Elon Musk Warns of “Population Collapse”

The Feb. 28 issue of *The New American* reports Elon Musk's solution. It says, “Musk dreams of colonizing Mars... He said that SpaceX will land humans on Mars.”

thy sorceries were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.”

It won't end with speech. The threatening snowball is rolling faster. The prophet said, “The law of God, through the agency of Satan, is to be made void. In our land of boasted freedom religious liberty will come to an end.” *Last Day Events*, p. 144. Rome says the same. I've shown you the book *Making America Catholic* which says that 1) when Rome gets enough control, “religious freedom is at an end.” And 2) “It is the intention of the Pope to possess the United States.” With mainly obedient Catholics, this court above all courts, will uphold the mark of the beast.

Dear SDA friends around the world,
Greetings in the name of dear Jesus!

Faith: The Bible verse says that in Babylon “was found the blood of all that were slain upon the earth.” Does that include the war with poor doomed Putin as well as “the blood of all that were slain” in the world? And how will that affect us?

Pastor Jan: Are you ready? Here we go -

In this picture to the right, we see one of the poor stooges whom Rome is using to help destroy America so that the Vatican can take it over and raise it from the ashes as a faithful Catholic nation.

Now I'll quickly review the twelve great goals that you've seen in the little book

Making America Catholic - -

1 - The Pope has the right to give nations which are non-Catholic to Catholic regents who can reduce them to slavery. 2 - The Pope has the right to annul laws and constitutions.

[Have you noticed people at all levels attacking the Constitution?]

3 - He who kills one who is excommunicated [from the Roman Catholic Church] is no murderer in a legal sense. 4 - It is unlawful to grant unconditional freedom of thought, of speech, of writing, or of worship. 5 - Roman Catholics must obey their bishops whether right or wrong. 6 - The Catholic seal is set upon the United States for ever. 7 - There are more merits for obeying one's own Catholic superior than for obeying God Himself. 8 - It is the intention of the Pope to possess the United States. In this intention he is aided by the Jesuits and all the Catholic prelates and priests. **9 - We want to make the press of this country a positive agency in the dissemination of Catholic ideas. [They are accomplishing this every minute of every hour, of every day, with ABC, NBC, CBS, MSNBC, CNN, and most others. Papal agents are not asleep like the 10 happy virgins.] 10 - Protestantism, the murderous hag, is slowly dying of corruption and congenital rottenness and she will not much longer encumber the earth. 11 - Those are not to be accounted murderers when burning with love and zeal for their Catholic mother if they shall happen to kill a few of them [Protestants]. 12 - If Catholics ever gain sufficient majority in this country, religious freedom is at an end.**

The "NSA" is the National Security Agency.

Hope: What do they want?

Pat Robertson: They want total population control!

Pastor Jan: It's no accident that population control is also what Rome wants. Rome will use every agency you can think of to help her obtain her great goals as listed above. Rome's agents have been infiltrating these agencies according to GC 234, 235.

Pat Robertson: William Binney should know! He was the technical director of NSA and worked there for more than 30 years. He was probably the best code-breaker in America. He resigned because of their spying activities on the people. He's with us now -

William Binney: There are about 40,000 people working in Fort Meade, MD at NSA headquarters. And they have facilities all around the world. There are more than 100,000 who work for them.

Pat Robertson: Is there any limit to the amount of data that they can acquire? Total population control is really scary business.

William Binney: It's actually a totalitarian process that's been used down through history. They want to know everything about the population so they can control it. It was the same with the KGB in the Soviet Union, and the Gestapo in Germany. Every time you make a phone call, or go on the internet, whatever you

say, or type, can be captured. They collect it, store it, and then analyze it later. They can monitor most everybody in the country throughout the day.

Pastor Jan: With three hundred and twenty million people in the U.S., the faithful souls at the NSA are able to only investigate the smaller number of those whom they suspect are violating some law. God's obedient people need not fear them in any way because they have nothing to hide. "For we are made a spectacle unto the world, and to angels, and to men." I Cor. 4:9.

Pat Robertson: Is our NSA more powerful than the Gestapo, the SS, or the KGB in Russia?

William Binney: Unfortunately, it is. It can monitor most everybody in the country, and most everybody in the world.

