swords, and your pruninghooks into spears: let the weak say, I am strong. Assemble yourselves, and come, all ye heathen... Multitudes, multitudes in the valley of decision: for the day of the LORD is near in the valley of decision... The LORD also shall roar out of Zion... and the heavens and the earth shall shake: but the LORD will be the hope of his people, and the strength of the children of Israel.”

Both Pakistan and India have the atomic bomb. Just recently Pakistan waged a terrorist attack against some Indian people in Kashmir. After President Trump arranged a cease fire, the Pakistani leader said, “We threatened America to stop the war, or we would ‘press the button’” [Do you know what that means?]

Dear SDA friends around the world,

Greetings in Jesus’ holy name.

Faith: The Bible says, “Prepare war... Wake up the mighty men, let all the men of war draw near... The LORD also shall roar out of Zion... and the heavens and the earth shall shake.” Joel 3:9,16.

Would God allow them to “prepare war” for WWII?
Would the pope stop it?

Pastor Jan: Are you ready?
Here we go -

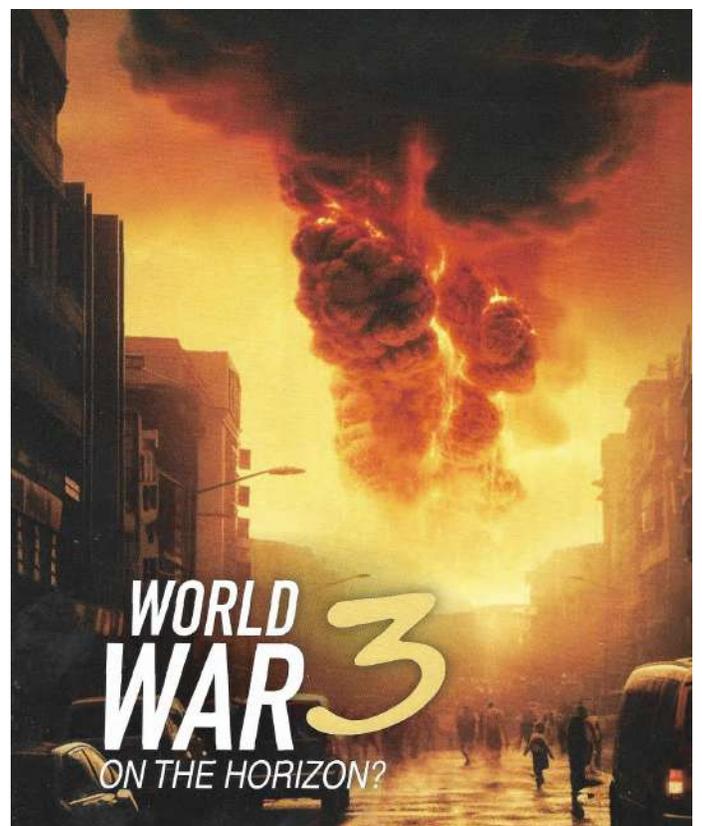

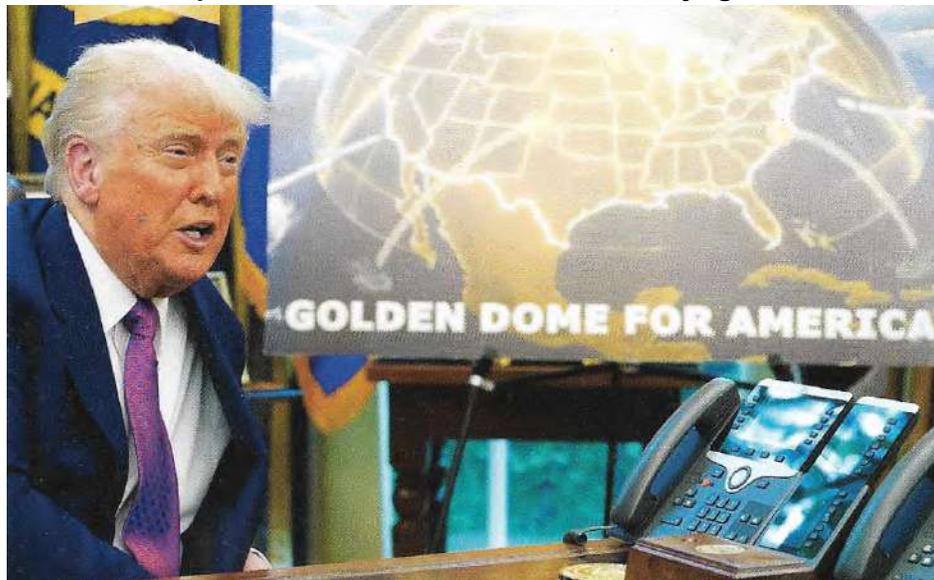

Have you ever noticed that heathen nations operate on the principle that if nation A embarrasses nation B, then, nation B has got to get back at nation A. Then, nation A has got to hurt nation B. Then nation B has got to get back at nation A again - and on it goes for decades - until they even don't know what they're fighting about. If they have a nuclear button to push, - sooner or later, one of them will push it! Our kind Father has been holding back such horrible scenes. But even now - "Men's hearts are failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken." Luke 21:26.

