Is this man stronger than you are? If he beat everyone so that there's no one left to beat except Jesus, would he feel that now he can beat Jesus? He looks at Jesus and sees His nail-scarred hands and feet. Jesus tasted hell death for our sins. The man looks at his own giant muscles. Then he makes a crown of thorns and briars to put on Jesus' head. Our Saviour speaks to him - - "Who would set the briars and thorns against me in battle? I would go through them, I would burn them together. **Or** let him take hold of **my strength**, that he may make peace with me; and he shall make peace with me." Isa. 27:4,5. Wonderful Jesus!

worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?... And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.”

Dear SDA friends around the world,
Greetings in the holy name of Jesus.
Faith: The Bible verse reveals that both the people of the world and the people of the church worship both the dragon [Satan] and the beast [the papacy.] It says, “And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.” Rev. 13:7-9.

Why did our kind Father give both worldly people and church people into the hands of the devil and Rome, to be “overcome?” Has this already happened? Is it happening now? Or will it happen only after the Sunday law?

Hope: Jesus said that God gives His people good things. How will this horrible thing be good for us? When it happens, what will it be like?

Pastor Jan: Are you ready? Here we go -

by Dennis Behreandt

The Bible verse on page one of this letter tells us that both God's people, and the people of the world have been, and will be attacked by the beast power - and that initially, Rome will appear to win. Fortunately, after the beast succeeds in "scattering" the power of God's people {from the enforcement of the mark of the beast at the Sunday law} it reveals what king Jesus will do. Meanwhile, the Bible uses the word "scatter."

"And when he shall have accomplished to **scatter** the power of the holy people, all these things shall be finished." Daniel 12:8. In that text, Jesus warns his people here in the end of time the power of His people will be scattered. James Carville said, "Behold, the ice pick cometh." If you've seen James Carville in the news, you know what his words here mean.

This New American article to the right gives us a hint of the "ice pick" that is coming. And when we look at the big picture, we see that it has already started. The beast of Rev. 13 has the goal of murdering billions of people and taking over the world.

"And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations." Rev. 13:7.

"And when he shall have accomplished to scatter the power of the holy people, all these things shall be finished." Daniel 12:8. We see hints of it in things like what happened in Orange County, CA as was seen on Brasscheck TV. It said -

In Orange County, California, it is illegal to hold a religious meeting in your home. This is what Chuck and Stephanie Fromm, of San Juan Capistrano, discovered when they were fined \$300 earlier for holding a Bible study class on their property.

County officials said the couple were singled out because it is considered illegal to hold "a regular gathering of more than three people" on private property.

[Hope: What if Chuck studies with Jeff and Dean one hour, and then he studies with Larry and Dennis the next hour? And what if they all study at Barry's house one week, and at Glen's house the next week? Notice the words, "private property." What if they have the Bible studies on public property? What if they rent a room in a motel or some other place? What if they meet in a coin operated laundromat? What if they meet at the far edge of the parking lot at the Walmart? ☺

James Arribito

[Pastor Jan: Dear Jesus said, "Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves." Matt. 10:17.

Officials stated that the Fromms require a license to hold meetings in their home. [The ex-Jesuit priest, Alberto Rivera, spoke about things like this. He said that when things like this happen, "**The Jesuits are behind it every time.**"] The attack is against Protestantism, and against the U.S. Constitution. The ex-Jesuit priest revealed that the Jesuits get ungodly and illegal laws into place way ahead of time, so when anyone ignorantly breaks one of them, the Jesuit inspired law is waiting to pounce upon them. Many of these illegal laws are sitting there like a spider web, waiting for a victim to stumble into it.]

San Juan Capistrano authorities claim home Bible study is not allowed because it is a "church," and churches require a Conditional Use Permit (CUP) in residential areas.

The Fromms face additional fines of \$500 per meeting for any further "religious gatherings" in their home, according to the Pacific Justice Institute.

They said, "The city's action is a brazen violation of the First Amendment, which guarantees free worship without government intervention."

Ironically, the city of San Juan Capistrano was founded as a mission in the late 1700s by Catholic priest Junipero Serra. A local chapel established by Serra himself is the oldest standing building in California.

James Arribito: I was on a street ministry in Berkeley, CA. when I became acquainted with a Roman Catholic Jesuit priest from the University of San Francisco. He told me that the Roman Catholic Church will rule the world again. For a while I was in a state of shock. **It hit me very hard.**

Here is a bit of news: We are in the end stage of a multi-pronged, multi-front, multi-decadal war against life itself. It gets worse: Most people have only a vague idea, at best, that this war is raging around them and that they and their families and their nations are the target. The enemy's objective is to destroy the family, the nation that inevitably has its roots in the family, the religion that supports and breathes life into this superstructure, and even a majority of the individual people who live within this "vital framework." The goal is simply the complete revolution of life, resulting in a globally managed, state run through the United Nations and its affiliate NGOs and peopled by a carefully "curated" and "managed"

The entire world has been victimized by a Deep State bent on world domination, achieved in large part by a war against humanity that is radically undermining the most essential of human rights — the right to life itself. ■

Can you guess why nearly none of the literary agencies tell people who is behind the mysterious Deep State? In this letter, you'll find out.

