

Here's the great ghoulish gargoyle sitting on the roof of the church. Do you see any horns? With the protection given to the universal church by Satan's army, the "woman of the night" will prosper more and more as described in this Bible quote in Revelation 17.

**“And  
I saw  
the  
woman  
drunken

which thou sawest are ten

and shall give their power and

them: for he is**

On the front of this building are the words, "Wine & Spirits." In Satan's attack on the nation, it's seen that the poor drunken souls have more spirits than they can handle. The great anarchy against law is characterized by this runner with the upside-down flag.

**Lord of lords, and King of kings: and  
they that are with him are called, and  
chosen, and faithful.”**

Dear SDA friends around the world,

Read all the boxes in this letter, then come back here and we'll talk about what's happening.

**Faith:** The Bible quote says, "These have one mind, and shall give their power and strength unto the beast." How will they do that?

And it says, "These shall make war with the Lamb, and the Lamb shall overcome them." How will He do that? And how will it affect us?

**Pastor Jan:** Are you ready?  
Here we go -

**Hope:** All of a sudden - just in the past few months - calamities, disease, anarchy, and death seem to be sweeping through the big cities. Is it organized? Or is it just an accident with no brains? What universal power is rich enough to finance it; big enough to push it; and secret enough to be behind it?

Pastor Jan: It's a secret.

**Charles Chiniquy:** “Long before I was ordained as a Catholic priest, I knew that my church was the most implacable enemy of this Republic. My professors of philosophy, history, and theology had been unanimous in telling me that the laws of the Church of Rome were absolutely antagonistic to the laws which are the foundation-stones of the Constitution of the United States.”

**Pastor Jan:** In a big meeting of Catholic priests in Buffalo, N.Y., it was stated that - “We are determined to take possession of the United States; but we cannot do that without acting secretly... Silently and patiently, we must mass our Roman Catholics in the great cities of the United States, remembering that the vote of a poor journeyman, though he be covered with rags, has as much weight in the scale of power as the millionaire Astor, and that if we have two votes against his one, he will become as powerless as an oyster. Let us then multiply our votes. [In order to do the most damage to the United States - the priests were told to be members of the liberal political party.] Let us call our poor but faithful Catholics from every corner of the world, and gather them into the very hearts of those proud cities of Washington D.C., New York, Boston, Chicago, Buffalo, Albany, Cincinnati, etc. Under the shadows of those great cities, the Americans consider themselves a giant and unconquerable race... Let no one awaken those sleeping lions. How sad will their awakening be, when with our out-numbering votes, we will turn them forever from every position of honour, power, and profit! What will those so-called giants think of their shrewdness when not a single Senator or member of Congress will be chosen, if he be not submitted to our holy father the Pope!

What a sad figure those Protestants will cut when we fill and command the armies, man the navies, and hold the keys of the public treasury? It will then be time for our faithful people to give up their grog shops [beer joints] in order to become the judges and governors of the land. [You’ve probably noticed that many of the governors and mayors are already Catholics. Their poor souls have been identified as trying to keep America closed up at home, while allowing chaos [like in Seattle, Portland, New York, etc.] until they can get rid of one man by falsely blaming him for all evils, and then Rome can control and ruin the United States with her poor puppet. He continues -]

“Then, yes! then, we will rule the United States, and lay them at the feet of the Vicar of Jesus Christ, that he may put an end to their impious laws of liberty of conscience!

“The Catholic priests, with great success, have gathered their Catholic legions into the great cities of the United States, and the American people must be very blind if they do not see that the day is very near when the Jesuits will rule their country. The Jesuits are already the masters of New York, Baltimore, Chicago, St. Paul, New Orleans, Mobile, Savannah, Cincinnati, Albany, Milwaukee, St. Louis, San Francisco, etc. Yes!

San Francisco, the rich, the great queen of the Pacific, is in the hands of the Jesuits! [It’s

also a headquarters for papal controlled secret societies, and the highest orders of witchcraft. And, as it was near the start of the French Revolution, “the Jesuits alone flourished in the decaying nation” [GC 279] while much of the doomed Jesuit city is a garbage dump and a dung hill for dying dope fiends.]