If a nation like Pakistan ever did "press the button" to set off a small atom bomb - it would shock the whole world! World leaders would start thinking very seriously about making laws and starting organizations that would hopefully hold off the shocking situation. The nuclear cat would be out of the bag. The article in the New American gives you a hint -

"A new international organization is announced to replace the decrepit United Nations. It is to be called the United Federation (UF). The United Federation will have a monopoly on military force and a new global currency, the bancor. [That "global" currency would be used to enforce the "universal" Sunday law - "That no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Rev. 13:17. The dollar could not enforce a "universal Sunday law," in all the nations of earth, but the "global" bancor could.] It is announced that all national and personal debts will be erased, and a global "jubilee year" of sorts is proclaimed, to enable the human race to rebuild. The UF will be headquartered in Atlanta, with regional administrative facilities all over the world... People are encouraged to restart and rebuild. Civilian arms are confiscated en masse, and a new global ID, allowing people to travel, live, and work wherever they desire, is issued. Large numbers of men and women, desperate for income, enlist to be trained for the new military and police forces, and, before long, the planet is under UF control. For a while, the new global masters appear benign. Commerce resumes and confidence in the new, simplified global financial system buoys the markets. Civil unrest is quelled by the UF, in coordination with elements of the old U.S. military, now subordinate to the new global authority. While some dissenters warn of a 'New World Order,' most Americans are happy to see the world being put back together, and peace and prosperity restored. To the

Safety dome: Trump's proposed "Golden Dome" missile defense project, inspired by Reagan's Strategic Defense Initiative, as well as Israel's "Iron Dome," is a long overdue measure to do one thing that the federal government is constitutionally required to do: defend the American homeland. That it has refused to do so for decades is a monstrous crime of omission perpetrated by America's many domestic enemies.

Will the Golden Dome give protection from World War 3? The article in the June 23, 2025 issue of the New American, and the last three chapters of the book *Great Controversy*, give us a hint.

If you and I are alive, will we experience World War 3?

vast majority of traumatized survivors, the U.S. Constitution is of little consequence.

- World War III

would likely involve some use of nuclear weapons, but - owing to their limited supply and to rational wartime calculus - most of them will be directed against military assets in an attempt to deny the enemy retaliatory capability. The rapid development of an American "Golden Dome" missile shield, could also be a significant mitigating factor.

- World War III would impact the American homeland more than any conflict since the Civil War.

• The American populace would be traumatized, impoverished, and afflicted by mass starvation and disease.

Many, having survived the event, would agitate for a world government to replace the “failed” UN system. This would override both the Declaration of Independence and the U.S. Constitution... In the long run it would be transformed into a global socialist dictatorship.” That’s the kind of rule that the Jesuits can control best.

The prophet of God gives us a closer glimpse -

“When the legislature frames laws which exalt the first day of the week, and put it in the place of the seventh day, the device of Satan will be perfected. (RH April 15, 1890).

“The decree enforcing the worship of this day is to go forth to all the world. [**For a global law to go out, there must be a global power to enforce it.**]

“Trial and persecution will come to all who, in obedience to the Word of God, refuse to worship this false sabbath. **Force is the last resort of every false religion.**” (ST May 6, 1897).

“God is going to bring around a condition of things where the good men and the men in authority will

have an opportunity to know what is truth indeed... Not a move has been made in exalting the idol sabbath, in bringing around Sunday observance through legislation, but Satan has been behind it.” (RH April 15, 1890).

“The law of God will, to all intents and purposes, be made void in our land; and **national apostasy** will be followed by **national ruin**. (RH Dec. 18, 1888). What will follow this “**national apostasy?**”

National ruin and WWII - leading to the battle of Armageddon. Here’s a glimpse of it -

“**John** saw armies mustering for battle, and men’s hearts failing them for fear. He saw the earth moved out of its place, the mountains carried into the midst of the sea, the waves thereof roaring and troubled, and the mountains shaking with the swelling thereof. He saw the vials of God’s wrath opened, and pestilence, famine, and death come upon the inhabitants of the earth. (RH Jan. 11, 1887).

