And he laid hold on the **dragon**, that old **serpent**, which is the Devil, and Satan, and bound him a thousand years, And **cast** him into the **bottomless pit**, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the **thousand years** should be **fulfilled**: and after that he must be **loosed** a little season. And I saw thrones, and they sat upon them, and **judgment** was given unto them: and **I saw** the souls of them that were beheaded for the witness of Jesus, and for the **word of God**, and which had not worshipped the beast, neither his image, neither had received **his mark** upon their foreheads, or in their hands; and they lived and reigned with **Christ** a thousand years. But the rest of the dead lived not again until the **thousand years** were finished. This is the first resurrection. **Blessed** and holy is he that **hath part** in the first resurrection: on such the **second death hath no power.**"

One of these three is a robot. Concerning the last days, the angel said to Daniel, "many shall run to and fro, and knowledge shall be increased." Dan. 12:4. You're going to see that "knowledge" is now unbelievably increased - "as it was in the days of Noah." Were those giants smarter than people today?

Dear SDA friends around the world,

Live forever! Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: Why don't most church people understand this Bible statement about the "second death;" the first and second resurrections; the "**bottomless pit**;" or the "**mark**" of the beast?

Hope: And what about "Artificial Intelligence?" Will it cause church leaders to rejoice that technology is so advanced that the whole world will soon be reached, and the pope's Sunday law will soon be passed in the "grand movement for the conversion of the world, and the ushering in of the long-expected millennium"? GC 589.

Pastor Jan: Are you ready? Here we go -

The back cover of this Time magazine says, "Artificial intelligence now operates in homes, workplaces, and among the stars. Machines equipped with artificial intelligence are becoming more human."

As knowledge has accelerated at a lightning pace, scientists have progressed to what is known as "deep learning," or "deep neural networks." This means that instead of scientists programming computers for every conceivable scenario, engineers have advanced to the place where they now are uploading what they call self teaching computer programs. It means that the computers are learning and programming their own selves! It says, "In short, computers can now teach themselves! You now have software writing software." This is being applied to medical diagnosis, self piloting vehicles, crash proof drones, and obedient home gadgets like computerized underwear.

"Elon Musk is the genius behind PayPal, and Tesla. He said that the new technology is potentially more dangerous than nuclear bombs. 'With artificial intelligence,' He said, 'we are summoning the demon.'"

On the radio they were talking about the artificial intelligence {AI} robots. The reporter {Alex Stone} told about the new robot that can fold your laundry, sort it into piles for each family member, and then put the piles in their places. He said, "The robot **knows** that 'This is dad's shirt.' It folds it and puts it into a pile for dad. 'This is mom's blouse.' It folds it and puts it into a pile for mom. But the robot costs \$16,000.

THE COMPUTER WILL SEE YOU NOW

TIME, 12/29/17. By Alice Park

The article says that artificial intelligence {AI} is "being applied to medical diagnosis." They can now program computers in robots to "train themselves." That's why the headline says, "The Computer Will See You Now." The devil wants the new technology to aid the wicked in giving God's dear people the gift of prison and death as revealed in Rev. 13:15. Prison? How long will that take? www.christianpost.com reveals that Bolivia passed a new law saying that if any evangelist wins converts [away from the Roman church] they can go to prison for up to 12 years. Is time getting shorter? I'm glad that our kind Father is in control!

They talked of science and of the laws controlling nature [as they do now.] Then they held a carnival over the words of Noah, calling him a crazy fanatic..."

"There perished in the Flood **greater** inventions of art and human skill than the world knows of today. God saw that the imagination of men's heart was evil and that continually... By the waters of the Flood, He blotted this long-lived race from the earth, and with them perished the knowledge they had used only for evil." CC 33-34.

Resolution affirms government 'rooted in belief in Almighty God'

WorldNetDaily Exclusive, June 04, 2011

"Throughout America's rich history," asserts a Tennessee House Resolution that was passed 98-0 this week, "both the citizenry and their elected officials alike have deeply respected the Ten Commandments, its profound influence on the formation of American legal thought, and its fundamental place in the history of law and government."

Therefore, H.R. 107 declares, "This body hereby urges all Tennessee counties to allow the Ten Commandments to be posted in their respective courthouses."