“From the very first days of the discovery of the gold mines of California, the Jesuits had the hopes of becoming masters of those inexhaustible treasures, and they secretly laid their plans. They saw at once, that the great majority of the lucky miners were going back home as soon as they had enough to secure an honourable competence for their families. It became then evident, that of those multitudes which the thirst of gold had brought from every corner of the world, not one out of fifty would fix their homes in San Francisco. The Jesuits saw at a glance that if they could persuade the Catholics to settle and remain there, they would soon be the masters and rulers of that golden city. That scheme has been crowned with success.”

**Ellen Lee Zhou:** Many who are sitting in City Hall, and on the board of supervisors here in San Francisco, are associated with the marijuana operators.

**Dear Folks,**  
I’ve been reading “National Sunday Law” and it sure is amazingly true! I want to get many more because I have a lot of friends, and I would like to give them a book so they can start opening their eyes to God’s true Sabbath day! Thanks for writing it! Sincerely, Mrs. G. R. Texas

**Here’s a snapshot of the drug, sex, and Jesuit filled San Francisco of our day. To help “regain her lost supremacy,” the papal hierarchy would rejoice to see Americans looking like these poor dope fiends. To help accomplished it, they’re giving out free needles, and providing free dope houses.**

**Dear Pastor Jan,**

It was through someone who sent your “National Sunday Law” book to me that I came to the truth, and became a Seventh-day Adventist. I was seeking the truth, and the Lord had someone to send it to me. [Praise the Lord!] Alice B. Washington, D.C.

**Dear Pastor Jan,**

Someone handed me your book “National Sunday Law.” I had gone to church most of my life but did not know this truth of God. Man! I read “National Sunday Law” and I thought to myself - “I’ve got to get this book out to the people NOW!” I had been keeping all of the commandments except God’s seventh day Sabbath – Saturday, so I switched. I want you to know that I have not had a bad day since accepting God’s Sabbath! Not one! Your friend, Scottie H.

“The Americans, with few exceptions, do not pay any attention to the dark cloud which is rising at their horizon, from Rome. Though that cloud is filled with rivers of tears and blood, they let it grow and rise without even caring how they will escape from the impending hurricane.

“It is to San Francisco that you must go to have an idea of the number of secret and powerful organizations with which the Church of Rome prepares herself for the impending conflict, through which she hopes to destroy the schools, and every vestige of human rights and liberties in the United States.

“In order to more easily drill the Catholics and prepare them for the irrepressible **struggle**, the Jesuits have organized them into a **great number of secret societies**.

“Almost all these secret associations are military ones. [You’ve been seeing some of them in the news - causing the destruction of our historical monuments; the destruction of buildings; the destruction of law enforcement; and the destruction of lives - under the Jesuit cloak of false justice. Priest Chiniquy revealed that the brains of the poor “Protestants” are not sufficient to comprehend what’s going on. I’m thankful that God’s obedient SDA people are still Protestants, and that they are sharing God’s mighty 3 angels’ messages with the masses. It’s God last message to the world to counteract the enforcement of the mark of the beast.] They have their headquarters at San Francisco, but their rank and file are scattered all over the United States. They number several hundred thousand soldiers.

“Rome is constantly making plots against the rights and liberties of mankind all over the world.

**Hope: Who would even think of a universal power trying to erase the history of the United States - which God has richly blessed - by changing the history books; nevermore teaching hardly any of its history in schools; burning buildings; and tearing down historical monuments?!!**

**Charity: And who would even dream that the universal power is doing it before our eyes?**

**Faith: What is this universal power?**

**Pastor Jan: It’s a secret.**

American continent.

“In the near future, if God does not miraculously prevent it, those laws of dark deeds and blood will cause the prosperity, the rights, the education, and the liberties of this nation to be buried under a mountain of smoking and bloody ruins. On the top of that mountain, Rome will raise her throne and plant her victorious banners.” *50 Years in the Church of Rome*, chapter 59.

**Fox News. It says, “VENEZUELAN ACTIVIST WARNS AMERICANS: DEFEND YOUR COUNTRY OR IT WILL BE DESTROYED.”**

**This shock is nothing new to the millions whose nations have been taken over and ruined by a universal power which is “rich enough to finance it; big enough to push it; and secret enough to be behind it.”**

**Charity: Will Congressmen, Senators, and lawmakers at every level, expose this universal power through the media to save the nation from it?**

**Pastor Jan: It controls them.**

**Faith: What is this universal power?**

**Pastor Jan: It’s a secret.**

“Cardinal Manning, speaking in the name of the Pope, said: ‘I am sole, supreme judge of what is right and wrong. Moreover, we declare, affirm, define, and pronounce it to be necessary to salvation for every human creature to be subject to the Roman Pontiff!’”