They're looking at each other. "In such an hour as ye think not, the son of man cometh." Matt. 24:44.

You know, we as Adventists expect somehow to see all these events take place out in the open. But you know I found that that is not what Revelation 17 tells us. Verse three says this - "So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast," This scarlet colored beast will seek to destroy the commandments of God. The woman riding on that beast is the Roman Catholic Church. The verse describes these things as taking place in the "wilderness." When the primitive church in Revelation 12 fled persecution, it says that she went into the wilderness. In the book *Great Controversy*, page 55, the prophet tells us that the "wilderness" is a symbol that represents obscurity and seclusion. This means that at the end of time, Roman Catholicism is working in secret with the rulers of this world - in an effort to control the world - to take it over. [Pastor Jan: You probably cannot think of a public organization that the papacy is not aiming to control.] I want you to pay close attention to this first interview with **Alberto Rivera**, a former Jesuit priest who escaped.

Alberto Rivera

[Pastor Jan: Do you believe that he really escaped from the Jesuits? Some time later, when he went to Argentina to share his testimony in order to bring innocent people out of the Roman Catholic church, the Jesuits killed him - dead. Yes. In death, Alberto did escape.]

Alberto Rivera: I especially worked in dealing with the infiltration of churches and religious institutions as well as governments. That covered a tremendous number of institutions. The purpose of this infiltration is to penetrate all the areas of life where the Roman Catholic institution can have control and access for the coming world government. [He did not mean a world controlled by one government - which the dream of Daniel 2 forbids - but rather a world in which all the many national governments are indirectly controlled by Rome - in secret - as revealed in Revelation 17.] Since the Jesuit order was established in 1541, they've been in preparation for this takeover at every level of society.

Hiram Dukes - a former spy for the U.S. government during WWII - who later became a Seventh-day Adventist minister.

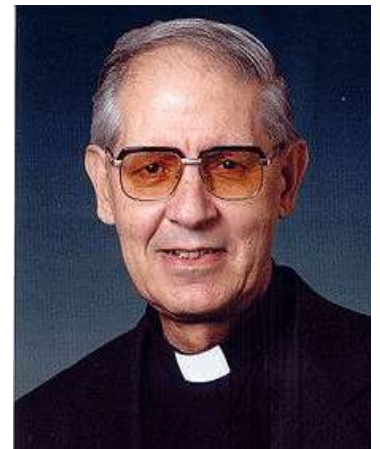

Hiram Dukes: I was in Chicago years ago as a colporteur when I came to one great big mansion. The folks were rich in that area. I was pretty sure that this fellow was a Catholic so I gave him my Catholic canvas. He invited me in, and as soon as we got in, he turned the key and locked the door. I said, "**Wait a minute, what am I getting into?**" He opened another door into a great big mammoth parlor, and a great big mammoth dining room with double doors in between. Seated around the whole business were Catholic prelates - some from Europe, and all the big ones from America. They were planning a Eucharistic Congress in Chicago.

When they started talking to me they tried to get me to be one of them. They offered me every kind of conceivable opportunity that you could think of. They offered me money, scholarship, the whole works, and told me the advantages of being Catholic, and what they were planning to do in America. They said, "We're going to take over America, and we've already got it fixed so that there's no way in the world that they can escape coming under our authority.

I said, "Well, how are you going to take over the South - it's predominantly Protestant?" The cardinal said, "**We're going to seed the South with Catholic families.**" [Pastor Jan: The cardinal told this to Hiram Dukes long before there was a Roman Catholic president like President Joe Biden and his vice-president. They've been faithfully following orders from the Vatican to do the very things that the cardinal told Hiram Dukes they were going to do - in order to take over America! **Now, we have millions and millions** of Catholic people who have come into the nation through our open borders - just like Rome has planned to do for many years as they - according to the cardinal - "seed the south with Catholic families."]

I said, "Are you prepared to take over?"

The cardinal said, "Yes, we have our standing armies. We have everything all prepared with guns, ammunition, and the whole works. You might as well join us and be in on the right side of the fence."

Adolfo Nicolas, the Supreme Jesuit General = "The Black Pope." At his command are the entire company of Jesuit agents; and secretly - cardinals; bishops; archbishops; the Knights of Malta; the Knights of Columbus; all the Catholic orders; the world media; world banking, the world intelligence network; and the leaders of secret societies, with their hundreds of branches around the world. In his lecture, Professor Walter Veith quoted the Black Pope speaking to the Emperor of China. He said, "See my lord, from my room I control the leaders of the world without anyone knowing how 'tis done."

