder if God really exists. So I started going to the Baptist church. I was surfing the internet, and accidentally ran across a book entitled “National Sunday Law.” As I read, I was convinced that the seventh day is the Sabbath of the Lord, and that Seventh-day Adventists are God’s true remnant people who keep all the commandments of God. Thank you for that wonderful book! I thank God for all who will not compromise with error. David