Pastor Jan: But it's electronic wizardry breaks down when it comes to keeping up with the many millions of winos and hooligans sleeping on the ground; or street people as they push stolen grocery carts - while living in the bushes; on the streets; or by the river with 30 cats.

William Binney: What's happening now with the NSA is like 1984 on steroids. The phone companies turn over their records to this agency. This is a violation of your 1st amendment rights.

Pat Robertson: Why do they keep on doing it?

Can you guess what they're excited about?

Dear Pastor Marcussen,

I was a faithful church-going Roman Catholic. I'm writing to tell you that your book "National Sunday Law" was what God used to help me to become a Seventh-day Adventist! My husband gave me the book. I couldn't stop reading it! I had never known that Bibles were burned and that people were persecuted by the priests and popes of the Roman Catholic church for having a Bible. And I was SHOCKED when I read that they had pretended to change God's law [to substitute Sunday instead of the Bible seventh-day Sabbath.] That moment, I wanted to be faithful to God! Thank you for your book! It is true, and it opens the eyes of people whom Rome wants to keep in darkness. Sincerely, E.M.

William Binney: They're doing it for law enforcement worldwide. The FBI, the Federal Drug Administration, and other law enforcement agencies are the main ones who use this data. The methods they use to get this information are unconstitutional. So when this was brought before the Supreme Court, they lied to the Supreme Court. They said that the defendants were told about their methods. But that was a lie because the defendants have not been told to date. They're perjuring themselves in court. But no one can do anything about it.

Pat Robertson: Do you think that Congress has even a clue as to what you're talking about?

William Binney: Not a complete clue, but there is a small movement in Congress to limit and stop this. It's unconstitutional in the 1st, 4th, and 5th amendments. The 1st because they are illegally collecting your private data; the 4th because they are illegally looking at the content they've illegally collected; and the 5th because they've illegally used what they've illegally gathered against you in a court of law. I left them because they were adopting the procedures of the KGB in Russia.

Pat Robertson: This is monstrous! The average person doesn't have even a vestige of knowledge of what you're talking about. They just keep trusting in [Santa Clause.] What are we going to do?

William Binney: There's nothing that can be done other than for all these scores of people in D.C. to be voted out.

Pastor Jan: According to Bible prophecy, that's not going to happen. "And he spake as a dragon. And he exerciseth all the power of the first beast [Rome] before him." Rev. 13:11,12. **Notice the word "all."**

Pat Robertson: The Bible makes a statement in the book of Revelation that people can't buy or sell without the mark of the beast. This man is revealing to us that they now have the technique to do this worldwide!! If you have a little shack up in the hills somewhere - anywhere on earth - Google has pictures of it, and a map of how to get there. This is Big Brother and it finally can happen in our lifetime!

Pastor Jan: God's people see the armies of Egypt marching toward them. It happened in the days of Moses, and most of God's people "chickenishly" panicked. According to Bible prophecy [Rev. 13:11-18] we will also experience the marching of the enemy toward us as the Sunday law approaches. And the

Dear A. Jan Marcussen,

I am from a Catholic family and a Catholic community. But it may interest you to know that after reading your book "National Sunday Law," I became a Seventh-day Adventist. It has not been easy trying to cope with persecution from my parents and kinsmen, but by the grace of God, two of my nephews and my wife joined me to become Seventh-day Adventists. I consider the book "National Sunday Law" a powerful weapon against the devil, to reach the hearts of many people. I can see that in using the book rather than just using my mouth, my witness is more clear and more powerful. "National Sunday Law" books will help me reach the people in my town with God's Seventh-day Adventist Bible message. E.H

Once upon a time, the ten virgins were all sleeping on April 20, 1889, the day that tiny Adolf Hitler was born. So our kind Father knew that something must be done so they wouldn't sleep the sleep of eternal death. So He caused to be born the "Great Generation" who fought Hitler and the Japanese in World II. After the great war was over, there was more peace for a while, and the Baby Boom Babies were born. Then the foolish virgins were sleeping even deeper, and were sinking toward the sleep of eternal death. So our kind Father allowed Generation X and Generation Y to be born to witness the devil bringing the Korean war, the Vietnamese war, the Iraqi war, the virus, the war in Ukraine, and the sex change war - worse than it was in the days of Noah.

