**And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.”**

Dear SDA friends around the world,

Read all the boxes in this letter, then come back here and we’ll talk about what’s happening.

Faith: The Bible verse says, “MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.” Rev. 17:5. What’s so mysterious about her? And who are the harlots that she is the mother of? And what are the abominations that she is the mother of? And how will it all affect us?

Pastor Jan: Are you ready? Here we go -

**James Arribito:** “I was on a street ministry in Berkeley, CA. and became acquainted with a Roman Catholic Jesuit priest from the University of San Francisco. He told me that the Roman Catholic Church will rule the world again. For a while I was in a state of shock. It hit me very hard.

“Revelation 17 says, ‘So he carried me away in the spirit into the wilderness; and I saw a woman sit upon a scarlet coloured beast.’ The woman riding on that beast is the Roman Catholic Church. The verse describes these things as taking place in the ‘wilderness.’ When the primitive church in Revelation 12 fled persecution, she went into the wilderness. In the book *Great Controversy*, page 55, the prophet tells us that the ‘wilderness’ is a symbol that represents obscurity and seclusion. This means that Roman Catholicism is working **in secret** with the rulers of this world - in an effort to take it over.”

**Pastor Jan:** That’s what “The Great Reset” is all about. It’s what “The New World Order” is all about. It’s what the great abominations are all about. It’s why her name in Rev. 17:5 is called “MYSTERY.” It’s why Tucker Carlson on the news, spoke of some mystery power controlling the United States from “behind the door,” and then lamented - “But no one knows who it is.”

**James Arribito**

**James Arribito:** “I interviewed a secret agent who worked for the Pentagon during the second world war. His wife was the head stenographer at the Pentagon. She was ordered to make sure that no allied war planes ever flew over the Vatican. All the funds that went over to Europe for the troops first passed through the Vatican Bank.”

**Pastor Jan:** I’ve shown you the DVD of the interview of Karan Hudes, the head attorney at the World Bank for 20 years. She revealed that money from the IRS goes [through indirect means] to the Vatican Bank. The great “MOTHER” needs it to finance the wars, the riots, the gangs, the secret workings, the elections, the revolutions, and the “abominations” on a national scale, and on a world-wide scale. All those many thousands of people must be paid. They must be paid to do and say

what they’ve been told to do and say. That includes news commentators, politicians, military people, ambassadors, congressmen, senators, presidents, institutions, armies, governments, and many thousands of people around the world who are working to assist Rome in her secret efforts “to **regain control of the world.**” The prophet uses those very words in this quote concerning her planned takeover - “She is employing **every** device [notice the word “every”] to extend her influence and increase her power in preparation for a **fierce and determined conflict to regain control of the world, to re-establish persecution,** and to **undo all** that Protestantism has done. Catholicism is gaining ground upon every side.” GC 565,566.

**Hiram Dukes:** “Years ago I was colporteur near Chicago. At one big mansion I came to, some high Catholic officials tried to get me to be one of them. They offered me every kind of conceivable opportunity that you could think of - money, scholarships, the whole works, and told me the advantage of being Catholic, and what they’re planning on doing in America. They said, ‘We’re going to take over America, and we’ve already got it fixed so that there’s no way in the world that they can escape coming under our authority.’

“I said, ‘Well, how are you going to take over the South - it’s predominantly Protestant?’ They said, ‘We’re going to seed the South with Catholic families.’

**Pastor Jan:** That’s what all the shocking activity at the border has been about since January 20. It’s why the force “behind the door” is wanting to tear down parts of the wall, and why they are bringing hundreds of thousands of dear Catholic people into the country. It’s what the unending attack against the man who led out in building the wall, was all about. **Just today** the news reported that more than a dozen U.S. senators and government officials were commanded by some poor fiends from a house that’s been painted white, to delete the pictures they took of what’s going on with the torments, sufferings, and horrors at the border. The force “behind the door” must limit as far as possible the knowledge of her “preparation for a **fierce and determined conflict.**” GC 565,566.

**Hope:** What poor demons would dare pretend to have the authority to command United States senators to delete their own pictures?

**Pastor Jan:** It’s a secret.

**Hiram Dukes:** The Catholic dignitary said, ‘You might as well join us and be on the right side of the fence.’

“I said, ‘Listen, there is nothing you can do to influence me to become a Catholic. I mean nothing. I know that my horse is going through to eternity. And I’m riding on it. And I know your horses aren’t.

And I know that while I’ll be enjoying heaven, you won’t even exist.’ I said, ‘You might as well open the door and let me out because other people know that I’m in here, and there will be an investigation made if you don’t let me out.’

