Hope: The article says “The CFR [Council on Foreign Relations] is the Deep State powerhouse undoing and remaking our world.” But look closer. What universal power controls the CFR and the vast web of hundreds of daughter organizations and secret societies in their death struggle to “regain control of the world;” {GC 565} and to ruin and control the United States - on their way to the devil’s law to “save the earth from destruction?”

Charity: Does it seem to New World Order fiends that if they could just trick the masses into getting rid of the president, and to start eating babies, everything would be alright? What universal power is controlled by enough demons to push it; is rich enough to finance it; and is secret enough to be behind it?

Pastor Jan: It’s a secret.

**is an everlasting kingdom, and all dominions shall serve and obey him.”**

Dear SDA friends around the world,

Read all the boxes in this letter, then come back here and we’ll talk about what’s happening.

**Faith:** The Bible verse says, “But the judgment shall sit, and they shall take away his dominion, to consume and to destroy it unto the end.” How will that happen? When it happens, will the whole world know about it? Will it be like Pharaoh at the Red Sea? And how will it affect us?

**Pastor Jan:** Are you ready? Here we go -

**Billionaire George Soros - A key speaker at the big meeting of the world elite to be held in Davos, Switzerland. He said, “I consider the Trump administration a danger to the world. It will disappear in 2020.” [He means a danger to the elite stooges, and to the Vatican, for in their eyes, they are “the world.”]**

This RTV ministry spokesman shows three things about this big meeting of world elites in Switzerland that surprise me. He shows **1) What they are planning to do against our great nation - leading to the destruction of our society as we know it. He reveals that 2) the excuses they give for their tricky attacks against the U.S., are A) the virus from China, and B) the temperature of the air that goes up and down! On the DVD [seen on the link above] the elites reveal that when the virus goes away, their plans will also go away. So they are urging each other to move quickly to help end the present administration. [They want the virus to keep being reported as getting worse until we get as close to November 3 as possible. Has everyone heard the media lately praising God that the Covid 19 virus has been going away? 3) They reveal the connection that papal Rome has with themselves in their deadly plans.**

In this picture to the left, Michael Matt from RTV reveals that **1) about a million people, mostly elderly people, have died from the Covid 19 virus, and that about 25 million people who contracted it are now well because most everyone who gets it, gets well. 2) The Hong Kong Flu of 1968 killed about four million people. 3) Even though this earlier flu killed far more people than Covid 19 has, A) Society wasn't shut down. B) Healthy people were not required to stay home or wear masks. C) Schools were not closed. D) Church services were not cancelled. Why not? Because, he said, "Covid 19 is a thoroughly politicized virus."**

**Pastor Jan:** Their main goal is to destroy the president of the United States - so the universal power can get control of the U.S. **"in preparation for a fierce and determined conflict to regain control of the world, to re-establish persecution, and to undo all that Protestantism has done." The Covid pandemic gives us a rare, but narrow window of opportunity to re-imagine, and reset our world... The world must act jointly and swiftly to revamp all aspects of our societies... Every country, from the United States to China, must participate, and every industry, from oil and gas to tech, must be transformed."**

**The United States is in the way of the new world order leaders, and so they are trying to destabilize our entire country. The great "reset" wants to implement massive socialist programs. They say that no country will be able to opt out of the "Green New Deal." Whenever they have told you to go home and wear your mask so that Grandma won't get sick, please understand what's really going on. They don't care a thing about your grandmother. They don't care about babies. They want them aborted.**

**Pastor Jan:** You've already learned that a warrant was issued by the common law court in Belgium, for the arrest of Pope Francis for eating babies and drinking their blood as part of the Ninth Circle Jesuit child molestation cult.

You've already learned about the meeting of AOC where a lady got up and pled with everyone that the only way to fight climate change - to save our world - is for everyone to start eating babies. You heard her plead with the people that - **"We must start eating babies!"**

unmake the United States of America and extinguish liberty as we know it everywhere. [This article is actually identifying the evil workings of the “universal power” which the prophets of God identify in Daniel 7, Rev. 13-18, II Thess 2, and the chapter in *Great Controversy*, entitled “Liberty of Conscience Threatened.”]

“The term Deep State has become a popular expression referring to the powerful, murky forces operating throughout the federal government; the major media; the political establishment (of both parties); the megabanks and corporations, the think tanks, and academia— all with the aim of sabotaging the pro-American agenda, and removing the president of the United States by any means necessary.”