What about Generation Z? Would we see "Z" painted on war tanks? Now that we're in the end of the world, would our kind Father allow Generation Z to witness the approval for fiends to cut on little children and fill them with drugs to change their sex? The box below gives you a hint as to why the honored man faithfully obeys his wise master in the Vatican so that the 144,000 will see with their own eyes - the walking dead.

Charity: Here in our day, what will it be like?

Pastor Jan: Watch closely - "Suddenly they beheld in the distance the flashing armor and moving chariots betokening the advance guard of a great army. [Is it Pharaoh Putin?] As the force drew nearer, the hosts of Egypt were seen in full pursuit. Terror filled the hearts of Israel. Some cried unto the Lord, but far the greater part hastened to Moses with their complaints: 'Because there were no graves in Egypt, hast thou taken us away to die in the wilderness?' ...

“Moses was greatly troubled that his people should manifest so little faith in God, notwithstanding they had repeatedly witnessed the manifestation of His power in their behalf... Moses felt no fear of the consequences. His calm and assuring reply to the people was, **‘Fear ye not, stand still, and see the salvation of the Lord,** which He will show to you today: for the Egyptians whom ye have seen today, ye shall see them again no more forever. The Lord shall fight for you, and **ye shall hold your peace.’**”

“It was not an easy thing to hold the hosts of Israel in waiting before the Lord. Lacking discipline

and self-control, they became violent and unreasonable. They expected speedily to fall into the hands of their oppressors, and their wailings and lamentations were loud and deep. The wonderful pillar of cloud had been followed as the signal of God to go forward; but now they questioned among themselves if it might not foreshadow some great calamity; for had it not led them on the wrong side of the mountain, into an impassable way? Thus the angel of God appeared to their deluded minds as the harbinger of disaster.

“But now, as the Egyptian host approached them, expecting to make

Dear Pastor Jan,

Severely addicted to tobacco and alcohol, abandoned by my wicked friends, I prepared to die a miserable death. I felt that I had been totally forsaken by God and man. I was Mister Unpardonable Sin. I had once preached the truth, and forsaken the truth. Wallowing in self-pity, I pled with God to mercifully end my pathetic life. After all, I was already lost. This pleading broke into great wailing sobs of “I surrender. I’ll do anything you want. Help me Jesus. Help me. Help me.”

I had no where to go. No money. No food. Nothing. The next day, seemingly out of nowhere, I was invited to move in with a Christian family. They did not have a television so I just sweated, prayed without ceasing and read the Bible for at least eight hours a day. Those were painful days of sweat and withdrawal. I claimed every Bible promise as a personal promise to me!

One day while driving, I pulled into a gas station. There was an older man there picking up cans and bottles. My heart went out as he looked up and gave me the weary smile of the homeless.

I was just driving away when I noticed a *National Sunday Law* book on my front seat and was impressed to give him that. I rolled down my window, handed it to him, and he got so excited that I turned on my recorder to catch what he said. These are his exact words: “Yes! Yes! Yes! It’s Sunday law, it’s Sunday law because I’m having a hard time with Catholicism! I’m having a hard time with worshiping on Sunday. So I understand it. So I’m going to read *National Sunday Law*, I’m going to join you and leave Catholicism. I’m a Catholic but I’m coming out of it!”

This is the cry that Harry left me with. A cry that represents the great mass of searching souls, groping for light in the darkness of this world.

them an easy prey, the cloudy column rose majestically into the heavens, passed over the Israelites, and descended between them and the armies of Egypt. A wall of darkness interposed between the pursued and their pursuers. The Egyptians could no longer discern the camp of the Hebrews, and were forced to halt. But as the darkness of night deepened, the wall of cloud became a great light to the Hebrews, flooding the entire encampment with the radiance of day.

“Then hope returned to the hearts of Israel. [**Praise God!**] And Moses lifted up his voice unto the Lord...

‘And the Lord said unto Moses... Speak unto the children of Israel, that they go forward. But lift thou up thy rod, and stretch out thine hand over the sea, and divide it: and the children of Israel shall go on dry ground through the midst of the sea...’