“Destroying angels are taking up the work of vengeance; for the Spirit of God is gradually

withdrawing from the world. Satan is also mustering his forces of evil, going forth ‘unto the kings of the earth and of the whole world,’ to gather them under his banner, to be trained for ‘the battle of that great day of God Almighty.’ Satan is to make most powerful efforts for the mastery in the last great conflict...The faith of individual members of the church will be tested **as though there were not another person in the world.**

“Providence has a part to act in the battle of Armageddon. When the earth is lighted with the glory of the angel of Revelation eighteen, the religious elements, good and evil, will awake from slumber, and [**get this**] **the armies of the living God [angels] will take the field.**” (MS 175, 1899). [**Praise God!**]

Mighty angels going door to door? Watch closely.

Dear Pastor Marcussen,
Your book “National Sunday Law” was mailed to me. I was a Roman Catholic. Now, I am a Catholic no more! I have become a Seventh-day Adventist! I am passing the NSL book out to the people. Praise God!
Irene Hackettstown, N.J.

Dear Pastor Marcussen,
Greetings in Christ from sunny South Africa! I’m alive and on fire for the Lord’s work as I know that He is coming soon! Don’t stop sending me your letters. Two people to whom I gave the book “National Sunday Law” were baptized as Seventh-day Adventists! One of them resigned from his work and wants to share the light of God’s message with others. Praise God! Yes, time is running out! Thank God we are almost home! Yours in Christ, Mrs. E. Bouman

Dear Sir, I have received a copy of the book “National Sunday Law” in the mail, and when I read it, I knew that it is so important that I could not stop reading it! This is the best piece of mail that I’ve received. I want to get many copies of this amazing book! I want to give them to friends, and relatives. What’s in this book is something that every person should know about! Thank you very much! Yours truly in Christ, A.N.

You will see them! You will talk with them! They fly faster than the speed of light. They go through walls. Their natures are sweet - just like dear Jesus.

God's prophet said, "Angels Will Do the Work Men Neglected. [Did you ever know that?] When divine power is combined with human effort, the work **will spread like fire in the stubble**. [Praise God! You can be part of it!] God will employ agencies whose origin man **will not be able to discern**; angels will do a work which men might have had the blessing of accomplishing, had they not neglected the claims of God." TA 267. Can

you picture millions of tall angels going door to door with us? That way, God's work will be finished **fast!** How? "For he will finish the work, and **cut it short** in righteousness: {with angels in cooperation with the 144,000} and because a short work will the Lord make upon the earth." Romans 8:28.

Dear A. Jan Marcussen, I feel like a great cloud has been blown away from me! After reading your book "National Sunday Law," I am so enlightened! I have never been so stimulated and affected by any literary work! I have shared the book, and the truth about God's seventh-day Sabbath with my friends. I have great peace and a wonderful contented feeling!! Your book has changed my whole outlook on life! Your brother in Christ, Richard

Concerning those church members who don't really care about saving souls, who sit around being saved by grace, they will find that - "Those who are 'do-nothings' now will have the superscription upon them, 'Thou art weighed in the balances, and art found wanting.' They knew their Master's will, but did it not. They had every advantage, but they will be **left with those whom they did not try to save.**" TM 237.

May God help us to lovingly reach the people, is my prayer. After that, here's what happens -

"Every form of evil is to spring into intense activity. Evil angels unite their powers with evil men... and they will not yield the last great final contest without a desperate struggle. All the world will be on one side

or the other of the question. The battle of Armageddon will be fought, and that day must find none of us sleeping." BC 982.

"The Captain of the Lord's host will stand at the head of the angels of heaven to direct the battle. Solemn events before us are yet to transpire. Trumpet after trumpet is to be sounded, vial after vial poured out one after another upon the inhabitants of the earth. Scenes of stupendous interest are right upon us." (Letter 112, 1890).

The way things were in the times of Noah and Jesus, they are today. Here it is -

"Deception of sin had reached its height. All the agencies for depraving the souls of men had been put in operation. The Son of God, looking upon the world, beheld suffering and misery. With pity He saw how men had become victims of satanic cruelty. He looked with compassion upon those who were being corrupted, murdered, and lost. **They had chosen** a ruler who chained them to his car as captives. Bewildered and deceived, they were moving on in gloomy procession toward eternal ruin, to death in which is no hope of life, toward night to which comes no morning. Satanic agencies were incorporated with men. The bodies of human beings, made for the

Dear A. Jan Marcussen, I am an ordained minister in the Assembly of God. I found the book "National Sunday Law" and I feel that it's a miracle that I received it! I have read the book 4 times, and I know that it is true! I've looked up all the scriptures on God's 7th day Sabbath, and I will now observe God's Sabbath and keep it holy. Not only that, I feel a great responsibility to tell others. This little book is my great treasure. I marvel at God's ways. Sincerely, M.J.