WHEREAS, 88 Tennessee counties have already adopted resolutions acknowledging the historical significance of the Ten Commandments and pledging to defend their right to display them; and

WHEREAS, the Supreme Court has repeatedly recognized the historical importance of these sacred texts and even upheld Sunday closing laws, which originated in the Fourth Commandment's exhortation to remember the Sabbath Day and keep it holy; and

"There are a lot of things being made now in artificial intelligence including 'smart underwear' that will do all kinds of things. It will keep track of your heart rate and how far you have been walking. It will also keep track of several different vital signs in your body. It will do what an Apple watch can do, but why have that when you can have computerized underwear? Then, the laundry robot can fold and sort your computerized underwear.

Charity: "As it was in the days of Noah" so it will be in the end of the world. Were the giants in Noah's day smarter than people today?

Pastor Jan: Watch closely -

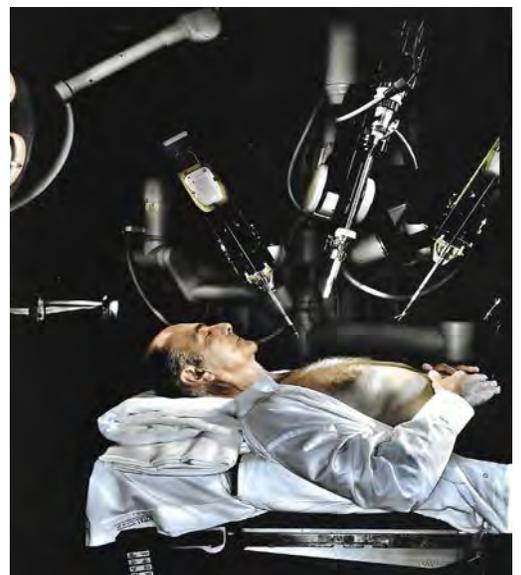

"There were many giants, men of great stature and strength, renowned for wisdom..."

"There are many inventions and improvements, and labor-saving machines now that the ancients did not have.

They did not need them...

[A 16 foot giant could jog down the road with the traffic. If he wanted to pass a car, he could just jump over it.]

"Men before the flood lived many hundreds of years, and when they were

He doesn't have a care in the world. He doesn't see the robots. Can the robots put him to sleep, cut him open, fix the problem, and then sew him up? The January, 2018 issue of *National Geographic* says that robot surgeons can be safer. It says, "Autonomous surgery robots are stitching up intestines and wielding cranial drills." It says that it takes a surgeon two hours to drill a hole in the patient's head to do brain surgery, but that the robot can drill a hole in your head in less than three minutes. Would you like that?

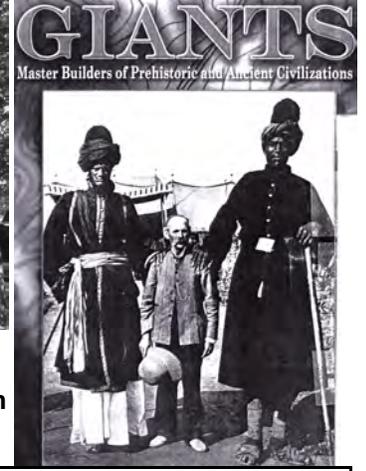

Hebrew scriptures declare that there were races of giants.”

2) Giants twice the size of gorillas, were found in Java.

3) Even more impressive were fossil deposits found by naturalist Rex Gilroy around Bathurst. He excavated from a depth of 6 feet a lower back molar tooth measuring 50mm. x 42mm. across the crown. The owner would have been from a giant weighing well over 1,000 lbs!

Here's 9 Foot Robert Wadlow with his family in Alton, Illinois. His left hand is on his father's shoulder, with his mother on his right. You can see pictures of him on the internet.

And here he is as the bellhop opens the elevator door to see who wants to come in.

4) A set of huge footprints was discovered near Mulgoa, south of Penrith, N.S.W. These prints, each measuring 2 ft long and 7 inches across the toes, are 6 ft. apart, indicating the stride of the 12 ft. giant who left them. These prints were preserved by volcanic lava and ash flows.

5) Noel Reeves found monstrous footprints near Kempsey, N.S.W. on the Upper Macleay River. One print shows a toe 4 inches long and the total toe-span is 10 inches - suggesting that the owner of the print may have been 17 feet tall.

6) Four jaw fragments and thousands of teeth have been found in China of

“gigantopithecus blacki.” Based on the size of the teeth and jaws, the size of the giant has been estimated as 12 feet, and weighing 1200 pounds.

7) Cornwall, England was known as the Land of the Giants. The Cornish giants were a six-toed, six-fingered race.