**Faith:** What is there about Satan’s attack against our great nation, and against God’s people in our day, that was similar to the devil’s attack when God’s people were condemned to death by the greatest army on earth?

**Pastor Jan:** Watch closely - “In Egypt the report was spread that the children of Israel, instead of tarrying to worship in the desert, were pressing on toward the Red Sea. Pharaoh’s counselors declared to the king that their bondmen had fled, never to return. The people deplored their folly in attributing the death of the first-born to the power of God. Their great men, recovering from their fears, accounted for the plagues as the result of natural causes. ‘Why have we done this, that we have let Israel go from serving us?’ was the bitter cry.

“Pharaoh collected his forces, ‘six hundred chosen chariots, and all the chariots of Egypt,’ horsemen, captains, and foot soldiers. The king himself, attended by the great men of his realm, headed the attacking army. To secure the favor of the gods, and thus ensure the success of their undertaking, the priests also accompanied them. The king was resolved to intimidate the Israelites by a grand display of his power. The Egyptians feared lest their forced submission to the God of Israel should subject them to the derision of other nations; but if they should now go forth with a great show of power and bring back the fugitives, they would redeem their glory, as well as recover the services of their bondmen.

“The Hebrews were encamped beside the sea, whose waters presented a seemingly impassable barrier before them, while on the south a rugged mountain obstructed their further progress. [Pharaoh must have thought - “The God of Moses is a poor General. He leaves them no way of escape.”] Suddenly they beheld in the distance the flashing armor and moving chariots betokening the advance guard of a great army. As the force drew nearer, the hosts of Egypt were seen in full pursuit. Terror filled the hearts of Israel. Some cried unto the Lord, but far the greater part hastened to Moses with their complaints: ‘Because there were no graves in Egypt, hast thou taken us away to die in the wilderness?’

Dear Pastor Jan,

Some time ago we were given the book “National Sunday Law” to read, and we immediately stopped keeping Sunday. After receiving further instruction, we were baptized, and are now Seventh-day Adventists. We are so happy!

We got many of the little NSL preachers, and our lives have changed! We are so much enjoying studying God’s word and keeping His Sabbath. We pray that these books will reach others [like they did for us] who will have an open mind and accept the truth of God’s word. May the Lord richly bless you in this ministry. In God’s love. H.F.

Prince Charles, the Prince of Wales, said, “We have a unique, but rapidly shrinking window of opportunity to ‘reset’ ourselves on a sustainable path. This is the one moment to make as much progress as we can.” Notice the words, “To reset ourselves.” The globalists in the universal power are hoping to quickly get rid of the present U.S. Administration, and to gain control of the nation using a Catholic puppet as they did with their poor stooge, Adolf Hitler.

Look at this - “God alone can limit the power of Satan. He is not off his watch for a single moment. Satan is preparing his deceptions, that in his last campaign against the people of God they may not understand that it is he. Satan knows better than God’s people the power that they can have over him when their strength is in Christ. When they humbly entreat the mighty Conqueror for help, the weakest believer in the truth, relying firmly upon Christ, can successfully repulse Satan

and **all** his host.” 1T 341.

**Praise God!**

“Moses was greatly troubled that his people should manifest so little faith in God, notwithstanding they had repeatedly witnessed the manifestation of His power in their behalf. How could they charge upon him the dangers of their situation, when he had followed the express command of God? True, there was no possibility of deliverance unless God Himself should interpose for their release; but having been brought into this position in obedience to the divine direction, Moses felt no fear of the consequences.

Dear Pastor Jan,

I have shared your book "National Sunday Law" with so many people in both Spanish and English! I just want you to know that your book has changed many lives, and is continuing to do so by the day! My mother whom I love very dearly, would benefit greatly from your book. Sincerely Jesse

His calm and assuring reply to the people was, **'Fear ye not, stand still, and see the salvation of the Lord,** which He will show to you today: for the Egyptians whom ye have seen today, ye shall see them again no more forever. The Lord shall fight for you, and ye shall **hold your peace.'**

“It was not an easy thing to hold the hosts of Israel in waiting before the Lord. Lacking discipline and self-control, they became violent and unreasonable. They expected speedily to fall into the hands of their oppressors, and their wailings and lamentations were loud and deep. The wonderful pillar of cloud had been followed as the signal of God to go forward; but now they questioned among

themselves if it might not foreshadow some great calamity; for had it not led them on the wrong side of the mountain, into an impassable way? Thus the angel of God [the Lovely Jesus] appeared to their deluded minds as the harbinger of disaster.