“If the liberties of the American people are ever destroyed, they will fall by the hands of the Catholic clergy...”

“Without Romanism, the awful civil war would have been impossible. Jeff Davis would never have dared to attack the North, had he not had assurance from the Pope, that the Jesuits, the bishops, the priests and the whole people of the Church of Rome, would help him.

“These are the laws which led the assassins of Abraham Lincoln to the house of a rabid Roman Catholic woman, Mary Surratt, which was not only the rendezvous of the priests of Washington, but the very dwelling-house of some of them.

“Those bloody and infernal laws of Rome nerved the arm of the Roman Catholic, John Wilkes Booth, when he slaughtered one of the noblest men God has ever given to the world.

“Those bloody laws of Rome, after having covered Europe with ruins, tears, and blood for ten centuries, have crossed the oceans to continue their work of slavery and desolation, blood, and tears, ignorance and demoralization, on this

**Faith:** Who controls the “universal power?” Will it regain its lost supremacy?

**Pastor Jan:** Here it is - “The Scriptures teach that popery is to **regain its lost supremacy**, and that the fires of persecution will be rekindled through the timeserving concessions of the so-called Protestant world.” *Maranatha*, p. 194.

#### Is Anyone Fooling Anyone?

On the radio it was announced that a **face mask** cannot stop viruses from going right through them. So I looked it up and found that the typical size of the holes [pores] in a face mask is from 80 - 500 micrometers. The average size of a virus is from 20 - 400 nanometers. **There are 1,000 nanometers in one micrometer.**

With an average pore size of 250 micrometers in a face mask, compared with an average virus size of 200 nanometers, we see something amazing. Since there are 1,000 nanometers in one micrometer, we see that each pore of 250 micrometers is equal to 250,000 nanometers!

When a typical 200 nanometer virus comes floating along, it is coming up to pores that are like **gigantic** caverns, each the size of 250,000 nanometers!

200 into 250,000 is 1,250. This means that each of the thousands of pores in a face mask is an average of 1,250 times **larger** than the virus! At that size, piles of 1,250 viruses could all go through the pores in the mask at the same time!

**Hope:** What good is it for people to learn that it's as easy as pie for viruses to go through the pores in a face mask?

Would anyone want the masses to be ignorant of this fact? Why do the papacy and her faithful servants in the media enjoy the people's ignorance?

**Pastor Jan:** It's a secret.

Dear Jan Marcussen,

A friend of mine gave me your book "National Sunday Law." It blew my mind! I've been worshiping God on Sunday. Now, after you have opened my eyes, I don't want to do it anymore. I plan to get more of these books for many others! I wish everyone in the world could read your book! When the Lord comes, I want to hear the words, "Well done, good and faithful servant." I ask God every day to help me to obey His commands. We must pray at all times. I truly love your book! May the Lord bless you and may heaven smile upon you. Your friend in the Lord, Ethel S.

little NSL preacher, and tell them that when they read it, they'll understand the issue very well. Then, I change the subject and talk about something else. If they ask questions about it, I say that the answer is in the book. I don't discuss the Bible with them at that time, knowing that if I do, it will prevent them from reading the book. If they ask what religion I am, I say, "You'll know when you read the book."

The prophet reveals that the lie which says that we are free to violate God's ten commandments, is leading to this -

"The civilized world would become a horde of robbers and assassins; and peace, rest, and happiness would be banished from the earth." GC 585. This is what has led to the riots, murders, rape, and demon controlled anarchy that you've seen in cities lately. And here's what else is happening -

"**Courts of justice are corrupt.** Rulers are actuated by a desire for gain and love of sensual pleasure. Intemperance has beclouded the faculties of many so that Satan has almost complete control of them. Jurists are perverted, bribed, deluded. Drunkenness and

"Human enactments, laws manufactured by satanic agencies under a **plea of goodness** and restriction of evil, will be exalted, while God's holy commandments are despised and trampled underfoot. And all who prove their loyalty by obedience to the law of Jehovah must be prepared to be arrested, to be brought before councils that have not for their standard the high and holy law of God."