8) In Nayarit, Mexico on May 14, 1926, Capts. D. W. Page and F. W. Devalda discovered the bones of a race of giants who averaged over ten feet in height.

9) A prehistoric tool kit was found in Agadir, Morocco. The set of tools was clearly designed to be used by someone with hands corresponding to those of a 16-foot tall giant.

10) A headless skeleton was found in Nicaragua. Press accounts say that the giant skeleton, with head missing, has been unearthed at El Boquin, on the Mico River, in the Chontales district. The ribs are a yard long and four inches wide, and the shin bone is too heavy for one man to carry. "Chontales" is an Indian word, meaning "wild men."

11) In the Philippines a giant human skeleton was found at gargation, Measuring 17 feet long.

12) In the late 1950's during road construction in Homs, southeast Turkey, many tombs of giants were unearthed. The human thigh bones of one person was measured to be 47.24 inches in length. They calculated that the person who owned this femur stood at fourteen to sixteen feet tall. A cast of this bone is seen at the Creationist museum in Texas, run by Dr. Baugh. [Pastor Jan: Sweet Vennita and I have been there, and have seen the giant human bones and foot prints. At another time, when visiting the nearby river with Dr. Bill Palmer and Evan Saddler, we saw dinosaur, as well as giant human footprints in the stone on the bank of the river. I crawled on

“There were giants in the earth in those days.” Gen. 6:4.

Is it a dog? Is it a human? Is it a transvestite? “And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.” Gen. 6:5. Notice the word, “every.” Some time ago, I was introduced to a man and his wife. They were a well-dressed, handsome couple, and he was a police officer. But they had a secret. They were desperately searching for happiness but couldn't find it. They had so much guilt that the wife said that she was mating with so-and-so, and that he was mating with a dog. Was it like this in Noah's day? Are we in the end of the world? “And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them.” Gen. 6:7.

The prophet of God cries out - “If there was one sin above another which called for the destruction of the race by the flood, it was the base crime of amalgamation of man and beast which defaced the image of God, and caused confusion everywhere.” 3SG 63,64.

“The confused species which God did not create, which were the result of amalgamation, were destroyed by the flood... Since the flood, there has been amalgamation of man and beast.” 3SG 75. **Again?!!**

Why is our kind Father allowing it? Because “As it was in the days of Noah, so shall it be in the days of the coming of the son of man.” Luke 17:26.

Giants magazine reported that in the late 1950's, during a road construction in the Euphrates valley of southeast Turkey, the workers found a 15 foot human skeleton. In that area, other skeletons of giants were also found.

The magazine reports that a 19 foot, 6 inch skeleton was found in 1577, under an overturned oak tree in the Canton of Lucerne. It reveals that a 23 foot tall skeleton was found in 1456 beside a river in Valence, France.

my hands and knees in the river [near Glen Rose, TX.] and felt giant human and dinosaur footprints in the stone bottom. This strange river is only about 2 feet deep at that point and has a stone bottom instead of mud. I believe that God has preserved it for the benefit of the evolutionists. At the bank of that river, Dr. Baugh found a human footprint inside of a dinosaur footprint. This artifact shows that the

theory of evolution is a false “religion,” but of this, the scientists - if they want to keep their jobs - must stay “willingly ignorant.”

Meanwhile, “A flash of dazzling light was seen, and a cloud of glory more vivid than lightning descended from heaven and hovered before the entrance of the ark. The massive door, which it was impossible for those within to close, was slowly swung to its place by unseen hands... Noah was shut in, and the rejecters of God’s mercy were shut out... So when Christ shall cease His intercession for guilty men, before His coming in the clouds of heaven, the door of mercy will be shut. Then divine grace will no longer restrain the wicked, and Satan will have full control of those who have rejected mercy. They will endeavor to destroy God’s people; but as Noah was shut into the ark, so the righteous will be shielded by divine power.

“For seven days after Noah and his family entered the ark, there appeared no sign of the coming storm. During this

period their faith was tested. It was a time of triumph to the world without. The apparent delay confirmed them in the belief that Noah's message was a delusion, and that the Flood would never come... They gathered in crowds about the ark, deriding its inmates with a daring violence which they had never ventured upon before. [They’ll do it again.]