Dear Sir:
Aloha from sunny Hawai. My friend loaned me her book "National Sunday Law." What a surprise to learn that the Sabbath of God is on Saturday and not on Sunday! I want to keep learning more of God's truth! Sincerely, Sybil

dwelling place of God, had become the habitation of demons. The senses, the nerves, the passions, the organs of men, were worked by supernatural agencies in the indulgence of the vilest lust.

Dear Jan Marcussen,
I want to thank you for the book I received called "National Sunday Law." I have been a Christian for many years, but I struggled to understand the book of Revelation until now. All things are now clear. From reading your book, God's words are implanted in my mind. Praise God! I am more happy than ever before! I thank our Lord Jesus that I received this book, for time is very short. God bless you!

The very stamp of demons was impressed upon the countenances of men.

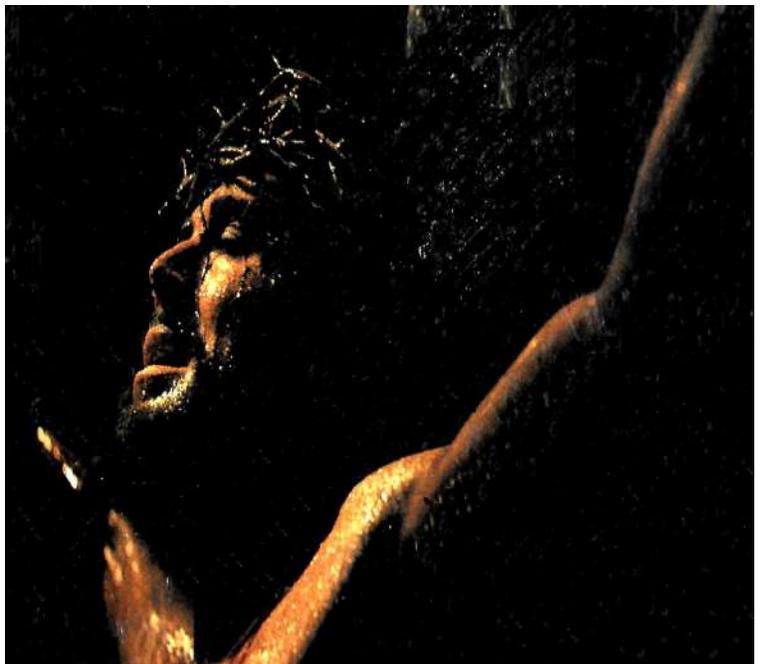

Human faces reflected the expression of the legions of evil with which they were possessed. Such was the prospect upon which the world's

Redeemer looked. What a spectacle for Infinite Purity to behold!

"Sin had become a science, [A science!!! They do scientific experiments with sin!].... Rebellion had struck its roots deep into the heart, and the hostility of man was most violent against heaven. It was demonstrated before the universe that, apart from God, humanity could not be uplifted. A new element of life and power must be imparted by Him who made the world.

"Satan was exulting that he had succeeded in debasing the image of God in humanity.

Then Jesus came [Praise God!] to restore in man the image of his Maker.

"Hope thou in God, for on Calvary's cross a complete sacrifice was offered **for you**... Eternal joy - a life of undimmed happiness - awaits the one who surrenders **all** to Christ." HP 262.

"When at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fulness of joy; for his sins are **pardoned**." SD 222. Praise God friend! **Praise God!**

Here's the Laodicean church of Rev. 3. She's grooving on her way "to the marriage supper of the Lamb." Rev. 19:9. Will she make it? Read about her in Rev. 3, and you'll see what will happen. She says "I am rich... I need nothing." Rev. 3:17. What does Jesus say? Do you see her pilot? He said, "Come on you guys! We've got a long way to go!"

Dear Sir:

I was a Roman Catholic until I read your book "National Sunday Law." The revelation of it was extremely shocking to me. The book is fascinating and I know that it's blessed by God. I can't find words to describe it! I get on my knees and thank God that it came into my hands. And not only that, I thank God that I learned these wonderful things. I want to share this truth with my family and those I love, so they too may have the "seal of God" in their foreheads. Thank you again, and may our blessed Lord and Savior bless you always. L.E.

Dear Sir;
 I am writing to thank you for your wonderful book "National Sunday Law." The book is extremely important! I will never work on a Saturday again! I now know better than that, thanks to you. May the Holy Spirit guide you in the peace and victory of Christ, for the glory of God.

Dear A. Jan Marcussen,
 I've been a backslidden Christian, but I was blown away at reading "National Sunday Law!" It woke me up! I have asked God to forgive me and help me to obey Him by His Holy Spirit. I will share this new knowledge with all that I come in contact with! I'm honored to be blessed with God's message in your book!
 Yours in Christ, Ron