“One of the big fellows with a red cardinal hat got up and said, ‘Sir, we’re going to let you out. But we want you to know one thing. Everybody that’s born in the U.S. that’s not born a Catholic, is on a card. You’re put on a white card to begin with. [Now they use computers.] When we need to watch you, we put you on a blue card. After you’re on a blue card for a while, if we feel like we’d just as soon that you weren’t existing, we put you on a red card. Son, from now on, you’ll be on a red card just as long as you live.’

Dear Jan Marcussen,  
I came across your book,  
“National Sunday Law” a few  
days ago, and I was unable to  
put it down! I praise God for this  
wake-up! I want to share the  
knowledge in this book from the  
word of God with others! May the  
Lord bless you and keep you.  
May He cause His face to shine  
upon you, and give you peace!  
Sincerely, Albert E. Wade Jr.

**Hiram Dukes**

**Pastor Jan:** We must face the reality that as long as God has a work for you to do for souls, He will keep you alive to do it! While trying to help save souls as you are able, you will see miracles of God's protection. **You'll be filled with the Holy Spirit! Nothing can penetrate the solid walls of God!!!** Look at this - "The Father's presence encircled Christ, and nothing befell Him but that which infinite love permitted for the blessing of the world. Here was His source of comfort, and it is for us. He who is imbued with the Spirit of Christ abides in Christ. The blow that is aimed at him falls upon the Saviour, who

**surrounds** him with His presence. Whatever comes to him comes **from Christ**. He has **no need** to resist evil, for **Christ** is his defense. **Nothing** can touch him except by **our Lord's** permission." MB 71. **Praise God!!!**

Dear Jan Marcussen,  
This "National Sunday Law" book is truly bringing the three angels' messages to the forefront of the world! Please pray for me that God will help me to get these books to people who are looking for the truth. We are getting so close to seeing our precious Savior's return! In God's love, Sherri R. Nebraska

From where I was sitting, I heard two church members talking together. One told his friend that he felt bad because he hasn't done much to try to save souls for whom Jesus died. His friend said, "You haven't done much? I've done nothing to try to save anyone. Absolutely nothing!"

The prophet said, "Those who are 'do-nothings' now will have the superscription upon them, 'Thou art weighed in the balances, and art found wanting.' They knew their Master's will, but did it not. They had the light of truth, they had every advantage, but chose their own selfish

interests, and they will be left with those whom they did not try to save." TM 237. There is no one method to reach everyone on earth. The Holy Spirit guides you.

I'm bashful like many of you are. But even if I wasn't bashful, in seeking to reach the most people, with the most truth, in the best ways, the cheapest, I just leave the little NSL preachers face down on doorsteps, benches, under a gas pump, under mail boxes as I slowly drive by, under a toilet in a restroom, and anywhere people sit, walk, wait, or go. A bashful boy like me can do that. So I see no one - and they don't see me. And that's just fine. But they pick up the little preachers, and they get God's last message just the same! They go in their house reading it. I know because I've been down the street and I've watched them! Praise God!

Jesus said, "Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves." Matt. 10:16.

**This letter brought tears to my eyes. They are running down my face.**

Dear A. Jan Marcussen,  
I grew up in the Philippines and I only went to the 4<sup>th</sup> grade. So my english is very limited. Thank you for writing "National Sunday Law" book. I want to give them to my people, and all pastors. When I first found it in the home of elderly man I take care of, I just stier at it for 2 weks. One day I start reading it, and I'm glad I did! When I was reading what Sunday is all about, my body start shicking and my heart over welm with griff. So many people ready to be trown in fire, and I saw myself on the corner crying my heart out and speaking tangs praying asking the Lord to have mercy on us. From a distance I can see this guy wearing a white robe up there standing looking down to all people. I belive the Lord really wants people to read "National Sunday Law" book, otherwise we have no clue. Thank you for reading my letter. God bless you. Venus

Dear Pastor Marcussen,  
Someone gave me the "National Sunday Law" book to read. I didn't know that there was a Seventh-day Adventist church which obeys all the Commandments of God. After looking for it, I found it! My daughter and her two children have also joined me. I'm praying for others in the family to follow also. I will be sharing God's truth with others! I know that very soon, probation will close. It will be my great joy to see you personally in heaven with Jesus our loving Savior and Redeemer. May God richly bless you and your ministry to the perishing world. Sincerely, D.B.

**Alberto Rivera:** "The purpose is to infiltrate all the areas of life where the Roman Catholic institution can have control. Since the Jesuit order was established in 1541, they've been in preparation for this takeover by infiltration and penetration at every level of society.