“But upon the eighth day dark clouds overspread the heavens. There followed the muttering of thunder and the flash of lightning. Soon large drops of rain began to fall. The world had never witnessed anything like this, and the hearts of men were struck with fear. All were secretly inquiring, ‘Can it be that Noah was in the right, and that the world is doomed to destruction?’ Darker and darker grew the heavens, and faster came the falling rain. The beasts were roaming about in the wildest terror, and their discordant cries seemed to moan out their own destiny and the fate of man. Then ‘the fountains of the great deep’ were ‘broken up, and the windows of heaven were opened.’ Water appeared to come from the clouds in mighty cataracts. Rivers broke away from their boundaries, and overflowed the valleys. Jets of water burst from the earth with indescribable force, throwing massive rocks hundreds of feet into the air, and these, in falling, buried themselves deep in the ground.

“The people first beheld the destruction of the works of their own hands. Their splendid buildings, and the beautiful gardens and groves where they had placed their idols, were destroyed by lightning from heaven, [it will happen again] and the ruins were scattered far and wide... The worshipers were made to tremble at the power of the living God, and to know that it was their corruption and idolatry which had called down their destruction.

“As the violence of the storm increased, trees, buildings, rocks, and earth were hurled in every direction. The terror of man and beast was beyond description. Above the roar of the tempest was heard the wailing of a people that had despised the authority of God. Satan himself, who was compelled to remain in the midst of the warring elements, feared for his own existence. He had delighted to control so powerful a race, and desired them to live to practice their abominations and continue their rebellion against the Ruler of heaven. He now uttered imprecations against God, charging Him with injustice and cruelty. Many of the people, like Satan, blasphemed God, and had they been able, they would have torn Him from the throne of power. Others were frantic with fear, stretching their hands toward the ark and pleading for admittance. But their entreaties were in vain. Conscience was at last aroused to know that there is a God who ruleth in the heavens. They called upon Him earnestly, but His ear was not open to their cry. In that terrible hour they saw that the transgression of God’s law had caused their ruin...

“The beasts, exposed to the tempest, rushed toward man, as though expecting help from him. Some of the people bound their children and themselves upon powerful animals, knowing that these would climb to the highest points to escape the rising waters. Some fastened themselves to lofty trees on the summit of hills or mountains; but the trees were uprooted, and with their burden of living beings were hurled into the seething billows. One spot after another that promised safety was abandoned. As the waters rose higher and higher, the people fled for refuge to the loftiest mountains. Often man and beast would struggle together for a foothold, until both were swept away.

Dear Jan Marcussen,

As soon as I read your book “National Sunday Law,” I became a Seventh-day Adventist! That book really opened my eyes and I will never honor Sunday again! Keep up the good work. God bless you!

Dear A. Jan Marcussen,

I have been a very fervent Roman Catholic, hearing the mass every day. My apartment looked like a Catholic cathedral. One day I found the book “National Sunday Law” on a bench. After reading it, my life changed completely! I told the priest that I renounce the Catholic Church. Please send me as many “National Sunday Law” books as you can. I will be giving God’s truth to the people! Cordially, Ruth R.

Dear Sir;

My husband and I read your book “National Sunday Law,” and we haven’t been the same since! Reading your book woke us up, and praise God, we have been studying and searching God’s word ever since! May God bless you! G.Y.

Dear A. Jan Marcussen,

I have not been able to find a church to attend. I would attend different churches each Sunday and not feel at peace within my spirit. I found a book called “National Sunday Law” on a newspaper stand. I felt moved by the Spirit of God to take it. As I went on my way I could not put the book down! I laughed and cried at finding such profound truth! I am truly inspired by the message God has provided through it! Thank you so very much! Sincerely, Jerry

“We are each of us building a structure which will be subjected to the scrutiny of the Judge of the whole earth. This structure which is going up daily, is our individual character; and every act – yes, every thought and word – is a stone in the building. If day by day we are carefully building into our lives noble, upright deeds, pure thoughts, and kind words, we shall not be ashamed when the structure is criticized by the Lord Jehovah; for it will be as a fair temple which will stand fast forever.” Bible Echo, 6/1/87. Praise God!

“Help us do it dear Father! We rest in Thy love, and in the blood, grace, and merits of our Lord Jesus. In His holy name, Amen.”

“From the highest peaks men looked abroad upon a shoreless ocean. The solemn warnings of God’s servant no longer seemed a subject for ridicule. How those doomed sinners longed for the opportunities which they had slighted! How they pleaded for one hour’s probation, one more privilege of mercy, one call from the lips of Noah! But the sweet voice of mercy was no more to be heard by them. Love, no less than justice, demanded that God’s judgments should put a check on sin. The avenging waters swept over the last retreat, and the despisers of God perished in the black depths...