“**But now,** as the Egyptian host approached them, expecting to make them an easy prey, the cloudy column rose majestically into the heavens, passed over the Israelites, and descended between them and the armies of Egypt. A wall of darkness interposed between the pursued and their pursuers. The Egyptians could no longer discern the camp of the Hebrews, and were forced to halt. But as the darkness of night deepened, the wall of cloud became a great light to the Hebrews, flooding the entire encampment with the radiance of day.

Dear Jan Marcussen,

I received your book "National Sunday Law" last night just before I went to bed, and I spent the whole night reading it! I was in awe! God has given me perfect peace. On page 68 your book says that this information needs to be known. When I flipped to the next page, there was the order form to get more. That was my confirmation that God wants me to get more of these books for others. May God bless you in this most important ministry! Martin M. Texas

“Then hope returned to the hearts of Israel. And Moses lifted up his voice unto the Lord.

‘And the Lord said unto Moses, Speak unto the children of Israel, that they go forward. But lift thou up thy rod, and stretch out thine hand over the sea, and divide it: and the children of Israel shall go on dry ground through the midst of the sea...’

Dear Pastor Marcussen,

I'm writing to tell you that I received the "National Sunday Law" book in the mail and now I am a Seventh-day Adventist! Praise God's holy name! I'm reading as much as I can about His soon coming. Please send any list you might have concerning a good diet. I praise Him that I'm now worshiping God on His true and holy Sabbath day. God bless you and your ministry for Him. Your brother in Christ, Richard M. Philadelphia

“As Moses stretched out his rod the waters parted, and Israel went into the midst of the sea, upon dry ground, while the waters stood like a wall upon each side. The light from God's pillar of fire shone upon the foam-capped billows, and lighted the road that was cut like a **mighty furrow** through the waters of the sea, [Praise God!] and was lost in the obscurity of the farther shore.

“The Egyptians pursued, and went in after them to the midst of the sea, even all Pharaoh's horses, his chariots, and his horsemen. And it came to pass, that in the morning watch the Lord looked unto the host of the Egyptians through the pillar of fire and of the cloud, and troubled the host of the Egyptians.’ The

mysterious cloud changed to a pillar of **FIRE** before their astonished eyes. The thunders pealed and the lightnings flashed. ‘The clouds poured out water; the skies sent out a sound: Thine arrows also went abroad. The voice of Thy thunder was in the whirlwind; [Praise God!] the lightning lightened the world: the earth trembled and shook.’ Ps. 77:17,18.

“The Egyptians were seized with confusion and dismay. Amid the wrath of the elements, in which they heard the voice of an angry God, they endeavored to retrace their steps.

Dear Sir:

Your book "National Sunday Law" is fascinating! It's an eye-opener that God has blessed! I can't find words to describe it! I was a Roman Catholic. So I can't be but extremely shocked at the revelation of your book. I get on my knees and I thank God that it came into my hands! And not only that, I thank God that I learned these wonderful things. I want to share this truth with my family and those I love, so they too may have the "seal of God" in their foreheads. Thank you again, and may our blessed Lord and Savior bless you always. L.H.

But Moses stretched out his rod, and the piled-up waters, hissing, roaring, and eager for their prey, rushed together and swallowed the Egyptian army in their black depths.

“As morning broke it revealed to the multitudes of Israel all that remained of their mighty foes—the mail-clad bodies cast upon the shore. From the most terrible peril, one night had brought complete deliverance. [Praise God! It will be the same for us - when all seems lost.] Jehovah alone had brought them deliverance, and to **Him** their hearts were turned in gratitude and faith. The Spirit of God rested upon Moses, and he led the people in a triumphant anthem of thanksgiving, the earliest and one of the most sublime that are known to man. ‘I will sing unto Jehovah, for He hath triumphed gloriously; The horse and his rider hath He thrown into the sea. The Lord is my strength and my song, And He is become my salvation: This is my God, and I will praise Him; My father’s God, and I will exalt Him. The Lord is a man of war: Jehovah is His name. Pharaoh’s chariots and his host hath He cast into the sea: [along with Pharaoh himself, his leading government fiends, and the poor church leaders.] And his chosen captains are sunk in the Red Sea. Dear A. Jan Marcussen,

I was baptized as an infant in the Roman Catholic system. When I got older, I was stumbling around until a Christian woman brought me to Jesus Christ. I asked the minister why our church observes Sunday but he could not give me an answer from the Bible. Then I got your book “National Sunday Law.” It certainly did answer my questions!! Now I’m going to be ordering these books to give to others! I feel so good! The truth has set me free! I want to share God’s truth with everyone! Thank you again for “National Sunday Law!” Glory to God! May God bless you, in Christ our Saviour. Amen and amen! Deborah Spencer

deeps cover them: They went down into the depths like a stone. Thy right hand, O Lord, is glorious in power, Thy right hand, O Lord, dasheth in pieces the enemy... Who is like unto Thee, O Lord, among the gods? Who is like Thee, glorious in holiness, Fearful in praises, doing wonders?... Thou in Thy mercy hast led the people which Thou hast redeemed...’ Ex 15:1-16. Praise God!