"In the courts injustice will prevail." [The prophet of God reveals that the corrupt judges will say, "**We have a law.**" They "**have a law**" because they and the devil made it up.] The judges will refuse to listen to the reasons of those who are loyal to the commandments of God, because they know that arguments in favor of the fourth commandment are unanswerable. They will say, "**We have a law, and by our law he ought to die.**" John 19:7. God's law is nothing to them. '**Our law**' with them is supreme. Those who respect this human law will be favored, but those who will not bow to the idol sabbath [at the Sunday law] will have no favors shown them." *Maranatha*, p. 195.

"The persecutions of Protestants by Romanism, by which the religion of Jesus Christ was **almost annihilated**, will be **more than rivaled** when Protestantism and popery are combined." 3SM 387.

**Hope:** Preachers say that since we are under grace now, we don't have to keep the ten commandments anymore - not even by God's grace! What do you tell them?

**Pastor Jan:** I know that their highly educated minds are so dull that any Bible verses you have - which are many - will only be placed by them into their spider web of deception. So when they tell me that, I get out my check book and start writing them a check. I say, "Wonderful! Just name for me two of the ten that we can disobey now, and I'll write you out a check for \$1,000."

**Charity:** Then what happens?

**Pastor Jan:** They sit there watching me write the check, but they don't say anything. So I help them a little by naming some of the ten, like "Thou shalt not kill." "Thou shalt not steal." "Thou shalt not commit adultery," and I ask if the Bible gives us permission to kill, steal, lie, worship other gods, commit adultery, etc.

**Faith:** Then what happens?

**Pastor Jan:** They walk away. Then I tear up the check. But if it's evident to me that the person is not a crook, but has a heart that's open to dear Jesus, I don't start writing the check, but instead, I give them a

Dear A. Jan Marcussen,  
I just finished reading your book "National Sunday Law." I couldn't put it down! I have not been a religious person, but your book gave me confirmation that God is real! God used this book to save my life! Today is Saturday, [God's holy Sabbath day.] I intend to get more of these books to give to others. Sincerely, Travis F

revelry, passion, dishonesty, are represented among those who administer the laws. 'Justice standeth afar off: for truth is fallen in the street, and equity cannot enter.' Isa 59:14.

"Yet this very class put forth the claim that the fast-spreading corruption is largely attributable to the desecration of the so-called 'Christian sabbath,' and that the enforcement of Sunday observance would greatly improve the morals of society." GC 586.

"The conflict is not yet ended; and as we draw near the close of time, the battle waxes more intense... Satan will not only **appear** as a **human** being, but he will personate Jesus Christ; and the world that has rejected the truth will receive him as the Lord of lords and King of kings.

Dear Jan Marcussen,

I was sitting in the car praying that God would help me to understand Bible prophecy and the anti-christ, when up walks this stranger and hands me your book! He walked away and never said a word!! I have not read anything so important outside of my Bible as your book "National Sunday Law!" I want to thank our Father in heaven for revealing these Bible prophecies to you so you could reveal them to us. I want to thank you for your boldness to carry out the will of our Father. May God bless you richly is my prayer, and all who help you. In His service, Lucille Drayton

Dear Pastor Jan,

I've been giving out the NSL books for several years. I leave them here and there - on a bench, a newspaper box, a parking lot, on seats in restaurants, in laundermats, in the waiting area in beauty shops, in magazine racks, I drive along and toss them under peoples' mail boxes, or on their side-walks by their doors. One time at a very large shopping center, I was busy putting many NSL books out all over the parking lot. The next day when I came back to finish the job, an officer asked if I was the one who had been putting these books all over the parking lot. I said "Yes." He said, "It's my business to see that no papers or adds are left anywhere at this place or on the cars. But I picked up one of those books and I read it. It's the best book I've ever read in my life! So you are welcome to put them here any time." [Praise God!]

Thank you for the newsletters, and may God bless you and your work!

Dear Jan Marcussen,

Some time ago I got your book "National Sunday Law" but left it on my shelf. Just recently, the Lord directed me to get the book off the shelf and read it. I am repenting for leaving that book on my shelf! I am in 100% agreement with what "National Sunday Law" is saying. Now I want to get more of them to get into the hands of others! God bless you for making this book available! I will be asking people to read this book word for word as though their life depended on it. In many ways, it does. For many years I never thought about how important the law of God is, and that the seventh day is the Sabbath of the Lord our God. Thank you! Thank you very much! Pastor R. L.