"I especially worked in dealing with the infiltration of churches and religious institutions as well as governments. That covered a tremendous number of institutions. As a Jesuit under the extreme oath and induction, I prepared Catholic people in the blue Army, the club of Rome, the Legion of Mary; and in many of these militant organizations - I trained and prepared them how they can become Baptists, how they can become Adventists, how they can become Methodists, how they can become Presbyterians, how they can become Pentecostals, etc.

**Alberto Rivera:** “The Blue Army has the greatest promotion of the satanic cult to Mary here in the United States.

“The Opus Dei is another arm of the Jesuits. You have Masons; you have the Illuminati; you have the New Age movement; you have the Trilateral Commission; and so many others. There are secret Catholic orders in existence to control **every part of society.**”

**Hope:** You’ve already shown us that the book *Making America Catholic* reveals that Rome is out

to destroy our nation and raise it up again as a Catholic controlled country. Is that why people who uphold our great Republic and our Constitution, including the 45th President of the United States, have been attacked with no letup from behind the door? Who’s behind the door?

**Pastor Jan:** It’s a secret.

**Alberto Rivera:** “The Opus Dei has to do with what they call Christian democracy. When there’s a push to help a society become a Christian democracy, [not a republic as the U.S. has been.] Catholicism can take it over, and that is the special work of Opus Dei. [That’s why they try to trick the masses into acting like the U.S. is a democracy. A republic is ruled by law.

A democracy is ruled by

the majority, with a papal controlled man at the head of it.]

“The Council of Trent was the first Council to be managed by the Jesuit order. The Vatican II Council from 1962 to 1965, was also brought about by the Jesuit order. The intent behind both of those

Councils was the counter Reformation. We are now in the final stage of the counter Reformation.”

**Faith:** After that, then what happens?

**Pastor Jan:** Watch closely - “Great changes are soon to take place in our world, and the final movements will be rapid ones... Men possessed of demons are taking the lives of men, women, and little children. Men have become infatuated with vice, and every species of evil prevails... The cries of starving humanity are coming up before God, while by every species of oppression and extortion men are piling up colossal fortunes.” 9T 11,12...

“When the protection of human laws shall be withdrawn from those who honor the law of God, there will be, in different lands, a simultaneous movement for their destruction. As the time appointed in the decree draws near, the people will conspire to root out the hated sect. It will be determined to strike in one night a decisive blow, which shall utterly silence the voice of dissent and reproof...”

”The people of God—some in prison cells, some hidden in solitary retreats in the

“It is at midnight that God manifests His power for the deliverance of His people. The sun appears, shining in its strength. Signs and wonders follow in quick succession. Dear Amazing Truth,

I asked God to lead me and use me. He guided me to get “National Sunday Law” books to distribute. It was then that I learned of the worldwide scope of Pastor Marcussen’s work! I realized that this book contains the issues for the last days. The people of the world need this book to make them aware of these life and death issues! I want to help many people to know which side to be on when the mark of the beast is enforced! I have come to realize that the work which God wants me to do is to help distribute the “National Sunday Law” books to many people! May God bless you. Sincerely, A.C.

Dear Pastor Jan,

I had a “National Sunday Law” book sitting around my house but never read it. Last week I started reading it, and I couldn’t put it down! It answered so many questions about Revelation! I fell away from the Lord for many years, but last week after reading your book, my life changed forever! I came back to God!! N.C.

Do you see the brightest spot? It’s reported to be 1,344 light years away from us. The prophet of God revealed that - going much faster than the speed of light - dear Jesus will come through that bright opening in the nebula of Orion. “Thine eyes shall see the king in his beauty: they shall behold the land that is very far off.” Isa. 33:17. Do you comprehend that? Praise God!

Dear Author,

This book “National Sunday Law,” was handed to me by a man as I walked out of the Target store. At first, I wasn’t sure what it was, but as I began to flip through the pages, I was immediately enthralled, and was unable to put it down. The connection between the Bible texts and what is happening today in the world is extremely thought-provoking. I am compelled to write and just say thank you. Thank you for taking the time to research and place God’s message into print for the people. I pray that this book reaches many, and that their eyes will be open to receive Jesus. The end is too near to delay receiving eternal salvation. God bless!

**Dear Pastor Jan,**

**I was a Methodist who had become disenchanted with my church. I visited many churches of various denominations but could not find a new home. One Saturday afternoon I opened my front door and found the book “National Sunday Law” on my doorstep. I read it over and over for two weeks, looking up every scripture and reference to be sure there was no error. Not only could I find no error, but I was overwhelmingly convicted of God’s Sabbath truth! I knew I had to get this book to others! My mother and I were baptized as Seventh-day Adventists, and now I’m teaching other people. We go out on Sabbath afternoons and give out “National Sunday Law” books! Praise God for his wonderful Seventh Day Sabbath! D.S.**