“Like the voice of the great deep, rose from the vast hosts of Israel that sublime ascription. It was taken up by the women of Israel, Miriam, the sister of Moses, leading the way, as they went forth with timbrel and dance. Far over desert and sea rang the joyous refrain, and the mountains re-echoed the words of their praise— ‘**Sing ye to Jehovah,** [Praise God!] for He hath triumphed gloriously.’

“That song does not belong to the Jewish people alone. It points **forward** to the destruction of all the foes of righteousness and the

final **victory** of the Israel of God. The prophet of Patmos beholds the white-robed multitude that have ‘gotten the victory,’ standing on the ‘sea of glass mingled with fire,’ having ‘the harps of God. And they sing the song of Moses the servant of God, and the song of the Lamb.’ Rev 15:2,3.

115:1. In freeing our souls from the bondage of sin, God has wrought for **us** a deliverance **greater** than that of the Hebrews at the Red Sea. The daily blessings that we receive from the hand of God, and above all else the **death of Jesus** to bring **happiness and heaven** within our reach, should be a theme for constant gratitude. What compassion, what matchless love, has God shown to us, lost sinners, in connecting us with Himself... What a sacrifice has been made by our Redeemer, that we may be called children of God! We should praise God that Jesus lives to intercede for us. [Amen!]

“Let us say with the psalmist, ‘While I live will I praise the Lord: I will sing praises unto my God while I have any being.’ ‘Let the people praise Thee, O God; let all the people praise Thee.’ Ps 146:2; 67:5.

“God in His providence brought the Hebrews into the mountain fastnesses before the sea, that He might manifest His power in their deliverance and signally humble the pride of their oppressors. He might have saved them in any other way, but He

Dear Pastor,

Greetings! I’m writing from Zimbabwe. Thanks for the book “National Sunday Law.” As I was reading this book, I found myself on the road to heaven. I found that the facts in your book and in the Bible are connected. I think that when a person has information such as in “National Sunday Law,” he should not keep it to himself. I plan to share it with others! In Christ, T. C. Mashinoi

Dear A. Jan Marcussen,

I received a copy of “National Sunday Law” in my newspaper box with my Sunday paper. I couldn’t put the book down! I’ve read Daniel and Revelation over and over trying to understand. Your book has answered all my questions! Praise God! What a Savior! Katie Brooks.

chose this method in order to **test** their faith and **strengthen** their trust in Him. The people were weary and terrified, yet if they had held back when Moses bade them advance, God would never have opened the path for them. It was 'by faith' that 'they passed through the Red Sea as by dry land.' Heb. 11:29. In marching down to the very water, they showed that they believed the word of God as spoken by Moses. They did **all that was in their power** to do, and then the **Mighty One** of Israel divided the sea to make a path for their feet.

"The great lesson here taught is for **all time**. Often the Christian life is beset by dangers, and duty seems hard to perform. The imagination pictures impending ruin before and bondage or death behind. Yet the voice of God speaks clearly, '**Go forward.**' We should obey this command, even though our eyes cannot penetrate the darkness, and we feel the cold waves about our feet. The obstacles that hinder our

progress will never disappear before a halting, doubting spirit. Those who defer obedience till every shadow of uncertainty disappears and there remains no risk of failure or defeat, will never obey at all. Unbelief whispers, 'Let us wait till the obstructions are removed, and we can see our way clearly;' but faith courageously urges an advance, hoping all things, believing all things.

"The **cloud** that was a wall of **darkness** to the Egyptians was to the Hebrews a great **flood of light**, illuminating the whole camp, and shedding **brightness** upon the path before them. So the **dealings** of Providence bring to the unbelieving, darkness and despair, while to the **trusting** soul they are **full of light and peace**. The path where

**God** leads the way may lie through the **desert** or the **sea**, but it is a **safe** path." PP 283-290. **Praise God friend! Praise God!**