“As Moses stretched out his rod the waters parted, and Israel went into the midst of the sea upon dry ground, while the waters stood like a wall upon each side. The light from God’s pillar of fire shone upon the foam-capped billows, and lighted the road that was cut

like a mighty furrow through the waters of the sea, and was lost in the obscurity of the farther shore.

“The Egyptians pursued, and went in after them to the midst of the sea, even all Pharaoh’s horses, his chariots, and his horsemen. [There they go!] And it came to pass, that in the morning watch the Lord looked unto the host of the Egyptians through the pillar of fire and of the cloud, and troubled the host of the Egyptians.’ The mysterious cloud changed to a pillar of fire before their astonished eyes. The thunders pealed and the lightnings flashed. ‘The clouds poured out water; the skies sent out a sound: Thine arrows also went abroad. The voice of Thy thunder was in the whirlwind; the lightning lightened the world: the earth trembled and shook.’ Ps. 77:17,18. [**Praise God!** Is He strong enough to save you from sin and death? **Oh Yes!!!**]

Dear Sir;

I was raised as a Roman Catholic. Now I’ve read “*National Sunday Law*” and I fell in love with the truth within its pages. The Lord is truly wonderful. He sent His angels to open my eyes to the truth. The book was a gift to me from my hair dresser who is a Seventh-day Adventist. I’m very thankful, and have begun a deep spiritual journey. With the help of Christ, we will rejoice in everlasting life! God bless all of you! Sasha

Dear Pastor Jan,

Praise be to our God. I thank Him that a friend introduced me to your book “*National Sunday Law*.” It convicted me so much that I got on my knees and asked God to forgive me for not keeping His true Sabbath. I immediately disposed of all my Catholic literature, prayer books, virgin Mary images, and Rosary beads. Now I feel peace in my heart - knowing that I’ve come to know the truth, and I now am a Seventh-day Adventist until the coming of our Lord Jesus Christ. I want to get more *National Sunday Law* books to reach others! May God’s mercy extend to you and may God bless His remnant!

“The Egyptians were seized with confusion and dismay. Amid the wrath of the elements, in which they heard the voice of an angry God, they endeavored to retrace their steps and flee to the shore they had quitted. But Moses stretched out his rod, and the piled-up waters, hissing, roaring, and eager for their prey, rushed together and swallowed the Egyptian army in their black depths.

“As morning broke it revealed to the multitudes of Israel all that remained of their mighty foes — the mail-clad bodies cast upon the shore. From the most terrible peril, one night had brought complete deliverance. **[Praise God!]** That vast, helpless throng—bondmen unused to battle, women, children, and cattle, with the sea before them, and the mighty armies of Egypt pressing behind—had seen their path opened through the waters and their enemies overwhelmed in the moment of expected triumph. Jehovah alone had brought them deliverance, and to Him their hearts were turned in gratitude and faith. Their emotion found utterance in **songs of praise**. The Spirit of God rested upon Moses, and he led the people in a triumphant anthem of thanksgiving, the earliest and one

of the most sublime that are known to man. ‘I will sing unto Jehovah, for He hath triumphed gloriously; The horse and his rider hath He thrown into the sea. The Lord is my strength and my song, And He is become my salvation: This is my God, and I will praise Him; My father's God, and I will exalt Him... Ex. 15:1-16. Like the voice of the great deep, rose from the vast hosts of Israel that sublime ascription. It was taken up by the women of Israel, Miriam, the sister of Moses, leading the way, as they went forth with timbrel and dance. Far over desert and sea rang the joyous refrain, and the mountains re-echoed the words of their praise — ‘**Sing ye to Jehovah, for He hath triumphed gloriously.**’

“This song and the great deliverance which it commemorates, made an impression never to be effaced from the memory of the Hebrew people. From age to age it was testifying that Jehovah is the strength and deliverance of those who trust in Him. That song does not belong to the Jewish people alone. It points forward to the destruction of all the foes of righteousness

Hi Pastor Jan!