I said, "Listen, there is nothing you can do to influence me to become a Catholic. I mean nothing! I know my horse is going through to eternity. And I'm riding on it. And I

know your horses aren't. And I know that you'll be zero entities when I'll be enjoying heaven." I said, **"You might as well open the door and let me out because other people know that I'm in here, and there will be an investigation made if you don't let me out."**

The cardinal stood up and said, "Sir, we're going to let you out. But we want you to know one thing. Everybody that's born in the United States that's not born a Catholic, is put on a card. You're put on a white card to begin with. [That was before they had computers.] When we feel like we'd just as soon that you weren't existing, we put you on a red card. Son, from now on, you'll be on a red card just as long as you live." [This godly SDA man lived to be very old. **The papal fiends couldn't touch him!** It's the same with you and me. The angels of God are all around us. God wants us to rest in His love like little children.]

In the restaurant, the worker (Charlie) asked Monsignor Segure what he would be if he was not Roman Catholic. He said, "If I was not Catholic, I'd be a Seventh-day Adventist." He said, "Charlie, if I could get out of being a Catholic I'd become a Seventh-day Adventist tomorrow." He said, "Charlie, if you can, I advise you to be a Seventh-day Adventist."

Tennite's Corner: "Self cannot manage self; it is not sufficient for the work. Whoever tries to do this will be worsted. God alone can make and keep us loyal." RH 9-14

Dear Pastor Jan,
Thank you for sending me the book, "National Sunday Law." Everything you said in it validates my suspicions about the church of Rome. I am now a Seventh-day Adventist. Since reading your book, I have let others read it, and God used it to change their lives! Before reading your book, I was working on Saturdays. After reading it, I was convinced that I had to stop working on God's holy Sabbath. I praise God that my prayers were answered and I now have Saturdays off. Please keep up the good work of sending the Three Angels' Messages to the people of the world! Your brother in Christ,

James Arribeto: What would you say has happened to the Inquisition?

Hiram Dukes: It's still in force in one way or another. [Pastor Jan: Catholics have a custom that they don't eat meat on Fridays. God has made the strongest and mightiest land creatures to be vegans - hippos, rhinos, and elephants.] Charlie would come into the Chinese restaurant at four o'clock in the morning and give the Catholic dignitaries what they wanted to eat. That Friday Charlie Hubert encouraged the Catholic dignitary to eat a beefsteak like he did, so he ordered one. As he was ordering it, he said, "I don't know, I feel funny about this." Anyway, he went ahead and ordered it. He had it about half eaten when three big dignitaries from the Catholic Church marched in and sat beside him.

When they left, he said to Charlie Hubert, "You don't know what this means to me. I'll suffer for this. I used to be the head official who gave the punishments to the folks who weren't living up to the Catholic rules. If you go back to the big churches in New York City, you'll find way down deep in the basements, the corners of the rooms are walled up with bricks and mortar. Those people would be chained to the walls in the corners, and I would bring one brick and one trowel of mortar each day until there was room for just one more brick. I would put in the last brick. Behind those walls are many skeletons. Charlie, you don't know what this means to me! I was the **chief executioner** for that deal." He said, "I'll hear from this in a few days. I'm from that tribunal back there."

Concerning this, God's prophet said, "She [Rome] is piling up her lofty and massive structures in the secret recesses of which her former persecutions will be repeated." GC 581.

In a few days he got a notice that he was to appear before the tribunal in New York. He said, "Charlie, if I live after this, I'll send you a card - "Greetings for your birthday."

The card never came.

James Arribeto: Why hasn't Rome removed the Seventh-day Adventist church?

Dear Jan Marcussen,
Please allow me to say that your book "National Sunday Law" is dynamite! It was very well written and it held my full attention to the very end. Not only did I read the book but I also did an in depth study of each of the Bible verses given. I enjoyed "National Sunday Law" so much! Harvey Stanley

Hiram Dukes: Because the good Lord has had a hand in things. [Praise God!] But they have plans for the Adventist church now, and they have plans on fixing it so they can't buy or sell. [That's in Rev. 13:15-17.]

God still reigns, and no matter what Rome does, or what the Jesuits do; no matter what their plans are, **God is behind the scenes and He is with His people! We have nothing to fear! Nothing! [Praise God!]**

Alberto Rivera: Only Christ can eradicate Catholicism from the heart of a person. **Roman Catholicism is going to be burned up. God is going to set her on fire!**

Pastor Jan: "When the Judge of all the earth shall demand of Satan, 'Why hast thou rebelled against Me, and robbed Me of the subjects of My kingdom?' the originator of evil can render no excuse. Every mouth will be stopped, and all the hosts of rebellion will be speechless.

"In the Saviour's expiring cry, 'It is finished,' the death knell of Satan was rung. The Son of God passed through the portals of the tomb, that 'through death He might destroy him that had the power of death, that is, the devil.' Heb 2:14. GC 503,504.

Dear Pastor Marcussen,

I received the "National Sunday Law" book and now I am a Seventh-day Adventist! Praise God's holy name! I'm reading as much as I can about His soon coming. Dear Pastor Marcussen,

The book "National Sunday Law" was handed to me, and it was that book that made a major impact on my life! I have had a rather wild life and have spent most of the last five years engulfed in drugs and alcohol. Because of "National Sunday Law," and the Spirit of God working in my life, I am now a Seventh-day Adventist. Thank you for allowing God to use you to write this book. May God bless you!