“Another storm is coming. The earth will again be swept by the desolating wrath of God, and sin and sinners will be destroyed.

“The sins that called for vengeance upon the antediluvian world exist today. The fear of God is banished from the hearts of men, and His law is treated with indifference and contempt. The intense worldliness of that generation is equaled by that of the generation now living... [Notice the word, “equaled.”]

“Appetite is indulged without restraint. Professed followers of Christ are today eating and drinking with the drunken, while their names stand in honored church records. Intemperance benumbs the moral and spiritual powers and prepares the way for indulgence of the lower passions. Multitudes feel under no moral obligation to curb their sensual desires, and they become the slaves of lust... Extravagance pervades all circles of society. Integrity is sacrificed for luxury and display. They that make haste to be rich pervert justice and oppress the poor, and ‘slaves and souls of men’ are still bought and sold... The spirit of anarchy is permeating all nations, and the outbreaks that from time to time excite the horror of the world are but indications of the pent-up fires of passion and lawlessness that, having once escaped control, will fill the earth with

Dear Jan Marcussen,
I just finished reading “National Sunday Law” and I must say that I was shocked! But I most certainly felt the Holy Spirit at work within me concerning this great, vast subject. I do ask God to lead me into all truth - as I am going to follow it all the way! Neither my wife nor my church will get me to heaven, and I pray that I will be faithful to follow God all the way! God bless you! H.M.

woe and desolation...

“As the time of Christ’s second appearing draws near, the Lord sends His servants with a warning to the world to prepare for that great event. [That’s why we were born. May dear Jesus use you and me to reach them - in “such a time as this.”] Multitudes have been living in transgression of God’s law, and now He in mercy calls them to obey its sacred precepts. All who will put away their sins by repentance toward God and faith in Christ are offered pardon. [Wonderful Jesus!]

“As the time of their probation was closing, the antediluvians gave themselves up to exciting amusements and festivities [as they do now, while the roar of the cheering masses goes up to heaven.] Those who possessed influence and power were bent on keeping the minds of the people engrossed with mirth and pleasure, lest any should be impressed by the last solemn warning... While God’s servants are giving the message that the end of all things is at hand, the world is absorbed in amusements and pleasure seeking.

Dear Jan Marcussen,
Hello, I’m 11 years old. I had some doubts about God, like He wasn’t real. But what your book “National Sunday Law” says really makes sense, like the 666 thing. Oh yeah, my name is Jonathan Hall. I’m more confident about God now. I also learned in the book that Satan can make miracles too. Maybe time is coming to an end. I also look at the positive things like Jesus is coming soon! And I learned that we must follow our Creator’s law and not the laws of a man who claims to be god on earth. I feel like laughing at myself for being scared of God. God never failed us, why should we fail him? If I said anything bad, please forgive me. Please pray for me and others around the world that in the midst of persecution I’ll stand strong for God’s word and remember our race is almost done. Bless you. Jonathan

Dear Jan Marcussen,
Your book “National Sunday Law” stirred me so! The timing in which the book arrived was an answer to prayer in which I asked God for wisdom to understand spiritual things. How can we recognize God’s people in these end times, and where do we go to worship Him on His holy Sabbath? I want to mend my ways with God. I know that the end times are upon us. May God bless you in your endeavor to reach and warn His people! Mary

“When great and wise men had proved to their satisfaction that it was impossible for the world to be destroyed by water, when the fears of the people were quieted, when all regarded Noah’s prophecy as a delusion, and looked upon him as a fanatic—then it was that God’s time had come. ‘The fountains of the great deep’ were ‘broken up, and the windows of heaven were opened,’ and the scoffers were overwhelmed in the waters of the Flood. ‘As it was in the days of Noah...’ When the reasoning of philosophy has banished the fear of God’s judgments; when religious teachers are pointing forward to long ages of peace and prosperity, [the stock market!] and the world are absorbed in their rounds of business and pleasure... feasting and merrymaking, rejecting God’s warnings and mocking His messengers—then it is that ‘sudden destruction cometh upon them, and they shall not escape.’ 1Thess. 5:3.” PP 98-104.

“The death of Christ on the cross of Calvary is our only hope in this world, and it will be our theme in the world to come. The gift of God in His beloved Son was the expression of an incomprehensible love. It was the utmost that God could do to preserve the honor of His law, and still save the transgressor... If men would contemplate the love of Christ, displayed in the cross, their faith would be strengthened to appropriate the merits of His shed blood, and they would be **cleansed and saved from sin!**