I talked with an interesting man this morning. I handed him a *National Sunday Law* book and I said, "In this book you will learn why all this crazy stuff is going on all over the world. And you will learn who is behind it." He said, "Yeah, like covid! I know a man who got the shot, having a heart condition, and he died! Many have gotten the shot and it didn't seem to hurt them. But I know another guy who got blood clots from the shot! My aunt is a nurse and she was paid \$70 an hour to go around and give people free covid shots. I thought 'That's weird.' She told me that all the people coming in to be treated for covid are the ones who got the shots!! And they are dying!!!" [Many believe this is a scheme to kill people since the new world order people want to get rid of about 7 billion people.] He said, "The people act like the pope is God! I don't even watch television because it's full of lies!" I repeated that the book will explain everything. He took the book and said he is definitely going to read it! Praise God! Tom

and the final victory of the Israel of God. The prophet of Patmos beholds the white-robed multitude that have ‘gotten the victory,’ standing on the ‘sea of glass mingled with fire,’ having the harps of God. Dear Pastor Marcussen,

Many of us have been asleep compared to what we should be! We want to thank you for the wonderful work that you are doing! I met a student pastor who came into the church and is now going to be a faithful SDA minister because of reading “National Sunday Law.” I'm sure there are more ministers like him. We will pray that you will keep up the wonderful work you are doing! A.C.

Dear Pastor Marcussen,
Greetings from a new creature in Christ. Your book “National Sunday Law” is awesome! My eyes have been anointed to see the truth as it is laid before me, and I have accepted it and hold it close to my heart!! It's such a blessing to help spread this truth to as many as I can. I wish I had a million dollars to get “National Sunday Law” books out to the people. I can't thank you enough for all that I have learned. Praise the Lord! Yours in Christ, Randy

“In freeing our souls from the bondage of sin, God has wrought for us a deliverance greater than that of the Hebrews at the Red Sea. Like the Hebrew host, we should praise the Lord with heart and soul and voice for His ‘wonderful works to the children of men.’ Those who dwell upon God's great mercies... will put on the girdle of gladness and make melody in their hearts to the Lord. The daily blessings that we receive from the hand of God, and above all else the death of Jesus to bring happiness and heaven within our reach, should be a theme for constant gratitude... We should praise God for the blessed hope held out before us in the great plan of redemption, we should praise Him for the heavenly inheritance and for His rich promises; praise Him that Jesus lives to intercede for us.

“Whoso offereth praise,’ says the Creator, ‘glorifieth Me.’ Ps. 50:23. All the inhabitants of heaven unite in praising God. Let us learn the song of the angels now, that we may sing it when we join their shining ranks. Let us say with the psalmist, ‘While I live will I praise the Lord: I will sing praises unto my God while I have any being.’ ‘Let the people praise Thee, O God; let all the people praise Thee.’ Ps. 146:2; 67:5.

Dear Pastor Jan,
I just want you to know that your NSL book has changed many lives, and is continuing to do so by the day! God gets all the praise! Sincerely Jesse

Dear Jan Marcussen,
I'm 31 years old. I have read your book "National Sunday Law." It is the best book I have ever read! I want to be in God's "Remnant church" so bad. You are a genius. I'm not really giving you the praise, but I'm thanking God for this book that helped to save my life! I praise God. I don't want to worship the sun god any more. I have looked up every scripture in "National Sunday Law." It is, as they say, "Right on the mark." Sincerely, Keith Campbell.

“God in His providence brought the Hebrews into the mountain fastnesses before the sea, that He might manifest His power in their deliverance and signally humble the pride

of their oppressors. He might have saved them in any other way, but He chose this method in order to 1) test their faith and 2) strengthen their trust in Him. [He brings trials to us for the same two reasons.] The people were weary and terrified, yet if they had held back when Moses bade them advance, God would never have opened the path for them. It was ‘by faith’ that ‘they passed through the Red Sea as by dry land.’ Heb. 11:29. In marching down to the very water, they showed that they believed the word of God as spoken

by Moses. They did all that was in their power to do, and then **the Mighty One of Israel** divided the sea to make a path for their feet.

“The cloud that was a wall of darkness to the Egyptians was to the Hebrews a **great flood of light**, illuminating the whole camp, and shedding **brightness** upon the path before them. So the dealings of **Providence** bring to the unbelieving, darkness and despair, while to

the **trusting soul** they are **full of light** and **peace**. The path where **God** leads the way may lie through **the desert** or **the sea**, but it is **a safe path.**”
